AN ACT concerning governmental response to the 2020 COVID-19 pandemic in Kansas; providing certain relief related to health, welfare, property and economic security during this public health emergency; making and concerning appropriations for the fiscal years ending June 30, 2020, and June 30, 2021, for the governor's department; requiring the state finance council's approval for certain expenditures; relating to the state of disaster emergency; powers of the governor and executive officers; providing certain limitations and restrictions; business and commercial activities; violations of the Kansas emergency management act; relating to the closure of schools by executive order; requiring state board of education approval prior to any such closure; enacting the COVID-19 response and reopening for business liability protection act; relating to limitations on liability associated with the COVID-19 public health emergency; providing immunity from civil liability for certain healthcare providers during the COVID-19 public health emergency; providing an affirmative defense for adult care homes; enacting the COVID-19 contact tracing privacy act; relating to privacy of persons whose information is collected through contact tracing and the confidentiality of contact data; authorizing the secretary of health and environment and local health officers to establish and operate systems of contact tracing during the COVID-19 pandemic; validating certain notarial acts performed while the requirements that a person must appear before a notary public are suspended; requiring local health officers to share certain information with first responder agencies and 911 call centers; imposing requirements on the Kansas department for aging and disability services related to infection prevention and control practices and recommendations, infection control inspections and providing personal protective equipment; authorizing the expanded use of telemedicine in response to the COVID-19 public health emergency and imposing requirements related thereto; suspending certain requirements related to medical care facilities and expiring such provisions; providing for temporary suspension of certain healthcare professional licensing and practice requirements; delegation and supervision requirements; conditions of licensure and renewal and reinstatement of licensure; relating to authorized use of two-way electronic audiovisual communication by courts to secure the health

Strike in lines 10 & 11 by the local board of education of the school district or the governing body of the nonpublic school.
notwithstanding any other provision of law to the contrary, no executive order issued by the governor pursuant to K.S.A. 48-925, and amendments thereto, that has the effect of closing public or private school attendance centers in this state shall be effective unless and until such order has been affirmed by the state board of education by adoption of a resolution by a majority of the members of the state board. Prior to issuing any such executive order, the governor shall submit such proposed executive order to the state board of education. Upon receipt of such proposed executive order, the state board shall meet as soon as reasonably possible to review such proposed order and, if a majority of the members of the state board determines such order is in the best interests of the students in this state, to adopt a resolution affirming such proposed executive order.

New Sec. 8. Sections 8 through 15, and amendments thereto, shall be known and may be cited as the COVID-19 response and reopening for business liability protection act.

New Sec. 9. As used in the COVID-19 response and reopening for business liability protection act, unless the context otherwise requires:
