Sec. 24. K.S.A. 2019 Supp. 44-702 is hereby amended to read as follows: 44-702. As a guide to the interpretation and application of this act,
the public policy of this state is declared to be as follows: Economic
insecurity, due to unemployment, is a serious menace to health, morals,
and welfare of the people of this state. Involuntary unemployment is
therefore a subject of general interest and concern—which that requires
appropriate action by the legislature to prevent its spread and to lighten its
burden—which that now so often falls with crushing force upon the
unemployed worker and such worker's family. The achievement of social
security requires protection against this greatest hazard of our economic
life. This can be provided by encouraging employers to provide more
stable employment and by the systematic accumulation of funds during
periods of employment to provide benefits for periods of unemployment,
thus maintaining purchasing power and limiting the serious social
consequences of poor-relief assistance. The legislature, therefore, declares
that in its considered judgment the public good and the general welfare of
the citizens of this state require the enactment of this measure, under the
police powers of the state, for the compulsory setting aside of
unemployment reserves to be used for the benefit of persons unemployed.
The state of Kansas is committed to maintaining and strengthening access
to the unemployment compensation system, including through initial and
continuing claims. All persons and employers are entitled to a neutral
interpretation of the employment security law.

Sec. 25. K.S.A. 2019 Supp. 44-705, as amended by section 2 of 2020
Senate Bill No. 27, is hereby amended to read as follows: 44-705. Except

subsection.

(b) The claimant has made a claim for benefits with respect to such

(c) The claimant is able to perform the duties of such claimant's

demonstrated by the claimant's pursuit of the full course of action most
reasonably calculated to result in the claimant's reemployment except that,
notwithstanding any other provisions of this section, an unemployed
claimant otherwise eligible for benefits shall not become ineligible for
benefits: (1) Because of the claimant's enrollment in and satisfactory
pursuit of approved training, including training approved under section 
236(a)(1) of the trade act of 1974; or (2) solely because such individual is 
seeking only part-time employment if the individual is available for a 
number of hours per week that are comparable to the individual's part-time 
work experience in the base period; or (3) because a claimant is not 
actively seeking work: (i) During a state of disaster emergency proclaimed

757(k)(4), and amendments thereto, and that period of one week, in either 
case, occurs within the benefit year that includes the week for which the

(B) if the individual fails to meet with the other eligibility 
requirements of this section; or
(C) if an individual is seeking unemployment benefits under the 
unemployment compensation law of any other state or of the United

States finally determines that the claimant is not entitled to unemployment 
benefits under such other law, this subparagraph shall not apply.

(2) (A) The waiting week requirement of paragraph (1) shall not 
apply to:

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:

(2) the claimant files for benefits within 24 months of the date the qualifying injury occurred; and

If the examiner determines that the claim is valid, the examiner shall determine the first day of the benefit year, the weekly benefit amount and the total amount of benefits payable with respect to the benefit year. If the claim is determined to be valid, the examiner shall send a notice to the last employing unit who shall respond within 10 days by providing the examiner all requested information including all information required for a decision under K.S.A. 44-706, and amendments thereto. The information may be submitted by the employing unit in person at an employment office of the secretary or by mail, by telefacsimile machine or by electronic mail. If the required information is not submitted or postmarked within a response time limit of 10 days after the examiner's notice was sent, the employing unit shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the employment security board of review or any court, except that the employing unit's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. In any case in which the payment or denial of benefits will be determined by the provisions of K.S.A. 44-706(d), and amendments thereto, the examiner shall promptly transmit the claim to a special examiner designated by the secretary to make a determination on the claim after the investigation as the special examiner deems necessary. The parties shall be promptly notified of the special examiner's decision and any party aggrieved by the decision may appeal to the referee as provided in subsection (c). The claimant and the claimant's most recent employing unit shall be promptly notified of the examiner's or special examiner's decision.

(2) The examiner may for good cause reconsider the examiner's decision and shall promptly notify the claimant and the most recent employing unit of the claimant, that the decision of the examiner is to be reconsidered, except that no reconsideration shall be made after the termination of the benefit year.

(3) Notwithstanding the provisions of any other statute, a decision of an examiner or special examiner shall be final unless the claimant or the most recent employing unit of the claimant files an appeal from the
decision as provided in subsection (c), except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect. The appeal must be filed within 16 calendar days after the mailing of notice to the last known addresses of the claimant and employing unit or, if notice is not by mail, within 16 calendar days after the delivery of the notice to the parties.

(c) Appeals. Unless the appeal is withdrawn, a referee, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and decision of the examiner or special examiner. The parties shall be duly notified of the referee's decision, together with the reasons for the decision. The decision shall be final, notwithstanding the provisions of any other statute, unless a further appeal to the employment security board of review is filed within 16 calendar days after the mailing of the decision to the parties' last known addresses or, if notice is not by mail, within 16 calendar days after the delivery of the decision, except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect.

(d) Referees. The secretary shall appoint, in accordance with K.S.A. 44-714(c), and amendments thereto, one or more referees to hear and decide disputed claims.

(e) Time, computation and extension. In computing the period of time for an employing unit response or for appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(f) Board of review. (1) There is hereby created an employment security board of review, hereinafter referred to as the board, consisting of three members. Each member of the board shall be appointed for a term of four years as provided in this subsection. Not more than two members of the board shall belong to the same political party.

(2) When a vacancy on the employment security board of review occurs, the workers compensation and employment security boards nominating committee established under K.S.A. 44-551, and amendments thereto, shall convene and submit a nominee to the governor for appointment to each vacancy on the employment security board of review, subject to confirmation by the senate as provided by K.S.A. 75-4315b, and amendments thereto. The governor shall either: (A) Accept and submit to the senate for confirmation the person nominated by the nominating committee; or (B) reject the nomination and request the nominating
committee to nominate another person for that position. Except as provided by K.S.A. 46-2601, and amendments thereto, no person appointed to the employment security board of review, whose appointment is subject to confirmation by the senate, shall exercise any power, duty or function as a member until confirmed by the senate.

(3) No member of the employment security board of review shall serve more than two consecutive terms.

Any vacancy in the membership of the board occurring prior to expiration of a term shall be filled by appointment for the unexpired term in the same manner as provided for original appointment of the member.

(5) Each member of the employment security board of review shall be entitled to receive as compensation for the member's services at the rate of $15,000 per year, together with the member's travel and other necessary expenses actually incurred in the performance of the member's official duties in accordance with rules and regulations adopted by the secretary. Members' compensation and expenses shall be paid from the employment security administration fund.

(6) The employment security board of review shall organize annually by the election of a chairperson from among its members. The chairperson shall serve in that capacity for a term of one year and until a successor is elected. The board shall meet on the first Monday of each month or on the call of the chairperson or any two members of the board at the place designated. The secretary of labor shall appoint an executive secretary of the board and the executive secretary shall attend the meetings of the board.

(7) The employment security board of review, on its own motion, may affirm, modify or set aside any decision of a referee on the basis of the evidence previously submitted in the case; may direct the taking of additional evidence; or may permit any of the parties to initiate further appeal before it. The board shall permit such further appeal by any of the parties interested in a decision of a referee which overrules or modifies the decision of an examiner. The board may remove to itself the proceedings on any claim pending before a referee. Any proceedings so removed to the board shall be heard in accordance with the requirements of subsection (c). The board shall promptly notify the interested parties of its findings and decision.

(8) Two members of the employment security board of review shall constitute a quorum and no action of the board shall be valid unless it has the concurrence of at least two members. A vacancy on the board shall not impair the right of a quorum to exercise all the rights and perform all the duties of the board.
(g) Procedure. The manner in which that disputed claims are presented, the reports on claims required from the claimant and from employers and the conduct of hearings and appeals shall be in accordance with rules of procedure prescribed by the employment security board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings and decisions in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed. In the performance of its official duties, the board shall have access to all of the records which that pertain to the disputed claim and are in the custody of the secretary of labor and shall receive the assistance of the secretary upon request.

(h) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees and necessary travel expenses at rates fixed by the board. Such fees and expenses shall be deemed a part of the expense of administering this act.

(i) Review of board action. Any action of the employment security board of review may not be reconsidered after the mailing of the decision. An action of the board shall become final unless a petition for review in accordance with the Kansas judicial review act is filed within 16 calendar days after the date of the mailing of the decision. If an appeal has not been filed within 16 calendar days of the date of the mailing of the decision, the decision becomes final. No bond shall be required for commencing an action for such review. In addition to those persons having standing pursuant to K.S.A. 77-611, and amendments thereto, the examiner shall have standing to obtain judicial review of an action of such board. The review proceeding, and the questions of law certified, shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under the workers compensation act.

(j) Any finding of fact or law, judgment, determination, conclusion or final order made by the employment security board of review or any examiner, special examiner, referee or other person with authority to make findings of fact or law pursuant to the employment security law is not admissible or binding in any separate or subsequent action or proceeding, between a person and a present or previous employer brought before an arbitrator, court or judge of the state or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts.

(k) In any proceeding or hearing conducted under this section, a party to the proceeding or hearing may appear before a referee or the employment security board of review either personally or by means of a
designated representative to present evidence and to state the position of
the party. Hearings may be conducted in person, by telephone or other
means of electronic communication. The hearing shall be conducted by
telephone or other means of electronic communication if none of the
parties requests an in-person hearing. If only one party requests an in-
person hearing, the referee shall have the discretion of requiring all parties
to appear in person or allow the party not requesting an in-person hearing
to appear by telephone or other means of electronic communication. The
notice of hearing shall include notice to the parties of their right to request
an in-person hearing and instructions on how to make the request.

Sec. 27. K.S.A. 2019 Supp. 44-710 is hereby amended to read as
follows: 44-710. (a) *Payment.* Contributions shall accrue and become
payable by each contributing employer for each calendar year in which
that the contributing employer is subject to the employment security law
with respect to wages paid for employment. Such contributions shall
become due and be paid by each contributing employer to the secretary for
the employment security fund in accordance with such rules and
regulations as the secretary may adopt and shall not be deducted, in whole
or in part, from the wages of individuals in such employer's employ. In the
payment of any contributions, a fractional part of $.01 shall be disregarded
unless it amounts to $.005 or more, in which case it shall be increased to
$.01. Should contributions for any calendar quarter be less than $5, no
payment shall be required.

(b) *Rates and base of contributions.* (1) Except as provided in
paragraph (2) of this subsection, each contributing employer shall pay
contributions on wages paid by the contributing employer during each
calendar year with respect to employment as provided in K.S.A. 44-710a,
and amendments thereto. Except that, notwithstanding the federal law
requiring the secretary of labor to annually recalculate the contribution
rate, for calendar years 2010, 2011, 2012, 2013 and 2014, the secretary
shall charge each contributing employer in rate groups 1 through 32 the
contribution rate in the 2010 original tax rate computation table, with
contributing employers in rate groups 33 through 51 being capped at a
5.4% contribution rate. *For calendar year 2021, unemployment tax rates
for eligible employers shall be limited to the standard rate schedule in
K.S.A. 44-710a, and amendments thereto. Therefore, no additional
solvency adjustment shall be applied.*

(2) (A) If the congress of the United States either amends or repeals
the Wagner-Peyser act, the federal unemployment tax act, the federal
social security act, or subtitle C of chapter 23 of the federal internal
revenue code of 1986, or any act or acts supplemental to or in lieu thereof,
or any part or parts of any such law, or if any such law, or any part or parts
thereof, are held invalid with the effect that appropriations of funds by
congress and grants thereof to the state of Kansas for the payment of costs of administration of the employment security law are no longer available for such purposes; or (B) if employers in Kansas subject to the payment of tax under the federal unemployment tax act are granted full credit against such tax for contributions or taxes paid to the secretary of labor, then, and in either such case, beginning with the year in which that the unavailability of federal appropriations and grants for such purpose occurs or in which that such change in liability for payment of such federal tax occurs and for each year thereafter, the rate of contributions of each contributing employer shall be equal to the total of 0.5% and the rate of contributions as determined for such contributing employer under K.S.A. 44-710a, and amendments thereto. The amount of contributions—which that each contributing employer becomes liable to pay under this paragraph (2) over the amount of contributions—which that such contributing employer would be otherwise liable to pay shall be credited to the employment security administration fund to be disbursed and paid out under the same conditions and for the same purposes as other moneys are authorized to be paid from the employment security administration fund, except that, if the secretary determines that as of the first day of January of any year there is an excess in the employment security administration fund over the amount required to be disbursed during such year, an amount equal to such excess as determined by the secretary shall be transferred to the employment security fund.

(c) Charging of benefit payments. (1) The secretary shall maintain a separate account for each contributing employer, and shall credit the contributing employer's account with all the contributions paid on the contributing employer's own behalf. Nothing in the employment security law shall be construed to grant any employer or individuals in such employer's service prior claims or rights to the amounts paid by such employer into the employment security fund either on such employer's own behalf or on behalf of such individuals. Benefits paid shall be charged against the accounts of each base period employer in the proportion that the base period wages paid to an eligible individual by each such employer bears to the total wages in the base period. Benefits shall be charged to contributing employers' accounts and rated governmental employers' accounts upon the basis of benefits paid during each twelve-month period ending on the computation date.

(2) (A) Benefits paid in benefit years established by valid new claims shall not be charged to the account of a contributing employer or rated governmental employer who is a base period employer if the examiner finds that claimant was separated from the claimant's most recent employment with such employer under any of the following conditions: (i) Discharged for misconduct or gross misconduct connected with the
individual's work; or (ii) leaving work voluntarily without good cause attributable to the claimant's work or the employer; or (iii) discharged from an employer directly impacted by COVID-19 in accordance with the families first coronavirus response act, public law 116-127.

(B) Where base period wage credits of a contributing employer or rated governmental employer represent part-time employment and the claimant continues in that part-time employment with that employer during the period for which benefits are paid, then that employer's account shall not be charged with any part of the benefits paid if the employer provides the secretary with information as required by rules and regulations. For the purposes of this subsection (c)(2)(B), "part-time employment" means any employment when an individual works less than full-time because the individual's services are not required for the customary, scheduled full-time hours prevailing at the work place or the individual does not customarily work the regularly scheduled full-time hours due to personal choice or circumstances.

(C) No contributing employer or rated governmental employer's account shall be charged with any extended benefits paid in accordance with the employment security law, except for weeks of unemployment beginning after December 31, 1978, all contributing governmental employers and governmental rated employers shall be charged an amount equal to all extended benefits paid.

(D) No contributing employer, rated governmental employer or reimbursing employer's account shall be charged for any additional benefits paid during the period July 1, 2003 through June 30, 2004.

(E) No contributing employer or rated governmental employer's account will be charged for benefits paid a claimant while pursuing an approved training course as defined in subsection (s) of K.S.A. 44-703(s), and amendments thereto.

(F) No contributing employer or rated governmental employer's account shall be charged with respect to the benefits paid to any individual whose base period wages include wages for services not covered by the employment security law prior to January 1, 1978, to the extent that the employment security fund is reimbursed for such benefits pursuant to section 121 of public law 94-566 (90 Stat. 2673).

(G) With respect to weeks of unemployment beginning after December 31, 1977, wages for insured work shall include wages paid for previously uncovered services. For the purposes of this subsection (c)(2) (G), the term "previously uncovered services" means services which were not covered employment, at any time during the one-year period ending December 31, 1975, except to the extent that assistance under title II of the federal emergency jobs and unemployment assistance act of 1974 was paid on the basis of such services, and which that:
(i) Are agricultural labor as defined in subsection (w) of K.S.A. 44-703(w), and amendments thereto, or domestic service as defined in subsection (aa) of K.S.A. 44-703(aa), and amendments thereto;
(ii) are services performed by an employee of this state or a political subdivision thereof, as provided in subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto; or
(iii) are services performed by an employee of a nonprofit educational institution which that is not an institution of higher education.

(H) No contributing employer or rated governmental employer's account shall be charged with respect to their pro rata share of benefit charges if such charges are of $100 or less.

(3) An employer's account shall not be relieved of charges relating to a payment that was made erroneously if the secretary determines that:
(A) The erroneous payment was made because the employer, or the agent of the employer, was at fault for failing to respond timely or adequately to a written request from the secretary for information relating to the claim for unemployment compensation; and
(B) the employer or agent has established a pattern of failing to respond timely or adequately to requests for information.

(C) For purposes of this paragraph:
(i) "Erroneous payment" means a payment that but for the failure by the employer or the employer's agent with respect to the claim for unemployment compensation, would not have been made; and
(ii) "pattern of failure" means repeated documented failure on the part of the employer or the agent of the employer to respond, taking into consideration the number of instances of failure in relation to the total volume of requests. An employer or employer's agent failing to respond as described in (c)(3)(A) shall not be determined to have engaged in a "pattern of failure" if the number of such failures during the year prior to such request is fewer than two, or less than 2%, of such requests, whichever is greater.

(D) Determinations of the secretary prohibiting the relief of charges pursuant to this section shall be subject to appeal or protest as other determinations of the agency with respect to the charging of employer accounts.

(E) This paragraph shall apply to erroneous payments established on and after the effective date of this act.

(4) The examiner shall notify any base period employer whose account will be charged with benefits paid following the filing of a valid new claim and a determination by the examiner based on all information relating to the claim contained in the records of the division of employment security. Such notice shall become final and benefits charged to the base period employer's account in accordance with the claim unless
within 10 calendar days from the date the notice was sent, the base period employer requests in writing that the examiner reconsider the determination and furnishes any required information in accordance with the secretary's rules and regulations. In a similar manner, a notice of an additional claim followed by the first payment of benefits with respect to the benefit year, filed by an individual during a benefit year after a period in such year during which such individual was employed, shall be given to any base period employer of the individual who has requested such a notice within 10 calendar days from the date the notice of the valid new claim was sent to such base period employer. For purposes of this subsection (c)(3), if the required information is not submitted or postmarked within a response time limit of 10 days after the base period employer notice was sent, the base period employer shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the base period employer's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. The examiner shall notify the employer of the reconsidered determination, which shall be subject to appeal; or further reconsideration, in accordance with the provisions of K.S.A. 44-709, and amendments thereto.

(5) **Time, computation and extension.** In computing the period of time for a base period employer response or appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(d) **Pooled fund.** All contributions and payments in lieu of contributions and benefit cost payments to the employment security fund shall be pooled and available to pay benefits to any individual entitled thereto under the employment security law, regardless of the source of such contributions or payments in lieu of contributions or benefit cost payments.

(e) **Election to become reimbursing employer; payment in lieu of contributions.** (1) Any governmental entity, Indian tribes or tribal units, (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes), for which services are performed as described in subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto, or any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 which is
exempt from income tax under section 501(a) of such code, that becomes
subject to the employment security law may elect to become a reimbursing
employer under this subsection (e)(1) and agree to pay the secretary for the
employment security fund an amount equal to the amount of regular
benefits and 1/2 of the extended benefits paid that are attributable to service
in the employ of such reimbursing employer, except that each reimbursing
governmental employer, Indian tribes or tribal units shall pay an amount
equal to the amount of regular benefits and extended benefits paid for
weeks of unemployment beginning after December 31, 1978, for
governmental employers and December 21, 2000, for Indian tribes or
tribal units to individuals for weeks of unemployment which that begin
during the effective period of such election.

(A) Any employer identified in this subsection (e)(1) may elect to
become a reimbursing employer for a period encompassing not less than
four complete calendar years if such employer files with the secretary a
written notice of such election within the 30-day period immediately
following January 1 of any calendar year or within the 30-day period
immediately following the date on which a determination of
subjectivity to the employment security law is issued, whichever occurs
later.

(B) Any employer which that makes an election to become a
reimbursing employer in accordance with subparagraph (A) of this
subsection (e)(1) will continue to be liable for payments in lieu of
contributions until such employer files with the secretary a written notice
terminating its election not later than 30 days prior to the beginning of the
calendar year for which such termination shall first be effective.

(C) Any employer identified in this subsection (e)(1) which that has
remained a contributing employer and has been paying contributions under
the employment security law for a period subsequent to January 1, 1972,
may change to a reimbursing employer by filing with the secretary not
later than 30 days prior to the beginning of any calendar year a written
notice of election to become a reimbursing employer. Such election shall
not be terminable by the employer for four complete calendar years.

(D) The secretary may for good cause extend the period within which
a notice of election, or a notice of termination, must be filed and may
permit an election to be retroactive but not any earlier than with respect to
benefits paid after January 1 of the year such election is received.

(E) The secretary, in accordance with such rules and regulations as
the secretary may adopt, shall notify each employer identified in
subsection (e)(1) of any determination which that the secretary may make
of its status as an employer and of the effective date of any election which
that it makes to become a reimbursing employer and of any termination of
such election. Such determinations shall be subject to reconsideration,
appeal and review in accordance with the provisions of K.S.A. 44-710b, and amendments thereto.

(2) **Reimbursement reports and payments.** Payments in lieu of contributions shall be made in accordance with the provisions of paragraph subparagraph (A) of this subsection (e)(2) by all reimbursing employers except the state of Kansas. Each reimbursing employer shall report total wages paid during each calendar quarter by filing quarterly wage reports with the secretary which shall be filed by the last day of the month following the close of each calendar quarter. Wage reports are deemed filed as of the date they are placed in the United States mail.

(A) At the end of each calendar quarter, or at the end of any other period as determined by the secretary, the secretary shall bill each reimbursing employer, except the state of Kansas: (i) An amount to be paid which is equal to the full amount of regular benefits plus ½ of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing employer; and (ii) for weeks of unemployment beginning after December 31, 1978, each reimbursing governmental employer and December 21, 2000, for Indian tribes or tribal units shall be certified an amount to be paid which is equal to the full amount of regular benefits and extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing governmental employer.

(B) Payment of any bill rendered under paragraph subparagraph (A) of this subsection (e)(2) shall be made not later than 30 days after such bill was mailed to the last known address of the reimbursing employer, or otherwise was delivered to such reimbursing employer, unless there has been an application for review and redetermination in accordance with paragraph subparagraph (D) of this subsection (e)(2).

(C) Payments made by any reimbursing employer under the provisions of this subsection (e)(2) shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of such employer.

(D) The amount due specified in any bill from the secretary shall be conclusive on the reimbursing employer, unless, not later than 15 days after the bill was mailed to the last known address of such employer, or was otherwise delivered to such employer, the reimbursing employer files an application for redetermination in accordance with K.S.A. 44-710b, and amendments thereto.

(E) Past due payments of amounts certified by the secretary under this section shall be subject to the same interest, penalties and actions required by K.S.A. 44-717, and amendments thereto. (1) If any nonprofit organization or group of nonprofit organizations described in section
501(c)(3) of the federal internal revenue code of 1986 or governmental
reimbursing employer is delinquent in making payments of amounts
certified by the secretary under this section, the secretary may terminate
such employer's election to make payments in lieu of contributions as of
the beginning of the next calendar year and such termination shall be
effective for such next calendar year and the calendar year thereafter so
that the termination is effective for two complete calendar years. (2)
Failure of the Indian tribe or tribal unit to make required payments,
including assessment of interest and penalty within 90 days of receipt of
the bill will cause the Indian tribe to lose the option to make payments in
lieu of contributions as described pursuant to paragraph (e)(1) for the
following tax year unless payment in full is received before contribution
rates for the next tax year are calculated. (3) Any Indian tribe that loses the
option to make payments in lieu of contributions due to late payment or
nonpayment, as described in paragraph (2), shall have such option
reinstated, if after a period of one year, all contributions have been made
on time and no contributions, payments in lieu of contributions for benefits
paid, penalties or interest remain outstanding.

(F) Failure of the Indian tribe or any tribal unit thereof to make
required payments, including assessments of interest and penalties, after
all collection activities deemed necessary by the secretary have been
exhausted, will cause services performed by such tribe to not be treated as
employment for purposes of subsection (i)(3)(E) of K.S.A. 44-703(i)(3)
(E), and amendments thereto. If an Indian tribe fails to make payments
required under this section, including assessments of interest and penalties,
within 90 days of a final notice of delinquency, the secretary shall
immediately notify the United States internal revenue service and the
United States department of labor. The secretary may determine that any
Indian tribe that loses coverage pursuant to this paragraph may have
services performed on behalf of such tribe again deemed "employment" if
all contributions, payments in lieu of contributions, penalties and interest
have been paid.

(G) In the discretion of the secretary, any employer who elects to
become liable for payments in lieu of contributions and any nonprofit
organization or group of nonprofit organizations described in section 501
(c)(3) of the federal internal revenue code of 1986 or governmental
reimbursing employer or Indian tribe or tribal unit who is delinquent in
filing reports or in making payments of amounts certified by the secretary
under this section shall be required within 60 days after the effective date
of such election, in the case of an eligible employer so electing, or after the
date of notification to the delinquent employer under this subsection (e)(2)
(G), in the case of a delinquent employer, to execute and file with the
secretary a surety bond, except that the employer may elect, in lieu of a
surety bond, to deposit with the secretary money or securities as approved by the secretary or to purchase and deliver to an escrow agent a certificate of deposit to guarantee payment. The amount of the bond, deposit or escrow agreement required by this subsection (e)(2)(G) shall not exceed 5.4% of the organization's taxable wages paid for employment by the eligible employer during the four calendar quarters immediately preceding the effective date of the election or the date of notification, in the case of a delinquent employer. If the employer did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the secretary. Upon the failure of an employer to comply with this subsection (e)(2)(G) within the time limits imposed or to maintain the required bond or deposit, the secretary may terminate the election of such eligible employer or delinquent employer, as the case may be, to make payments in lieu of contributions, and such termination shall be effective for the current and next calendar year.

(H) The state of Kansas shall make reimbursement payments quarterly at a fiscal year rate—which shall be based upon: (i) The available balance in the state's reimbursing account as of December 31 of each calendar year; (ii) the historical unemployment experience of all covered state agencies during prior years; (iii) the estimate of total covered wages to be paid during the ensuing calendar year; (iv) the applicable fiscal year rate of the claims processing and auditing fee under K.S.A. 75-3798, and amendments thereto; and (v) actuarial and other information furnished to the secretary by the secretary of administration. In accordance with K.S.A. 75-3798, and amendments thereto, the claims processing and auditing fees charged to state agencies shall be deducted from the amounts collected for the reimbursement payments under this paragraph (H) prior to making the quarterly reimbursement payments for the state of Kansas. The fiscal year rate shall be expressed as a percentage of covered total wages and shall be the same for all covered state agencies. The fiscal year rate for each fiscal year will be certified in writing by the secretary to the secretary of administration on July 15 of each year and such certified rate shall become effective on the July 1 immediately following the date of certification. A detailed listing of benefit charges applicable to the state's reimbursing account shall be furnished quarterly by the secretary to the secretary of administration and the total amount of charges deducted from previous reimbursing payments made by the state. On January 1 of each year, if it is determined that benefit charges exceed the amount of prior reimbursing payments, an upward adjustment shall be made therefor in the fiscal year rate—which will to be certified on the ensuing July 15. If total payments exceed benefit charges, all or part of the excess may be refunded, at the discretion of the secretary, from the fund or retained in the fund as part of the payments—which may be required for the next fiscal
(3) Allocation of benefit costs. The reimbursing account of each reimbursing employer shall be charged the full amount of regular benefits and ½ of the amount of extended benefits paid except that each reimbursing governmental employer's account shall be charged the full amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, to individuals whose entire base period wage credits are from such employer. When benefits received by an individual are based upon base period wage credits from more than one employer then the reimbursing employer's or reimbursing governmental employer's account shall be charged in the same ratio as base period wage credits from such employer bear to the individual's total base period wage credits. Notwithstanding any other provision of the employment security law, no reimbursing employer's or reimbursing governmental employer's account shall be charged for payments of extended benefits which are wholly reimbursed to the state by the federal government. Payments of unemployment compensation that are wholly reimbursed to the reimbursing employer by the federal government shall be charged for the purpose of such reimbursement under the federal CARES act, public law 116-136.

(A) Proportionate allocation (when fewer than all reimbursing base period employers are liable). If benefits paid to an individual are based on wages paid by one or more reimbursing employers and on wages paid by one or more contributing employers or rated governmental employers, the amount of benefits payable by each reimbursing employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bears to the total base period wages paid to the individual by all of such individual's base period employers.

(B) Proportionate allocation (when all base period employers are reimbursing employers). If benefits paid to an individual are based on wages paid by two or more reimbursing employers, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of such individual's base period employers.

(4) Group accounts. Two or more reimbursing employers may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employment of such reimbursing employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection (e)(4). Upon approval of
the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the secretary receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than four years and thereafter such account shall remain in effect until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The secretary shall adopt such rules and regulations as the secretary deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection (e)(4), for addition of new members to, and withdrawal of active members from such accounts, and for the determination of the amounts that are payable under this subsection (e)(4) by members of the group and the time and manner of such payments.

(c) An employer who wishes to participate in the shared work unemployment compensation program must submit a written shared work plan to the secretary for the secretary's approval. As a condition for approval, a participating employer must agree to furnish the secretary with reports relating to the operation of the shared work plan as requested by the secretary. (6) the employer certifies that the implementation of a shared work plan and the resulting reduction in work hours is in lieu of layoffs that would affect at least 10% of the employees in the affected unit and that would result in an equivalent reduction in work hours;

(11) the terms of the employer's written plan and implementation are consistent with employer obligations under applicable federal and Kansas laws.

(e) If any of the employees who participate in a shared work plan under this section are covered by a collective bargaining agreement, the shared work plan must be approved in writing by the collective bargaining agent.

(f) A shared work plan may not be implemented to subsidize seasonal employers during the off-season.
