

2020 Kansas Statutes

72-2152. Same; maintenance of standards. Any institution on the accredited list shall be subject to examination by the state board at its pleasure with respect to its course of study, its equipment, and the character of its work; and additional requirements may be made by the state board. Any institution failing to maintain a standard satisfactory to the state board shall be dropped from the accredited list.

History: L. 1945, ch. 282, § 27; L. 1968, ch. 250, § 2; July 1.
