

2020 Kansas Statutes

75-5705. Division of employment and security, establishment and administration. There is hereby established within and as a part of the department of labor a division of employment security. The secretary of labor shall administer the division of employment security or provide for the administration thereof in the manner the secretary deems necessary.

History: L. 1976, ch. 354, § 5; L. 1985, ch. 292, § 3; L. 2004, ch. 179, § 124; July 1.
