KANSAS CONSTITUTIONAL PROVISIONS CONCERNING LEGISLATIVE POWERS

Article 2.—LEGISLATIVE

§ 1. Legislative power.—The legislative power of this state shall be vested in a house of representatives and senate.

§ 2. Senators and representatives.—The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five representatives and forty senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for two year terms. Senators shall be elected for four year terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

§ 3. Compensation of members of legislature.—The members of the legislature shall receive such compensation as may be provided by law or such compensation as is determined according to law.

§ 4. Qualifications of members.—During the time that any person is a candidate for nomination or election to the legislature and during the term of each legislator, such candidate or legislator shall be and remain a qualified elector who resides in his or her district.

§ 5. Eligibility and disqualification of members.—No member of congress and no civil officer or employee of the United States or of any department, agency, or instrumentality thereof shall be eligible to be a member of the legislature. Any member of the legislature who accepts any appointment or election contrary to the foregoing shall be disqualified as a member of the legislature.

§ 6. This section was eliminated by the 1974 revision of this article.

§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. Organization and sessions.—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members than elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the other, shall adjourn for more than two days, Sunday excepted.
Each house shall elect its presiding officer and determine the rules of its proceedings, except that the two houses may adopt joint rules on certain matters and provide for the manner of change thereof. Each house shall provide for the expulsion or censure of members in appropriate cases.

Each house shall be the judge of elections, returns and qualifications of its own members.

§ 9. Vacancies in legislature.—All vacancies occurring in either house shall be filled as provided by law.

The President may determine when a bill or resolution is subject to Rule 72 (subject matter of bill or resolution materially changed by senate amendment) or Rule 73 (subject matter of senate bill or senate concurrent resolution materially changed by house amendment). The President's determination under this rule, that a bill or resolution has been materially changed is subject to an appeal to the Senate by any member. A 2/3 vote of the members of the Senate present and voting shall be required to overturn the ruling of the chair. The vote on an appeal to the Senate under this rule shall not be a roll call vote. Every appeal under this rule shall be taken without debate.

Rule 75. Executive Reorganization Orders. When an executive reorganization order is received from the Governor, it shall be referred to an appropriate committee by the President. The committee to which an executive reorganization order is referred shall report its recommendations thereon, by recommending adoption of a Senate resolution, not later than the 60th calendar day of any regular session and not later than 30 calendar days after it has received such referral whichever occurs first. If a committee fails to report upon an executive reorganization order within the time specified in this rule, such committee shall be deemed to have returned the same to the Senate without recommendation. The Senate shall act to approve or reject every reorganization order unless at the time set for such action the House of Representatives shall have already rejected such executive reorganization order.

Rule 76. Censure or Expulsion. Whenever three or more Senators desire to lodge a complaint against any other Senator requesting that the Senator be censured or expelled for misconduct, the complaining Senators shall sign and file a written statement of such complaint with the Secretary of the Senate. In such event, the President shall appoint a select committee for consideration thereof composed of five Senators, no more than three of whom shall be members of the same political party, and none of whom shall have signed the complaint to be considered. The select committee may dismiss the complaint after inquiry or may set the matter for hearing. Reasonable notice and an opportunity to appear shall be afforded the Senator against whom a complaint has been filed. Select
committees meeting under authority of this section shall be authorized to meet and exercise compulsory process without further authorization, subject only to the limitations and conditions prescribed in article 10 of chapter 46 of Kansas Statutes Annotated. Upon completing its hearing and deliberations thereon the select committee may dismiss the complaint or may submit a recommendation to the full Senate for censure or expulsion, and upon receiving such report the Senate may without further hearing or investigation censure or expel the member against whom the complaint was filed. Censure or expulsion of a Senator under this rule shall require a 2/3 majority vote of those members elected (or appointed) and qualified.

Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of $\frac{2}{3}$ of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at
the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) **Presiding officer at joint sessions; record of joint session; rules applicable.** The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) **Votes in joint session; taking; requirements.** All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

**Joint rule 3. Conference committee procedure.**

(a) **Action by house of origin of bill or concurrent resolution amended by other house.** When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) **Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.** The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) **Motion to nonconcur; when considered final action; effect of adoption of motion.** A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference
committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) *Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee.* Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) *Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.* Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or
concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of \( \frac{2}{3} \) of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.
Joint Rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Heavenly Father, I praise and thank you for this Body you have brought together in this new year of 2022. Thank you for each Senator here, each one brought to this chamber, not by accident or luck, but by your Divine appointment to be about the business of the State of Kansas.

I pray you bless each Senator today and throughout this legislative session with Your wisdom and insight as they debate the legislation before them. I lift up President Masterson, Majority Leader Alley, and Minority Leader Sykes to You. Give them Your direction as they lead this chamber.

I pray for unity and friendly relations as the issues of the day are argued and resolved.

Father, bless and protect the families of the members of this chamber as they are separated from one another much of the time during the session. I pray the time they do have with loved ones is rich and filled with warmth and gracious support.

Dear Lord, thank You for the wonderful blessing it is to come before Your throne. This afternoon we lift up to You Vice President Wilborn as he mourns the loss of a family member. Encourage him and bless him. We thank You for his leadership in this chamber.

We also bring before You Pastor Washington as he seeks renewed strength following his illness. Bring him back to this body in Your perfect time.

In Your Word You admonish us to be strong in You and in the strength of Your might, to put on Your full armor and so now we suit up.

Today we put on the helmet of salvation. Protect our minds from attacks by the Enemy, and give us sound thinking.

We put on the breastplate of righteousness. Guard our hearts and emotions from assault. And let us be governed, not by our emotions, but rather by the truth of Your Word.

We strap on the belt of truth. Wrap Your Word around us – around the very core of our being. Protect us from error by keeping us in Your truth.

We step into the sandals of peace. Use us to take Your peace and Your hope into the world today, and let us stand firm in the face of any attack by the Enemy. By anchoring us in Your Word, enable us to keep our footing. We take up the shield of faith. Let the attack of the world, the flesh, and the Devil fall flat against this defensive gear.

Finally, we take up the sword of God, Your Holy Word. Put Your truth in our hearts and minds in a fresh way, so that it is able to pierce the hearts and minds of those we encounter. Amen.

EXPLANATION OF VOTE

Madam Chair: The assumption is being made that we will have a different Governor in 2023. I’m far less concerned with who gets the credit for this bill or executive order and I’m more concerned with doing what is right and good for Kansans. I would urge this body to watch carefully and review this issue before the end of this legislative session.—ALICIA STRAUB

Madam Chair: Staffing shortages in hospitals and nursing homes existed prior to the pandemic due to long-term systemic issues largely created by policies instituted by the Affordable Care Act. The shortages have been exacerbated by the COVID declarations of emergency measures that have stretched our healthcare professionals thin for a variety of reasons. Vaccine mandates have caused some health care professionals to quit. Doctors have been threatened with the loss of their licenses for trying to provide proven therapeutic care that went against the policies of the CDC, NIH, KDHE, the State Board of Healing Arts and other public health officials. Healthcare professionals have become disenchanted and are abandoning a profession they once loved. This bill isn’t perfect and had the amendment providing additional necessary protections for healthcare workers passed, I would have felt more comfortable voting for this bill. The healthcare system does need some time to address these problems, but I am concerned that we cannot jeopardize the jobs of doctors and nurses based on vaccination status, and that doing so will only exacerbate and prolong the staffing issues. This is a difficult and complex situation but am forced to vote no.—MIKE THOMPSON

President Masterson introduced Doug Henkle to deliver the invocation:

Good morning, Heavenly Father! Thank You for all You’ve done for us. You’ve blessed us with all we need, even today and in this chamber as the matter at hand is debated. In Your word You guide us saying “Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight.” Lord, we have a tendency to trust ourselves rather than You, to rely on our own abilities and good intentions instead of Your sovereign goodness and loving care.

Father, You care about all the details of our lives including the issue before this legislative body this morning. You care about every word spoken. Cause this body to strive for resolution where there’s conflict, to know when to give way and when to hold the line, to listen twice as much as they speak and may they listen well.

I pray for Your peace today which is far beyond our understanding. I ask that You give each Senator wisdom as they argue their position. I lift up President Masterson, Vice President Wilborn, Majority Leader Alley and Minority Leader Sykes to You. Give them Your direction as they lead this chamber. I pray that at the end of the day the deliberations in this chamber would lead to sound decisions that would honor You, blessing all Kansans. In Jesus’ Name, Amen.

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

Mr. Chairman: I vote “AYE” on the amendment to replace the “Ad Astra map 2” with the “United” Map. The Ad Astra map put much of the City of Lawrence in the 1st Congressional District. Parts of Lawrence have been in the second and third districts, but never in the first or the fourth. “Ad Astra” divides eight voting precincts in Douglas County between the first and second congressional districts including the townships of Kanwaka and Lecompton – and this is after the Douglas County Clerk had attended a redistricting hearing and specifically mentioned problems created with the current splits in these townships. The “United” map keeps all of Douglas County in one congressional district and also keeps the cores of all four congressional intact.—Marc Francisco

EXPLANATION OF VOTE

Mr. Chairman: I vote “AYE” on the amendment to replace the “Ad Astra map 2” with the “Sunflower” map. I appreciate the introduction of this amendment that keeps every county whole in the creation of the four congressional districts. I believe that either an argument can be made that keeping all the counties whole is strong enough to stand up to the population deviations or a small exchange between the second and third districts could be found. I believe we lost an opportunity when we didn’t send this back to the redistricting committee for consideration.—MARCI FRANCISCO

Mr. Chairman: I vote “Aye” on the congressional map amendment that has been offered as an alternative to the underlying (and onerous) Sub SB 355. This is my third redistricting process with the KS Legislature and it is never an easy process. In this
instant map presented entitled “Ad Astra” (To the Stars), I predict that it’s legislative passage will only lead to the final part of our State motto, “Per Aspera” (Through Difficulty) as well. IF this congressional map passes both Legislative Chambers, in that it clearly divides communities of interests (including along demographical, racial lines) and that it follows no clear geographical or even geo-political boundaries, the Governor should, rightfully, veto it. Should the veto be overridden in both Chambers, the Court will be hard pressed to sustain the lines of that map unless departing from time-honored assertions and guarantees written into the theories of redistricting. Again, this “star” of a gerrymandered, politically-pandering map will only be reached through great time and resource consuming “difficulty.” This amendment is a compromise to my pledge to the many constituents of the united Third Congressional District to keep Wyandotte County and Johnson County together and whole; as much as possible considering the new population deviation. Although this amendment severs the two counties, at least it will keep each of the counties whole unto themselves, though in now two different Congressional Districts. This amendment SHOULD have passed as it would be decidedly less cumbersome in the final incarnation of legislative, executive and judicial reviews. Hopefully, we may see something similar to this before the process concludes.

—DAVID HALEY

Mr. Chairman: The Sunflower map is a good faith compromise that I think has potential. We heard testimony from members of the Wyandotte and Johnson County communities asking us overwhelmingly to keep the greater Kansas City metropolitan area together, which this map does not do. A hearing on this map would have created an opportunity to hear those community members’ perspectives on this specific proposal. I cannot support this map without that input.—DINAH SYKES

EXPLANATION OF VOTE

Mr. President: “Today, the Kansas Senate passed a Congressional map that is reflective of the testimony we received on the in-person and virtual tours conducted in 2021, carefully follows the guidelines we established, and is the culmination of a lengthy process that began last summer. The Ad Astra 2 Map brings together communities of interest within each Congressional district to the furthest extent possible. It keeps the core of the 3rd District – Johnson County – together, merging it with southern Wyandotte and the bedroom communities in Miami, Franklin, and Anderson that have historically been part of the 3rd Congressional District and are increasingly associated with the Kansas City Metropolitan area. It places the University of Kansas, Kansas State, and Fort Hays State in the 1st District. It draws boundaries largely along easy-to-understand major highways and natural barriers such as rivers. It is also a fair map, keeping all four members of Congress within their current seats – and despite the assertions of the minority party that the map was drawn for partisan gain, all four would have won their elections in 2020. Finally, it has zero deviation in population between all four districts. On balance, this map will serve the state well for the next decade. We Vote Yes.” —TY MASTERSON

Senators Alley, Erickson and Wilborn request the record to show they concur with the “Explanation of Vote” offered by Senator Masterson on Sub SB 355.

Mr. President: The Ad Astra map violates a number of redistricting guidelines we agreed to follow as legislative leadership, and it was clearly drawn for partisan gain. It splits communities of interest while combining communities with no established economic, cultural, or historical ties to the Third Congressional District. And to add insult to injury, it places Lawrence – which has always been in an eastern Kansas district during the modern redistricting era – in the Big First. This map doesn’t serve Kansans fairly. That’s to be expected since this process has never been fair. It has never been about listening to Kansans. It has never been about keeping our communities together. The majority party has used selective listening to justify a map that makes no sense for Kansas, unless you see congressional districts as a means to one-party control rather than fundamental to democratic representation. I vote “NO.” —DINAH SYKES

Senators Corson, Francisco, Haley, Holscher and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on Sub SB 355.

Neither house, without the consent of the other, shall adjourn for more than two days, Sundays excepted. Each house shall elect its presiding officer and determine the rules of its proceedings, except that the two houses may adopt joint rules on certain matters and provide for the manner of change thereof. Each house shall provide for the expulsion or censure of members in appropriate cases. Each house shall be the judge of elections, returns and qualifications of its own members."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of the amendment is to eliminate the ability of the governor to call special sessions of the legislature and to provide instead for the monthly meeting of the legislature following adjournment of the regular session.

"A vote for this proposition would remove the governor's power to call special sessions of the legislature and require the legislature meet on a monthly basis following the adjournment of the regular session of the legislature.

"A vote against this proposition would not amend the constitution and the governor would retain the power to call special session of the legislature on extraordinary occasions or when petitioned by two-thirds of the members elected to each house."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

The Vice President introduced Doug Henkle to deliver the invocation:

Dear Jesus, so often we talk about the “power of prayer”, not perceiving that the power is not in the prayer but in the One to Whom we pray and in Whose Name we pray, Yours. Jesus, You taught Your disciples to pray and the prayer You taught them has been recited billions of times over the centuries. Lord, often we struggle to apply the words of Your prayer to the daily challenges we face in life’s journey and I wonder,

Can we say OUR if our lives don’t have room for others and their needs?
Can we say FATHER if we don’t live out that relationship in our daily lives?
Can we say WHO ART IN HEAVEN if our interests and commitments are on earthly things?
Can we say HALLOWED BE THY NAME if our lives don’t honor and glorify You?
Can we say THY KINGDOM COME if we don’t have Your kingdom growing in our hearts, our lives, and in our homes, country and world?
Can we say THY WILL BE DONE if we are unwilling to have Your will manifested in our lives?
Can we say ON EARTH AS IT IS IN HEAVEN unless we are truly willing to bring You everything in our lives today?
Can we say GIVE US THIS DAY OUR DAILY BREAD when we are ignoring the needs of our brothers and sisters?
Can we say FORGIVE US OUR TRESPASSES AS WE FORGIVE THOSE WHO TRESPASS AGAINST US if we harbor a grudge toward anyone?
Can we say LEAD US NOT INTO TEMPTATION if we deliberately choose to remain in situations that tempt us?
Can we say DELIVER US FROM EVIL if we are not willing to fight evil with the weapons of Word and prayer?
Can we say THINE IS THE KINGDOM if we are not willing to be the King’s loyal subjects?
Can we say THINE IS THE POWER if we fear what those around us will say or do?
Can we say THINE IS THE GLORY if we seek our own glory above Yours?
Can we say FOREVER AND EVER if we are anxious about the affairs of each day?
Can we say AMEN unless we can agree that, whatever the cost to our lives, this is our prayer? Show us, Dear Jesus, Amen.
The Pledge of Allegiance was led by Vice President Wilborn.

Heavenly Father, it is such a blessing to know You love us and care about every detail of our lives. You even know the number of hairs on our head! You care about each word spoken here and You know the motivation behind each word. You care about the debate that will occur on the floor of this chamber today. I pray You would cause a bond of common purpose to unite this body and that Your peace would be over the Kansas Senate.

I ask that You give each Senator wisdom and I pray for friendly relations as passionately held positions are argued. Cause each member of this body to think before they speak, aware that their words will not be overlooked or easily erased. Keep them from quarrels and angry disputes. Rather, cause each Senator to argue strongly held, differing positions in a diplomatic and honorable way to the best of their ability, striving for satisfactory resolution, blessing all Kansans.

By Committee on Judiciary

A PROPOSITION to amend article 1 of the constitution of the state of Kansas by adding a new section thereto, concerning oversight by the legislature of certain executive branch actions.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 1 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

"§ 17. Legislative oversight of administrative rules and regulations. Whenever the legislature by law has authorized any officer or agency within the executive branch of government to adopt rules and regulations that have the force and effect of law, the legislature may provide by law for the revocation or suspension of any such rule and regulation, or any portion thereof, upon a vote of a majority of the members then elected or appointed and qualified in each house."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to provide the legislature with oversight of state executive branch agencies and officials by providing the legislature authority to establish procedures to revoke or suspend rules and regulations.

"A vote for this proposition would allow the legislature to establish procedures to revoke or suspend rules and regulations that are adopted by state executive branch agencies and officials that have the force and effect of law.

"A vote against this proposition would allow state executive branch agencies and officials to continue adopting rules and regulations that have the force and effect of law without any opportunity for the legislature to directly revoke or suspend such rules and regulations."

EXPLANATION OF VOTE

Mr. President: I stand in support of this bill. I find the unique approach of incorporating a supply chain footprint innovative. It's targeted to a specific class of business where they invest $1 billion or more in our economy. It's going to provide jobs for our working families. It will allow us to be competitive, and drive our state forward in advanced manufacturing and other industries, where we need to innovate to stay competitive not only in the United States but on the Global stage. This APEX program has performance based-incentives, tax credits, and payroll refunds only after companies make the investment. I would rather have a little bit of something than a little bit of nothing.——JEFF PITTMAN

Senator Faust-Goudeau requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pittman on SB 347.

Mr. President: SB 347 is a scheme that pursues blue sky. It is the aspiration of cheerleaders, not serious businessmen/women. This sort of activity is not part of our Constitutional mandate and is not supported by the grassroots business owners and workers of Kansas.——MARK STEFFEN

Mr. President: All of us want economic policies that drive businesses and associated economic activity to Kansas. We welcome large companies and small companies and everything in between. SB 347 contains a number of incentives that have noble and important goals, and certainly the magnitude of the project is significant. However, at this point, I am concerned about the impact on small and mid-size businesses that aren’t granted the same incentive and now know the government is putting its thumb on the scale. Today, I received a call from a small businessperson in my district who was concerned about that very thing. I am pleased that the legislation contains provisions that do level the playing field on corporate income taxes, as well as the sunset that helps
with oversight, and appreciate that both were included. However, at this point I must vote No.—MIKE THOMPSON

Mr. President: This bill brings up several competing factors to consider. On one hand, we welcome private sector investment to Kansas to increase the number of high-quality jobs, thus making our state a more attractive place to earn a living – and the potential of projects of such a large magnitude to grow the Kansas economy is certainly appealing. On the other hand, we need to be extremely judicious in the use of economic incentives that have the potential of undermining economic fairness and place the state government in the position of picking between winners and losers, when we should be moving towards policies that benefit all businesses in Kansas. SB 347, as currently constructed, mitigates those concerns in two ways. First, it uses proceeds to lower the corporate income tax that will help level the playing field for all corporations in Kansas. Second, it includes a sunset just on the horizon so the legislature can ensure the legislation is being enacted as intended. On balance, due to the potential to drive significant economic activity in Kansas, combined with the efforts to level the playing field and ensure proper oversight, I stand in support. I vote Yes.—KELLIE WARREN

Senators Billinger, Erickson, Fagg and Gossage request the record to show they concur with the "Explanation of Vote" offered by Senator Warren on SB 347.

Father God, thank You for the weekend at home with friends and family. Thank You for the refreshment it brings to our hearts. Now we have returned to continue and conduct the business of the citizens of our beloved “Home on the Range”. We have returned to this chamber, gathered uniquely in all of history, these particular Senators in this singular time and place.

Cause each member of this body to value these days together and the opportunity for relationships developed here, within the caucuses and across the aisle, in spite of differing perspectives regarding the matters at hand. Give these Senators an appreciation for the uniqueness of one another and for the different approaches to the legislation before them. In light of eternity, Father, their time here in this chamber is brief and, therefore, their choices, relationally as well as legislatively, matter.

Father, I thank You that You can be their standard. That You can be the mark toward which they strive. Often times we tend to allow others and our concern for their response to us to cause us to miss Your mark. I pray that Your standard would be the goal.

May Your will be in each of us, individually and collectively, in the Kansas Senate, and in these hours be accomplished. In Jesus' Name, Amen

The Pledge of Allegiance was led by Vice President Wilborn.

Father God, Creator of All, it was amazing to feel the relatively pleasant temperature this morning and see the vast bank of gray clouds slowly approach from the south in anticipation of a winter storm tonight. It reveals Your awesome power, might and sovereignty. It’s no wonder Your disciples were filled with fear and amazement as they saw You calm the winds and water on the Sea of Galilee. In spite of all mankind’s creativity and technology, today we still seem small and helpless before the force of nature. I pray we would find refuge in You.

Keep those who must travel during this storm safe. Cause them to exercise sound judgment. I lift up to You those whose jobs are to be out in the storm, keeping our roads and highways clear. Give them peace and confidence in You as they operate their equipment in often challenging situations.

I pray for the farmers and ranchers of Kansas as they care for their livestock during the storm. Thank You for their consistent care for their animals in fair and foul weather. They are a hearty breed of Kansan!

Bless our governor with Your wisdom as she leads the executive branch of our state government. Give her discernment as she may need to bring the resources at her disposal to bear in order to alleviate the effects of the storm.

I ask that You continue to give President Masterson, Vice President Wilborn, Majority Leader Alley and Minority Leader Sykes Your divine wisdom and insight as they lead this chamber through the challenges of the legislative process. I pray that the results of their efforts would honor You and bless all Kansans.

In Jesus' Name, Amen.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, as sturdy and strong as we like to think we are, and as determined as we are to reach our goals, we find ourselves troubled with deficiencies.

Our journey seems similar to the voyage of Paul and the 276 travelers with him in Acts 27. The ship that was carrying them had been broken to pieces by a storm; but You led them, that they were to hold on to the pieces. And You would use the broken pieces in helping them to complete their journey. In like manner Lord, You make up for the broken pieces in our lives. Personal and professional relationships have been broken. We’re traveling on broken pieces.

As we get older, we can’t do some of the things we used to. Why did I come in the kitchen? Was I going upstairs or did I just come down? We’re traveling on broken pieces.

But just like Paul and those traveling with him, Lord, we can rely on You to help us through.

I’m praying this in the precious name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

MESSAGES FROM THE GOVERNOR

The following message on Sub SB 355, AN ACT concerning reapportionment; relating to congressional districts; providing for the reapportionment thereof; repealing K.S.A. 2021 Supp. 4-137 and 4-143, was received and read.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF SENATE BILL 355

The process of drawing districts each decade is the core to ensuring that all Kansans have the opportunity to participate in their government and have their voices heard. The
courts and the Legislature have established case law and criteria on how to draw Kansas districts fairly and constitutionally.

Those guidelines call for ensuring that districts are nearly equal to 734,470 in population as practicable while ensuring that plans have neither the purpose nor effect of diluting minority communities’ voting strength. The guidelines call for protecting communities of interest, preserving the core of existing congressional districts, and ensuring that whole counties are in the same congressional district if possible. The Legislature’s guidelines further state that “to a considerable degree most counties in Kansas are economic, social, and cultural units, or parts of a larger socioeconomic unit. These communities of interest should be considered during the creation of congressional districts.”

SB 355, known as Ad Astra 2, does not follow these guidelines and provides no justification for deviation from those guidelines. Wyandotte County is carved into two separate congressional districts. Without explanation, this map shifts 46% of the Black population and 33% of the Hispanic population out of the third congressional district by dividing the Hispanic neighborhoods of Quindaro Bluffs, Bethel-Welborn, Strawberry Hill, Armourdale and others from Argentine, Turner and the rest of Kansas City, Kansas south of I-70. To replace lost population in the third district, this map adds in counties that are more rural to the south and west of the core of the Kansas City metropolitan area.

Ad Astra 2 also separates the city of Lawrence from Douglas County and inserts urban precincts of Lawrence into the largely rural Big First Congressional District, reducing the strength of communities of interest in Western Kansas and unnecessarily dividing communities of interest in Eastern Kansas.

Several alternatives would allow for the same deviation as Ad Astra 2 while protecting the core of the existing congressional districts and without diluting minority communities’ voting strength. I am ready to work with the Legislature in a bipartisan fashion to pass a new congressional map that addresses the constitutional issues in Senate Bill 355. Together, we can come to a consensus and pass a compromise that empowers all people of Kansas.

For those reasons, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 355.

Laura Kelly

EXPLANATION OF VOTE

Mr. Vice President: There were two Senators standing and wishing to be recognized on the veto override. Instead, there was a motion to adjourn. A casual senate spectator knows that traditionally, standing senators are given the opportunity to speak, except, of course, when the majority party is playing games. Legislative leadership has failed Kansans today by stopping the conversation on this, and I am appalled.—DINAH SYKES

EXPLANATION OF VOTE

Mr. Vice President: I vote “Yes.” Notwithstanding the governor’s veto, the passage of the Ad Astra 2 map is the culmination of a Congressional redistricting process that began last summer. The map is reflective of the testimony we received from the public, has zero deviation between Congressional districts, creates compact and contiguous districts, preserves existing district cores, and groups together communities of interest. It is also politically fair. The map’s underlying fairness is what makes the language used by those against it so disappointing and over the top. Of course, all maps are ultimately political boundaries, and those on both sides of the aisle have a right to passionately advocate for why they do or do not prefer a certain map. However, the extreme rhetoric from some in the Democratic caucus was out of bounds. Hurling accusations that
impugn motives of your colleagues based on your personal interpretation of political boundaries is truly beyond the pale. It was tantamount to a temper tantrum that has no place in a body that prides itself on decorum and respect. It is my hope that today's display by the minority party is more of an aberration than a trend.—Ty Masterson

Mr. Vice President: The Big First has a long, proud history as the rural, agricultural district of Kansas. Ten years ago, redistricting brought us liberal Manhattan. Now, they are dumping the Lawrence liberals in our lap. Just like illegal hunting killed off our buffalo in the 1800s, insidious redistricting will kill off the true conservative character of my beloved Big First.—Mark Steffen

Senator Straub requests the record to show she concurs with the "Explanation of Vote" offered by Senator Steffen on Sub 355.

Under the authority of the President, the Vice President referred SB 448 to the Committee on Financial Institutions and Insurance.

MESSAGE FROM THE HOUSE

Announcing passage of SB 347, as amended by House Sub SB 347.

On motion of Senator Alley, the Senate adjourned until 2:30 p.m., Wednesday, February 9, 2022.
The Senate was called to order by President Ty Masterson. 
The roll was called with 40 senators present. 
Invocation by Reverend Cecil T. Washington:

E Pluribus Unum! “Out of Many, ONE!”
Matthew 12:25, 22:36-40

E Pluribus Unum! Lord, a translation for the 13-letter Latin phrase, is “Out of many, one!” Over 300 years ago, by Your inspiration and by an Act of Congress, it was adopted as the motto for this great nation. 
Many, uniting as One! A goal; an objective, not yet achieved! And Lord, it appears as though some of us have forgotten our motto. Or we're trying to change it to “Out of Many, Me!” 
Lord, only by Your convicting and unifying Spirit can our prideful “me first” attitudes be set aside. Then, as we humbly yield to the thought of sharing, and to the collective merging of ideas, we will see You produce in and through us, the growth and improvements needed in this generation. 
As we consider the laws by which we are to be governed, keep us reminded of the one that's most essential...the one that facilitates the fulfillment of our motto...the law of love. This is so essential that in the 1 Peter 4:7-11 passage, You said in verse 8, “Above everything else, show sincere love for each other, because love will cause people to be forgiving of one another's shortcomings.”

Lord, let the love and harmony of E Pluribus Unum, prevail in these halls. I come to You in the Name of Jesus, Who loved us to death, Amen and Amen.

The Pledge of Allegiance was led by President Masterson.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege and submitted the following remarks:

LIFT every voice and sing until Earth and Heaven ring. Ring with the harmonies of liberty. Let our rejoicing rise High as the listening skies. Let it resound; loud as the rolling sea. Sing a song full of the faith that the dark past has brought us. Sing a song full of the hope that the present has brought us. Facing the rising sun of our new day begun, Let us march on till victory is won.

STONY the road we trod, bitter the chastening rod. Felt in the days when hope unborn had died. Yet with a steady beat, have not our weary feet, come to the place for which our father sighed? We have come over a way that with tears have been watered. We have come, treading our path through the blood of the slaughtered. Out from the gloomy past, till now we stand at last where the white gleam of our bright star is cast.

GOD of our weary years, God of our silent tears. Thou Who hast brought us thus far on the way; Thou Who hast by Thy might, led us into the light. Keep us forever in the path, we pray. Lest our feet, stray from the places our God where we met Thee. Lest our hearts, drunk with the wine of the world we forget Thee. Shadowed beneath Thy hand, may we forever stand, true to our God, true to our native land.

LIFT EVERY VOICE AND SING "The Negro National Anthem": James Weldon Johnson

Mr. President: As we recognize Black Legislative Day in the Capitol today, I wish to add my voice to the recognition of this month, February, as Black History month and am personally elevated to share some Black History of this body with you, my fellow colleagues. Fewer than a dozen Black Kansans in all of Kansas’ Statehood history, have sat where all of us sit, in this august Chamber, here today.

There have been eleven Black Kansans; ten men and one woman, elected Kansas Senator in our history.

The first in this Chamber (whose picture I bear on my desk) was George W. Haley of Kansas City, my father, elected in 1964 along with Curtis McClinton of Wichita; Billy McCray, Sedgwick; Eugene “Gene” Anderson, Sedgwick; U.L. “Rip” Gooch, Sedgwick; Sherman Jones, Wyandotte; David Haley, Wyandotte; Oletha Faust-Goudeau, Sedgwick; Edgwin Sexton, Jr., Sedgwick, and Darryl Gray, Sedgwick were interim Honorary appointments.

You know, Mr. President, some people ask why Black History? Why Black American history? Is it so necessary to designate by race? Aren’t we ALL Americans? Doesn’t it fragment our “united” society?
Well yes, of course we are all Americans. But in the interest of a proud history, we cannot soon designate where race has created different “kinds” of Americans; that the labors and abilities and accomplishments and opportunities in this Land of the Free and Home of the Brave do derive from *E Pluribus* (Many) but not *Unum* (One) recipient “race” or “cultural” beneficiary.

Despite a sluggish progress up from generations of uncompensated and then under-compensated labor, and barbaric designations and treatments by “some” Americans by “other” Americans, the socio-economic, academic, health and every other societal metric for Black Americans is decidedly lower than White Americans. As we re-read the lyrics of the Negro National Anthem “Lift Every Voice And Sing,” the recantation and faith of our history, Black American history, is as in need of optimistic review today as ever. We all pledge allegiance to the American flag with the hope for “liberty and justice for ALL.”

“Let us march on until (THAT) victory is won.”

Invocation by Reverend Cecil T. Washington:

To Love Is The Greatest Thing!
1 Corinthians 13:1-13

God of Love; of compassion and forgiveness; remind us on this Valentine's Day that we're to reflect Your image of love in all our relationships. You created us with the power of choice. And although it may be difficult sometimes, You tell us to make the greatest choice and, You said in 1 Corinthians 13:13, the greatest choice is to love.

Also, in that passage, You let us now how love does and does not behave, so we'll know the choices You'd have us make.

You want us to show loving patience when people get on our nerves; to show kindness when someone is hurting.

You said love is not envious, is not boastful, is not arrogant, is not rude, is not self-seeking, is not irritable and does not keep a record of other's offenses.

You said love finds no joy in unrighteousness but rejoices in the truth. Lord, for us to love like You love, we need to be guided and empowered by Your loving Spirit.

Teach us how, Lord, since love is the greatest. In the Name of Jesus, the One who loved us to death. Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

Invocation by Reverend Cecil T. Washington:

Seeking The Greatest Thing!
Matthew 6:24-33 Heavenly

Father, there is much for us to be concerned about these days. Good and evil are clashing and we are in the middle of it. But You created us for the purpose of being role models; actual demonstrations of right and righteousness. But there are forces aimed at undermining Your purposes for us and diminishing our Godly influence.

You said in Matthew 6:24-33, that our first priority is to seek Your rule in everything we do; Your Kingdom; Your morality; Your Justice; Your virtue. Your level of righteousness is the Godly standard You are calling us to. But we can’t get there on our own.

The authority that we have, came at Your Hand. And so it is with righteous living. In fact, in that Matthew 6 passage, You said that gaining the everyday practical things in life, depends on daily prioritizing the spiritual.

We must look to You Lord, You’ve given us Your formula for our success. And it would be foolish to be looking for another formula. Please keep solid and strong, the liberties You have given us.

I offer this prayer in accordance with Your will, Your word and Your way. In Jesus’ name, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

Invocation by Reverend Cecil T. Washington:

“Prayer For Our Authorities And All of Us”
Proverbs 29:2, 1Timothy 2:1-7

Heavenly Father, after a weekend get away, we’re back in these halls to be guided by You, for the betterment of our people. Lord, this day, Monday, February, 21, has been designated a federal holiday: Presidents Day. And we’ve had forty-six men elevated to that prominent and critical office.

You have emphasized how important, how critical this office is when You said in Proverbs 29:2, “When the righteous are ruling, the people rejoice. But when wickedness is in power, the people will suffer.” So Lord, as You stated in 1 Timothy 2:1-7, we should make it a priority, to pray to You on behalf of others, offering thanksgiving and particularly praying for those in positions of high authority, so that we can live in peaceful, quiet, Godly decency.

You said that kind of praying is good, acceptable and pleasing in Your sight because You desire all of us to be saved and to come into the knowledge and appreciation of Divine Truth. Therefore Lord, this prayer, on this Presidents Day is being offered for the benefit of us all. Because we are all impacted positively or negatively, by the authorities over us, and their decisions. So Lord, by Your Holy Spirit, guide them.

Let this prayer be pleasing in Your sight and in Your ear. It’s being offered, in the precious Name of Jesus, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

REPORT ON ENROLLED BILLS

SB 337 reported correctly enrolled, properly signed and presented to the Governor on February 18, 2022.

SR 1729 reported correctly enrolled, properly signed and presented to the Secretary of the Senate on February 18, 2022.

On motion of Senator Alley, the Senate adjourned until 9:30 a.m., Tuesday, February 22, 2022.
The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

“The Influence of The Insignificant”
1 Corinthians 5:6 and Galatians 5:9

Heavenly Father, it’s the day after Presidents Day. But, inspire us to keep on praying for our presidents, for our leaders, for all of us in these halls that have to do with governing. In fact, for all of us who preside over matters that are crucial in determining the quality of our future.

And Lord, unofficially that does apply to all of us. For even the smallest of matters can produce the greatest of influences. To remind us of the significant influence the small can have with the mighty, in 1 Corinthians 5:6 and Galatians 5:9, You said that just a little yeast will spread through the entire batch of dough.

Dr. Martin Luther King reminded us, “If a man is called to be a street sweeper, he should sweep streets even as a Michelangelo painted, or Beethoven composed music or Shakespeare wrote poetry. He should sweep streets so well, and here’s the influence, that all the hosts of heaven and earth will pause to say, ‘Here lived a great street sweeper, who did his job well.’”

Remind us Lord, that in Your economy, the potential for all of us is more than we can imagine. You had Jesus choose 12 misfits to be world changers and one of them was a devil.

So Lord, encourage us to stir our yeast of goodness in the lives of those we encounter. I pray this, in the Name of Jesus, Goodness personified!

The Pledge of Allegiance was led by President Masterson.

(B) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;

(C) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and

(D) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.

(2) The state board shall not consider a school district's eligibility for capital improvement state aid, or the amount of capital improvement state aid a school district would be eligible to receive, in determining whether to approve such district's application.

(3) The provisions of subsection (b)(1) shall not apply to school districts that:

(A) Have not issued any general obligation bonds in the 25 years prior to the current school year; or

(B) do not receive capital improvement state aid because such school district is not
eligible to receive such aid or has opted out of receiving such aid in the resolution adopted as provided in K.S.A. 72-5457, and amendments thereto.

(4) The state board shall adjust the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year by adding an amount equal to the five-year compounded percentage increase in the producer price index industry data for new school building construction as published by the bureau of labor statistics of the United States department of labor for the five immediately preceding school years.

(c) After reviewing the application and examining the supportive evidence, the state board of education shall issue an order either granting or denying the application. If the application is approved, the applicant board of education shall request the county election officer to hold an election to vote upon the question of issuing the increased amount of bonds in the manner provided by law.

(d) Any application that is denied pursuant to subsection (b) may be tentatively approved by the state board of education for the immediately succeeding school year. The amount of general obligation bonds approved in any such application shall be counted first towards the aggregate amount of all general obligation bonds approved by the state board for such school year.

(e) Commencing in school year 2017-2018, the state board of education shall determine the aggregate principal amount of general obligation bonds retired in the immediately preceding school year.

(f) The provisions of subsections (b), (d) and (e) shall expire on June 30, 2027.

Sec. 4. K.S.A. 2021 Supp. 72-5462 is hereby amended to read as follows: 72-5462.

(a) There is hereby established in the state treasury the school district capital improvements fund. The fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) In each school year, each school district which is obligated to make payments from its capital improvements fund shall be entitled to receive payment from the school district capital improvements fund in an amount determined by the state board of education as provided in this subsection.

(1) For general obligation bonds approved for issuance at an election held prior to July 1, 2015, the state board of education shall:

(A) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state for the preceding school year and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this subsection (b)(1);

(B) determine the median AVPP of all school districts;

(C) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(D) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the
schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 72-5463, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(E) determine the amount of payments that a school district is obligated to make from its bond and interest fund attributable to general obligation bonds approved for issuance at an election held prior to July 1, 2015; and

(F) multiply the amount determined under subsection (b)(1)(E) by the applicable state aid percentage factor.

(2) For general obligation bonds approved for issuance at an election held on or after July 1, 2015, the state board of education shall:

(A) Except as provided in subsection (b)(8), determine the amount of the AVPP of each school district in the state for the preceding school year and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this subsection (b)(2);

(B) except as provided in subsection (b)(8), prepare a schedule of dollar amounts using the amount of the AVPP of the school district with the lowest AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts;

(C) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the lowest AVPP shown on the schedule and decreasing the state aid computation percentage assigned to the amount of the lowest AVPP by one percentage point for each $1,000 interval above the amount of the lowest AVPP. Except as provided by K.S.A. 72-5463, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid computation percentage is 75%;

(D) determine the amount of payments that a school district is obligated to make from its bond and interest fund attributable to general obligation bonds approved for issuance at an election held on or after July 1, 2015; and

(E) multiply the amount determined under subsection (b)(2)(D) by the applicable state aid percentage factor.

(3) For general obligation bonds approved for issuance at an election held on or before June 30, 2016, the sum of the amount determined under subsection (b)(1)(F) and the amount determined under subsection (b)(2)(E) is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

(4)(A) For general obligation bonds approved for issuance at an election held on or after July 1, 2016, the amount determined under subsection (b)(2)(E) is the amount of payment the school district shall receive from the school district capital improvements
fund in the school year, except the total amount of payments school districts receive from the school district capital improvements fund in the school year for such bonds shall not exceed the six-year average amount of capital improvement state aid as determined by the state board of education.

\(\text{(A)\text{(B)}}\) The state board of education shall determine the six-year average amount of capital improvement state aid by calculating the average of the total amount of moneys expended per year from the school district capital improvements fund in the immediately preceding six fiscal years, not to include the current fiscal year.

\(\text{(B)\text{(C)}}\) Subject to clause (ii), the state board of education shall prioritize the allocations to school districts from the school district capital improvements fund in accordance with the priorities set forth as follows in order of highest priority to lowest priority:

a) Safety of the current facility and disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation;

b) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;

c) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and

d) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.

(ii) In allocating capital improvement state aid, the state board shall give higher priority to those school districts with a lower AVPP compared to the other school districts that are to receive capital improvement state aid under this section.

\(\text{(C)\text{(D)}}\) On and after July 1, 2016, the state board of education shall approve the amount of state aid payments a school district shall receive from the school district capital improvements fund pursuant to subsection (b)(5) prior to an election to approve the issuance of general obligation bonds.

5) Except as provided in subsections (b)(6) and (b)(7) through (b)(8), the sum of the amounts determined under subsection (b)(3) and the amount determined or allocated to the district by the state board of education pursuant to subsection (b)(4), is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

6) A school district that had an enrollment of less than 260 students in the school year immediately preceding the school year in which an election is held to approve the issuance of general obligation bonds shall not be entitled to receive payments from the school district capital improvements fund unless such school district applied for and received approval from the state board of education to issue such bonds prior to holding an election to approve such bond issuance. The provisions of this paragraph shall apply to general obligation bonds approved for issuance at an election held on or after July 1, 2017, that are issued for the purpose of financing the construction of new school facilities.

7) For general obligation bonds approved for issuance at an election held on or after July 1, 2017, in determining the amount under subsection (b)(2)(D), the state board shall exclude payments for any capital improvement project, or portion thereof,
that proposes to construct, reconstruct or remodel a facility that would be used primarily for extracurricular activities, unless the construction, reconstruction or remodeling of such facility is necessary due to concerns relating to the safety of the current facility or disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation.

(8) For general obligation bonds approved for issuance at an election held on or after July 1, 2022, the state board of education shall:

(A) In preparing the schedule of dollar amounts pursuant to subsection (b)(2)(B), exclude unified school district No. 207, Fort Leavenworth, from such schedule and determine the point of beginning based on the amount of the AVPP of the school district with the lowest AVPP of the remaining school districts; and

(B) in determining the amount of the AVPP of a school district, exclude the number of students enrolled in a virtual school, as defined in K.S.A. 72-3712, and amendments thereto, that is offered by such school district from the determination of the AVPP of such school district.

c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2021, June 30, 2022, and June 30, 2023, shall be considered to be revenue transfers from the state general fund.

d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

e) The provisions of this section apply only to contractual obligations incurred by school districts pursuant to general obligation bonds issued upon approval of a majority of the qualified electors of the school district voting at an election upon the question of the issuance of such bonds.

(f) On or before the first day of the legislative session in 2017, and each year thereafter, the state board of education shall prepare and submit a report to the legislature that includes information on school district elections held on or after July 1, 2016, to approve the issuance of general obligation bonds and the amount of payments school districts were approved to receive from the school district capital improvements fund pursuant to subsection (b)(4)(C) or (b)(4)(D).

The Senate was called to order by Vice President Rick Wilborn. The roll was called with 40 senators present. Invocation by Reverend Cecil T. Washington:

Life Giving Intimacy With Our God
Genesis 4:1, Exodus 33:13

Heavenly Father, in Genesis 4:1, Adam knew Eve and she conceived a son. They became so intimate that new life was brought forth. The prayer today is that You would help us to know You, not just to know some things about You, but to know You so closely and so intimately that new life-giving ideas and ways of thinking will be conceived.

In Exodus 33:13, Moses asked You to show him Your ways, that he might know You and find grace in Your sight; that You would be pleased with him. Help us to know You like that, to the degree that we will conceive and give birth to new and improved ways of thinking, new and improved decisions. Let there be a birth of new and improved relationships.

Please increase our intimacy with You, that You might impregnate us with new life, not only for us but for our families and the people we serve. And then Lord, keep us from straying. Hold us close, real close.

In Jesus' name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

FINAL ACTION ON CONSENT CALENDAR

SB 446, SB 451 having appeared on the Consent Calendar for the required two full legislative days without objection from any member, were considered on final action.

SB 446, AN ACT concerning roads and highways; designating bridges on United States highway 166 and K-66 highway as veterans memorial bridge.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed.

EXPLANATION OF VOTE

Mr. Vice President: On SB 446, with hesitation, we are naming three non-contiguous bridges the same name in one county, appropriately honoring veterans, but possibly causing confusion. However after consulting the local Senator, he assures us that this is what the local veterans groups wanted, so I vote Aye.—JEFF PITTMAN

SB 451, AN ACT concerning wildlife and parks; relating to permanent hunting licenses; removing the requirement to submit proof that a person is at least 1/16 American Indian by blood; amending K.S.A. 32-929 and repealing the existing section.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

Sub SB 34, AN ACT concerning administrative rules and regulations; requiring the review of rules and regulations every five years; requirements for adoption of rules and regulations; providing an alternative procedure for revocation of certain rules and regulations; amending K.S.A. 77-426 and 77-436 and repealing the existing sections.

On roll call, the vote was: Yeas 32; Nays 7; Present and Passing 1; Absent or Not Voting 0.

Nays: Corson, Holland, Holscher, Pettey, Pittman, Sykes, Ware.

**SB 141**, AN ACT enacting the Kansas uniform directed trust act; relating to power over a trust held by a nontrustee; establishing powers and duties of a trust director and a directed trustee; amending K.S.A. 58a-703 and K.S.A. 2021 Supp. 58a-103, 58a-105 and 58a-603 and repealing the existing sections; also repealing K.S.A. 58a-808.

Present and Passing: Baumgardner, Hilderbrand.

**EXPLANATION OF VOTE**

Mr. Vice President: In the Radio Act of 1927, Congress determined that the airwaves in the United States were considered a national treasure. Many years later, when the Truth in Advertising Act was approved, the Federal Trade Commission (FTC) was charged with overseeing problems associated with when consumers saw or heard an advertisement that was untruthful, misleading, or lacking in scientific evidence. I don't believe **SB 150** is necessary, as the role of upholding truthful advertising is that of the FTC. All complaints of false advertising can be reported by calling 1-877-FTC-HELP. —MOLLY BAUMGARDNER

Senators Hawk and Pettay request the record to show they concur with the "Explanation of Vote" offered by Senator Baumgardner on **SB 150**.

Mr. Vice President: I vote no on **SB 150**. **SB 150** has been found by a conservative Republican U.S. District Court judge to violate the First Amendment of the United States Constitution. This legislation will lead to costly and time-consuming taxpayer funded litigation in an attempt to solve a problem that doesn't exist in Kansas. Attorney advertising is already covered by the Rules of Professional Conduct that govern attorneys and the Kansas Bar has an eight-attorney Office of the Disciplinary Administrator charged with investigating complaints. Proponents of this bill could not
name a single instance of a Kansan being harmed by the type of ads SB 150 would regulate.—ETHAN CORSON

Senators Francisco, Haley, Hawk, Holland, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Corson on SB 150.

SB 161, AN ACT concerning personal package delivery devices; definitions; operating requirements and restrictions; exemption from motor vehicle requirements; limitation of local regulation; amending K.S.A. 2021 Supp. 8-126 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 24; Nays 15; Present and Passing 1; Absent or Not Voting 0.

Nays: Corson, Francisco, Haley, Hawk, Holland, Holscher, Olson, Peck, Pettey, Pittman, Pyle, Steffen, Sykes, Tyson, Ware.

Present and Passing: Faust-Goudeau.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I vote NO on SB 161. This is a major disrupting technology that will ultimately end up costing Kansas several thousand semi-skilled delivery jobs. Furthermore, the bill fails to provide Kansas citizens and communities tools for proactively managing the onslaught of these Personal Delivery Devices in their neighborhoods, specifically with respect to 1) location of routes and intermediate storage containment hives, 2) how PDD accident information is to be reported and shared with all vested community stakeholders, and 3) personal privacy issues with respect to the commercial collection and dissemination of data of our fellow Kansans. Time to unplug the robots before it’s too late!—TOM HOLLAND

SB 215, AN ACT concerning transportation; relating to commercial driver's education; transferring authority over driver's education programs operated by certain postsecondary institutions and driver training schools to the department of revenue; authorizing the department of revenue to promulgate rules and regulations therefor; amending K.S.A. 8-273, 8-274, 8-275, 8-276, 8-277, 8-278, 8-279 and 8-280 and K.S.A. 2021 Supp. 8-272 and repealing the existing sections.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

SB 313, AN ACT concerning roads and highways; designating a portion of United States highway 69 as the Senator Tom R Van Sickle memorial highway; designating a certain bridge on K-126 as the Dennis Crain memorial bridge; designating a portion of United States highway 69 as the AMM2c Walter Scott Brown memorial highway.

FEBRUARY 23, 2022  1575
On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**SB 336**, AN ACT concerning insurance; relating to permissible investments made by life insurance companies; updating certain investment limitation requirements to provide increased options for Kansas domiciled life insurance companies investing in equity interests and preferred stock; amending K.S.A. 40-2b06 and 40-2b07 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 38; Nays 2; Present and Passing 0; Absent or Not Voting 0.

Nays: Steffen, Straub.

The bill passed.

**SB 348**, AN ACT concerning public health; relating to cosmetology; hair removal; exempting persons engaged in threading from the practice of cosmetology and the requirements thereof; amending K.S.A. 65-1901 and 65-1928 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 34; Nays 6; Present and Passing 0; Absent or Not Voting 0.

Nays: Billinger, Holland, Holscher, Pettey, Sykes, Ware.

The bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. Vice President: I vote “NO” on **SB 348**. Excluding threading from the definition of cosmetology would impact public health and safety. Disruption to the dermis (the upper layer of skin) could cause infection and subject individuals to blood borne pathogens which can spread infection and disease. The knowledge for threading and important protective skills are learned through the cosmetology program. Additionally, exempting threading from cosmetology means facilities would NOT be subject to any requirements including sanitation. The entire board of Cosmetology (the professionals who know the most about the threading process) are against this bill and we should be as well.—CINDY HOLSCHER
SB 362, AN ACT concerning education; relating to school districts; requiring consideration and documentation of district building needs assessments and state academic assessments; making budget allocations related thereto; amending K.S.A. 2021 Supp. 72-1163 and repealing the existing section.

On roll call, the vote was: Yeas 35; Nays 3; Present and Passing 2; Absent or Not Voting 0.

Nays: Doll, Holland, Pittman.

Present and Passing: Francisco, Hawk.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I ask to “PASS” on SB 362. Article 6 in our Kansas Constitution notes that “the legislature shall provide for a state board of education which shall have general supervision of public schools”. I agree that SB 362 represents a good compromise, however I remain concerned that it interferes with the authority of our State Board of Education.—MARCIFRANCISCO

On roll call, the vote was: Yeas 23; Nays 17; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. Vice President: I oppose **SB 373**. While I appreciate studies for the purposes of fighting COVID, this bill has a number of issues. Normally, trial studies have all metrics in place when proposed; in this case, however, important measures are absent. As an example, the deadline for the proposed trial has already been changed twice since the hearing for the bill. This is not how KU operates clinical trials; in fact this is not how any facility operates trials. Additionally, the fact that the director of the facility provided neutral testimony that was less than enthusiastic should be a red flag.—**CINDY HOLSCHER**

**SB 382**, AN ACT concerning real estate brokers and salespersons; application of licensure provisions to trusts; authorizing the Kansas real estate commission to issue cease and desist orders; amending K.S.A. 58-3036 and 58-3065 and K.S.A. 2021 Supp. 58-3035, 58-3037 and 58-3042 and repealing the existing sections.

Nays: Corson, Faust-Goudeau, Francisco, Hawk, Holland, Holscher, Pettey, Sykes, Ware.

Present and Passing: Haley.

The bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. Vice President: I vote no on **SB 395**. While some amendments to the original bill helped to diminish some of its negative impact on our Kansas Department of Wildlife and Parks Law Enforcement Officers, it still takes us down a negative path that impacts public safety and the ability of our officers to do their jobs. This bill is anti-law enforcement. It singles out our KDWP officers from the authority granted to other law enforcement officers in the KBI, Highway Patrol, and other local county and city law enforcement agencies. This bill is removing public safety protections and authority which can ultimately limit the ability of our KDWP officers to render aid, engage in search and rescue operations, and even help property owners retrieve livestock that breaks out of fencing and wanders onto a neighbor’s property. This bill is not necessary. Current policy and practice provide for the same private property protections yet maintains authority comparable to other law enforcement professionals in our state. I vote no.—**TOM HAWK**

**SB 399**, AN ACT concerning insurance; relating to the healthcare provider insurance availability act; adding maternity center to the definition of healthcare provider contained therein; amending K.S.A. 40-3401 and repealing the existing section, was

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: On SB 399, we have had a birthing clinic closed down in Wyandotte in an area experiencing much higher infant mortality rates than Kansas' average because of potential liability concerns. SB 399 helps these maternity centers by allowing access to the Healthcare Stabilization fund, an important backstop for risk which will allow them to continue operations and provide important access to expectant mothers. I vote Aye. — JEFF PITTMAN

Present and Passing: Faust-Goudeau.

EXPLANATION OF VOTE

Mr. Vice President: I vote NO on SB 435, expanding law enforcements officers’
jurisdiction. Society has guidelines and licensures for public service peace officers and related fields (e.g. school security, deputies, etc.) for a reason: responsibility for jurisdictional terrain to be protected and secured. Elasticity accorded those jurisdictional lines are potentially dangerous to the general public’s safety. With deputizing along the way and calling for back-up with little regard to said back-ups awareness of terrain guidelines, there might be problems. Ironically, this Senate JUST voted in the last roll call to rein in duly authorized and necessary police powers regarding Parks and Wildlife law enforcement officers in **SB 395** and here, in **SB 435**, to expand quasi-policing authority to, no doubt, allow over-policing of certain parts of our State. Consistently, I want to see trained, licensed police authority remain in the areas they are vested in and no creation of emergency circumstances to justify ill-fitting remedies to alleged criminal activities.—**DAVID HALEY**

**SB 440**, AN ACT concerning health and health professions; relating to the occupational therapy practice act; authorizing occupational therapists to provide limited services to patients without a referral; amending K.S.A. 65-5401 and 65-5402 and repealing the existing sections, was considered on final action.

The bill passed.

**EXPLANATION OF VOTE**

Mr. Vice President: I vote no on **SB 441**. This bill is a duplication of current federal and state reporting requirements and creates an undue burden on existing laboratories in our state. It further undermines public trust and will jeopardize our sizeable investments in several large bioscience laboratories in our state. As a key example, this legislature has invested $307M in state dollars in the BSL-4 National Bio and Agro-Defense Facility(NBAF) in Manhattan. This $1.2B project, slated to open soon, brings over 500
high-paying jobs to Kansas and provides an anchor for the Kansas Bio-Science Corridor from Manhattan to Columbia, Missouri. Prior to the construction of NBAF, Kansas State University built and made operational a BSL-3 lab, Pat Roberts Hall, that was foundational in getting the national lab at Plum Island moved to Kansas. Only one out-of-state proponent advocated for this bill. Experts from K-State pointed out six major flaws in this bill: 1) It increases regulatory burden. 2) It has unclear and inconsistent definitions leading to confusion. 3) It has a lack of oversight, reporting clarity, or enforcement. 4) It is a duplication of efforts of current federal and state authority and reporting. 5) It increases the risk of noncompliance and nonconformance. 6) It will decrease the public trust and create a sense of danger that does not exist. This bill is not necessary. It will significantly harm our current small and large laboratory operations in Kansas and discourage further bio-science investment in our state. I vote no.—Tom Hawk

Senators Corson, Francisco, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hawk on SB 441.

Mr. Vice President: I oppose SB 441. This is another bill that has red flags. Of concern is the fact there was only one proponent of the bill who is not based in Kansas, in fact that individual/organization is not even based in the US. Opponent testimony (from Kansas) indicates processes described in the bill are already in place and this would be redundant. Additionally, the bill has unclear and inconsistent definitions which erodes public trust. Finally, this is a bill that indicates it is important for transparency. Prior to the debate, I tried to look up opponent testimony on the ksleg website and it was missing. Interestingly, that particular testimony was there earlier in the day. That should be concerning to this body as well as the general public.—Cindy Holscher

The bill passed.

EXPLANATION OF VOTE

Mr. Vice President: I vote “NO” on Senate Bill 493. This bill usurps control our local communities should have over solid waste production, especially as they have the responsibilities for solid waste collection and disposal within their communities. The proponents for the bill argued that there should be uniform requirements for auxiliary containers across the state, however, rather than establishing appropriate requirements, this bill abruptly ends opportunities for individual communities to address the costs and complications of single-use plastic waste.—MARCI FRANCISCO

Invocation by Reverend Cecil T. Washington:

God’s Light Overpowers The World's Darkness
Genesis 1:2-3, Daniel; 3:8-27

Heavenly Father, when I ponder the magnitude of Your creative power and how You displayed it to benefit us, I think of Genesis 1:2-3. This world was unliveable. Your Word reveals that this earth was chaotic. An empty darkness prevailed over it. But all You had to do was speak the words, LET THERE BE LIGHT! And that changed everything!

Today Lord, there’s a part of our world that’s in chaos. We’re witnessing misery, desperation and despair. There’s a darkness that’s pervading. But in the midst of it, we’re also seeing solid indications of faith and courage.

Lord, I’m reminded of the third chapter of Daniel. Shadrach, Meshach and Abednego were in a desperate predicament. Nebuchadnezzar, in his position of authority, was determined to subjugate them or kill them by fire. But in spite of what they were facing, their faith in You was solid. Give us like faith!

In verse 17 and 18, they said, if we are thrown into the blazing furnace, the God that we serve is still able to save us. He will rescue us from your power. In life or in death, He will rescue us from the power of evil. Lord, it’s good to know, that one way or another, You will keep the faithful! Some of us You’ll keep FROM the fire. And some of us You’ll keep IN the fire.

So in the midst of all the darkness in our world, would You again speak the words, LET THERE BE LIGHT! In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Masterson.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

No person who has been previously appointed but did not receive the consent of the senate shall be appointed again for the same vacancy. If the senate fails to vote on an appointment within the time limitation imposed by this subsection, the senate shall be deemed to have given consent to such appointment.

(c) (1) Each justice of the supreme court appointed pursuant to provisions of subsection (a) of this section and consented to pursuant to subsection (b) shall hold office for an initial term ending on the
second Monday in January following the first general election that occurs after the expiration of twelve months in office.

(2) Not less than sixty days prior to the holding of the general election next preceding the expiration of his term of office, any justice of the supreme court, the justice may file in the office of the secretary of state a declaration of candidacy for election to succeed himself retention in office. If a declaration is not so filed as provided in this section, the position held by such justice shall be open from the expiration of his term of office. If such declaration is filed, his name shall be submitted at the next general election to the electors of the state on a separate judicial ballot, without party designation, reading substantially as follows:

"Shall [Name of Justice], Justice of the Supreme Court, be retained in office?"

(3) If a majority of those voting on the question vote against retaining him such justice in office, the position or office which he holds shall be open vacant upon the expiration of his term of office. Otherwise he shall, unless such justice is removed for cause, such justice shall remain in office for the regular term of six years from the second Monday in January following such election. At the expiration of each term he shall, unless by law he is compelled to retire, such justice shall be eligible for retention in office by election in the manner prescribed in this section.

(d) A nonpartisan nominating commission whose duty it shall be to nominate and submit to the governor the names of persons for appointment to fill vacancies in the office of any justice of the supreme court is hereby established, and shall be known as the "supreme court nominating commission." Said commission shall be organized as hereinafter provided.

(e) The supreme court nominating commission shall be composed as follows: One member, who shall be chairman, chosen from among their number by the members of the bar who are residents of and licensed in Kansas; one member from each congressional district chosen from among their number by the resident members of the bar in each such district; and one member, who is not a lawyer, from each congressional district, appointed by the governor from among the residents of each such district.

(f) The terms of office, the procedure for selection and certification of the members of the commission and provision for their compensation or expenses shall be as provided by the legislature.

(g) No member of the supreme court nominating commission shall, while he is a member, hold any other public office by

Any such justice who has not been retained in office pursuant to this section shall not be eligible for appointment to the office of justice of the supreme court prior to the expiration of six years after the expiration of the justice's term of office.

§ 15. Removal of justices and judges. Justices of the supreme court may be removed from office by impeachment and conviction as prescribed in article 2 of this constitution. In addition to removal by impeachment and conviction, justices may be retired after appropriate hearing, upon certification to the governor, by the supreme court nominating commission that such justice is so incapacitated as to be unable to perform adequately his duties. Other judges shall be subject to retirement for incapacity, and to discipline, suspension and removal for cause by the supreme court after appropriate hearing.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to provide for senate confirmation of supreme court justices and to eliminate the supreme court nominating commission. The governor will appoint a qualified person, or if the governor fails to act, the chief justice of the supreme court will appoint a qualified person, and such person's appointment will require the consent of the senate. If the senate does not consent to the appointment by a majority vote, the governor will then appoint another qualified person, and such person's appointment will again go to the senate for consent. The same appointment and consent procedure will be followed until a valid appointment is made. If the senate fails to vote on an appointment within 60 days, it will be considered that the senate has given consent to the appointment.

"A vote for this proposition would abolish the supreme court nominating commission and provide a procedure whereby the governor or chief justice will appoint a person to be a supreme court justice, and such person will only take office if the senate, by majority vote, consents to the appointment.

"A vote against this proposition would continue the current system in which justices of the supreme court are appointed by the governor from a list of three individuals submitted by the supreme court nominating commission."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or
appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yea and nay. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at a special election, which is hereby called on August 2, 2022, pursuant to section 1 of article 14 of the constitution of the state of Kansas, to be held in conjunction with the primary election held on such date.

residents of each such district.

(f) The terms of office, the procedure for selection and certification of the members of the commission and provision for their compensation or expenses shall be as provided by the legislature.

(g) No member of the supreme court nominating commission shall, while he is a member, hold any other public office by appointment or any official position in a political party or for six months thereafter be eligible for nomination for the office of justice of the supreme court. "A vote against this proposition would continue the current system in which justices of the supreme court are appointed by the governor from a list of three individuals submitted by the supreme court nominating commission."

Sec. 3. The Most Wholesome Diet
Matthew 4:1-4, Genesis 3:19

Heavenly Father, for many of Your children, today, Ash Wednesday, March 2nd, begins a spiritual memorial called Lent. Not counting Sundays, Lord, it’s a 40-day period where many of Your people remember the 40 days of fasting by Jesus in Matthew 4:1-4, where He said “Man shall not live on bread alone, but on every word that comes from the mouth of God.”

Lord, it looks like we need to evaluate our diet. It seems like we’re stuffing ourselves more with food, that will expand us physically, than with the Words that come from You that will expand us spiritually. Many of us are fasting, abstaining from the Words that come from You, while filling up on a worldly diet. For many of us, our fasting is not appropriate. We’re abstaining from Your life giving, eye opening Words, while being faithful to a worldly diet.

Let this Ash Wednesday remind us to maintain humility, for You said in Genesis 3:19 that we are made from dust and to dust we shall return.

And Lord, we continue to pray for peace and for Your will to prevail over all the chaos. I offer this prayer in the Name of the Christ, Amen and Amen.

The Pledge of Allegiance was led by President Masterson.

The Fruit of Your Mouth; Good Or Bad?
Matthew 12:33-37

Lord, we come again today, charged with the responsibility to make decisions that will impact the lives and liberties of the people we serve: Your people. Don’t let us forget that they are Your people and although we are accountable to them, we are even more so accountable to You.

Your Word makes it clear in Matthew 12:33-37, that we must answer to You for everything that we convey. As a tree is judged to be good or bad by the fruit it bears, You are analyzing all that we communicate by our decisions.

Lord, let the choices, conclusions and outcomes that are spoken into existence prove to produce fruit that is marked by excellence; fruit that will not only prove to benefit Your people but will also garner eternal rewards for us.

All in the precious Name of Jesus, Amen.

(C) for all other qualified housing projects, in an amount not to exceed $30,000.

(2) A qualified housing project shall be limited to a total of 40 such residential units per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by section 15, and amendments thereto. Project builders or developers may apply to the director each year for tax credits for additional units or phases of a project. Qualified investors may be issued tax credits for cash investments in multiple qualified housing projects. Project builders or developers may apply and be approved for multiple qualified housing projects in the same tax year.

(4) The aggregate amount of tax credits that may be issued under this section shall not exceed $18,000,000 each tax year, except that if the director issues an aggregate amount of tax credits in one tax year that is less than $18,000,000, then the director may carry forward the difference and issue such amount of tax credits in the immediately succeeding tax year in addition to the statutory amount that may be issued under this section. Of the aggregate amount of tax credits issued in one tax year, the director shall
allocate:
(A) Not less than $2,000,000 in tax credits for qualified housing projects located in counties with a population of not more than 8,000; and

This interest may be transferred to any person whether or not such person is then a qualified investor and be claimed by the transferee as a credit against the transferee's Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred. The credit may be carried forward as permitted by subsection (a). No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. Only the full amount of the tax credit for any one qualified housing project investment may be transferred and may only be transferred one time. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. The qualified investor transferring such credit shall provide the director and the secretary of revenue with the name, address and taxpayer identification number of each person to whom tax credits have been transferred and such other information as may be required by the director or the secretary of revenue.

(a) If the director determines that a project is not in substantial compliance with the requirements of this act or the agreement executed pursuant to section 15, and amendments thereto, the director shall inform the project builder or developer of the project in writing that the project will lose designation as a qualified housing project in 120 days from the date of mailing of the notice unless such builder or developer corrects the deficiencies and becomes compliant with the requirements for designation.

(b) At the end of such 120-day period, if the project is still not in substantial compliance, the director shall send a notice of loss of designation to the project builder or developer, the secretary of revenue and all known qualified investors in the project. Loss of designation of a qualified housing project shall preclude the issuance of any additional tax credits with respect to the project, and the director shall not approve any subsequent application for such project as a qualified housing project. Upon loss of the designation as a qualified housing project, the project builder or developer shall repay any tax credits such taxpayer has claimed.

c) Qualified investors other than the project builder or developer who have lawfully made a cash investment in a qualified housing project approved by the director shall not have tax credits disallowed solely due to the project losing its designation as a
qualified housing project under this act.

Sec. 18. (a) On or before January 31, 2023, and on or before January 31 of each year thereafter, the director shall transmit a report annually to the governor, the standing committee on commerce of the senate and the standing committee on commerce, labor and economic development of the house of representatives. (f) "Property taxes accrued" means property taxes, exclusive of special
assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of 20/200 or less.

(i) "Disabled veteran" means a person who is a resident of Kansas and has been
honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% or greater permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.

Invocation by Reverend Cecil T. Washington:

Unanswered Prayers That Are Really Answered!
Psalm 88:1-2, Psalm 23:1-6

Lord, we come today thanking You for this day. It’s not that everything is going the way we would like. It’s not that You’ve given us everything we’ve asked for. It’s not that we’re experiencing wonderful peace and harmony as we interact with others.

Lord, I’m reminded of this poetry, because it’s so much like You. And I can identify with it. The anonymous author, wrote… “I asked God for strength that I might achieve; God made me weak that I might obey. I asked for health, that I might do greater things; I was given grace, that I might do better things. I asked for riches that I might be happy; I was given poverty that I might be wise. I asked God for power that I might have the praise of men; I was given weakness that I might feel the need for God. I asked for everything that would help me enjoy life; I was given life, that I might enjoy all things. I received nothing that I asked for, but everything that I needed and hoped for.

Lord, when I read that poem, it struck within me a chord of truth, like the Psalmist in 88:1-2, who cried out in desperation. And like the wandering sheep, with no sense of direction, You become the Shepherd of Psalm 23:1-6.

I am where I am today and have what I have, because of You! By Your love and mercy, You provided me with things I wasn’t wise enough to know I needed. And You did it all that I might be a better vessel for You, and servant to others.

I lift this prayer, in the beloved Name of Jesus Christ, Amen.

The Pledge of Allegiance was led by President Masterson.

**SB 282**, AN ACT concerning taxation; relating to income taxation; relating to credits; providing certain tax credits for graduates of aerospace and aviation-related educational programs and employers of program graduates; enacting the Kansas affordable housing tax credit act and the Kansas housing investor tax credit act; providing tax credits against income, privilege and premium taxes for qualified housing projects; providing a credit for school and classroom supplies purchased by teachers; providing homestead property tax refunds from income tax refund fund to certain persons based on the increase in property tax over the base year property tax amount; relating to property taxation; increasing extent of exemption for residential property from statewide school levy; amending K.S.A. 79-4502, 79-4508 and 79-4509 and K.S.A. 2021 Supp. 79-201x and repealing the existing sections, was considered on final action.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. President: I vote Aye on SB 282. I truly like several of the provisions in the bill. In one piece of legislation, we provide tax credits to assist Kansas’ aerospace and aviation industry, a tax refund for property taxes paid by senior citizens and disabled military veterans, an income tax credit for teachers who purchase classroom supplies and, enacts the Kansas Housing Investor Tax Act and the Kansas Affordable Housing Tax Credit Act. However, the one that I am the most pleased about is providing Kansas homeowners with real property tax relief. As a legislator, I receive more complaints about property taxes than all other taxes combined. Increasing the residential property tax exemption, as it relates to the 20-mill statewide school finance levy, from $20,000 to $65,000 will give every person who owns real estate in Kansas a property tax cut. Additionally, SB 282 contains a mechanism that will increase the exemption as property values rise with time due to inflation. Again, I am pleased to support SB 282 and vote Aye.—VIRGIL PECK

Senators Billinger, Erickson and Haley request the record to show they concur with the "Explanation of Vote" offered by Senator Peck on SB 282.

Mr. President: There is no doubt that tax credits can work to bring about investment. And, if used judiciously, I could agree to them. Individually, the entities we are considering for these credits have merit. But it feels to me like we are handing out tax credits like candy these days…and in the aggregate it ultimately harms our ability to lower the tax rates for everyone because those who don’t get these credits…still have to pay the full tax bill…and pick up slack for those with the breaks. Kansas has some of the highest tax rates in the nation, and the best way to float all boats is to find a way to lower rates for everyone. And not continue to pick winners and losers. A few of the flurry of amendments that descended upon this bill like a blanket of snow were wonderful…and I would vote for them in a heartbeat…in a separate clean bill. With this bill we are doing a back of the napkin fiscal note…and calculating the unintended consequences of a bill this size…on the fly is all but impossible. For those reasons…and since Aunt Millie’s one-eyed cat was overlooked for a tax credit…I vote No.—MIKE THOMPSON

Senators Gossage and Steffen request the record to show they concur with the "Explanation of Vote" offered by Senator Thompson on SB 282.

Mr. President: I ask to “PASS” on Senate Bill 282. I believe that Kansas affordable housing tax credits should include requirements for energy efficiency. Although I hope that those credits and others in this bill receive future consideration, I was disappointed that the amendment on this bill to create the $250 tax refund for every 2020 Kansas tax
filer did not pass. I would like to see that refund along with the elimination of the state sales tax on food before adopting additional tax credits. I also understand that funds for these and other tax credits could easily be made available if the Kansas Legislature were to pass Medicaid expansion.—MARCI FRANCISCO

Senator Pettrey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Francisco on SB 282.

Mr. President: If Kansas had unlimited funds, I would enthusiastically support this bill. I am glad that we were able to come together to support targeted tax relief to our fixed-income Kansans. I am glad that we recognize the sacrifice that teachers make to ensure our kids have the best learning environment possible, and want to rectify the harm we've done by creating a system that forces them to use their own money to accomplish that goal. This bill does give me hope that this chamber can come together to identify solutions for Kansans whose needs are not being met. Unfortunately, there is no fiscal note for this bill, and while our economy is stronger than it’s been in over a decade, we can’t afford to remove this money from the budget without considering the broader implications of doing so. This bill does not deliver direct tax relief to the majority of Kansans – like our proposal to eliminate the state sales tax on food would. Given all that we’ve asked Kansans to sacrifice while we’ve played games with our budget, while we’ve weathered an unprecedented health and economic crisis, it is neither responsible nor fair to draw down this money and fail to deliver for all Kansas families.—DINAH SYKES

Senators Hawk and Pettrey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on SB 282.

SB 326, AN ACT concerning income taxation; relating to credits; providing a credit for qualified railroad track maintenance expenditures of short line railroads and associated rail siding owners or lessees, was considered on final action.

On roll call, the vote was: Yeas 29; Nays 7; Present and Passing 4; Absent or Not Voting 0.

Nays: Gossage, Holland, Holscher, Steffen, Sykes, Thompson, Ware.

Present and Passing: Francisco, Hawk, McGinn, Pettrey.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. President: SB 326 is a classic example of corporate welfare, unlevel business playing fields (short line railroads compete with my small business truckers to haul grain), and the legislature yielding to special interests at the expense of the Kansas taxpayer. After twenty plus years of tax credit welfare, short line railroads need to sink or swim. Granting them more free money is embarrassing for all parties involved. The rail bed and it's maintenance belong to the railroad company, not the Kansas taxpayer.—MARK STEFFEN
SB 378, AN ACT concerning fireworks; allowing cities and counties to restrict the retail sale of fireworks; regulating the time periods for the retail sale of fireworks; amending K.S.A. 31-502 and 31-503 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 2; Nays 34; Present and Passing 4; Absent or Not Voting 0.
Yeas: Steffen, Wilborn.
Present and Passing: Baumgardner, Faust-Goudeau, Gossage, O'Shea.
A constitutional majority having failed to vote in favor of the bill, SB 378 did not pass.

EXPLANATION OF VOTE

Mr. President: As amended Senate Bill 378 would effectively ban the sell of all fireworks in the state of Kansas. It would require 105 counties and 627 incorporated cities to opt in before Kansans could purchase fireworks. Fireworks are an important part of our celebrations in the state of Kansas. We celebrate everything from Independence Day to your favorite football team for scoring a touchdown, or when your favorite baseball team hits a home run. I believe that purchasing and selling fireworks should not be something that you have to opt in to. Mr. President I vote no against SB 378. —RICHARD HILDERBRAND

Senator Erickson requests the record to show she concurs with the "Explanation of Vote" offered by Senator Hilderbrand on SB 378.

On roll call, the vote was: Yeas 32; Nays 5; Present and Passing 3; Absent or Not Voting 0.
Yeas: Alley, Baumgardner, Billinger, Bowers, Corson, Dietrich, Doll, Fagg, Faust-Goudeau, Hawk, Hilderbrand, Holland, Holscher, Kerschen, Kloos, Longbine,
Nays: Claeys, Erickson, Gossage, Haley, McGinn.
Present and Passing: Francisco, Suellentrop, Ware.
The bill passed, as amended.

EXPLANATION OF VOTE

Mr. President: While **HB 2237** expands the questionable Rural Opportunity Zone program unnecessarily, I support the amended position containing the expansion of child care tax credits to help support working men and women in a time where our businesses are desperate for workers. Taking away these hurdles, means more Kansans with job security and security for their kids. This means stronger Kansan families and a stronger Kansan economy.—**JEFF PITTMAN**

Senators Pettay and Sykes request the record to show they concur with the "Explanation of Vote" offered by Senator Pittman on **HB 2237**.

**REPORT ON ENROLLED BILLS**

**SB 358** reported correctly enrolled, properly signed and presented to the Governor on March 4, 2022.

On motion of Senator Alley, the Senate adjourned until 2:30 p.m., Tuesday, March 8, 2022.
The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Is There Even One Righteous Person?
Ezekiel 22:23-31

Heavenly Father, strong and mighty walls provided protection for Your people by keeping out disparaging forces. In like manner today, solid walls of righteousness are needed to protect us from the damning forces of unrighteousness.

In Chapter 22:23-31, You used the prophet Ezekiel to reveal that there was a break, a hole, in their wall of justice and You couldn't find anyone committed enough to the cause of righteousness that they would stand in the gap. And Lord, it was troubling that after seeing where You looked, no one could be found. Not even one!

You looked among the priests, who should've been teaching Your people to honor You and obey Your Word. You looked among the politicians, but they were like wolves tearing the people apart, financially ripping them off. When You looked at the prophets who were supposed to be telling the people the truth, they were lying, pretending You were giving them Your words when You never spoke to them.

Finally, when none of the leaders were measuring up, You looked among the people themselves. But they were just as bad, cheating, robbing, abusing the poor and taking advantage of immigrants.

Lord, when You look among us I pray You find men and women, irrespective of position, willing to take a stand for justice, morality, virtue and integrity for Your righteousness.

In Jesus' Name, I pray that the righteousness You call for will prosper. Amen!

The Pledge of Allegiance was led by President Masterson.

preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

(vii) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

(7) The actuarial cost of the provisions of K.S.A. 74-4950i, and amendments thereto, will be included in the June 30, 1998, actuarial valuation in determining contribution rates for participating employers. The actuarial accrued liability incurred for the provisions of K.S.A. 74-4950i, and amendments thereto, shall be amortized over 15 years.

(8) Except as otherwise provided by law, the actuarial cost of any legislation enacted by the Kansas legislature, except the actuarial cost of K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the employer contribution rates certified for the employer contribution rate in the fiscal year immediately following such enactment. Such actuarial cost shall be determined by the qualified actuary employed or retained by the system pursuant to K.S.A. 74-4908, and amendments thereto, and reported to the system and the joint committee on pensions, investments and benefits.

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. REPORT ON ENROLLED BILLS

SR 1731 reported correctly enrolled, properly signed and presented to the Secretary of the Senate on March 4, 2022.

On motion of Senator Alley, the Senate adjourned until 2:30 p.m., Wednesday, March 9, 2022.
The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

The Glory Of God Revealed!
Exodus 33:12-23

Lord, God of Heaven and Earth, in Exodus 33:12-23 Moses wanted You to show Yourself to Him so he could be confident of Your presence and support. But You said if someone looked at Your face in the fullness of Your glory they would die. Although no human eye can behold You in all Your glory, in a supernatural way You reveal that You are with us at this human level.

You did show Moses Your backside. You let him see just enough of Your glory to be encouraged that You were with him. And Lord, that’s the reassurance we need. From time to time we need to see the backside of Your glory. As we go forward in serving Your people, we need the awareness of Your presence. Keep showing us bits and pieces of Your glory. Let us see enough of the back parts that by faith we can trust that You are with us.

And don’t let us become smug or self-satisfied, taking Your presence for granted. When You do things for us and display Your glory, let it be so that people will acknowledge You are doing it. Just make us vessels of Your grace, manifesting Your glory to people who might question, “Does God really exist?”

I thank You for the ongoing awareness of Your presence. In Jesus’ Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

EXPLANATION OF VOTE

Mr. President: I voted in favor of S Sub HB 2279 to provide another option for my constituents to receive medical assistance. Many areas of my district are rural and access to medical assistance limited. Over the past few years, the stress on our medical professionals has been enormous. APRN’s in my district have been part of the solution to our medical needs in rural Kansas for years. We are fortunate to have dedicated medical professionals at all levels who have tirelessly cared for our friends and families. This bill provides some flexibility to advanced practice registered nurses (APRN’s) to prescribe drugs; requires them to carry malpractice insurance and makes other changes. It is my understanding that nothing in the language expands the scope of practice of ARPN's or authorizes an APRN to practice medicine or surgery and if these doubts remain – we can continue to discuss in the Conference Committee process.—ELAINE BOWERS

Senator McGinn requests the record to show she concurs with the "Explanation of Vote" offered by Senator Bowers on S Sub HB 2279.

Mr. President: With the current strain on the health care system, it is more important than ever to allow highly-trained medical professionals to practice to the full scope for which they are trained and certified to ensure quality access to care for Kansans. S Sub HB 2279 helps Kansas to become the 25th state to provide another source of health care for Kansans. I vote Yes.—PAT PETTEY

Senator Faust-Goudeau requests the record to show that she concurs with the "Explanation of Vote" offered by Senator Pettey on S Sub HB 2279.

EXPLANATION OF VOTE

Mr. President: I can’t help but point out – as I often have during my explanations of vote this year – that we are in a position to debate the best way to appropriate funds and deliver relief to Kansans because our economy is so strong and has resulted in a significant surplus. Each of us has differing ideas of what our top priorities should be, and each of those priorities deserves serious consideration. Hand-picking priorities as we’ve done with **SB 523** spends down the surplus and limits what we can do with the broader budget. KPERS will be 80% funded by next year, even with no extra payments, and reported savings for the State General Fund would decrease if the assumed rate of return is lowered this year. We have already committed more than $250 million to KPERS to eliminate the layering payment. We owe it to Kansans to consider these facts in the broader context of our budget, and weigh them against other proposals that, for instance, deliver tax relief to all Kansans, like our plan to eliminate the food sales tax would. For these reasons, I vote NO.—**Dinah Sykes**

Senators Corson, Faust-Goudeau, Francisco, Haley, Hawk, Holland, Holscher, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **SB 523**.

**S Sub HB 2361**, AN ACT concerning courts; relating to specialty court programs; authorizing the supreme court to adopt rules related thereto; establishing the specialty
court funding advisory committee and the specialty court resources fund; authorizing courts to order defendants to participate in specialty court programs; allowing expungement of certain convictions when defendants complete the requirements of such programs; amending K.S.A. 2021 Supp. 21-6604 and 21-6614 and repealing the existing sections.

On roll call, the vote was: Yeas 38; Nays 1; Present and Passing 1; Absent or Not Voting 0.

Nays: Steffen.

Present and Passing: Pyle.

The bill passed.

EXPLANATION OF VOTE

Mr. President: I rise in vigorous support of S Sub HB 2361, establishing rules and operations for specialty courts problem solving procedures to address underlying causes to help rehabilitate veterans, those suffering in the spiral of drug addiction and more. Veterans and drug courts have been demonstrated to work in Wyandotte and other locations across the state and the nation, and worthy of expanding into other areas with funding. It is proactive and I commend the body for passing this legislation.—JEFF PITTMAN

To God’s Majesty and Our Modesty
Matthew 6:9-10, Acts 1:13-14

Heavenly Father, we’re gathering here at the beginning of another work week making ourselves available, first to You then to Your people. The desire is that our labors will prove fruitful, beneficial towards accomplishing the things YOU would have us to do, that YOUR purposes be fulfilled. Because it’s not about us or the people. All of this was created for Your glory, for our good to underscore Your majesty.

I’m reminded of Matthew 6:9-10 where we’re told how we should pray. You identified Yourself as “Our Father in Heaven,” that Your name, unlike ours, be held sacred. That Your kingdom come and that Your will be done, right here on earth as it is in Heaven. That Your will be done right here in these chambers, here in Kansas, here in our lives and in all our endeavors.

Help us to be like the Disciples in Acts 1:13-14. They were in an upper room in one accord wanting Your Holy Spirit to lead them. Please do that for us. We’re in these upper rooms trying to be in one accord and wanting Your Holy Spirit to lead us.

I offer this prayer in the beloved Name of Jesus. Amen

The Pledge of Allegiance was led by Vice President Wilborn.

The Fight For Freedom  
Ecclesiastes 9:12, Psalm 46:1  

Heavenly Father, having citizenship in a free country where God-given rights and liberties can be defended is truly a blessing. Help us now to keep in mind that we must always be on guard, fighting to maintain those freedoms.  
In the book of Ecclesiastes, You used the writer to remind us that as long as we’re on this earth, under the sun, freedom is not free. During the conflict with the British You inspired the wife of Sam Adams, the Godly Abigail Adams, to remind him of the emptiness, the futility of only being concerned with what’s happening on earth “under the sun.” She used Ecclesiastes 9:12 to remind him that the race is not given to the swift nor the battle given to the strong, but the God of Israel is He that giveth strength and power to His people. She told her husband to trust in You at all times quoting Psalm 46:1, that You are our refuge and strength ... a very present help in times of trouble.  
So Lord, as it relates to our freedom, keep us defending them but looking to You to maintain them. I come to You in the Name of Jesus, Who died to set us free. Amen!

The Pledge of Allegiance was led by President Masterson.

The resolution was adopted.

EXPLANATION OF VOTE

Mr. President: I vote yes on SCR 1623. The resolution hits on some key points regarding the ceasing of importing oil and gas from Russia and enhancing energy independence for the United States. I support the fact that President Joe Biden on March 8, 2022, signed an Executive Order to ban the import of Russian oil, liquefied natural gas, and coal to the United States—a significant action with bipartisan support that will deprive President Putin of the economic resources he uses to continue his needless war of choice in Ukraine. While this resolution focuses on oil and gas, it does not adequately mention the importance of renewable energy as part of the goal for United States energy independence. The intent of this resolution to condemn a needless war by Russia and to encourage the reduction of our dependence on oil is right on target. The resolution could be stronger if it would take into account our Kansas success with renewable energy over the past ten years and our joint responsibility to support all sources of energy in the near term to reach our common goal of energy independence.

—Tom Hawk

Guidelines In The Selection of Leaders
Exodus 18:19-23, Romans 13:1-7

Heavenly Father, in Exodus 18:19-23, You used Moses’ father-in-law, Jethroe, to show Moses how to select quality leaders, officials that would lead in harmony with Your will and Your ways. Please remind us of the need for those qualities today! For people to respect and follow their leaders You require that the officials be good examples. The advice You had Jethroe give to Moses focused in three areas. In Romans 13:1-7, You said that all human authority comes from You and should represent You in the lives of Your people.

Therefore, in Exodus 18:20, You want the leaders of Your people first, to study and know the laws compatible with Your Word. But to also second, practice them, making them part of their lives, so their walk will match their talk. So those who learn the laws and walk the walk are then qualified to third, be given the work to work.

Moses followed Jethroe’s advice resulting in Your people being blessed and living their lives in peace. Lord, let that be the case here. You’ve given us Your Word. You’ve told us how to walk. Now guide us in the work, You’d have us to do.

Again, I come to You in the Name of Jesus. Amen!

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

Mr. President: Providence blessed us with a bountiful harvest. It is inexcusable and immoral that our Governor, this body and our Federal Government, choose to ignore what is statutorily and ethically the right thing to do and not turn our back on our children of our great State with special needs. Kids, by no fault of their own, need assistance to become what they most want, being a productive citizen to our country, state and their community. The bottom line, we as a government have failed these kids.

—JOHN DOLL

Senators Corson, Francisco and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Doll on Sub SB 444.

Mr. President: I ask to be recorded as a “PASS” on Senate Substitute for Senate Bill 444. I choose to pass on a bill when I support much of what is in a bill but would want to see some changes before I vote “AYE”. I support many of the proposed expenditures, but am very concerned that this bill, like several others we have passed this year, prioritizes future debt payments over addressing the needs of today’s Kansans. For the first year since I was elected to the Kansas Senate, there is enough funding to responsibly take the state portion of the sales tax off food. We can do that this year, and we should.—MARC FRANCISCO

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Francisco on Sub SB 444.

Mr. President: A "yes" vote does not come easily from me for a budget bill. But, the carryover from last year plus the significant debt reduction was impressive. We did keep the projected spending increase year-over-year to less than inflation. Next year, I challenge us to keep spending flat as government size and overreach remain out of control.—MARK STEFFEN

Senator Thompson requests the record to show he concurs with the "Explanation of Vote" offered by Senator Steffen on Sub SB 444.

Mr. President: To the average Kansan, this budget appears to make up for the years of austerity our state has been forced to endure because of reckless tax experiments that slashed available funds and decimated our agencies, our schools, and our state’s overall standing. There are many appealing parts of this budget, and it’s difficult to argue against giving our agencies more than they asked for, for giving retirees more than the governor’s plan to fully fund KPERS requires for this fiscal year. That is by design. The budget goes above and beyond in these areas and conveniently ensures that there’s not enough money left over to deliver economic relief to every Kansan, to allow our higher education institutions to freeze tuition for students in a tumultuous economy, to ADD to our state general fund – and help struggling Kansans and hospitals – by expanding Medicaid. We have the means to do better, and Kansas families deserve better. I vote "no."—DINAH SYKES

Senators Corson, Francisco, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on Sub SB 444.

Mr. President: I voted against both SB 242 and the APEX bill as I worried that we were picking winners and losers with numerous massive tax credits that are not
available to the everyday taxpayer of Kansas. These two big troublesome bills gave me serious pause and I felt they were not the right path ahead for the state. Those two bills gave me the only real doubt I had about voting for this bill and the budget. But, the fact that we are retiring nearly $1 Billion dollars in debt through the pay-off of the KPERS debt, is the responsible thing to do, and will pay dividends for Kansans in the future. It is my hope that now we have retired this debt that in future years our spending will either be flat or drop so that we can start providing necessary tax relief for all Kansans. For these reasons, I vote “aye.”—Mike Thompson

(a) Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a reduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of paragraph (1), (2), (3), (4), (5), (6) or (7). Credit shall be allowed under paragraph (1), (2) or (3) only as respects cessions of those kinds or classes of business that the assuming insurer is licensed or otherwise permitted to write or assume in its state of domicile or, in the case of a United States branch of an alien assuming insurer, in the state through which it is entered and licensed to transact insurance or reinsurance. Credit shall be allowed only under paragraph (3) or (4) if the applicable requirements of paragraph (7) (8) have been satisfied.

(1) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is licensed to transact insurance or reinsurance in this state.

(2) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited by the commissioner as a reinsurer in this state. In order to be eligible for accreditation, an assuming insurer must:

(A) File with the commissioner evidence of the assuming insurer's submission to this state's jurisdiction;

(B) submit to this state's authority to examine the assuming insurer's books and records;

(C) be licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an alien assuming insurer, be entered through and licensed to transact insurance or reinsurance in at least one state;

(D) file annually with the commissioner a copy of the assuming insurer's annual statement filed with the insurance department of the assuming insurer's state of domicile and a copy of the assuming insurer's most recent audited financial statement; and

(E) demonstrate to the satisfaction of the commissioner that it has adequate
financial capacity to meet the assuming insurer's reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer is deemed to meet this requirement as of the time of the assuming insurer's application if it maintains a surplus as regards policyholders in an amount not less than $20,000,000 and its accreditation has not been denied by the commissioner within 90 days after submission of its application.

(3) (A) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled in, or in the case of a United States branch of an alien assuming insurer is entered through, a state that employs standards regarding credit for reinsurance substantially similar to those applicable under this statute and the assuming insurer or United States branch of an alien assuming insurer:

(i) Maintains a surplus as regards policyholders in an amount not less than $20,000,000; and

(ii) submits to the authority of this state to examine the assuming insurer's books and records.

(B) The requirement of subsection (a)(3)(A)(i) does not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

(4) (A) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust fund in a qualified United States financial institution, as defined in subsection (c)(2), for the payment of the valid claims of the assuming insurer's United States ceding insurers, their assigns and successors in interest. To enable the commissioner to determine the sufficiency of the trust fund, the assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the national association of insurance commissioners annual statement form by licensed insurers. The assuming insurer shall submit to examination of its books and records by the commissioner and bear the expense of examination;

(B) (i) Credit for reinsurance shall not be granted under this subsection unless the form of the trust and any amendments to the trust have been approved by either of the following:

(a) The commissioner of the state where the trust is domiciled; or

(b) the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust.

(ii) The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer's beneficiaries of the trust are domiciled. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to the trust's assets in its trustees for the benefit of the assuming insurer's United States ceding insurers, their assigns and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner.

(iii) The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. No later than February 28 of each year, the trustee of the trust shall report to the commissioner in writing the balance of the trust and the listing of the trust's investments at the preceding year-end and shall certify the date of termination of the trust, if so
planned, or certify that the trust will not expire prior to the following December 31.

(C) The following requirements apply to the following categories of the assuming insurer:

(i) The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers, and, in addition, the assuming insurer shall maintain a trusted surplus of not less than $20,000,000, except as provided in subsection (a)(4)(C)(ii).

(ii) At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trusted surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cashflows, and shall consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trusted surplus shall not be reduced to an amount less than 30% of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust;

(iii) (a) in the case of a group including incorporated and individual unincorporated underwriters, all of the following requirements are met:

(1) For reinsurance ceded under reinsurance agreements with an inception, amendment or renewal date on or after January 1, 1993, the trust shall consist of a trusted account in an amount not less than the respective underwriters' several liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group;

(2) for reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this act, the trust shall consist of a trusted account in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States; and

(3) in addition to the trusts described in subsections (a)(4)(B)(iii)(a)(1) and (a)(4)(B)(iii)(a)(2), the group shall maintain in trust a trusted surplus of which $100,000,000 shall be held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all years of account.

(b) The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members of the group; and

(c) within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide to the commissioner an annual certification by the group's domiciliary regulator of the solvency of each underwriter member, or if a certification is unavailable, financial statements prepared by independent public accountants of each underwriter member of the group.

(iv) In the case of a group of incorporated underwriters under common
administration, the group shall meet all of the following requirements:

(a) Have continuously transacted an insurance business outside the United States for at least three years immediately prior to making application for accreditation;

(b) maintain an aggregate policyholders' surplus of at least $10,000,000,000;

(c) maintain a trust fund in an amount not less than the group's several liabilities attributable to business ceded by United States domiciled ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group;

(d) in addition, maintain a joint trusteed surplus of which $100,000,000 shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group as additional security for these liabilities; and

(e) within 90 days after the group's financial statements are due to be filed with the group's domiciliary regulator, make available to the commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulator and financial statements of each underwriter member of the group prepared by its independent public accountant.

(5) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that has been certified by the commissioner as a reinsurer in this state and the reinsurer secures its obligations in accordance with the following requirements:

(A) In order to be eligible for certification, the assuming insurer shall meet all of the following requirements:

(i) Be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the commissioner pursuant to subsection (a)(5)(C);

(ii) maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the commissioner pursuant to regulation;

(iii) maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner pursuant to regulation;

(iv) agree to submit to the jurisdiction of this state, appoint the commissioner as the assuming insurer's agent for service of process in this state, and agree to provide security for 100% of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if the assuming insurer resists enforcement of a final United States judgment;

(v) agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis; and

(vi) satisfy any other requirements for certification deemed relevant by the commissioner.

(B) An association including incorporated and individual unincorporated underwriters may be a certified reinsurer. In order to be eligible for certification, in addition to satisfying the requirements of subsection (a)(5)(A) and all of the following requirements:

(i) The association shall satisfy its minimum capital and surplus requirements through the capital and surplus equivalents, net of liabilities, of the association and its members, that shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the commissioner to provide adequate protection;

(ii) the incorporated members of the association shall not be engaged in any business other than underwriting as a member of the association and shall be subject to
the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members of the association; and

(iii) within 90 days after the association's financial statements are due to be filed with the association's domiciliary regulator, the association shall provide to the commissioner an annual certification by the association's domiciliary regulator of the solvency of each underwriter member. If a certification is unavailable, financial statements prepared by independent public accountants of each underwriter member of the association shall be provided instead.

(C) The commissioner shall create and publish a list of qualified jurisdictions under which an assuming insurer licensed and domiciled in such jurisdiction is eligible to be considered for certification by the commissioner as a certified reinsurer.

(i) In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the United States. In order to be recognized as a qualified jurisdiction, a jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction shall not be recognized as a qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. Additional factors may be considered in the discretion of the commissioner.

(ii) A list of qualified jurisdictions shall be published through the national association of insurance commissioners' process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner recognizes a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification in accordance with criteria to be developed under rules and regulations.

(iii) United States jurisdictions that meet the requirement for accreditation under the national association of insurance commissioners' financial standards and accreditation program shall be recognized as qualified jurisdictions.

(iv) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner has the discretion to suspend the reinsurer's certification indefinitely, in lieu of revocation.

(D) The commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies deemed acceptable to the commissioner pursuant to rules and regulations. The commissioner shall publish a list of all certified reinsurers and their ratings.

(E) A certified reinsurer shall secure obligations assumed from United States ceding insurers under this subsection at a level consistent with the certified reinsurer's rating, as specified in rules and regulations promulgated by the commissioner.

(i) In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with the provisions of subsection (b), or in a multi-beneficiary trust in accordance with subsection (a)(4), except as otherwise provided in this subsection.
(ii) If a certified reinsurer maintains a trust to fully secure its obligations subject to subsection (a)(4), and chooses to secure its obligations incurred as a certified reinsurer in the form of a multi-beneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this subsection or comparable laws of other United States jurisdictions and for its obligations subject to subsection (a)(4). It shall be a condition to the grant of certification under subsection (a)(5) that the certified reinsurer shall have bound itself, by the language of the trust and agreement with the commissioner who has principal regulatory oversight of each such trust account, to fund, upon termination of any such trust account, any deficiency of any other such trust account out of the remaining surplus of the terminated trust account.

(iii) The minimum trusteed surplus requirements provided in subsection (a)(4) are not applicable with respect to a multi-beneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this subsection, except that such trust shall maintain a minimum trusteed surplus of $10,000,000.

(iv) With respect to obligations incurred by a certified reinsurer under this subsection, if the security is insufficient, the commissioner shall reduce the allowable credit by an amount proportionate to the deficiency, and the commissioner has the discretion to impose further reductions in allowable credit upon finding there is a material risk that the certified reinsurer's obligations will not be paid in full when due.

(v) For purposes of this subsection, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure 100% of its obligations.

(a) As used in this paragraph, the term "terminated" includes revocation, suspension, voluntary surrender and inactive status.

(b) If the commissioner continues to assign a higher rating as permitted by other provisions of this subsection, this requirement does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.

(F) If an assuming insurer applying for certification as a reinsurer in this state has been certified as a reinsurer in another jurisdiction accredited by the national association of insurance commissioners, the commissioner has the discretion to defer to that jurisdiction's certification, and has the discretion to defer to the rating assigned by that jurisdiction, and such assuming insurer shall be considered to be a certified reinsurer in this state.

(G) A certified reinsurer that ceases to assume new business in this state may request to maintain the reinsurer's certification in inactive status in order to continue to qualify for a reduction in amount of security required for the reinsurer's in force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(6) (A) Credit shall be allowed when the reinsurance is ceded to an assuming insurer meeting each of the conditions set forth below.

(i) The assuming insurer must have its head office or be domiciled in, as applicable, and be licensed in a reciprocal jurisdiction. A "reciprocal jurisdiction" is a jurisdiction that meets one of the following:

(a) A non-U.S. jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement
between the United States and the European Union, is a member state of the European Union. For purposes of this subsection, a "covered agreement" is an agreement entered into pursuant to Dodd-Frank wall street reform and consumer protection act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance;

(b) a United States jurisdiction that meets the requirements for accreditation under the national association of insurance commissioners financial standards and accreditation program; or

(c) a qualified jurisdiction, as determined by the commissioner pursuant to subsection (a)(5)(C), that is not otherwise described in subsection (a)(6)(A)(i)(a) or (b) and that meets certain additional requirements, consistent with the terms and conditions of in-force covered agreements, as specified by the commissioner.

(ii) The assuming insurer shall have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth by the commissioner. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it shall have and maintain, on an ongoing basis, minimum capital and surplus equivalents, net of liabilities, calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth by the commissioner.

(iii) The assuming insurer shall have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as applicable, to be set forth by the commissioner. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it shall have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.

(iv) The assuming insurer shall agree and provide adequate assurance to the commissioner, in a form specified by the commissioner, as follows:

(a) The assuming insurer shall provide prompt written notice and explanation to the commissioner if it falls below the minimum requirements set forth in subsection (a)(6) (A)(ii) or (iii), or if any regulatory action is taken against the assuming insurer for serious noncompliance with applicable law;

(b) the assuming insurer shall consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as the assuming insurer's agent for service of process. The commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement. Nothing in this provision shall limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;

(c) the assuming insurer shall consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;

(d) each reinsurance agreement shall include a provision requiring the assuming insurer to provide security in an amount equal to 100% of the assuming insurer's...
liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

(e) the assuming insurer shall confirm that it is not presently participating in any solvent scheme of arrangement that involves this state's ceding insurers, agree to notify the ceding insurer and the commissioner and to provide security in an amount equal to 100% of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into such a solvent scheme of arrangement. Such security shall be in a form consistent with the provisions of subsections (a)(5) and (b) and as specified by the commissioner.

(v) The assuming insurer or its legal successor shall provide, if requested by the commissioner, on behalf of itself and any legal predecessors, certain documentation to the commissioner, as specified by the commissioner.

(vi) The assuming insurer shall maintain a practice of prompt payment of claims under reinsurance agreements.

(vii) The assuming insurer's supervisory authority must confirm to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements set forth in subsection (a)(6)(A)(ii) or (iii).

(viii) Nothing in this provision precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

(B) The commissioner shall timely create and publish a list of reciprocal jurisdictions.

(i) A list of reciprocal jurisdictions is published through the national association of insurance commissioners committee process. The commissioner's list shall include any reciprocal jurisdiction, as defined under subsections (a)(6)(A)(i)(a) and (b), and shall consider any other reciprocal jurisdiction included on the national association of insurance commissioners list. The commissioner may approve a jurisdiction that does not appear on the national association of insurance commissioners list of reciprocal jurisdictions in accordance with criteria to be developed by the commissioner.

(ii) The commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process set forth by the commissioner, except that the commissioner shall not remove from the list a reciprocal jurisdiction, as defined under subsections (a)(6)(A)(i)(a) and (b). Upon removal of a reciprocal jurisdiction from this list, credit for reinsurance ceded to an assuming insurer that has its home office or is domiciled in that jurisdiction shall be allowed, if otherwise allowed pursuant to this section.

(C) The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in this subsection and to which cessions shall be granted credit in accordance with this subsection. The commissioner may add an assuming insurer to such list if a national association of insurance commissioners accredited jurisdiction has added such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to the commissioner as required under subsection (a)(6)(A)(iv) and complies with any
additional requirements that the commissioner may impose, except to the extent that they conflict with an applicable covered agreement.

(D) If the commissioner determines that an assuming insurer no longer meets one or more of the requirements under this subsection, the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this subsection.

(i) While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with subsection (b).

(ii) If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of subsection (b).

(E) If subject to a legal process of rehabilitation, liquidation or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.

(F) Nothing in this subsection shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited by this section or other applicable law or regulation.

(G) Credit may be taken under this subsection only for reinsurance agreements entered into, amended or renewed on or after July 1, 2021, and only with respect to losses incurred and reserves reported on or after the later of the date on which the assuming insurer has met all eligibility requirements pursuant to subsection (a)(6)(A), or the effective date of the new reinsurance agreement, amendment or renewal.

(H) This paragraph does not alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under this subsection, as long as the reinsurance qualifies for credit under any other applicable provision of this section.

(I) Nothing in this subsection shall:

(i) Authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement; or

(ii) limit, or in any way alter, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

(7) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that does not meet the requirements of subsections (a)(1) through (a)(6), but only as to the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.

(8) If the assuming insurer is not licensed, accredited or certified to transact insurance or reinsurance in this state, the credit permitted by subsections (a)(3) and (a)(4) of this section shall not be allowed, unless the assuming insurer agrees in the reinsurance agreement to do all of the following:

(A) (i) In the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, will: Submit to the jurisdiction of any court of competent jurisdiction in
any state of the United States; comply with all requirements necessary to give the court jurisdiction; and abide by the final decision of the court or of any appellate court in the event of an appeal; and

(ii) the assuming insurer will designate the commissioner or a designated attorney as its true and lawful attorney to receive lawful process in any action, suit or proceeding instituted by or on behalf of the ceding insurer.

(B) This subsection is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if the obligation is created in the agreement.

(9) If the assuming insurer does not meet the requirements of subsection (a)(1), (a)(2), (a)(3) or (a)(6), the credit permitted by subsection (a)(4) or (a)(5) shall not be allowed unless the assuming insurer agrees in a trust agreement to the following conditions:

(A) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because the trust fund contains an amount less than the amount required by subsection (a)(4)(C), or if the grantor of the trust has been declared insolvent or has been placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of the trust's state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer all of the assets of the trust fund to the commissioner with regulatory oversight over the trust.

(B) The assets shall be distributed and claims shall be filed with and valued by the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.

(C) If the commissioner with regulatory oversight over the trust determines that the assets of the trust fund or any part of the trust fund are not necessary to satisfy the claims of the United States ceding insurers of the grantor of the trust, the assets of the trust or part of those assets shall be returned by the commissioner with regulatory oversight over the trust to the trustee for distribution in accordance with the trust agreement.

(D) The grantor shall waive any right otherwise available to it under United States law that is inconsistent with the provisions of this subsection.

(10) Credit for reinsurance ceded to a certified reinsurer is limited to reinsurance contracts entered or renewed on or after the effective date of the certification of the assuming insurer by the commissioner.

(11) If an accredited or certified reinsurer ceases to meet the requirements of this section for accreditation or certification, the commissioner may suspend or revoke the reinsurer's accreditation or certification.

(A) The commissioner shall give the reinsurer notice and opportunity for a hearing prior to such suspension or revocation. The suspension or revocation shall not take effect until after the commissioner's order on hearing, unless one of the following applies:

(i) The reinsurer waives its right to a hearing;

(ii) the commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or by the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or
in the primary certifying state of the reinsurer under subsection (a)(5)(F); or

(iii) the commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the commissioner's action.

(B) While a reinsurer's accreditation or certification is suspended, a reinsurance contract issued or renewed after the effective date of the suspension does not qualify for credit, except to the extent that the reinsurer's obligations under the reinsurance contract are secured in accordance with subsection (b). If a reinsurer's accreditation or certification is revoked, credit for reinsurance shall not be granted after the effective date of the revocation, except to the extent that the reinsurer's obligations under the contract are secured in accordance with subsection (a)(5)(A) or (a)(5)(B).

(12) (A) A domestic ceding insurer shall take steps to manage its reinsurance recoverables proportionate to its own book of business. A domestic ceding insurer shall notify the commissioner within 30 days after reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds 50% of the domestic ceding insurer's last reported surplus to policyholders, or after it is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

(B) A domestic ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the commissioner within 30 days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than 20% of the ceding insurer's gross written premium in the prior calendar year, or after the domestic ceding insurer has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification shall demonstrate that the exposure is safely managed by the domestic ceding insurer.

(b) An asset or a reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of subsection (a) shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations under the contract, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer; or, in the case of a trust, held in a qualified United States financial institution, as defined in subsection (c)(2). The security may be in the form of any of the following:

(1) Cash;

(2) a security listed by the securities valuation office of the national association of insurance commissioners, including those securities deemed exempt from filing, as defined by the purposes and procedures manual of the national association of insurance commissioners investment analysis office, and qualifying as admitted assets;

(3) (A) clean, irrevocable, unconditional letters of credit, issued or confirmed by a qualified United States financial institution, as defined in subsection (c)(1), effective no later than December 31 of the year for which the filing is being made, and in the possession of, or in trust for, the ceding insurer on or before the filing date of the ceding insurer's annual statement; or

(B) a letter of credit meeting applicable standards of issuer acceptability as of the
date of the letter of credit's issuance, or confirmation, shall, notwithstanding the issuing or confirming, institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs; or
  (4) any other form of security acceptable to the commissioner.
(c) (1) For purposes of subsection (b)(3), a "qualified United States financial institution" means an institution that meets all of the following requirements:
  (A) Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any state thereof;
  (B) is regulated, supervised and examined by United States federal or state authorities having regulatory authority over banks and trust companies; and
  (C) has been determined by either the commissioner or the securities valuation office of the national association of insurance commissioners to meet the standards of financial condition and standing as are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner.

(2) For purposes of those provisions of this law specifying those institutions that are eligible to act as a fiduciary of a trust, a "qualified United States financial institution" means an institution that meets all of the following requirements:
  (i) is organized, or in the case of a United States branch or agency office of a foreign banking organization, is licensed under the laws of the United States or any state of the United States and has been granted authority to operate with fiduciary powers; and
  (ii) is regulated, supervised and examined by federal or state authorities having regulatory authority over banks and trust companies.

(d) The commissioner is hereby authorized to adopt any rules and regulations necessary to implement the provisions of this law.

Invocation by Reverend Cecil T. Washington:

St. Patrick’s Day: Let The Sacred Remain Sacred
Matthew 28:19, 2 Corinthians 13:14, 1 Corinthians 13:13

Heavenly Father, in several parts of the world this day is recognized as St. Patrick’s Day. And Lord, it’s acknowledged by many as a sacred, religious holiday. But as the case usually is, like with Easter and Christmas, the focus gradually becomes less sacred and more secular.

Lord, when I searched for the religious viewpoint I found that St. Patrick, a Catholic Priest, used a three-leaf clover called a shamrock as a visual aid in his religious teaching. It was from Your Word, in Matthew 28:19 and again in 2 Corinthians 13:14, that St. Patrick understood the Holy Trinity, the triunity of Your being, that in essence You are one God yet in three persons.

He then used a three-leaf clover, called a shamrock, as his visual aid. One clover but three leaves, each leaf separately representing the Father, the Son and the Holy Spirit. And Lord, also in keeping with a sacred theme it is said that the three leaves symbolize the three enduring spiritual gifts of 1 Corinthians 13:13, faith, hope and love. And Lord, when there’s a four-leaf clover the fourth is said to remind us of blessings from Your Hand which some chose to call good luck.

Unlike the world, Lord, help us keep holy the things that are sacred. I come to You in the Holy Name of Jesus the Christ. Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

REFERENCE OF BILLS AND CONCURRENT RESOLUTIONS

The following bills were referred to Committees as indicated:

Judiciary: HB 2582, HB 2674.
Local Government: HB 2676.
Ways and Means: **SB 569; HB 2541.**
Committee of the Whole: **HCR 5032.**

**FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS**

**SB 390.** AN ACT concerning elections; relating to handling of ballots by election workers; requiring the secretary of state and county election officers to develop an affidavit to be signed by such workers listing certain information, was considered on final action.

On roll call, the vote was: Yeas 27; Nays 10; Present and Passing 1; Absent or Not Voting 2.

Nays: Corson, Francisco, Haley, Hawk, Holland, Holscher, Pettey, Pittman, Sykes, Ware.

Present and Passing: Faust-Goudeau.

Absent or Not Voting: Doll, O'Shea.

The bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. Vice President: I vote “NO” on **Senate Bill 390.** County election officers have chain-of-custody systems; the Secretary of State has offered to make recommendations for a uniform chain-of-custody system to be used for all elections in the state. Instead of passing this bill we should take the Secretary up on that offer. The wording in this bill adds unnecessary complexity. Although it is to apply to all ballots, it does not ask for a count of ballot envelopes collected from a drop box. And because the wording does not distinguish between the handling of batches of ballots and handling individual ballots it seems to require an affidavit each time a ballot is transferred. If I go to the election office to vote in advance and spoil my first ballot, does the clerk need to sign an affidavit including my name as the person from whom that spoiled ballot was received? Let’s make sure that the affidavits are available to the public, not sealed, and let’s not implement a system that might require more affidavits to be signed than votes cast.—**Marc Francis**

**Sub SB 563.** AN ACT concerning reapportionment; relating to state senatorial districts; providing for the reapportionment thereof; repealing K.S.A. 2021 Supp. 4-4,451, 4-4,453 and 4-4,494, was considered on final action.

On roll call, the vote was: Yeas 28; Nays 8; Present and Passing 2; Absent or Not Voting 2.

Present and Passing: Haley, Holscher.

Absent or Not Voting: Doll, O'Shea.
The substitute bill passed.

EXPLANATION OF VOTE

Mr. Vice President: I vote “NO” on Senate Substitute for SB 563. The committee process for redistricting did not provide adequate notice for comments from other legislators and, more importantly, the public. Comments made during the August listening tour seem to have been ignored, including those from my Douglas County Clerk about the difficulties created when voting districts are split. The Liberty Map Three described in this bill does not adhere to many of the guidelines set by the committee and it does split two townships and a total of 24 voting districts. In contrast, the Eisenhower Map, offered as an amendment, does not split any voting districts. Even though all the testimony at the hearing on this bill was in opposition to the Liberty map, no changes were made in response to that testimony and the bill was worked and voted out of committee the same day as the hearing. It takes several days for an amendment on the maps to be reviewed, so putting this bill on General Orders the day after that meeting meant there wasn’t time for me to get an amendment to address my concerns over the splits. We can, and should, do better. —MICHI FRANCISCO

Senator Holland requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on Sub SB 563.

Mr. Vice President: I vote “NO” on Sub SB 563. The Liberty Three Kansas state senate redistricting map, if enacted, would separate the communities of interest (Tonganoxie, east and south Lawrence, Eudora and Baldwin City) currently contained within the boundaries of the existing KS State Third Senate District. Current boundaries were established by a federal district court on June 7, 2012 following the inability of the Kansas legislature to enact U.S. congressional, state senate and state house districts. During General Orders on March 16, 2022, I offered an alternative senate redistricting map (Free State 5) for consideration. Bill language and maps defining the amendment can respectively be found at:
1. fa_2022_sb563_s_3724 (kslegislature.org)
2. map_fa_freestate5_3724 (kslegislature.org)

There were several problems with the redistricting process as conducted by the Kansas Senate Redistricting Committee including logistical inability of legislators not assigned to the committee to prepare both bills and floor amendments for debate. The proposed 9th District is less compact as assessed by all 10 measures of compactness. The proposed 19th District boundaries attempt to establish a community of interest between east Topeka (urban) and north Lawrence (suburban); such a community does not exist.—TOM HOLLAND

Mr. Vice President: I vote "YES" on Sub SB 563. The opportunity to represent the great people of a now expanded District 34 is an incredible honor. To gain southern Kingman County and its Chikaskia River, Lumber Yard Restaurant and Outfitter Extraordinaire and Bill Suenram among others is so exciting. The hidden gem of Kansas and my new county is Barber County. With its deep canyons and lush grass, Barber County is straight out of a Clint Eastwood western. Medicine Lodge, the County Seat, is as fine a community as Kansas knows. A history steeped in Native American lore, oil and gas and agriculture, it is home to many friends and business acquaintances
from my college days at nearby Northwestern to my current foray in the oilfield. Mark and Tina Buck, Nicholas Water Service and Mid-West Oilfield Services are a sampling of the great folks that make Medicine Lodge and Barber County home. For the second time in thirty-six years, I have out-kicked my coverage.—Mark Steffen

HB 2478, AN ACT concerning roads and highways; designating a portion of United States highway 166 as the SGT Evan S Parker memorial highway; designating a portion of U.S. highway 56 as the PFC Shane Austin memorial highway, was considered on final action.

On roll call, the vote was: Yeas 38; Nays 0; Present and Passing 0; Absent or Not Voting 2.

Absent or Not Voting: Doll, O'Shea.

The bill passed, as amended.

Invocation by Reverend Cecil T. Washington:

Spring Is Springing Forth New Opportunities  
Genesis 1:14, 8:20-22, 9:12, Psalm 51:10

Dear God of all creation, before there was a where or a when, You said “Let there be…!” And there was! In Genesis 1:14, You spoke and separated the light of day from the dark of night. Lord, You have separated our times into wonderful seasons.
And in Genesis 8:20-22, after mankind was wiped off the Earth and You started again with Noah, You said You’d never again destroy all of life in the same way, that as long as the Earth remains there will be seasons for planting and harvest, summer and winter, cold and heat.
So Lord, now that Spring is springing let this new season be seen as a time for new beginnings. You promised to continue giving us new seasons and in Genesis 9:12 You hang the rainbow in the sky to help us remember. Lord, would You also help us to persist in newness. Any old ways that are not in keeping with Your ways, let them be made new.
And as we take on fresh new challenges, let old, stagnant, unproductive mindsets be transformed. Please fulfill in us the request of the Psalmist in 51:10, “Create in me a clean heart, O God, and renew a right spirit within me.”
I pray this prayer in Jesus’ Name. Amen!

The Pledge of Allegiance was led by President Masterson.

Sec. 29. K.S.A. 2021 Supp. 79-32,138 is hereby amended to read as follows: 79-32,138.

(a) Kansas taxable income of a corporation taxable under this act shall be the corporation's federal taxable income for the taxable year with the modifications specified in this section, except that in determination of such federal taxable income for all taxable years commencing after December 31, 2020, section 118 of the federal internal revenue code of 1986 shall be applied as in effect on December 21, 2017.

(b) There shall be added to federal taxable income:

(i) The same modifications as are set forth in K.S.A. 79-32,117(b), and amendments thereto, with respect to resident individuals, except subsections (b)(xix), (b)(x), (b)(xxi), (b)(xxii) and (b)(xxiii);

(iii) the amount of any charitable contribution deduction claimed for any contribution or gift to or for the use of any racially segregated educational institution;

(iv) for taxable years commencing December 31, 2013, that portion of the amount of any expenditure deduction claimed in determining federal adjusted gross income for expenses paid by a taxpayer for health care when such expenses were paid or incurred for abortion coverage, a health benefit plan, as defined in K.S.A. 65-6731, and amendments thereto, when such expenses were paid or incurred for abortion coverage or amounts contributed to health savings accounts for such taxpayer's employees for the purchase of an optional rider for coverage of abortion in accordance with K.S.A. 40-
(v) the amount of any charitable contribution deduction claimed for any contribution or gift made to a scholarship granting organization to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 72-4357, and amendments thereto;  
(vi) the federal net operating loss deduction; and  
(vii) for all taxable years commencing after December 31, 2020, the amount of any deduction claimed under section 250(a)(1)(B) of the federal internal revenue code of 1986; and  
(viii) for taxable years commencing after December 31, 2021, an amount equal to the electing pass-through entity owner's distributive share of the electing pass-through entity's losses attributable to the state that are taxed pursuant to the provisions of the salt parity act.

(c) There shall be subtracted from federal taxable income:

(i) The same modifications as are set forth in K.S.A. 79-32,117(c), and amendments thereto, with respect to resident individuals, except subsection (c)(xx);

(ii) the federal income tax liability for any taxable year commencing prior to December 31, 1971, for which a Kansas return was filed after reduction for all credits thereon, except credits for payments on estimates of federal income tax, credits for gasoline and lubricating oil tax, and for foreign tax credits if, on the Kansas income tax return for such prior year, the federal income tax deduction was computed on the basis of the federal income tax paid in such prior year, rather than as accrued. Notwithstanding the foregoing, the deduction for federal income tax liability for any year shall not exceed that portion of the total federal income tax liability for such year which bears the same ratio to the total federal income tax liability for such year as the Kansas taxable income, as computed before any deductions for federal income taxes and after application of subsections (d) and (e) as existing for such year, bears to the federal taxable income for the same year;

(iv) for all taxable years commencing after December 31, 1987, the amount included in federal taxable income pursuant to the provisions of section 78 of the internal revenue code;

For all taxable years commencing after December 31, 2020, this paragraph does not apply to amounts excluded from income pursuant to K.S.A. 79-32,117(c), and amendments thereto, or amounts added back pursuant to K.S.A. 79-32,138(b)(vii), and amendments thereto; and

(vi) for all taxable years commencing after December 31, 2020, the amount disallowed as a deduction pursuant to section 162(r) of the federal internal revenue code of 1986, as in effect on January 1, 2018; and

(vii) for taxable years commencing after December 31, 2021, an amount equal to the electing pass-through entity owner's distributive share of the electing pass-through
entity's income attributable to the state that is taxed pursuant to the provisions of the salt parity act.

(d) If any corporation derives all of its income from sources within Kansas in any taxable year commencing after December 31, 1979, its Kansas taxable income shall be the sum resulting after application of subsections (a) through (c). Otherwise, such corporation's Kansas taxable income in any such taxable year, after excluding any refunds of federal income tax and before the deduction of federal income taxes provided by subsection (c)(ii) shall be allocated as provided in K.S.A. 79-3271 through 79-3293, and amendments thereto, plus any refund of federal income tax as determined under K.S.A. 79-32,117(b)(iv), and amendments thereto, and minus the deduction for federal income taxes as provided by subsection (c)(ii) shall be such corporation's Kansas taxable income.

(e) A corporation may make an election with respect to its first taxable year commencing after December 31, 1982, whereby no addition modifications as provided for in subsection (b)(ii) and subtraction modifications as provided for in subsection (c) (iii) as those subsections existed prior to their amendment by this act, shall be required to be made for such taxable year.

Sec. 30. K.S.A. 2021 Supp. 79-32,143 is hereby amended to read as follows: 79-32,143. (a) (1) (A) For net operating losses incurred in taxable years prior to January 1, 2018, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code, except that such net operating loss may only be carried forward to each of the 10 taxable years following the taxable year of the net operating loss.

(B) For net operating losses incurred in taxable years beginning after December 31, 2017, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code, except that such net operating loss deduction may only be carried forward.

(2) For net operating farm losses, as defined by section 172 of the federal internal revenue code, incurred in taxable years beginning after December 31, 1999, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code except that such net operating loss may be carried forward to each of the 10 taxable years following the taxable year of the net operating loss.

(3) The amount of the net operating loss that may be carried back or forward for Kansas income tax purposes shall be that portion of the federal net operating loss allocated to Kansas under this act in the taxable year that the net operating loss is sustained.

(b) The amount of the loss to be carried back or forward will be the federal net operating loss after: (1) All modifications required under this act applicable to the net loss in the year the loss was incurred; and (2) after apportionment as to source in the case of corporations, nonresident individuals for losses incurred in taxable years beginning prior to January 1, 1978, and nonresident estates and trusts in the same manner that income for such corporations, nonresident individuals, estates and trusts is required to be apportioned.

(e) If a net operating loss was incurred in a taxable year beginning prior to January 1, 1988, the amount of the net operating loss that may be carried back and carried forward and the period for which it may be carried back and carried forward shall be
determined under the provisions of the Kansas income tax laws that were in effect during the year that such net operating loss was incurred.

(d) If any portion of a net operating loss described in subsections (a) and (b) is not utilized prior to the final year of the carryforward period provided in subsection (a), a refund shall be allowable in such final year in an amount equal to the refund which would have been allowable in the taxable year the loss was incurred by utilizing the three year carryback provided under K.S.A. 79-32,143, as in effect on December 31, 1987, multiplied by a fraction, the numerator of which is the unused portion of such net operating loss in the final year, and the denominator of which is the amount of such net operating loss that could have been carried back to the three years immediately preceding the year in which the loss was incurred. In no event may such fraction exceed one.

(e) Notwithstanding any other provisions of the Kansas income tax act, the net operating loss as computed under subsections (a), (b) and (c) shall be allowed in full in determining Kansas taxable income or at the option of the taxpayer allowed in full in determining Kansas adjusted gross income.

(f) No refund of income tax that results from a net operating farm loss carry back shall be allowed in an amount exceeding $1,500 in any year. Any overpayment in excess of $1,500 may be carried forward to any year or years after the year of the loss and may be claimed as a credit against the tax. The refundable portion of such credit shall not exceed $1,500 in any year.

(g) For tax year 2013, and all tax years thereafter, a net operating loss allowed by this section shall only be available to taxpayers subject to the income tax on corporations imposed pursuant to K.S.A. 79-32,110(c), and amendments thereto, and used only to determine such taxpayer's corporate income tax liability.

(h) Notwithstanding any other provisions of the Kansas income tax act, for tax year 2006, if a net operating loss is incurred from the sale at a loss of a historic hotel located in a community with less than 2,500 citizens improved by funds borrowed on both such hotel and farmland owned by the taxpayer that is located within 20 miles of such hotel, and previously the farmland was sold at a gain and in which case a majority of the proceeds were used to pay off the mortgage on such hotel, the net operating loss may be carried back three years to offset the gain on the sale of such farmland. The taxpayer may file an amended return for the three prior years:

    (B) on the person's second occurrence, suspend the person's driving privileges for one year and at the end of the suspension, restrict the person's driving privileges for two years to driving only a motor vehicle equipped with an ignition interlock device;
    (C) on the person's third occurrence, suspend the person's driving privileges for one year and at the end of the suspension restrict the person's driving privileges for three years to driving only a motor vehicle equipped with an ignition interlock device;
    (D) on the person's fourth occurrence, suspend the person's driving privileges for one year and at the end of the suspension, restrict the person's driving privileges for four years to driving only a motor vehicle equipped with an ignition interlock device; and
    (E) on the person's fifth or subsequent occurrence, suspend the person's driving privileges for one year and at the end of the suspension, restrict the person's driving privileges for 10 years to driving only a motor vehicle equipped with an ignition interlock device.

(3) Whenever a person's driving privileges have been restricted to driving only a motor vehicle equipped with an ignition interlock device for 10 years under this section, such person may petition any district court for relief from such restriction after five years of such restriction have been served. The court shall consider, but not be limited to, whether: (A) Such person's driving privileges have been restricted, suspended, revoked or disqualified pursuant to another action by the division or a court; and (B) such person proves installation, maintenance and use of an ignition interlock device
approved by the division highway patrol throughout the five-year period. If the court finds that the person's driving privileges should be restored, then the court shall electronically report such order to the division. The division, upon receiving such order, shall restore such person's driving privileges, unless such person's driving privileges have been restricted, suspended, revoked or disqualified pursuant to another action by the division or a court.

(c) Except as provided by subsection (e) and K.S.A. 8-2,142, and amendments thereto, if a person who is less than 21 years of age fails a test or has an alcohol or drug-related conviction in this state, penalties shall be imposed pursuant to subsection (b).

(d) Whenever the division is notified by a provider, as defined in K.S.A. 8-1008, and amendments thereto, or a court that the person has failed to follow any recommendation made by the provider or otherwise ordered by a court for a conviction of a violation of K.S.A. 8-1567, and amendments thereto, the division shall suspend the person's driving privileges until the division receives notice of the person's completion of such recommendation.

(e)(1) Except as provided in K.S.A. 8-2,142, and amendments thereto, if a person's driving privileges are subject to suspension pursuant to this section for a test refusal, test failure or alcohol or drug-related conviction arising from the same arrest, the period of such suspension shall not exceed the longest applicable period authorized by subsection (a) or (b), and such suspension periods shall not be added together or otherwise imposed consecutively. In addition, in determining the period of such suspension as authorized by subsection (a) or (b), such person shall receive credit for any period of time for which such person's driving privileges were suspended while awaiting any hearing or final order authorized by this act.

(2) If a person's driving privileges are subject to restriction pursuant to this section for a test failure or alcohol or drug-related conviction arising from the same arrest, the restriction periods shall not be added together or otherwise imposed consecutively. In addition, in determining the period of restriction, the person shall receive credit for any period of suspension imposed for a test refusal arising from the same arrest.

(f) If the division has taken action under subsection (a) for a test refusal or under subsection (b) for a test failure and such action is stayed pursuant to K.S.A. 8-259, and amendments thereto, or if temporary driving privileges are issued pursuant to K.S.A. 8-1020, and amendments thereto, the stay or temporary driving privileges shall not prevent the division from taking the action required by subsection (b) for an alcohol or drug-related conviction.

(g) The provisions of subsections (a), (b) and (c), as amended by this act and section 14 of chapter 105 of the 2011 Session Laws of Kansas, may be applied retroactively only if requested by a person who has had such person's driving privileges suspended or restricted pursuant to subsection (a), (b) or (c) prior to such amendment. Such person may apply to the division to have the penalties applied retroactively, as provided under K.S.A. 8-1015(g), and amendments thereto.

(h) When modifying penalties pursuant to subsection (g), the division shall credit any suspension or revocation time in excess of one year which was imposed and served prior to retroactive application of the provisions of subsections (a), (b) and (c), as amended by this act and section 14 of chapter 105 of the 2011 Session Laws of Kansas, toward the required ignition interlock restriction period imposed pursuant to the retroactive application of such provisions if:
(1) The person's driving record indicates no driving by the person during the applicable suspension or revocation period; and

(2) the person completes a form prescribed by the division indicating that the person did not drive during the applicable suspension or revocation period.

(i) As used in this section, "suspension" includes any period of suspension and any period of restriction as provided in K.S.A. 8-1015(a), and amendments thereto.;

"Sec. 13. K.S.A. 2021 Supp. 21-6604 is hereby amended to read as follows:
21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:
(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;
(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);
(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence;
(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;
(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;
(6) assign the defendant to a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto;
(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by K.S.A. 2021 Supp. 21-6602(c), and amendments thereto;
(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity that materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2021 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire that has been determined to be arson or aggravated arson as defined in K.S.A. 2021 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law
enforcement agency to purchase controlled substances from the defendant during the investigation that leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2021 Supp. 21-6804(i), and amendments thereto, assign the defendant to a work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of paragraphs (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and through (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime. Restitution shall be due immediately unless: (A) The court orders that the defendant be given a specified time to pay or be allowed to pay in specified installments; or (B) the court finds compelling circumstances that would render restitution unworkable, either in whole or in part. In regard to a violation of K.S.A. 2021 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2021 Supp. 21-5801, 21-5807, 21-5813 or 21-5818, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds restitution unworkable, either in whole or in part, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the
defendant that may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the judicial administrator pursuant to K.S.A. 20-169, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) If a restitution order entered prior to the effective date of this act does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order from the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2021 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise resumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the defendant
offender would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant offender not been granted release by the court pursuant to K.S.A. 2021 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012,
or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H
or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2021 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2021 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2021 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2021 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved aftercare plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2021 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2021 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require
the person to surrender the license to the court, which shall transmit the license to the
division of motor vehicles of the department of revenue, to be retained until the period
of suspension expires. At that time, the licensee may apply to the division for return of
the license. If the license has expired, the person may apply for a new license, which
shall be issued promptly upon payment of the proper fee and satisfaction of other
conditions established by law for obtaining a license unless another suspension or
revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor
vehicle on the highways of this state of any person as provided in paragraph (1), the
judge of the court in which such person was convicted may enter an order that places
conditions on such person's privilege of operating a motor vehicle on the highways of
this state, a certified copy of which such person shall be required to carry any time such
person is operating a motor vehicle on the highways of this state. Any such order shall
prescribe the duration of the conditions imposed, which in no event shall be for a period
of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall
require such person to surrender such person's driver's license to the judge who shall
cause it to be transmitted to the division of vehicles, together with a copy of the order.
Upon receipt thereof, the division of vehicles shall issue without charge a driver's
license, which shall indicate on its face that conditions have been imposed on such
person's privilege of operating a motor vehicle and that a certified copy of the order
imposing such conditions is required to be carried by the person for whom the license
was issued any time such person is operating a motor vehicle on the highways of this
state. If the person convicted is a nonresident, the judge shall cause a copy of the order
to be transmitted to the division and the division shall forward a copy of it to the motor
vehicle administrator of such person's state of residence. Such judge shall furnish to any
person whose driver's license has had conditions imposed on it under this paragraph a
copy of the order, which shall be recognized as a valid Kansas driver's license until such
time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed
pursuant to this subsection, the licensee may apply to the division for the return of the
license previously surrendered by such licensee. In the event such license has expired,
such person may apply to the division for a new license, which shall be issued
immediately by the division upon payment of the proper fee and satisfaction of the
other conditions established by law, unless such person's privilege to operate a motor
vehicle on the highways of this state has been suspended or revoked prior thereto. If any
person shall violate any of the conditions imposed under this paragraph, such person's
driver's license or privilege to operate a motor vehicle on the highways of this state
shall be revoked for a period of not less than 60 days nor more than one year by the
judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A.
8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the
domestic violence designation pursuant to K.S.A. 2021 Supp. 22-4616, and
amendments thereto, the court shall require the defendant to: (1) Undergo a domestic
violence offender assessment conducted by a certified batterer intervention program;
and (2) follow all recommendations made by such program, unless otherwise ordered
by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2021 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an additional 18 days
of confinement in a county jail to be reserved for sanctions as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amendments thereto.

(v) The amendments made to this section by this act section 1 of chapter 9 of the 2020 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

REPORT ON ENROLLED BILLS

SB 335, SB 392; Sub SB 400 reported correctly enrolled, properly signed and presented to the Governor on March 21, 2022.

On motion of Senator Alley, the Senate adjourned until 10:00 a.m., Tuesday, March 22, 2022.
The Senate was called to order by President Ty Masterson.
The roll was called with 39 Senators present.
Senator McGinn was excused.
Invocation by Reverend Cecil T. Washington:

What Does The All-Knowing, All-Seeing God Perceive?
Psalm 139: Lamentations 3:22

To our awesome God of Heaven and Earth, Your Holy Word gives us firm permanent reminders that You are omniscient...all-knowing, that Your knowledge has no limits and like David, the hymn writer revealed in Psalm 139, we are the main focus of Your knowledge.

You know what we’re thinking and You know our logic, Lord, You know what motivates us. You are acquainted with all our ways. There’s not a word we utter that escapes Your ear or a thing we do that escapes Your sight. You see and hear everything, the good and the bad. Lord, help us do more of the good. Help us to be more like You, created in Your image. Guide us in showing love and compassion to our neighbors, to those that are different, who think different and who look and act different.

Let today’s date, March 22, 2022, remind us all day of Lamentations 3:22 so we can be like You. In spite of what You know about us, it says that Your unfailing love and mercy still continues fresh as the morning as sure as the sunrise.

Lord, I pray that on this day, Your eyes see acts of love and Your ears hear words of love. In the Name of Him Who loved us to death. Amen!

The Pledge of Allegiance was led by President Masterson.

POINT OF PERSONAL PRIVILEGE

Senator Pittman rose on a Point of Personal Privilege to recognize LTC Frank Obermeyer, active duty officer in the German Army with a history in Armor, having served in the allied combat theaters of Afghanistan and Iraq. He has come to Fort Leavenworth after serving on assignment in NATO headquarters in Brussels, Belgium. He is here with his wife Anne, daughters Lena and Emma, and is attending the American Command and General Staff College (CGSC) for one year, developing expertise and skill sets necessary for the effective management of German national forces in rapport with US military forces. Fort Leavenworth's CGSC has operated since 1895 and international military officers from around the world have come to Fort
Leavenworth to study military art and science and educate field grade officers to be agile, innovative and adaptive leaders within increasingly complex and uncertain environments. LTC Obermeyer stands as a representative of that program, especially the role of the over 120 international officers from over 90 different allied countries that come to Kansas. The son of a Diplomat from the northeast area of Germany in Mecklenburg Western Pomerania, we recognize the role these international officers have on behalf of their countries to the USA and vice versa the role that our local community and indeed our state has as ambassadors. Today we recognize the role LTC Obermeyer has in the German army where Germany has taken a leading role in NATO during the Ukraine crisis on the fronts of military, financial and humanitarian aid. We recognize the importance of our allies to the USA and its strategic military and economic interests. As we stand symbolically together to recognize LTC Obermeyer and the international officers in the Ft. Leavenworth CGSC 2022 class, we reaffirm today our support of our international allies as we stand together as nations to promote freedom and to build a better global future for our kids.

Upon the showing of five hands, a Call of the Senate was requested.
On roll call, the vote was: Yeas 23; Nays 16; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: McGinn.

The bill passed, as amended.

The Call was lifted.

EXPLANATION OF VOTE

Mr. President: I stand in support of SB 455, which allows students to transfer to and attend a school in another district. It is very unfortunate that so many unfounded fears and misrepresentations have been spread about this bill that was carefully vetted and amended in the Senate Education Committee. With SB 455, elected school boards will work with their administration to determine whether there is capacity for out-of-district students to transfer in. School districts in Kansas experiencing growth will never be required to take in students beyond their capacity. And out-of-state students are already attending Kansas border school districts, funded by state taxpayers at a .5 FTE rate. The focus of SB 455 is to help parents find the best opportunities for learning for their child or children. As legislators, when you return to your Senate districts and you speak to your constituents, to parents, teachers, principals and superintendents, don’t perpetuate the lies that have been spread about SB 455. — MOLLY BAUMGARDNER

Senators Erickson, Gossage and Masterson request the record to show they concur with the “Explanation of Vote” offered by Senator Baumgardner on SB 455.

Mr. President: Uprooting kids’ lives – rather than strengthening their support system – like this legislation proposes, will not lead to long-term success for Kansas kids. As with many bills considered by this body, this legislation is unnecessary. There are already processes for school districts with capacity to accept nonresident transfers. These processes should be left to these districts and their school boards to adequately address the needs of their students and communities. But its pointlessness is the point. By eroding this local control and making this the Legislature’s business, we are placing a stake in this process so that we can eventually find problems and move toward privatizing our schools. I will not support legislation that furthers inequality in our schools or that threatens whether we are meeting our constitutional obligation to provide “equal access to substantially similar educational opportunity.” I vote no. — DINAH SYKES

Senators Faust-Goudeau and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on SB 455.

SB 484, AN ACT concerning education; relating to student athletes; enacting the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations, was considered on final action.

Upon the showing of five hands, a Call of the Senate was requested.

On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: McGinn.

The bill passed.

The Call was lifted.

EXPLANATION OF VOTE

Mr. President: I strongly support female athletics and the underlying intent of this legislation. I want to be clear, I do not support boys competing in girls sports. However, this bill applies to intramural sports sponsored by a school district for students Kindergarten through fifth grade. These students, both male and female, currently play and compete together. As a former Superintendent, I have seen first-hand the skills and confidence students gain when participating in these activities. While the intent of this bill may not be to eliminate opportunities like these for students; the reality is it does. This bill hurts my heart. Again, I strongly support creating fairness in women's athletics and don’t think biological boys should be winning high school and college championships. That is simply wrong. However, the unintended consequence of eliminating opportunities for all students to participate in sporting activities is important to me and the people I represent. Therefore, I vote no on SB 484.—BRENDA DIETRICH

Mr. President: Like last year, I voted to “PASS” for the ban on transgender women in women’s sports. Only now, mean-spiritedly compelled by a Call of the Senate, must I split my 50/50 deliberation to vote one way or another on this divisive measure. Accordingly, by a hair’s breadth, I vote “NO” on SB 484. Our Great State of Kansas can ill afford the stigma which is conferred on jurisdictions that are deemed discriminatory, insensitive and politically incorrect. Further, I predict that the future will judge those who have instituted such bans (when the federal government nullifies them) as Neanderthalistic and absolutely regressive in thought. Though I always have believed and fought for equality and inclusion for all people, at my heart I am an avowed feminist. Despite ingrained courtesies accorded women (like holding the door, etc.), women deserve equality and should not be subjected to some “superiority” or deference whether acknowledged in society through gender-prescribed and dominated customs or an inherent physical superiority on some field of play. Similarly, my record of advocating for identified transgender and LGBTQ issues (be it: marriage equality, bathrooms, hate crime sentencing, etc. … you name it) is without equal in this Senate. I do not vote for any discriminatory measure; especially those seemingly generated by mean-spiritedness and/or sheer ignorance due to non-exposure of divergent populations.

But, unlike even a swimming or weight-lifting contest or even track and field, the first time I see a woman’s boxing match and a transgendered woman punches a biological woman in the face it will go against everything I hold in my core belief down to my soul. There are undisputed physical differences in anatomical strengths between our respective biologies. Until we, as a society, are able to clearly delineate scientifically if such birth biological advantage has been significantly neutralized, as an admirer of women, I can not vote for a measure that may relegate many women to yet
another suppression by a man, albeit a transitioned one, now a woman, in a sports-related contest. Oddly though, I am now compelled to do so in preservation of our State’s opportunities and image as well as my belief that history will record it as the correct thing to do.—DAVID HALEY

Mr. President: The Kansas Legislature needs to stop bullying transgender kids. I vote NO on SB 484.—TOM HOLLAND

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Holland on SB 484.

Mr. President: Competitive high school and college sports are already regulated by KSHSAA and the NCAA to address trans-athletes in competition and we should observe and evaluate their leadership as they develop rules that keep women's sports competitive and fair, especially at these competitive levels. SB 484, however, has been constructed to divide our voters. This bill unfairly targets elementary kids all the way down to kindergarten and originally contained genital inspections which goes too far for me. It targets a population in broad strokes that is at a higher risk of suicide. It has economic risks for Kansas with regard to factoring against us for NCAA, FIFA, and other tournaments. This bill on transgender athletes was a solution in search of a problem, as we have not had a problem here in Kansas and we should look for better frameworks to deal with this issue.—JEFF PITTMAN

Senators Francisco, Holscher and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Pittman on SB 484.

Mr. President: This body was given multiple opportunities to make this legislation less harmful to Kansas kids, to narrowly tailor it to address the purported purpose of this bill which tells our kids that there is something wrong with who they are. It is a fact that transgender youths are at an increased risk of mental health problems and suicidal ideation. Pediatric endocrinologists and psychologists have time and again highlighted that legislation that calls into question trans kids’ dignity has an adverse effect on their mental health. According to a survey from the Centers for Disease Control and Prevention, about 1.8% of high school students identify as transgender; 35% reported that they had attempted suicide. These concerns were called an “emotional distraction.” I am sorry that these concerns are inconvenient for advocates for this legislation, but I am more sorry for the trans kids who, for the second year in a row, have been told by their elected leaders that they are a threat to their friends and teammates. I vote “no.”—DINAH SYKES

Senator Pettiey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Sykes on SB 484.

Mr. President: I vote YES on SB 484, Fairness in Women’s Sports Act. It is as simple as its title. The hallmark of athletic competition is fairness. It's why we have different weight classes, age groups, and it's why we have women's sports to begin with. As the mother of four – three daughters and a son – this legislation is essential to preserve five decades of protections that women fought for. If we are serious about Title IX and the longstanding understanding of the Equal Protection Clause, we must support this bill. Kansans know that there are physiological differences between the sexes that matter, and Kansans don’t want their girls to lose opportunities to biological males. I will always stand up to protect women.—KELLIE WARREN

EXPLANATION OF VOTE

Mr. President: I vote no on SB 496 known as the “Parent’s Bill of Rights.” This bill was brought forward as a result of dark money groups working to undermine public schools and our teachers, and is not something actual parents of public school children have requested. Through decisions regarding this bill and others that are concerning, it has become apparent there is a huge disconnect between the reality of what happens in our public schools and the perspectives of our legislators. As the amendment that I brought forward yesterday requiring a week of volunteer work in a public school was not added on, today I will issue a challenge: “Can you do two?” In other words – can you volunteer for two days in a public school over our April break? Our break is a great time to get feedback from constituents and give back to the community. What better way to do that than volunteering for two days in a public school? The only requirements are that one day has to be in an elementary school and not on a Friday which is often field trip day. Bonus points for spending time with special needs children.—CINDY HOLSCHER

Mr. President: This “Parents’ Bill of Rights” capitalizes on national figures’ successful manipulation of parents’ anxieties around learning and growing by suggesting that our public schools – which are subject to strict oversight by the state – are hiding nefarious materials used to brainwash our children. Really, this is a list of demands modeled after national legislation that co-opts civil rights language in order to undermine our public school teachers and districts that teach and care for Kansas kids. In the committee hearing on this bill, I asked for Kansas examples that this bill addresses, and Kansas public school parents that believe this is an urgent problem facing our schools. I have not received a single response to that request. Children deserve an honest and accurate education that enables them to learn from our past and help create a better future, and politically motivated legislators have no business stoking fears that will lead to further legislation undermining that goal.”—DINAH SYKES

Senator Petey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Sykes on SB 496.
Mr. President: I voted aye on SB 496, the Parental Bill of Rights. For Kansas parents and their children, this bill codifies rights long recognized by the U.S. Supreme Court and federal law. Parents across the state are asking for their rights to be protected. This bill will promote parental engagement and is best for all Kansas kids.—KELLIE WARREN

§ 5. Selection of justices of the supreme court. (a) Any vacancy occurring in the office of any justice of the supreme court and any position to be open thereon as a result of enlargement of the court, or the retirement or failure of an incumbent to file his declaration of candidacy to succeed himself as hereinafter required, or failure of a justice to be elected to succeed himself, resignation or removal of a justice, shall be filled by appointment by the governor of one of three persons possessing the qualifications of office who shall be nominated and whose names shall be submitted to the governor by the supreme court nominating commission established as hereinafter provided election at the next general election. Such election shall be partisan and from the state as a whole. Except as otherwise provided in this section, election laws applicable to other state officers elected from the state as a whole shall apply to the nomination and election of justices of the supreme court. Each justice of the supreme court elected as provided by law shall hold office for a term of six years. Such term shall commence on the second Monday in January following the general election. Justices of the supreme court may seek reelection.

(b) In event of the failure of the governor to make the appointment within sixty days from the time the names of the nominees are submitted to him, the chief justice of the supreme court in office at the time this amendment takes effect shall hold office for the initial term for which such justice was appointed, and until a successor is elected and qualified. The office that such justice holds shall be open upon the expiration of such justice's term of office or upon the retirement, resignation or removal of such justice, whichever occurs first. Such justice shall be eligible for election to such office in the manner prescribed in this section, unless by law such justice is compelled to retire or such justice retired, resigned or was removed from such office.

(e) Each justice of the supreme court appointed pursuant to provisions of subsection (a) of this section shall hold office for an initial term ending on the second Monday in January following the first general election that occurs after the expiration of twelve months in office. If a declaration is not so filed, the position held by such justice shall be open from the expiration of his term of office. If such declaration is filed, his name shall be submitted at the next general election to the electors of the state on a separate judicial ballot, without party designation, reading substantially as follows:

"Shall ______________________________________________
Here insert name of justice.)

______________________________
(Here insert the title of the court.)

be retained in office?"

If a majority of those voting on the question vote against retaining him in office, the position or office which he holds shall be open upon the expiration of his term of office; otherwise he shall, unless removed for cause, remain in office for the regular term of six
years from the second Monday in January following such election. At the expiration of each term he shall, unless by law he is compelled to retire, be eligible for retention in office by election in the manner prescribed in this section.

(d) A nonpartisan nominating commission whose duty it shall be to nominate and submit to the governor the names of persons for appointment to fill vacancies in the office of any justice of the supreme court is hereby established, and shall be known as the "supreme court nominating commission." Said commission shall be organized as hereinafter provided.

(e) The supreme court nominating commission shall be composed as follows: One member, who shall be chairman, chosen from among their number by the members of the bar who are residents of and licensed in Kansas; one member from each congressional district chosen from among their number by the resident members of the bar in each such district; and one member, who is not a lawyer, from each congressional district, appointed by the governor from among the residents of each such district.

(f) The terms of office, the procedure for selection and certification of the members of the commission and provision for their compensation or expenses shall be as provided by the legislature.

(g) No member of the supreme court nominating commission shall, while he is a member, hold any other public office by appointment or any official position in a political party or for six months thereafter be eligible for nomination for the office of justice of the supreme court. The commission may act only by the concurrence of a majority of its members.

"§ Sec. 8. Prohibition of political activity by justices and certain judges. No justice of the supreme court who is appointed or retained under the procedure of section 5 of this article, nor any judge of the district court holding office under a nonpartisan method authorized in subsection (a) of section 6 of this article; shall directly or indirectly make any contribution to or hold any office in a political party or organization or take part in any political campaign.";

Also on page 4, by striking all in lines 20 through 43; following line 43, by inserting:

"Explanatory statement. The purpose of this amendment is to provide for election of justices of the supreme court and to eliminate the supreme court nominating commission. Future justices would be elected in partisan, statewide elections. Each justice elected would hold office for a term of six years and would be allowed to seek reelection.

"A vote for this proposition would cause justices of the supreme court to be elected in partisan, statewide elections for terms of six years.

"A vote against this proposition would continue the current system in which justices of the supreme court are appointed by the governor from a list of three individuals submitted by the supreme court nominating commission."");

Invocation by Reverend Cecil T. Washington:

Paying Honor, Praise, Tribute To God!
1 Corinthians 10:31

Lord, Your Word says, in 1 Corinthians 10:31, that we should give glory to You in everything we do. In keeping with this, Andre Crouch wrote the song “My Tribute.”

“My Tribute”
How can I say thanks for the things You have done for me
Things so undeserved, yet You gave to prove Your love for me
The voices of a million angels could not express my gratitude
All that I am or ever hope to be I owe to Thee
To God be the glory for the things He has done
With His blood He has saved me, with his power He has raised me
To God be the glory for the things He has done
Just let me live my life, let it be pleasing Lord to Thee
And if I gain any praise let it go to Calvary
With His blood He has saved me, with his power he has raised me
To God be the glory for the things He has done.
Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

ad valorem real property taxes levied by the state, county and all other taxing subdivisions due for the property for the year multiplied by the number of calendar days the ordered shutdown was in effect. For ordered restrictions, the reimbursement shall be calculated as a \( \frac{1}{365} \) amount of the total ad valorem real property taxes levied by the state, county and all other taxing subdivisions due for the property for the year multiplied by the percentage of the ordered restrictions and further multiplied by the number of calendar days the ordered restriction was in effect.

A ruling of the chair was requested as to the germaneness of the amendment. The chair ruled the amendment was germane to the bill.

S Sub HB 2416 be further amended by motion of Senator Tyson; as amended pursuant to a motion to divide the question in accordance with Senate Rule 27 adopted by the Senate Committee of the Whole as reported in the Journal of the Senate on March 22, 2022, on page 1, following line 9, by inserting:

"Section 1. The provisions of sections 1 through 14, and amendments thereto, shall be known and may be cited as the COVID-19 retail storefront property tax relief act. The purpose of this act shall be to provide refunds to certain businesses impacted by COVID-19 related shutdowns and restrictions during tax years 2020 and 2021 based on a portion of property taxes accrued on retail storefront property.

Sec. 2. As used in this act:
(a) "Act" means the COVID-19 retail storefront property tax relief act.
"Claimant" means a for-profit business, regardless of legal structure, who has filed a claim under the provisions of this act and who:

A. Conducts a majority of its retail sales through customers' physical, on-site presence at a retail storefront property;
B. was in operation on or prior to July 1, 2019, and filed a 2019 tax return;
C. had at least $10,000 but less than $2,500,000 in annual revenues, including gross sales and receipts, in 2019;
D. received less gross revenue in 2020 or 2021, as applicable, compared to 2019;
E. was in active operations as of March 1, 2020; and
F. has not received more than a total of $150,000 in prior COVID-19-related local, state or federal funding or any combination thereof.

"Claimant" shall not include:
A. Grocery stores and pharmacies;
B. hardware stores and home improvement businesses;
C. retail liquor stores;
D. manufacturers and food processors;
E. schools, such as pre-kindergarten, kindergarten through grade 12, post-secondary, higher education, technical education and training;
F. hospitals and healthcare providers, including, but not limited to, physicians, surgeons, psychologists and psychoanalysts, but not including personal services providers such as massage therapists and chiropractors;
G. property management and real estate services, including owners or operators of short-term rental properties;
H. professional services, including, but not limited to, accounting, insurance, legal, financial services and firms, information technology, engineering and architecture;
I. agriculture and aquaculture producers, including farms, ranches and fisheries, but not including their retail storefronts used to conduct retail sales to customers;
J. hosts or operators of a vacation or short-term rental unit;
K. passive businesses, investment companies and investors who file a schedule E on their individual tax returns;
L. financial businesses primarily engaged in the business of lending, such as banks, finance companies and factoring companies;
M. cable companies, telephone companies, utilities and other similar businesses;
N. energy production, generation and distribution companies.

When a retail storefront is occupied by two or more businesses and more than one of the businesses is able to qualify as a claimant, the businesses may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

"Gross rent" means the rental paid at arm's length solely for the right of occupancy of a retail storefront paid to a landlord, as expressly set out in the rental agreement, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm's length and that the gross rent charge was excessive, the director may adjust the gross rent to a
reasonable amount for the purpose of the claim.

(d) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's retail storefront in 2020 or 2021, as applicable, by the state of Kansas and the political and taxing subdivisions of the state. When a retail storefront is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a part of claimant's business, "property taxes accrued" is that part of property taxes levied on the retail storefront that reflects the ownership percentage of the claimant's business. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant owns its retail storefront part of a calendar year, "property taxes accrued" means only taxes levied on the retail storefront when both owned and occupied as a retail storefront by the claimant's business at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the business as its retail storefront in the year. When a business owns and occupies two or more different retail storefronts in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the business as its retail storefront during the year. Whenever a retail storefront is an integral part of a larger unit such as a multi-purpose or multi-retail storefront building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the retail storefront is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the retail storefront is a part.

(e) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2020 or 2021, as applicable, by a claimant solely for the right of occupancy of a retail storefront on which ad valorem property taxes were levied in full for that year. When a claimant occupies two or more different retail storefronts in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the claimant while occupied by the claimant as its retail storefront during the year.

(f) "Retail storefront" means the real property in this state, whether owned or rented, that is occupied by the claimant's business and where the claimant conducts retail sales through customers' physical, on-site presence. "Retail storefront" may consist of a part of a multi-purpose or multi-retail storefront building. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

Sec. 3. (a) For tax years 2020 and 2021, a claimant shall be eligible for a claim for refund under this act if the claimant's eligible business operated at the retail storefront was operationally shut down or restricted by a COVID-19-related order or action imposed by the state, a local unit of government or a local health officer, including, but not limited to, by an executive order issued by the governor pursuant to K.S.A. 48-925, and amendments thereto, or any action taken by a local unit of government related to a state of disaster emergency declared pursuant to K.S.A. 48-924, and amendments thereto, or a state of local disaster emergency declared pursuant to K.S.A. 48-932, and amendments thereto.

(b) The amount of refund under this act shall be equal to 33% of the COVID-19 qualifying sum. The COVID-19 qualifying sum shall be the sum of the COVID-19
ordered shutdown days gross rebate amount calculated pursuant to subsection (c) and the COVID-19 ordered restricted operations days gross rebate amount calculated pursuant to subsection (d).

(c) The COVID-19 ordered shutdown days gross rebate amount shall be the amount of the claimant's property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

<tr>

(d) The COVID-19 ordered restricted operations days gross rebate amount shall be the amount of the claimant's property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a retail storefront.

(c) Every claimant who is a retail storefront renter, or whose claim is based wholly or partly upon retail storefront rental at some time during the calendar year, shall supply to the division, in support of a claim, a statement prescribed by the director certifying the amount of gross rent paid and that ad valorem property taxes were levied in full for that year on the property, all or a part of which was rented by the claimant.

(d) The information required to be furnished under subsection (b) or (c) shall be in addition to that required under subsection (a).

Sec. 9. (a) The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant in the year that the claim relates.

(b) If there are delinquent property taxes for tax year 2020 or 2021 on a retail storefront owned by the claimant, the refund shall be paid to the county treasurer of the county in which such retail storefront is located and applied to such delinquent property taxes.

Sec. 10. If there are delinquent property taxes for a tax year commencing prior to January 1, 2020, on a retail storefront owned by the claimant, the claimant shall not be eligible for the refund pursuant to this act for such retail storefront.

Sec. 11. EXPLANATION OF VOTE

Mr. President: I vote "aye" on S Sub for HB 2056. The American public demands election security, and their confidence in our election procedures and laws is paramount. While this bill doesn’t solve every election security issue, it is a good place to start. We still have much work to do on auditing voter rolls. Without voter confidence in our elections, every law the legislature passes can and should be called into question. Secure elections will quite literally determine the future of our State and Nation.—

EXPLANATION OF VOTE

Mr. President: I am choosing to pass on HB 2110 because the advocates are following the process set in statute which would give us a better sense, beyond the preliminary estimated cost, of what adding this mandate will cost Kansas families, employers and taxpayers (cities, counties and school districts) and I commend them for following that process. I have utmost respect and sympathy for the parents of children who have struggled and suffered with this condition and celebrate with those whose children have recovered. Yet, I will continue to be concerned about government dictating increased costs on those struggling to afford health insurance, including our state employees—BEVERLY GOSSAGE

EXPLANATION OF VOTE

Mr. President: The COVID pandemic posed so many new challenges for our families, for our businesses and for this legislature. In fact, the reason I ran for the Senate was to make sure small businesses – like my own – were not harmed by the future management of pandemics. But, our duty to wisely govern through future pandemics should not be used as a vehicle to undo the proven medical advances that generations before us have invested in. Through careful research and the sacrifices of our parents and grandparents, these medical advances allow our children and grandchildren the chance to grow up without knowing the debilitating effects of serious diseases like polio and meningitis. The last-minute amendment that was tacked onto this bill regarding school-aged immunizations is troubling. As a new mother, I cannot support creating blanket exemptions that will take our state backwards and likely allow for the return of dangerous diseases that have nearly been eradicated in our country by safe, effective immunizations.—**KRISTEN O'SHEA**

Mr. President: Kansas children need our help and protection. Making it harder to mitigate the spread of disease in our schools and child care settings puts kids and the people the kids come in contact with at risk. Ninety-five percent of Kansans believe vaccines are very important to monitoring good health. These vaccine requirements that have been in place since 1979 have served our families and communities well. I vote "no" on **S Sub SB 2280**.—**PAT PETTEY**

Senator Sykes requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pettey on **S Sub SB 2280**.
Mr. President: I voted YES on **S Sub HB 2280** solely because it has the ability to prevent suffering and death through the promotion of the early treatment of COVID. Thousands of Kansans and hundreds of thousands of Americans have died needlessly because of mainstream, academic medicine’s shutdown of effective treatment protocols that utilize FDA approved medications such as HCQ and Ivermectin. This fear based, greedy, political and incompetent shutdown of early treatment will be deemed a national tragedy.—**MARK STEFFEN**

EXPLANATION OF VOTE

Mr. President: I vote no on HB 2559. As a supporter of limited government, this additional layer of bureaucracy undermines Kansas Farmers. A voluntary Cotton Boll Weevil monitoring program like the current one that is successfully operating through non-governmental associations, better serves our Kansas Farmers. Please protect their First Amendment rights, and allow our Kansas Farmers the freedom to grow their crops without overreaching government mandates.—ALICIA STRAUB

EXPLANATION OF VOTE

Mr. President: SCR 1620 presents us a very simple question: Should we give
Kansans the ability to vote on an amendment to the Kansas Constitution requiring super majority of the legislature to raise taxes? Or, put more simply, should it be harder for the legislature to take more of the people’s hard-earned money? With prices continually rising and this stifling inflation projected to continue for the remainder of the Biden administration, families are feeling the squeeze. Now, more than ever, it is time for this issue to put before the people of Kansas and let them decide. I vote “Yes.”—Ty Masterson

Mr. President: I vote aye on SR 1620. I understand some legislators don’t like making it more difficult for the Kansas Legislature to increase taxes. I, for one, really like the idea of incentivizing the Legislature to look at efficiencies in government and in government spending before considering tax increases. However, SCR 1620 is not about what members of the Legislature want – it is about allowing Kansans the opportunity to vote on a constitutional amendment that will require a two-thirds majority vote to increase taxes on Kansas families and businesses. To put it another way. A yes vote says, “I trust Kansas voters,” while a no vote says, “I know better for Kansas voters.” Sadly, the reduce, raise, reduce, raise, etc., decisions related to taxes in Kansas have created hesitancy and uncertainty for job creators (business and industry) to come to or expand in Kansas. If the Legislature allows voters to vote and decide to amend the State Constitution, it will provide consistency in our tax code. Certainty of the tax code will be good for all Kansans – including legislators and, more importantly, Kansas families and job creators. Let’s do the right thing for Kansas. I vote, "aye."—Virgil Peck

Senators Masterson and Thompson request the record to show they concur with the "Explanation of Vote" offered by Senator Peck on SCR 1620.

Mr. President: The majority party holds 29 of the 40 seats in the Kansas Senate — a super majority. They have held a comfortable majority in the Senate for over two decades. The majority party holds 86 of the 125 seats in the Kansas House — a super majority. Their majority has been comfortable for nearly as long. The majority party does not need a constitutional amendment to advance their agenda, but is advocating for this constitutional amendment to ensure they retain total control no matter where the political winds blow. If a super majority of the Legislature is required to raise taxes – but not cut them – the state will eventually be forced to cut spending in a variety of areas, making it harder to fund schools, repair our roads, ensure our state is safe to live in, and invest in state agencies in order to serve Kansans efficiently and effectively. The impact will disproportionately fall on low and moderate-income Kansans. Kansas knows better than any state in the country what happens when we try to score easy political points by destroying our state government. Common sense prevailed last time we played this game; fixing the mess this constitutional amendment would create will be much more difficult.—Dinah Sykes

SCR 1621, A PROPOSITION to amend sections 5 and 15 of article 3 of the constitution of the state of Kansas; relating to the selection of supreme court justices; providing for senate confirmation; abolishing the supreme court nominating commission, was considered on final action.

On roll call, the vote was: Yeas 26; Nays 13; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: McGinn.
The resolution was not adopted.

EXPLANATION OF VOTE

Mr. President: Our current model for selecting Kansas Supreme Court justices, in which attorneys selected by other attorneys control the process, is an outlier among the states, provides the public no meaningful input on who leads the highest court in our state, and is void of any real checks and balances. SCR 1621 will allow Kansans to vote on whether they should have a voice, through both the governor and Senate Confirmation, via a process they are accustomed to at the federal level and with the Court of Appeals here in Kansas, where it has worked very well. In fact, we are witnessing this confirmation process work regarding a SCOTUS nominee at this very moment. I have confidence it would produce a philosophically balanced court that the people of Kansans can have confidence in, while providing the requisite checks and balances that are so essential to our system of government. After 64 years of using the current undemocratic and unusual method, it is time for the people of Kansas to weigh in on this critical topic.—TY MASTERSON

Mr. President: Recent efforts to politicize judicial retention elections have been unsuccessful, because Kansans recognize the importance of an impartial judiciary that is independent from the political games played in this building. Advocates for this proposal aren’t winning under the current system, so they’re trying to change the rules. They have provided no evidence that the democratic process is not working and have not demonstrated the need to change the system that has served us well for over half a century. The U.S. Senate is in the middle of deliberating on the historic nomination of Judge Ketanji Brown Jackson to the U.S. Supreme Court. She would be the first Black woman to serve as a Supreme Court Justice, and thus far, the resistance she’s faced has had nothing to do with her jurisprudence and everything to do with politically-expedient attacks. We should not change our constitution and invite that dysfunction to Kansas. I vote no.—DINAH SYKES

HCR 5014, A PROPOSITION to amend article 1 of the constitution of the state of Kansas by adding a new section thereto, concerning oversight by the legislature of certain executive branch actions.

On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: McGinn.
The resolution was adopted.

EXPLANATION OF VOTE

Mr. President: In Kansas, we empower the Legislature to enact policy through an open process where Kansans can weigh in and ultimately hold legislators accountable at the ballot box. While we do provide administrative agencies the ability to implement those policies through reasonable rules and regulations, Kansans have increasingly become frustrated with unelected bureaucrats crossing the line from implementing our laws to making law. **HCR 5014** provides Kansans the opportunity to enact a constitutional amendment that would empower the legislature to revoke rules and regulations that run afoul of the legislation that enabled them in the first place. To preserve the principle of limited and accountable government, I vote Yes.—**KELLY WARREN**

**HCR 5022**, A **PROPOSITION** to amend sections 2 and 5 of article 9 of the constitution of the state of Kansas to require that a sheriff be elected in each county for a term of four years, was considered on final action.

Invocation by Reverend Cecil T. Washington:

Good Alignment Empowers Good Achievement
Psalms 33:12

Heavenly Father, in the Irving Berlin song “God Bless America”, we ask that You stand beside her and guide her with Your light from above. And that's exactly what we need as we confront the questions and difficulties of life.

But Lord, in some ways we're like a vehicle with wheels out of alignment. When we're not aligned with You and your Word, we have problems trying to go straight because we're pulling to one side or the other and finding it difficult to stay on Your side.

Like tires that are not aligned, intellectually and emotionally, we experience uneven wear and tear which in due course leads to breakdowns. Lord, You've made it clear that having good alignment is having alignment that is good. And since You are good, being aligned with You inspires and empowers achievement that is good.

So, Lord, please save us from the foolishness of thinking we can have genuine success without Your regular adjustments. Like a Master Mechanic, pull us up on Your rack and bring every wheel, every thought, attitude, action and habit into the alignment that's appropriate for Your blessings.

Your Word says in Psalm 33:12, “Blessed is the nation whose God is the Lord.”
I praise You and I thank You for that initial day and all the following days that you choose to haul me in for repairs.
In Jesus' Name, I pray, Amen!

The Pledge of Allegiance was led by President Masterson.

Gracious God, Heavenly Father, through the Apostle Paul to the first letter to the church at Thessalonica (5:16-18), You tell us that Your will for us in Christ Jesus our Lord is that we rejoice always, pray constantly and give thanks in everything.

We admit that far too often we do not rejoice but grumble against You and each other when we do not get our way. We complain when others do not listen to us or do not agree with us. Forgive us for our grumbling and complaining. Help us to rejoice not in ourselves, but rather to rejoice in You and the work You have given us to do. May we once again appreciate the opportunities You have given us in these hallowed halls to work for the good of all people.

We also admit that we rarely seek You truly in prayer and for direction. We make our own decisions, based on our own thoughts and feelings. Forgive us for not seeking You first and only asking You to bless us after the fact. Today we pray that You would guide the decisions that are made in this chamber that they would follow Your ways, bring glory to You and serve our neighbors.

Further we admit that we rarely return to You to give thanks for all that You have done for us; house and home, food and drink, family and friends, our colleagues and the work we get to do on behalf of others. We are humbled to be trusted with good things from Your hand.

Above all Lord, we come to You to ask that you send your spirit of love, grace and mercy among those who serve and work in this place. May they know You and the love of God in Christ Jesus our Lord, in whom I pray. Amen.

The Pledge of Allegiance was led by President Masterson.

An elevator contractor or applicant for an emergency mechanic's license shall furnish such proof of competency as may be required by rules and regulations adopted pursuant to this act.
(b) An elevator contractor shall notify the state fire marshal when there are no licensed elevator mechanics available to perform work requiring such license. Any individual who is certified as such by an elevator contractor may apply for a temporary elevator mechanic's license if the state fire marshal finds that the requirements for such licenses have been met.

New Sec. 11. (a) An application for a license may be denied or a license may be suspended or revoked by the state fire marshal upon a finding that one or more of the following have been committed by the applicant or licensee:

(b) A license may be suspended or revoked upon a finding by the state fire marshal that facts and circumstances exist that require suspension or revocation of the license to protect the safety of the public, including, but not limited to, facts and circumstances going to the competence, ability or fitness of the licensee to safely conduct the work or activities permitted by the license in a manner that does not risk the safety or well-being of co-workers, employees or the public.

c) An elevator inspector license may be suspended or revoked upon a finding by the state fire marshal that the licensed elevator inspector has performed duties incompetently, demonstrated untrustworthiness, falsified any matter or statement contained in any application or report or failed to report findings of any inspection made by such licensee to the state fire marshal as required under section 16, and amendments thereto. Such a suspension or revocation shall be effective upon receipt of notice of the suspension or termination by the licensee or the licensee's employer.

(d) Except as otherwise provided by this act, no license shall be suspended or
revoked until after a written order issued by the state fire marshal has been served to the licensee who committed the violation. Such order shall state the violation, the penalty to be imposed and the right of the person to request a hearing as provided in section 13, and amendments thereto. The state fire marshal may issue emergency orders, including, but not limited to, immediate suspensions or revocations of a license, as provided by the Kansas administrative procedure act.

New Sec. 12. (a) In addition to any other penalty provided by law, the state fire marshal, upon a finding that any owner, lessee or operator of an elevator, or owner or lessee of a building or structure in which an elevator is located, has violated, knowingly permitted a violation or negligently failed to detect, report or correct a violation of any provision of this act or rules and regulations adopted pursuant thereto with regard to the construction, installation, maintenance, inspection or operation of an elevator, is authorized to impose a civil penalty not to exceed $1,000 per violation for each day of such unlawful operation or violation. Such civil penalty shall constitute an actual and substantial economic deterrent to the violation for which the penalty is assessed.

(b) In addition to any other penalty provided by law, the state fire marshal, upon a finding that any licensee has violated, knowingly permitted a violation or negligently failed to detect, report or correct a violation of any provision of this act or rules and regulations adopted pursuant thereto, is authorized to impose a civil penalty not to exceed $1,000 per violation. Such civil penalty shall constitute an actual and substantial economic deterrent to the violation for which the penalty is assessed.

(c) No civil penalty shall be imposed except upon the written order of the state fire marshal to the person who committed the violation. Such order shall state the violation, the penalty to be imposed and the right of the person to request a hearing as provided in section 13, and amendments thereto.

(d) All fines assessed and collected under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Such hearing shall be conducted in accordance with the provisions of the Kansas administrative procedure act. The filing of a request for a hearing shall not abate or operate as a stay of the effect of an emergency order or an order to cease and desist or a stop work order unless otherwise stated in such order.

(b) Except as otherwise provided, all administrative proceedings by the state fire marshal under this act shall be conducted in accordance with the provisions of the Kansas administrative procedure act.

(c) Judicial review and civil enforcement of agency actions under this act shall be in accordance with the Kansas judicial review act.

New Sec. 14. It shall be the responsibility of a licensee to ensure that the design, construction, installation, operation, inspection, testing, maintenance, alteration and repair of an elevator is performed in compliance with the provisions of the state safety and fire prevention act, K.S.A. 31-132 et seq., and amendments thereto.

New Sec. 15. (a) No elevator shall be erected, constructed, installed or altered
within or adjacent to a building or structure unless a valid permit is obtained from the state fire marshal. Such permit shall be issued prior to the commencement of any work on such elevator. A permit shall only be issued to a licensed elevator contractor. A copy of such permit shall be kept at the construction site at all times while the work is in progress. Notwithstanding the issuance of a permit, no work shall be performed on any such elevator if the state fire marshal has issued a stop work order for such elevator.

(b) A licensed elevator contractor may apply for a permit in such form and manner as prescribed by the state fire marshal. The applicant shall pay the required permit fee with such application, which shall not exceed $400.

(c) A permit may be revoked by the state fire marshal for any of the following reasons:

(A) If the work authorized by such permit is not commenced within six months after the date of issuance, or within a shorter period of time specified by the state fire marshal, in the state fire marshal's discretion, at the time the permit is issued; or

(B) if, after the work has been commenced, the work is suspended or abandoned for a period of 60 days, or such shorter period of time as specified by the state fire marshal, in the state fire marshal's discretion, at the time the permit is issued.

(2) For good cause, the state fire marshal, in the state fire marshal's discretion, may allow an extension of any of the periods of time set forth in this subsection.

(e) This section shall not apply to any elevator to be erected, constructed, installed or altered in any city or county that has adopted requirements or standards that meet or exceed the requirements or standards of this act and any rules and regulations adopted pursuant thereto.

New Sec. 16. (a) It shall be the responsibility of the owner of any new or existing elevator or the owner's agent to have such elevator inspected annually by a licensed elevator inspector. Upon such inspection, the licensed elevator inspector shall provide the owner of the elevator or the owner's agent, the owner or lessee of the property where such elevator is located and the state fire marshal with a written inspection report describing any and all code violations. The owner of the elevator or the owner's agent shall have 30 days from the date of the inspection report to be in full compliance by correcting such violations. The state fire marshal may grant additional 30-day extensions of time if the state fire marshal determines good cause has been shown and the safety of the public will not be endangered.

(b) It shall be the responsibility of the owner of any elevator or the owner's agent to have a licensed elevator contractor conduct all required tests at the intervals required by this act and rules and regulations adopted pursuant thereto. All tests shall be performed by a licensed elevator mechanic.

Journal of the Senate

FIFTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 30, 2022, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

My Good Jekyll and My Awful Hyde Competition
Romans 7:15, Galatians 5:17

Heavenly Father, as we serve in these chambers and in all our other areas of responsibility, we really want Your approval. Most of all we want to be pleasing to You. Yet there’s something in us that tends to lean in the wrong direction. And no matter how good or ethical we want to be, we miss the target because we weren’t even aiming at it. We were aiming in the wrong direction.

Years ago, Robert Louis Stevenson wrote an allegory depicting the dual nature of our predicament. The good Dr. Jekyll in us is competing with the awful Mr. Hyde. Lord, there’s a Jekyll and Hyde in us that You inspired the Apostle Paul to write about in Romans 7:14-20. He said that Your standards are spiritually good but in us there’s a corrupt nature. We don’t do the good that we want to do. Instead, we do the things we don’t want to do.

Your Word also says in Galatians 5:17, our bad Mr. Hyde desires are against our good Dr. Jekyll desires; they are opposed to each other. A war goes on inside us. But through Paul You gave us the solution. We find in Romans 7:25 that in surrendering to You the struggle is lessened and the good in me triumphs.

Help us Lord to stay humbly submitted to You, that Your standards will prevail. My prayer is in the Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

FINAL ACTION

On motion of Senator Alley an emergency was declared by a 2/3 constitutional majority, HB 2644, as amended by Senate committee, HB 2717 were advanced to Final Action subject to amendment, debate and roll call.

HB 2644, AN ACT designating the Sandhill plum as the official state fruit.

On roll call, the vote was: Yeas 39; Nays 0; Present and Passing 0; Absent or Not Voting 1.

Yea: Alley, Baumgardner, Billinger, Bowers, Claeys, Corson, Dietrich, Doll, Erickson, Fagg, Faust-Goudeau, Francisco, Gossage, Haley, Hawk, Hilderbrand,
Holland, Holscher, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Peck, Petersen, Pettey, Pittman, Pyle, Ryckman, Steffen, Straub, Sykes, Thompson, Tyson, Ware, Warren, Wilborn.

Absent or Not Voting: Suellentrop.

The bill passed, as amended.

HB 2717, AN ACT concerning municipalities; relating to law enforcement agencies and cooperation with federal officials regarding citizenship, immigration status and enforcement of federal immigration laws; requiring any municipal identification card to state it is not valid for state identification including voter identification; amending K.S.A. 8-1327 and 25-2908 and repealing the existing sections.

On roll call, the vote was: Yeas 29; Nays 10; Present and Passing 0; Absent or Not Voting 1.

Nays: Corson, Doll, Faust-Goudeau, Francisco, Haley, Hawk, Holscher, Pettey, Sykes, Ware.

Absent or Not Voting: Suellentrop.

The bill passed.

EXPLANATION OF VOTE

Mr. President: I vote “NO” on House Bill 2717. I recognize that this bill would still allow the issuance of municipal identification cards; my objection is to the elimination of a municipal identification card as a form of identification for voting. Those cards, issued by cities and counties, have made meeting the requirement to have a photo identification card easier for many individuals who do not have any other forms of photo identification; one example of those is some seniors in nursing facilities. This is not a card that can be used to register to vote; only a card to provide the required photo identification. Let’s not put one more barrier in the way of allowing registered voters to vote.—MARCI FRANCISCO

CONSIDERATION OF MOTIONS TO CONCUR AND NONCONCUR

Senator Kerschen moved the Senate concur in House amendments to SB 346.

A substitute motion to nonconcur and appoint a new conference failed.

SB 346, AN ACT concerning agriculture; relating to milk and dairy products; allowing on-farm retail sale of milk and milk products; extending certain milk and dairy license fees; authorizing the secretary of agriculture to declare an imminent health hazard; authorizing civil penalties for certain dairy law violations; relating to animals; transporting animals into the state; authorizing the animal health commissioner to assess a civil penalty for violations relating thereto; amending K.S.A. 47-607c, 65-771, 65-778, 65-781, 65-786 and 65-788 and repealing the existing sections.

On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 0; Absent or Not Voting 1.

Nays: Baumgardner, Erickson, Gossage, Hilderbrand, Kloos, Peck, Petersen, Pyle, Steffen, Straub, Thompson, Tyson.
Absent or Not Voting: Suellentrop.
The Senate concurred.

EXPLANATION OF VOTE
Mr. President: I voted No on SB 346 because the potential good of the milk bill was outweighed by the potential ill effects of the animal transportation bill stuck in at the last second. We have to realize that an Ag committee overwhelmingly controlled by big city dwellers that only listen to special interest groups and government employees proves a detriment to our Kansas farmers and ranchers.—MARK STEFFEN

Senator Straub requests the record to show she concurs with the "Explanation of Vote" offered by Senator Steffen on SB 346.

EXPLANATION OF VOTE

Mr. President: I strongly support the Senate and State Board of Education Map, but I have concerns about the way the House constructed their districts in my home area of Cloud County. I believe there were better ways to draw those boundaries that would have been easier for voters to understand. However, in spite of those concerns, I respect the process and I vote Yes.” —ELAINE BOWERS

Mr. President: I vote No on the CCR on Sub SB 563. The Liberty Three Kansas state senate redistricting map, if enacted, would separate the communities of interest (Tonganoxie, east and south Lawrence, Eudora and Baldwin City) currently contained within the boundaries of the existing KS State Third Senate District. Current boundaries were established by a federal district court on June 7, 2012 following the inability of the Kansas legislature to enact U.S. congressional, state senate and state house districts.
During General Orders on March 16, 2022, I offered an alternative senate redistricting map (Free State 5) for consideration. Bill language and maps defining the amendment can respectively be found at:

1. fa_2022_sb563_s_3724 (kslegislature.org)
2. map_fa_freestate5_3724 (kslegislature.org)

The proposed 9th District is less compact as assessed by all 10 measures of compactness. The proposed 19th District boundaries attempt to establish a community of interest between east Topeka (urban) and north Lawrence (suburban); such a community does not exist. The proposed State House redistricting map separates the communities of interest for the existing 10th District. The proposed State Board of Education redistricting map separates communities of interest for Wyandotte County.—

POINT OF PERSONAL PRIVILEGE

Senator Faust-Goudeau rose on a Point of Personal Privilege to congratulate Lt. Eric Hatcher on his retirement from the Kansas Highway Patrol and to thank him for his many years of outstanding service in the Statehouse.

On motion of Senator Alley, the Senate adjourned until 10:00 a.m., Thursday, March 31, 2022.
The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

A Clay Pot’s Prayer To The Potter
Jeremiah 18:1-13

Lord, God, once again it’s that time we set aside for prayer; prayer because it is the way in which You permit us, even instruct us to come to You. You are our Alpha and Omega, Our Beginning and End. From A to Z You are the description of all that is good. All that is good is a description of You. There are no human words we can utter that can embrace the magnitude of Who You are and Your love for us.

In speaking to Your Prophet Jeremiah, in 18:1-13, You gave him a picture of Who You are and the breadth of Your love and forgiveness. You had him observe a potter molding a piece of clay. When the vessel he was shaping was faulty he would crush it and rework it into what he wanted.

Then You let Jeremiah know that his homeland was like the clay in the potter’s hands. You said You could do the same thing with his nation that he saw the potter do with the clay. You could crush it. You could bring it down.

But You went on to say, suppose the nation repents and turns away from its faults then You would change Your plans about crushing it, an expression of Your love.

So Lord, let Your mercies that are new every day be extended to this nation. Help us individually and as a nation turn away from our faults, that we as a people may be a reflection of Your goodness and grace. On behalf of all of us clay pots I offer this prayer, in Jesus Name, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

On motion of Senator Alley, the Senate recessed until 2:30 p.m.

"New Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Kansas targeted employment act. The purpose of this act shall be to incentivize employers to employ persons with developmental disabilities in Kansas and decrease the reliance and associated costs to taxpayers to fund governmental programs.

New Sec. 2. As used in this act:

(a) "Competitive integrated employment" has the meaning as provided in the workforce innovation and opportunity act, 29 U.S.C. § 3101 et seq., as defined in 29

(b) "Community service provider" means an association or organization licensed by the Kansas department for aging and disability services whose purpose is to provide support and services, relating to the ability to live and to work in the community, to persons who, without such support and services, would be unable or would have significant difficulty maintaining employment or living in the community. "Community service provider" also includes other governmental agencies that support or that elect to support eligible individuals with job placement and job preservation supports including, but not limited to, school districts, community mental health centers and vocational rehabilitation contractors.

(c) "Earned income" means compensation paid to a Kansas employee for competitive integrated employment that is equal or greater than the minimum wage and is performed in a competitive integrated setting.

(d) "Eligible individual" means an individual, including a high school student, who is a Kansas resident, is employed by an employer in a competitive integrated setting, has a developmental disability that has been documented as required by the secretary for aging and disability services and who has agreed to provide the secretary for aging and disability services, or the secretary's designee, information required by the secretary pursuant to the Kansas targeted employment act, or to permit the secretary of revenue to provide such information to the secretary for aging and disability services.

(e) "Developmental disability" means the same as defined in K.S.A. 39-1803, and amendments thereto.

(f) "Targeted employment business" means those employers employing eligible individuals in competitive integrated employment in a competitive integrated setting and who are authorized to do business in Kansas. In order to qualify as a "targeted employment business," the employer must pay earned income to an eligible individual in a calendar year. "Targeted employment business" does not include a community service provider.

New Sec. 3. For tax years 2022 through 2027, a credit shall be allowed against the income, privilege or premium tax liability imposed upon a taxpayer qualifying as a targeted employment business or a taxpayer outsourcing work to a targeted employment business pursuant to the Kansas income tax act, the privilege tax imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premiums tax and privilege fees imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, for every hour that an eligible individual is employed in a calendar year in a targeted employment business and receives earned income as compensation. The credit shall only apply to wages for hours worked and not for any compensation for leave paid to the eligible individual. The credit shall be 50% of the wages paid to the eligible individual on an hourly basis, up to a maximum credit of $7.50 per hour. For the purpose of calculating the tax credit, the wage rate used shall not be more than a reasonable or usual and customary market wage rate for a similar job. The credit shall not be refundable, shall not be carried forward and shall only be used once each taxable year against tax liability imposed by only one of the income, privilege or premium taxes. For any employed eligible individual who receives support or services from a community service provider, such eligible individual may choose to have support or services provided as needed at the individual's worksite.
to help the individual maintain employment. The maximum amount of all tax credits allowed in each tax year under the Kansas targeted employment act shall be $5,000,000.

New Sec. 4. (a) Any targeted employment business seeking to qualify for a tax credit pursuant to section 3, and amendments thereto, shall provide to the secretary of revenue the names of each eligible individual employed and the wage rate per hour, hours worked and gross wages paid, minus any compensation for leave, for each eligible individual and such other information as the secretary of revenue may require.

(b) The secretary of revenue and the secretary for aging and disability services are hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of the Kansas targeted employment act.

New Sec. 5. The secretary for aging and disability services may require employed eligible individuals or targeted employment businesses to provide or to permit the secretary of revenue to provide, as a condition of participation in the tax credit program, information necessary to assess the tax credit program pursuant to this section, including information otherwise confidential under state or federal law. All confidential information provided shall be received, stored and used in a manner that shall maintain the confidentiality of the information provided and not permit the identification of eligible individuals or targeted employment businesses.

(b) Notwithstanding any other provision of state law, the secretary of revenue shall provide the secretary for aging and disability services with tax information, including tax information for individuals and targeted employment businesses that have waived the confidentiality of such information, as necessary to enable the secretary for aging and disability services to fulfill the requirements of this section. All information pertaining to an eligible individual or targeted employment business shall be provided in a manner that shall maintain the confidentiality of such eligible individuals and businesses. Nothing in this section shall be construed to violate or conflict with any federal law.

Invocation by Reverend Cecil T. Washington:

The April Fool We Don’t Have To Be
Proverbs 15:21, 17:28; Psalm 14:1, 53:1

Heavenly Father, today, April 1st, is called April Fool’s Day. But irrespective of the
day, we find that foolishness is always possible. And we need to be careful, because
April 1st is not the only day for fools.

My Godly grandmother was familiar with Your Word in Proverbs 17:28. If I was
talking too much, she would say “When you keep your mouth shut, people won’t know
how foolish you are.” Proverbs 17:28 says, “Even a fool who keeps silent is considered
wise; when he closes his lips he is considered intelligent.” Regardless of the day, You’re
the only one who can really define foolishness.

In Psalm 14:1 and 53:1, the fool hath said in his heart there is no God. You said in
Proverbs 15:21 that folly and foolishness is pleasure to one who lacks sense but a
person of wisdom walks straight. Lord, when all is said and done let it be said that in
this house on April 1st, and everyday thereafter, we have days of wisdom.

Thank You Lord for hearing this prayer. In Jesus' Name. Amen.

The Pledge of Allegiance was led by President Masterson.

Sec. 3. K.S.A. 2021 Supp. 21-6610 is hereby amended to read as follows: 21-6610.
(a) When a defendant is placed on parole by the district court, on probation, assigned to a community correctional services program by a district court or under suspended sentence and such defendant is permitted to go from the judicial district of that court, supervision over the defendant may be transferred from that judicial district to another with the concurrence of the receiving chief court services officer, or if in a community corrections services program, by the concurrence of the director of the receiving program.

(b) The district court from which the defendant is on parole, probation, community correctional services program or suspended sentence may retain jurisdiction of the defendant.
(e) When a defendant described in subsection (a) is sentenced pursuant to K.S.A. 2021 Supp. 21-6824, and amendments thereto, the district court from which the defendant is on parole, on probation, assigned to a community correctional services program or under suspended sentence may transfer jurisdiction of the defendant with the concurrence of the receiving district court and all parties.

(c) (1) When a defendant described in subsection (a) is being sentenced and is already being supervised on parole, probation, assignment to a community correctional services program or under suspended sentence, the district court by which the defendant is currently being supervised may use the guidelines provided in this subsection to determine whether it is appropriate to transfer jurisdiction of the defendant to a different district court.

(2) If the new sentence would place the defendant under the supervision of two supervision entities or agencies, the court may consider:

(A) Granting jurisdiction to the court with jurisdiction over the offense that has the longest underlying sentence of imprisonment; and

(B) whether the severity of the new offense requires a higher level of supervision.

If a higher level of supervision is not required, there may be a preference for maintaining supervision of the defendant by the current supervising entity or agency for the duration of supervision. If a higher level of supervision is required, there may be a preference for transferring supervision responsibility of the defendant to the appropriate supervision entity or agency for the duration of supervision.

(3) If two or more supervision entities or agencies are supervising the defendant for sentences that are equal, the court may consider:

(A) The residency of the defendant;

(B) the ability of the defendant to travel to the supervision office from the defendant's residence, place of employment and school;

(C) resources for residential and nonresidential sanctions or rehabilitative treatment available from each supervision entity or agency; and

(D) the level of supervision available to the defendant by each supervision entity or agency.

(d) The district court from which the defendant is on parole, probation, assignment to a community correctional services program or suspended sentence may retain jurisdiction of the defendant. If the court retains jurisdiction, the defendant shall be supervised by one supervision entity or agency. The department of corrections and the office of judicial administration shall enter into a memorandum of understanding providing that a defendant on parole, probation, assignment to a community correctional services program or suspended sentence shall be supervised by one supervision entity or agency. Such memorandum of understanding shall include, but not be limited to, provisions related to:

(2) how the financial obligations of supervision will be managed;

(3) conditions of supervision;

(5) standards for seeking revocation of parole, probation, assignment to a community correctional services program or suspended sentence;

(6) termination of supervision; and

(7) information sharing between supervision entities or agencies.
Sec. 4. K.S.A. 2021 Supp. 21-6814 is hereby amended to read as follows: 21-6814. (a) The offender's criminal history shall be admitted in open court by the offender or determined by a preponderance of the evidence at the sentencing hearing by the sentencing judge.

(b) Except to the extent disputed in accordance with subsection (c), the summary of the offender's criminal history prepared for the court by the state shall satisfy the state's burden of proof regarding an offender's criminal history.

(c) Upon receipt of the criminal history worksheet prepared for the court, the offender shall immediately notify the district attorney and the court with written notice of any error in the proposed criminal history worksheet. Such notice shall specify the exact nature of the alleged error. The state shall have the burden of proving the disputed portion of the offender's criminal history. The sentencing judge shall allow the state reasonable time to produce evidence to establish its burden of proof. If the offender later challenges such offender's criminal history, which has been previously established, the burden of proof shall shift to the offender to prove such offender's criminal history by a preponderance of the evidence.

(d) If an offender raises a challenge to the offender's criminal history for the first time on appeal, the offender shall have the burden of designating a record that shows prejudicial error. If the offender fails to provide such record, the appellate court shall dismiss the claim. In designating a record that shows prejudicial error, the offender may provide the appellate court with journal entries of the challenged criminal history that were not originally attached to the criminal history worksheet, and the state may provide the appellate court with journal entries establishing a lack of prejudicial error. The court may take judicial notice of such journal entries, complaints, plea agreements, jury instructions and verdict forms for Kansas convictions when determining whether prejudicial error exists. The court may remand the case if there is a reasonable question as to whether prejudicial error exists.

Sec. 5. K.S.A. 2021 Supp. 21-6820 is hereby amended to read as follows: 21-6820. (a) A departure sentence or a ruling on a motion filed pursuant to K.S.A. 22-3504, and amendments thereto, is subject to appeal by the defendant or the state. The appeal shall be to the appellate courts in accordance with rules adopted by the supreme court.

(b) Pending review of the sentence, the sentencing court or the appellate court may order the defendant confined or placed on conditional release, including bond.

(c) On appeal from a judgment of conviction entered for a felony committed on or after July 1, 1993, the appellate court shall not review:

(1) Any sentence that is within the presumptive sentence for the crime; or

(2) any sentence resulting from an agreement between the state and the defendant which the sentencing court approves on the record.

(d) In any appeal from a judgment of conviction imposing a sentence that departs from the presumptive sentence prescribed by the sentencing grid for a crime, sentence review shall be limited to whether the sentencing court's findings of fact and reasons justifying a departure:

(1) Are supported by the evidence in the record; and

(2) constitute substantial and compelling reasons for departure.

(e) In any appeal from a judgment of conviction, the appellate court may review a claim that:

(1) A sentence that departs from the presumptive sentence resulted from partiality,
prejudice, oppression or corrupt motive;

(2) the sentencing court erred in either including or excluding recognition of a prior conviction or juvenile adjudication for criminal history scoring purposes; or

(3) the sentencing court erred in ranking the crime severity level of the current crime or in determining the appropriate classification of a prior conviction or juvenile adjudication for criminal history purposes.

(f) The appellate court may reverse or affirm the sentence. If the appellate court concludes that the trial court's factual findings are not supported by evidence in the record or do not establish substantial and compelling reasons for a departure, it shall remand the case to the trial court for resentencing.

(g) The appellate court shall issue a written opinion whenever the judgment of the sentencing court is reversed. The court may issue a written opinion in any other case when it is believed that a written opinion will provide guidance to sentencing judges and others in implementing the sentencing guidelines adopted by the Kansas sentencing commission. The appellate courts may provide by rule for summary disposition of cases arising under this section when no substantial question is presented by the appeal.

(h) A review under summary disposition shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required unless ordered by the appellate court and the review and decision shall be made in an expedited manner according to rules adopted by the supreme court.

(i) The sentencing court shall retain authority irrespective of any notice of appeal for 90 days after entry of judgment of conviction to modify its judgment and sentence to correct any arithmetic or clerical error or to correct an illegal sentence or clerical error pursuant to K.S.A. 22-3504, and amendments thereto. Notwithstanding the provisions of K.S.A. 22-3504, and amendments thereto, if a motion to correct an illegal sentence is filed while a direct appeal is pending, any change in the law that occurs during the pending direct appeal shall apply.

(j) The amendments made to this section by this act section 14 of chapter 59 of the 2019 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

Sec. 6. K.S.A. 2021 Supp. 21-6824 is hereby amended to read as follows: 21-6824.

(a) There is hereby established a nonprison sanction of certified drug abuse treatment programs for certain offenders who are sentenced on or after November 1, 2003. Placement of offenders in certified drug abuse treatment programs by the court shall be limited to placement of adult offenders, convicted of a felony violation of K.S.A. 2021 Supp. 21-5705 or 21-5706, and amendments thereto, whose offense is classified in grid blocks:

Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the fees and penalties fund.
(i) If any provision of this section other than subsection (f), or the application thereof to any person or circumstance, is held invalid, such determination shall not affect the provisions or applications of this section, which can be given effect without the invalid provision or application, and to that end the provisions of this section, with the exception of subsection (f), are severable.

(j) The first filing of the CGAD shall be in 2018.

The commissioner is authorized to use such documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. (h) In the event the payor and the administrator cancel their agreement, notwithstanding the provisions of subsection (a), the administrator may, by written agreement with the payor, transfer all records to a new administrator rather than retain them for five years. In such cases, the new administrator shall acknowledge, in writing, that it is responsible for retaining the records of the prior administrator as required in subsection (a).

(1) The commissioner, or the commissioner's designee, shall have free and

The commissioner may designate persons, including comparable officials of the state in which the records are located, to inspect the records on the commissioner's behalf.

(2) The commissioner may charge reasonable costs of investigation, examination and administration of this act, to be paid by the applicant or licensee, in such amounts as the commissioner may determine to be sufficient to meet the budget requirements of the commissioner for each fiscal year. The commissioner, or commissioner's designee, may submit such fingerprints to the Kansas bureau of investigation, federal bureau of investigation or other law enforcement agency for the purposes of verifying the identity of such persons and obtaining records of their criminal arrests and convictions. For purposes of this section and in order to reduce the points of contact that the federal bureau of investigation may have to maintain with the individual states, the commissioner may use the nationwide mortgage licensing system and registry as a channeling agent for requesting information

The adoption of an informal agreement authorized by this subsection shall not be subject to the provisions of the Kansas administrative procedure act or the Kansas judicial review act. All such examination material shall be confidential by law and privileged, shall not be subject to the open records act, shall not be subject to subpoena and shall not be subject to discovery or admissible in evidence in any private civil action. The provisions of this subsection shall expire on July 1, 2022, unless the legislature reviews and reenacts this provision prior to July 1, 2022.

(B) On second or subsequent conviction, the person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than $1,250. The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 120 hours of confinement. The hours of confinement shall include at least 48 hours of imprisonment and otherwise may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and 

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum sentence is met. If the person is placed into a work release program or placed under a house arrest program for more than the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum of 120 hours of confinement is completed, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person's work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person's location and shall only be given credit for the time served within the boundaries of the person's residence.

(2) (A) Operating an aircraft under the influence is a severity level 6, nonperson felony if the offense occurred while the person convicted is prohibited from operating an aircraft:

(i) By a court order pursuant to this section; or

(ii) because such person's pilot license is revoked or suspended by an order of the federal aviation administration for a prior alcohol or drug-related conviction.

(B) The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 30 days of confinement. After at least 48 consecutive hours of imprisonment, the remainder of the period of confinement may be served by a
combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 30 days of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program for the first 240 hours of confinement, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person's work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person's location and shall only be given credit for the time served within the boundaries of the person's residence.

(3) As part of the judgment of conviction, the court shall order the person convicted not to operate an aircraft for any purpose for a period of six months from the date of final discharge from the county jail, or the date of payment or satisfaction of such fine, whichever is later or one year from such date on a second conviction. If the court suspends the sentence and places the person on probation as provided by law, the court shall order as one of the conditions of probation that such person not operate an aircraft for any purpose for a period of 30 days from the date of the order on a first conviction or 60 days from the date of the order on a second conviction.

(4) For the purpose of determining whether an occurrence is a first, second or subsequent occurrence:

(A) "Conviction" includes entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging commission of a crime described in subsection (a); and

(B) it is irrelevant whether an offense occurred before or after conviction or diversion for a previous offense.

(c) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

New Sec. 2. (a) Any person who operates or attempts to operate an aircraft within this state may be requested, subject to the provisions of sections 1 through 4, and amendments thereto, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing shall include all quantitative and qualitative tests for alcohol and drugs. The test shall be administered at the direction of a law enforcement officer, and the law enforcement officer shall determine which type of test is to be conducted or requested.

(b) (1) One or more tests may be required of a person when, at the time of the request, a law enforcement officer has probable cause to believe the person has committed a violation of section (1)(a), and amendments thereto, while having alcohol or drugs in such person's system, and one of the following conditions exists:

(A) The person has been arrested or otherwise taken into custody for any offense violation of any state statute, county resolution or city ordinance; or

(B) the person has been involved in an aircraft accident or crash resulting in
property damage, personal injury or death.

(2) The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the investigation or arrest.

(e) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct any search of a person's breath or other bodily substance, other than blood or urine, incident to a lawful arrest pursuant to the constitution of the United States, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(d) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct or obtain a blood or urine test of a person pursuant to a warrant under K.S.A. 22-2502, and amendments thereto, the constitution of the United States or a judicially recognized exception to the search warrant requirement, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(e) A law enforcement officer may direct a medical professional, as described in subsection (f), to draw one or more samples of blood from a person to determine the blood's alcohol or drug concentration if:

1. The person has given consent and meets the requirements of subsection (b);
2. law enforcement has obtained a search warrant authorizing the collection of blood from the person; or
3. the person refuses or is unable to consent to, submit to and complete a test, and another judicially recognized exception to the warrant requirement applies.

(f) If a law enforcement officer is authorized to collect one or more tests of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by:

1. A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;
2. a registered nurse or a licensed practical nurse;
3. any qualified medical technician, including, but not limited to, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or
4. a phlebotomist.

(g) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample of blood as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized in this section to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawal of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person that is the subject of the test or tests to provide any additional consent or sign any waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent. Such sample or samples shall be an independent sample and not be a
portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document if provided by law enforcement.

(h) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or healthcare staff during the drawing of the sample and without interfering with medical treatment.

(i) (1) If a law enforcement officer is authorized to collect one or more tests of urine, the collection of the urine sample shall be supervised by:
(A) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;
(B) a registered nurse or a licensed practical nurse; or
(C) a law enforcement officer of the same sex as the person being tested.
(2) The collection of the urine sample shall be conducted out of the view of any person other than the person supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer.
(3) The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence.
(4) If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (g) and (i) shall apply to the collection of a urine sample.
(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.
(k) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of an aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.
(l) No test shall be suppressed because of irregularities not affecting the substantial rights of the accused in the consent or notice authorized pursuant to this section.
(m) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant or other judicially recognized exception to the warrant requirement.
(n) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person when available.
(o) The person tested shall have a reasonable opportunity to have an additional chemical test by a physician of such person's own choosing. If the law enforcement officer refuses to permit such additional chemical test to be taken, the original test shall not be competent evidence.
(p) (1) The testing and method of testing consented to under this section shall not be considered to have been conducted for any medical care or treatment purpose. The results of such test, the person's name whose bodily substance is drawn or tested, the location of the test or procedure, the names of all health care providers and personnel
who participated in the procedure or test and the date and time of the test or procedure are required by law to be provided to the requesting law enforcement officer or the law enforcement officer's designee after the requesting law enforcement officer has complied with this section.

(2) All costs of conducting any procedure or test requested by a law enforcement agency and authorized by this section, including the costs of the evidence collection kits, shall be charged to and paid by the county where the alleged offense was committed. Such county may be reimbursed such costs upon the costs being paid by the defendant as court costs assessed pursuant to K.S.A. 28-172a, and amendments thereto.

(3) The cost assessed under this section shall be the then-current medicaid rate for any such procedure or test, or both.

(4) Notwithstanding any other law to the contrary, the collection and delivery of the sample and required information to the law enforcement officer pursuant to this section shall not be subject to the physician-patient privilege or any other law that prohibits the transfer, release or disclosure of the sample or of the required information.

(q) No medical care facility, clinical laboratory, medical clinic, other medical institution, person licensed to practice medicine or surgery, person acting under the direction of any such licensed person, licensed physician assistant, registered nurse, licensed practical nurse, medical technician, paramedic, advanced emergency medical technician, phlebotomist, healthcare provider or person who participates in good faith in the obtaining, withdrawal, collection or testing of blood, breath, urine or other bodily substance at the direction of a law enforcement officer pursuant to this section, or as otherwise authorized by law, shall incur any civil, administrative or criminal liability as a result of such participation, regardless of whether or not the patient resisted or objected to the administration of the procedure or test.

(r) Sections 1 through 4, and amendments thereto, are remedial law and shall be liberally construed to promote public health, safety and welfare.

New Sec. 3. (a) A law enforcement officer may request a person who is operating or attempting to operate an aircraft within this state to submit to a preliminary screening test of the person's breath or oral fluid, or both, if the officer has reasonable suspicion to believe the person has been operating or attempting to operate an aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(b) If the person submits to the test, the results shall be used for the purpose of assisting law enforcement officers in determining whether an arrest should be made and whether to request the tests authorized by section 2, and amendments thereto. A law enforcement officer may arrest a person based in whole or in part upon the results of a preliminary screening test. Such results shall not be admissible in any civil or criminal action concerning the operation of or attempted operation of an aircraft except to aid the court in determining a challenge to the validity of the arrest or the validity of the request to submit to a test pursuant to section 2, and amendments thereto. Following the preliminary screening test, additional tests may be requested pursuant to section 2, and amendments thereto.

(c) Any preliminary screening of a person's breath shall be conducted with a device approved pursuant to K.S.A. 65-1,107, and amendments thereto. Any preliminary screening of a person's oral fluid shall be conducted in accordance with rules and regulations, if any, approved pursuant to K.S.A. 75-712h, and amendments thereto.

New Sec. 4. As used in sections 1 through 4, and amendments thereto:
(a) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath.
(b) "Drug" includes toxic vapors as such term is defined in K.S.A. 2021 Supp. 21-5712, and amendments thereto.
(c) "Imprisonment" includes any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city.
(d) "Law enforcement officer" means the same as in K.S.A. 2021 Supp. 21-5111, and amendments thereto, and includes any person authorized by law to make an arrest on a military reservation for an act which would constitute a violation of section 1, and amendments thereto, if committed off a military reservation in this state.
(e) "Other competent evidence" includes:
(1) Alcohol concentration tests obtained from samples taken four hours or more after the operation or attempted operation of an aircraft; and
(2) readings obtained from a partial alcohol concentration test on a breath testing machine.
(f) "Test refusal" refers to a person's failure to submit to or complete any test of the person's blood, breath, urine or other bodily substance, other than a preliminary screening test, in accordance with section 2, and amendments thereto, and includes refusal of any such test on a military reservation.";

"Sec. 20. K.S.A. 2021 Supp. 22-3437 is hereby amended to read as follows: 22-3437. (a) (1) In any hearing or trial, a report concerning forensic examinations and certificate of forensic examination executed pursuant to this section shall be admissible in evidence if the report and certificate are prepared and attested by a criminalist or other employee of the Kansas bureau of investigation, Kansas highway patrol, Johnson County sheriff's laboratory, Sedgwick County regional forensic science center, or any laboratory of the federal bureau of investigation, federal postal inspection service, federal bureau of alcohol, tobacco and firearms or federal drug enforcement administration. If the examination involves a breath test for alcohol content, the report must also be admissible pursuant to K.S.A. 8-1001, and amendments thereto, or section 2, and amendments thereto, and be conducted by a law enforcement officer or other person who is certified by the department of health and environment as a breath test operator as provided by K.S.A. 65-1,107 et seq., and amendments thereto.
(2) Upon the request of any law enforcement agency, such person as provided in paragraph (1) performing the analysis shall prepare a certificate. Such person shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be supported by a written declaration pursuant to K.S.A. 53-601, and amendments thereto, or shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: The type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the
person who performed the analysis and made the conclusions; the subscriber's training or experience to perform the analysis; the nature and condition of the equipment used; and the certification and foundation requirements for admissibility of breath test results, when appropriate. When properly executed, the certificate shall, subject to the provisions of paragraph (3) and notwithstanding any other provision of law, be admissible evidence of the results of the forensic examination of the samples or evidence submitted for analysis and the court shall take judicial notice of the signature of the person performing the analysis and of the fact that such person is that person who performed the analysis.

(3) Whenever a party intends to proffer in a criminal or civil proceeding, a certificate executed pursuant to this section, notice of an intent to proffer that certificate and the reports relating to the analysis in question, including a copy of the certificate, shall be conveyed to the opposing party or parties at least 21 days before the beginning of a hearing where the proffer will be used. An opposing party who intends to object to the admission into evidence of a certificate shall give notice of objection and the grounds for the objection within 14 days upon receiving the adversary's notice of intent to proffer the certificate. Whenever a notice of objection is filed, admissibility of the certificate shall be determined not later than two days before the beginning of the trial. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and grounds for that objection that the conclusions of the certificate, including the composition, quality or quantity of the substance submitted to the laboratory for analysis or the alcohol content of a blood or breath sample will be contested at trial. A failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section may be extended upon a showing of good cause.

(b) (1) In any hearing or trial where there is a report concerning forensic examinations from a person as provided in paragraph (1) of subsection (a)(1), district and municipal courts may, upon request of either party, use two-way interactive video technology, including internet-based videoconferencing, to take testimony from that person if the testimony is in relation to the report.

(2) The use of any two-way interactive video technology must be in accordance with any requirements and guidelines established by the office of judicial administration, and all proceedings at which such technology is used in a district court must be recorded verbatim by the court.

(b) Except as provided by subsections (c), (d), (e) and (f), a person, whether or not a party, has a privilege in a civil action or in a prosecution for a misdemeanor, other than a prosecution for a violation of K.S.A. 8-2,144 or 8-1567, and amendments thereto, or a city ordinance or county resolution which prohibits the acts prohibited by those statutes, to refuse to disclose, and to prevent a witness from disclosing, a communication, if the person claims the privilege and the judge finds that: (1) The communication was a confidential communication between patient and physician; (2) the patient or the physician reasonably believed the communication necessary or helpful to enable the physician to make a diagnosis of the condition of the patient or to prescribe or render treatment therefor; (3) the witness (i) is the holder of the privilege, (ii) at the time of the communication was the physician or a person to whom disclosure was made because reasonably necessary for the transmission of the communication or for the accomplishment of the purpose for which it was transmitted or (iii) is any other person who obtained knowledge or possession of the communication as the result of an intentional breach of the physician's duty of nondisclosure by the physician or the physician's agent or servant; and (4) the claimant is the holder of the privilege or a person authorized to claim the privilege for the holder of the privilege.

(f) No person has a privilege under this section if the judge finds that sufficient evidence, aside from the communication has been introduced to warrant a finding that the services of the physician were sought or obtained to enable or aid anyone to commit or to plan to commit a crime or a tort, or to escape detection or apprehension after the
commission of a crime or a tort.

(g) A privilege under this section as to a communication is terminated if the judge finds that any person while a holder of the privilege has caused the physician or any agent or servant of the physician to testify in any action to any matter of which the physician or the physician's agent or servant gained knowledge through the communication.

(h) Providing false information to a physician for the purpose of obtaining a prescription-only drug shall not be a confidential communication between physician and patient and no person shall have a privilege in any prosecution for unlawfully obtaining or distributing a prescription-only drug under K.S.A. 2021 Supp. 21-5708, and amendments thereto.

On page 1, by striking all in lines 7 through 36;
On page 2, by striking all in lines 1 through 21; following line 21, by inserting:
"Section 1. K.S.A. 2021 Supp. 21-5111 is hereby amended to read as follows: 21-5111. The following definitions shall apply when the words and phrases defined are used in this code, except when a particular context clearly requires a different meaning.
(a) "Act" includes a failure or omission to take action.
(b) "Another" means a person or persons as defined in this code other than the person whose act is claimed to be criminal.
(c) "Conduct" means an act or a series of acts, and the accompanying mental state.
(d) "Conviction" includes a judgment of guilt entered upon a plea of guilty.

(e) "Deception" means knowingly creating or reinforcing a false impression, including false impressions as to law, value, intention or other state of mind. "Deception" as to a person's intention to perform a promise shall not be inferred from the fact alone that such person did not subsequently perform the promise. Falsity as to matters having no pecuniary significance, or puffing by statements unlikely to deceive reasonable persons, is not "deception".

(f) "Deprive permanently" means to:
   (1) Take from the owner the possession, use or benefit of property, without an intent to restore the same;
   (2) retain property without intent to restore the same or with intent to restore it to the owner only if the owner purchases or leases it back, or pays a reward or other compensation for its return; or
   (3) sell, give, pledge or otherwise dispose of any interest in property or subject it to the claim of a person other than the owner.

(g) "Distribute" means the actual or constructive transfer from one person to another of some item whether or not there is an agency relationship. "Distribute" includes, but is not limited to, sale, offer for sale, furnishing, buying for, delivering, giving, or any act that causes or is intended to cause some item to be transferred from one person to another. "Distribute" does not include acts of administering, dispensing or prescribing a controlled substance as authorized by the pharmacy act of the state of Kansas, the uniform controlled substances act, or otherwise authorized by law.

(h) "DNA" means deoxyribonucleic acid.

(i) "Domestic violence" means an act or threatened act of violence against a person with whom the offender is involved or has been involved in a dating relationship, or an act or threatened act of violence against a family or household member by a family or household member. "Domestic violence" also includes any other crime committed against a person or against property, or any municipal ordinance violation against a person or against property, when directed against a person with whom the offender is involved or has been involved in a dating relationship or when directed against a family or household member by a family or household member. For the purposes of this definition:
   (1) "Dating relationship" means a social relationship of a romantic nature. In addition to any other factors the court deems relevant, the trier of fact may consider the following when making a determination of whether a relationship exists or existed: Nature of the relationship, length of time the relationship existed, frequency of interaction between the parties and time since termination of the relationship, if applicable.
   (2) "Family or household member" means persons 18 years of age or older who are spouses, former spouses, parents or stepparents and children or stepchildren, and persons who are presently residing together or have resided together in the past, and persons who have a child in common regardless of whether they have been married or have lived together at any time. "Family or household member" also includes a man and woman if the woman is pregnant and the man is alleged to be the father, regardless of whether they have been married or have lived together at any time.

(j) "Domestic violence offense" means any crime committed whereby the underlying factual basis includes an act of domestic violence.
(k) "Dwelling" means a building or portion thereof, a tent, a vehicle or other enclosed space which is used or intended for use as a human habitation, home or residence.

If such warrant is not entered into such index, the sheriff shall notify the court thereof.

If such probability does not exist, the court shall order the secretary for aging and disability services, prosecuting attorney where the charges are filed to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony, or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(2) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in subsection (1) paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or head of the facility unless exceptional circumstances warrant delay. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(3) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person's present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant's attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent, the proceedings pending against the defendant shall be resumed.

(4) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment may shall be credited with all or any part of the time during which the defendant was committed and confined in such public institution or facility.

(c) Except as provided in subsection (d), if a defendant is ordered or met criteria to receive an evaluation and treatment on an outpatient basis conducted by the state
security hospital or its agent or a state hospital or its agent, the chief medical officer shall certify to the court, within 90 days after commencement of treatment, whether the defendant has a substantial probability of attaining competency to stand trial in the foreseeable future.

(2) If such probability does exist, the court shall order the defendant to remain in jail or at a secure location, on pretrial release pursuant to K.S.A. 22-2802, and amendments thereto, or at an appropriate setting until the defendant attains competency to stand trial or for a period of six months from the date of the commencement of outpatient treatment, whichever occurs first. If such probability does not exist, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(3) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person's present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant's attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent,
the proceedings pending against the defendant shall be resumed.

(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment shall be credited with all of the time during which the defendant was committed and confined in such public institution or facility.

(d) (1) If the defendant is ordered or met criteria to receive an evaluation and treatment on an outpatient basis and the chief medical officer of the appropriate state, county or private institution or facility determines that the defendant’s mental health condition or behaviors warrant terminating outpatient treatment services and commencing evaluation and treatment on an inpatient basis, the chief medical officer of the institution or the head of the facility shall provide a report to the court within 10 days after outpatient treatment services are terminated. Such report shall certify the date that outpatient treatment was terminated and the reason inpatient evaluation and treatment services are recommended. A copy of such report shall be provided to the chief medical officer of the state security hospital. Upon receipt of such report, the court shall issue any orders or warrants required to facilitate the sheriff of the county where the charges are filed to take the defendant into custody and transport such defendant to the state security hospital or its agent or a state hospital or its agent for admission for inpatient services. The chief medical officer shall submit a report pursuant to subsection (e) as to whether the defendant has attained competency within 90 days of the defendant's admission to such hospital for inpatient evaluation and treatment.

(2) The court, prosecuting attorney where criminal charges are pending, the defense counsel for a defendant charged with a felony offense who is receiving outpatient evaluation and treatment services and the chief medical officer of any institution or the head of any facility where the defendant is receiving outpatient services shall provide requested documentation to the state security hospital or its agent or the state hospital or its agent for the purpose of managing inpatient admission.

(e) (1) If the defendant is charged with a felony offense, the court may order a defendant to receive inpatient evaluation and treatment at an appropriate state, county or private institution or facility after considering the defendant’s mental condition, behaviors and the availability of outpatient evaluation and treatment options. The chief medical officer of the institution or the head of the facility shall certify to the court, within 90 days after the commencement of inpatient treatment, whether the defendant has a substantial probability of attaining competency to stand trial in the foreseeable future.

(2) If such probability does exist, the court shall order the defendant to remain in jail or at a secure location, on pretrial release pursuant to K.S.A. 22-2802, and amendments thereto, or at an appropriate setting until the defendant attains competency to stand trial or for a period of six months from the date of the commencement of inpatient treatment, whichever occurs first. If such probability does not exist, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-
3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(3) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person's present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant's attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent, the proceedings pending against the defendant shall be resumed.

(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment shall be credited with all of the time during which the defendant was committed and confined in such public institution or facility.

(f) (1) Notwithstanding the provisions of K.S.A. 59-29a22, and amendments thereto, psychotropic medications may be prescribed for any defendant who is ordered or has met the criteria to receive evaluation and treatment on an inpatient or outpatient basis at an appropriate state, county or private institution or facility.

(2) Psychotropic medications shall be prescribed, ordered and administered in conformity with accepted clinical practice. Psychotropic medication shall be administered only upon the written order of a physician or upon a verbal order noted in the defendant's medical records and subsequently signed by the physician. The attending physician shall regularly review the drug regimen of each defendant under such physician's care and shall monitor any symptoms of harmful side effects.

(3) Whenever any defendant is receiving psychotropic medications that alter the
defendant's mental state in such a way as to adversely affect the defendant's judgment or hamper the defendant in preparing for or participating in any hearing provided for by this section, for two days prior to and during any such hearing, the treatment institution or facility shall not administer such medication or treatment unless such medication or treatment is necessary to sustain the defendant's life or to protect the defendant or others. Prior to the hearing, a report of all psychotropic medications or other treatment that has been administered to the defendant and a copy of any written consent signed by the defendant shall be submitted to the court. Counsel for the defendant may preliminarily examine the attending physician regarding the administration of any medication to the defendant within two days of the hearing and the effect that medication may have had on the defendant's judgment or ability to prepare for or participate in the hearing. If the court determines that medication or other treatment has been administered that adversely affects the defendant's judgment or ability to prepare for or participate in the hearing, the court shall order that such medication or other treatment be discontinued until the conclusion of the hearing unless the court finds that such medication or other treatment is necessary to sustain the defendant's life or to protect the defendant or others. If the court makes such a finding, the court shall order the hearing to proceed.

(4) If a defendant who is charged with a felony is receiving treatment pursuant to this section and is not deemed a present danger to self or others objects to taking any medication prescribed for the purpose of restoring the defendant to competency, the defendant's objection shall be recorded in the defendant's medical record and written notice of such objection shall be forwarded to the medical director of the treatment institution or facility or the director's designee and to the court where the criminal charges are pending. The medication may be administered over the defendant's objection only if the court finds that:

(A) The medication is substantially unlikely to have side effects that may undermine the fairness of the trial;
(B) the medication is medically appropriate;
(C) less intrusive alternatives have been considered;
(D) the medication is necessary to advance significantly important governmental trial interests; and
(E) the administrative head or law enforcement official in charge of the jail has agreed to having the medication administered over the defendant's objection in the jail.

(5) No experimental medication shall be administered without the consent of the defendant or such defendant's legal guardian.

Sec. 9. K.S.A. 2021 Supp. 22-3305 is hereby amended to read as follows: 22-3305.

(a) Whenever involuntary commitment proceedings have been commenced by the secretary for aging and disability services or the prosecuting attorney as required by K.S.A. 22-3303, and amendments thereto, and the defendant is not committed to a treatment institution or facility as a patient, the defendant shall remain in the institution or facility where committed pursuant to K.S.A. 22-3303, and amendments thereto. The secretary for aging and disability services or the prosecuting attorney shall promptly notify the court and the county or district prosecuting attorney of the county in which the criminal proceedings are pending for the purpose of providing victim
notification, of the result of the involuntary commitment proceeding.

(2)(b) Whenever involuntary commitment proceedings have been commenced by the secretary for aging and disability services or the prosecuting attorney as required by K.S.A. 22-3303, and amendments thereto, and the defendant is committed to a treatment institution or facility as a patient but thereafter is to be discharged pursuant to the care and treatment act for mentally ill persons, the defendant shall remain in the institution or facility where committed pursuant to K.S.A. 22-3303, and amendments thereto, and the head of the treatment institution or facility shall promptly notify the court and the county or district prosecuting attorney of the county in which the criminal proceedings are pending for the purpose of providing victim notification, that the defendant is to be discharged.

(c) When giving notification to the court and the county or district prosecuting attorney pursuant to subsection (1)(a) or (2)(b), the treatment institution or facility shall include in such notification an opinion from the head of the treatment institution or facility as to whether or not the defendant is now competent to stand trial. Upon request of the county or district prosecuting attorney, the court may set a hearing on the issue of whether or not the defendant has been restored to competency. If such hearing request is granted, the county or district prosecuting attorney shall provide victim notification regarding the hearing date. Such hearing request shall be filed within 14 days of completion of the notification from the head of the treatment institution or facility pursuant to subsection (a) or (b). The hearing shall take place within 21 days after receipt of the hearing request unless the court finds that exceptional circumstances warrant delay of the hearing. If no such hearing request is made within 14 days after receipt of notice pursuant to subsection (1)(a) or (2)(b), the court shall order the defendant to be discharged from commitment and shall dismiss without prejudice the charges against the defendant, and the period of limitation for the prosecution for the crime charged shall not continue to run until the defendant has been determined to have attained competency in accordance with K.S.A. 22-3302, and amendments thereto. The county or district prosecuting attorney shall provide victim notification regarding the discharge order.

Sec. 10. K.S.A. 2021 Supp. 22-3428 is hereby amended to read as follows: 22-3428. (1)(a) When a defendant is acquitted and the jury answers in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto, the defendant shall be committed to the state security hospital or an appropriate secure facility for safekeeping and treatment and the county or district prosecuting attorney shall provide victim notification. A finding of not guilty and the jury answering in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto, shall be prima facie evidence that the acquitted defendant is presently likely to cause harm to self or others.

(2)(b) Within 90 days of the defendant's admission, the chief medical officer of the state security hospital or licensed psychologist at the appropriate secure facility shall send to the court a written evaluation report. Upon receipt of the report, the court shall set a hearing to determine whether or not the defendant is currently a mentally ill person. The hearing shall be held within 30 days after the receipt by the court of the chief medical officer's report unless the court finds that exceptional circumstances warrant delay of the hearing.

(3) The court shall give notice of the hearing to the chief medical officer of the
state security hospital or licensed psychologist at the appropriate secure facility, the
district or county prosecuting attorney, the defendant and the defendant's attorney. The
county or district prosecuting attorney shall provide victim notification. The court shall
inform the defendant that such defendant is entitled to counsel and that counsel will be
appointed to represent the defendant if the defendant is not financially able to employ
an attorney as provided in K.S.A. 22-4503 et seq., and amendments thereto. The
defendant shall remain at the state security hospital pending the hearing.

(d)(4) At the hearing, the defendant shall have the right to present evidence and
cross-examine witnesses. At the conclusion of the hearing, if the court finds by clear
and convincing evidence that the defendant is not currently a mentally ill person, the
court shall dismiss the criminal proceeding and discharge the defendant, otherwise the
court may commit the defendant to the state security hospital or an appropriate secure
facility for treatment or may place the defendant on conditional release pursuant to
subsection (4)(d). The county or district prosecuting attorney shall provide victim
notification regarding the outcome of the hearing.

(2)(b) Subject to the provisions of subsection (3)(c):

(a)(1) Whenever it appears to the chief medical officer of the state security hospital
or a licensed psychologist at the appropriate secure facility that a person committed
under subsection (1)(d)(a)(4) is not likely to cause harm to other persons in a less
restrictive hospital environment, the officer may transfer the person to any state
hospital, subject to the provisions of subsection (2)(a)(b)(1). At any time subsequent thereto
during which such person is still committed to a state hospital, if the chief medical
officer of that hospital or the licensed psychologist at the appropriate secure facility
finds that the person may be likely to cause harm or has caused harm, to others, such
officer may transfer the person back to the state security hospital.

(b)(2) Any person committed under subsection (1)(d)(a)(4) may be granted
conditional release or discharge as an involuntary patient.

(3)(c) Before transfer of a person from the state security hospital or appropriate
secure facility pursuant to subsection (2)(a)(b)(1) or conditional release or discharge of
a person pursuant to subsection (2)(b)(b)(2), the chief medical officer of the state
security hospital or the state hospital where the patient is under commitment or the
licensed psychologist at the appropriate secure facility shall give notice to the district
court of the county from which the person was committed that transfer of the patient is
proposed or that the patient is ready for proposed conditional release or discharge. Such
notice shall include, but not be limited to: (a)(1) Identification of the patient; (b)(2) the
course of treatment; (c)(3) a current assessment of the defendant's mental illness; (d)(4)
recommendations for future treatment, if any; and (e)(5) recommendations regarding conditional release or discharge, if any. Upon receiving notice, the district
court shall order that a hearing be held on the proposed transfer, conditional release or
discharge. The court shall give notice of the hearing to the appropriate secure facility,
state hospital or state security hospital where the patient is under commitment, to the
district or county prosecuting attorney of the county from which the person was
originally ordered committed. The county or district prosecuting attorney shall provide
victim notification regarding the hearing. The court shall order the involuntary patient
to undergo a mental evaluation by a person designated by the court. A copy of all orders
of the court shall be sent to the involuntary patient and the patient's attorney. The report
of the court ordered mental evaluation shall be given to the district or county-
prosecuting attorney, the involuntary patient and the patient's attorney at least seven days prior to the hearing. The hearing shall be held within 30 days after the receipt by the court of the chief medical officer's notice unless the court finds that exceptional circumstances warrant delay of the hearing. The involuntary patient shall remain in the appropriate secure facility, state hospital or state security hospital where the patient is under commitment until the hearing on the proposed transfer, conditional release or discharge is to be held. At the hearing, the court shall receive all relevant evidence, including the written findings and recommendations of the chief medical officer of the state security hospital or the state hospital or the licensed psychologist of the appropriate secure facility where the patient is under commitment, and shall determine whether the patient shall be transferred to a less restrictive hospital environment or whether the patient shall be conditionally released or discharged. The patient shall have the right to present evidence at such hearing and to cross-examine any witnesses called by the district or county prosecuting attorney. At the conclusion of the hearing, if the court finds by clear and convincing evidence that the patient will not be likely to cause harm to self or others if transferred to a less restrictive hospital environment, the court shall order the patient transferred. If the court finds by clear and convincing evidence that the patient is not currently a mentally ill person, the court shall order the patient discharged or conditionally released; otherwise, the court shall order the patient to remain in the state security hospital or state hospital where the patient is under commitment. If the court orders the conditional release of the patient in accordance with subsection (4)(d), the court may order as an additional condition to the release that the patient continue to take prescribed medication and report as directed to a person licensed to practice medicine and surgery to determine whether or not the patient is taking the medication or that the patient continue to receive periodic psychiatric or psychological treatment. The county or district prosecuting attorney shall notify any victims of the outcome of the hearing.

(4)(d) In order to ensure the safety and welfare of a patient who is to be conditionally released and the citizenry of the state, the court may allow the patient to remain in custody at a facility under the supervision of the secretary for aging and disability services or the head of the appropriate secure facility for a period of time not to exceed 45 days in order to permit sufficient time for the secretary to prepare recommendations to the court for a suitable reentry program for the patient and allow adequate time for the county or district prosecuting attorney to provide victim notification. The reentry program shall be specifically designed to facilitate the return of the patient to the community as a functioning, self-supporting citizen, and may include appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, receiving marital and family counseling, and such other outpatient services that appear beneficial. If a patient who is to be conditionally released will be residing in a county other than the county where the district court that ordered the conditional release is located, the court shall transfer venue of the case to the district court of the other county and send a copy of all of the court's records of the proceedings to the other court. In all cases of conditional release the court shall:

(a)(1) Order that the patient be placed under the temporary supervision of district court probation and parole services, community treatment facility or any appropriate private agency; and
(b)(2) require as a condition precedent to the release that the patient agree in writing to waive extradition in the event a warrant is issued pursuant to K.S.A. 22-3428b, and amendments thereto.

(5)(e) At any time during the conditional release period, a conditionally released patient, through the patient's attorney, or the county or district prosecuting attorney of the county in which the district court having venue is located may file a motion for modification of the conditions of release, and the court shall hold an evidentiary hearing on the motion within 14 days of its filing. The court shall give notice of the time for the hearing to the patient and the county or district prosecuting attorney. If the court finds from the evidence at the hearing that the conditional provisions of release should be modified or vacated, it shall so order. If at any time during the transitional period the designated medical officer or supervisory personnel or the treatment facility informs the court that the patient is not satisfactorily complying with the provisions of the conditional release, the court, after a hearing for which notice has been given to the county or district prosecuting attorney and the patient, may make orders:

(a) (1) For additional conditions of release designed to effect the ends of the reentry program;
(b) (2) requiring the county or district prosecuting attorney to file a petition to determine whether the patient is a mentally ill person as provided in K.S.A. 59-2957, and amendments thereto; or
(c) (3) requiring that the patient be committed to the appropriate secure facility, state security hospital or any state hospital. In cases where a petition is ordered to be filed, the court shall proceed to hear and determine the petition pursuant to the care and treatment act for mentally ill persons and that act shall apply to all subsequent proceedings. If a patient is committed to any state hospital pursuant to this act the county or district prosecuting attorney shall provide victim notification. The costs of all proceedings, the mental evaluation and the reentry program authorized by this section shall be paid by the county from which the person was committed.

(6)(f) In any case in which the defense that the defendant lacked the required mental state pursuant to K.S.A. 22-3220, and amendments thereto, is relied on, the court shall instruct the jury on the substance of this section.

(7)(g) As used in this section and K.S.A. 22-3428a, and amendments thereto:

(a)(1) "Likely to cause harm to self or others" means that the person is likely, in the reasonably foreseeable future, to cause substantial physical injury or physical abuse to self or others or substantial damage to another's property, or evidenced by behavior causing, attempting or threatening such injury, abuse or neglect.

(b)(2) "Mentally ill person" means any person who:

(A) Is suffering from a severe mental disorder to the extent that such person is in need of treatment; and

(B) Is likely to cause harm to self or others.

(e)(3) "Treatment facility" means any mental health center or clinic, psychiatric unit of a medical care facility, psychologist, physician or other institution or individual authorized or licensed by law to provide either inpatient or outpatient treatment to any patient.

Sec. 11. K.S.A. 2021 Supp. 22-3429 is hereby amended to read as follows: 22-3429. After conviction and prior to sentence and as part of the presentence investigation authorized by K.S.A. 2021 Supp. 21-6703, and amendments thereto, or for crimes committed on or after July 1, 1993, a presentence investigation report as provided in K.S.A. 2021 Supp. 21-6813, and amendments thereto, the trial judge may order the
defendant committed to the state security hospital for mental examination, evaluation and report. If the defendant is convicted of a felony, the commitment shall be to the state security hospital or any suitable local mental health facility. If the defendant is convicted of a misdemeanor, the commitment shall be to a state hospital or any suitable local mental health facility. If adequate private facilities are available and if the defendant is willing to assume the expense thereof, commitment may be to a private hospital. A report of the examination and evaluation shall be furnished by the chief medical officer to the judge and shall be made available to the prosecuting attorney and counsel for the defendant. A defendant may not be detained for more than 120 days under a commitment made under this section.

And by renumbering sections accordingly;

the review does not identify a recent prescriber as a point of contact for potential clinical intervention, the advisory committee is authorized to notify the disability and behavioral health services section of the Kansas department for aging and disability services for the purpose of offering confidential treatment services. Further disclosure of information is prohibited. If the review identifies patterns or other evidence sufficient to create a reasonable suspicion of criminal activity, the advisory committee is authorized to notify the appropriate law enforcement agency.

(2) If a review of information appears to indicate that a violation of state or federal law relating to prescribing controlled scheduled substances and drugs of concern may have occurred, or that a prescriber or dispenser has knowingly prescribed, dispensed or obtained controlled scheduled substances and drugs of concern in a manner that is inconsistent with recognized standards of care for the profession, the advisory committee shall determine whether a report to the professional licensing, certification or regulatory agencies charged with administrative oversight of those persons engaged in prescribing or dispensing controlled scheduled substances and drugs of concern or to the appropriate law enforcement agency is warranted.

(A) For purposes of such determination the advisory committee may, in consultation with the appropriate regulatory agencies and professional organizations, establish criteria regarding appropriate standards and utilize volunteer peer review committees of professionals with expertise in the particular practice to create such standards and review individual cases.

(B) The peer review committee or committees appointed herein shall have authority to request and receive information in the prescription monitoring program database from the director of the prescription monitoring program.

(C) If the determination is made that a referral to a regulatory or law enforcement agency is not warranted but educational or professional advising might be appropriate, the advisory committee may refer the prescribers or dispensers to other such resources.

(2) If a review of information appears to indicate that program data has been accessed or used in violation of state or federal law, the advisory committee shall determine whether a report to the professional licensing, certification or regulatory agencies charged with administrative oversight of those individuals engaged in prescribing or dispensing scheduled substances and drugs of concern is warranted and may make such report.

(e) The board is hereby authorized to provide data in the prescription monitoring program data to public or private entities for statistical, research or educational purposes after removing information that could be used to identify individual practitioners, dispensers, patients or persons who received prescriptions from dispensers.

(f) The board is hereby authorized to provide a medical care facility with its program data for statistical, research or education purposes after removing information that could be used to identify individual practitioners or individuals who received prescriptions from dispensers.

(g) The board may, in its discretion, block any user's access to the program database if the board has reason to believe that access to the data is or may be used by such user in violation of state or federal law.

Sec. 6. K.S.A. 65-1687 is hereby amended to read as follows: 65-1687. (a) All information collected for the prescription monitoring program database and any records maintained by the board, or by any entity contracting with the board, submitted to,

EXPLANATION OF VOTE

Mr. President: I reluctantly vote YES on the CCR for H Sub for Sub for SB 286. I have great admiration for the efforts of our health care providers and health care workers during the COVID-19 pandemic and support the enhanced penalties for battery against them included in this legislation. However, the immunity for health care providers in this legislation, while temporary, limited and only applying in cases where treatment is related to COVID19 raises serious concerns.—Cindy Holscher

Mr. President: “I vote “NO” on the CCR for H Sub Sub SB 286. I have great admiration for the efforts of our healthcare providers and healthcare workers during the COVID-19 emergency and support the enhanced penalties for battery against them included in this legislation. However, the immunity for healthcare providers in this legislation – while temporary, limited, and only applying in cases where treatment is related to COVID-19, whether the patient is vaccinated or not – raises very serious concerns. Therefore, unfortunately, I cannot support this legislation.”—Dinah Sykes

Mr. President: I appreciate the hard work of leadership in trying to make this bill work, but over the course of the COVID pandemic, I have been contacted by people from all across Kansas who were denied access to care, or access to loved ones in healthcare facilities due to COVID restrictions even though these facilities were held harmless. Thanks to the immunity provided to these healthcare facilities, it made it very easy for these entities to fall into line, and accept without question, the tyrannical healthcare mandates imposed upon anyone who needed access to healthcare. The immunity has allowed those unconstitutional practices to continue long after the necessity for these restrictions came to an end. The continuation of immunity, in my opinion, perpetuates the false perception that there is an urgent need to keep restrictions in place...and makes it much easier to reimpose new restrictions. The big problem with conference committee week is that bad policy gets packed in with the good. That makes
voting against the bad stuff much harder. But in my opinion, the bad in this bill outweighs the good and so I vote “no.”—Mike Thompson

Senators Peck, Steffen and Straub request the record to show they concur with the "Explanation of Vote" offered by Senator Thompson on H Sub Sub SB 286.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 343 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee of the Whole amendments, as follows:

On page 1, following line 8, by inserting:

"New Section 1. (a) The purpose of sections 1 through 3, and amendments thereto, is to protect the best interests of children parented by blind individuals or children who could be parented by blind individuals through the establishment of procedural safeguards that require adherence to the federal Americans with disabilities act of 1990, and respect for the due process and equal protection rights of parents and prospective parents who are blind in the context of child welfare, foster care, family law and adoption.

(b) The legislature hereby finds and declares that:

(1) Blind individuals continue to face unfair, preconceived and unnecessary societal biases as well as antiquated attitudes regarding such individuals' ability to successfully parent their children;

(2) blind individuals face these biases and preconceived attitudes in family and dependency law proceedings where legal custody, residency and parenting time are at stake and in public and private adoption, guardianship and foster care proceedings;

(3) because of these societal biases and antiquated attitudes, children of blind parents are unnecessarily being removed from their parents' care or being restricted from enjoying meaningful time with their parents; and

(4) children are being denied the opportunity to enjoy the experience of living in loving homes with blind parents or other blind caretakers.

New Sec. 2. As used in sections 1 through 3, and amendments thereto:

(a) "Blind" or "blindness" means a central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye that has a limitation in the field of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees is considered to have a central visual acuity of 20/200 or less. The term "blind" or "blindness" includes any degenerative condition that reasonably can be expected to result in blindness.

(b) "Family foster home" means a child care facility that is a private residence, including any adjacent grounds, where a person provides care for 24 hours per day for one or more children in foster care and for which a license is required under K.S.A. 65-501 et seq., and amendments thereto.

(c) "Supportive parenting services" means services, including, but not limited to, services, aids and supports that may assist a parent or prospective parent who is blind in the effective use of non-visual techniques and other alternative methods to enable the parent or prospective parent to discharge parental responsibilities as successfully as a parent who is not blind.
New Sec. 3. (a) In any action brought under article 22 or article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto:

(1) A parent's blindness shall not serve as a basis for denial or restriction of legal custody, residency or parenting time when such legal custody, residency or parenting time is determined to be otherwise in the best interests of the child;

(2) (A) if a parent's blindness is alleged to not be in the best interests of a child, the party asserting such allegation shall have the burden of proving by clear and convincing evidence that the parent's blindness is not in the best interests of the child;

(B) if a party asserting an allegation described in subparagraph (A) has satisfied such party's burden of proof, the blind parent shall have the opportunity to present evidence that, with the implementation of supportive parenting services, placement with such parent is in the best interests of the child; and

(C) the court may issue an order requiring that supportive parenting services be implemented, and the parties may request that the court review the need for continuing such supportive parenting services after a reasonable period of time; and

(3) if a court denies or otherwise restricts a blind parent's request for legal custody, residency or parenting time, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such denial or restriction.

(b) In any action brought under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, a prospective parent's blindness shall not serve as a basis for the denial of such prospective parent's participation in any adoption when such adoption is determined to be otherwise in the best interests of the child.

(c) In any action brought under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, an individual's blindness shall not serve as a basis for the denial of such individual's appointment as a guardian when such appointment is determined to be otherwise in the best interests of the child.

(d) An individual's blindness shall not serve as a basis for the denial or restriction of such individual's licensure as a family foster home.

(e) (1) In any action brought under article 22 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto, an individual's blindness shall not serve as a basis for an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights.

(2) If a court issues an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights that is adverse to an individual who is a party to the proceeding and who is blind, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such adverse order.

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking "hearing loss" and inserting "disabilities; preserving families that include a parent who is blind; providing for certain considerations relating to cases involving legal custody, residency, parenting time, children in need of care, adoption, foster care and guardianship";

(1) 1/2 of all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) 1/2 of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such
county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(i) \( \frac{1}{4} \) shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year;

(ii) \( \frac{1}{4} \) shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) \( \frac{1}{2} \) shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is
applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied
on property located in a city in Johnson county for the purpose of providing fire
protection service in such city shall be included within the term "total tangible property
tax levies" for such city regardless of its applicability to all tangible property located
within each such city. If the tax is levied by a district which extends across city
boundaries, for purposes of this computation, the amount of such levy shall be
apportioned among each city in which such district extends in the proportion that such
tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed
pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12),
(14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31)-
and (32) and amendments thereto, shall be remitted to and shall be retained by the
county and expended only for the purpose for which the revenue received from the tax
was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto,
all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A.
12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the
county and expended only for the purpose for which the revenue received from the tax
was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to
K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be
retained by the county and expended only for the purpose for which the revenue
received from the tax was pledged unless the question of imposing a countywide
retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto,
includes the apportionment of revenue prescribed in subsection (a).

e) All revenue apportioned to the several cities of the county shall be paid to the
respective treasurers thereof and deposited in the general fund of the city. Whenever the
territory of any city is located in two or more counties and any one or more of such
counties do not levy a countywide retailers' sales tax, or whenever such counties do not
levy countywide retailers' sales taxes at a uniform rate, the revenue received by such
city from the proceeds of the countywide retailers' sales tax, as an alternative to
depositing the same in the general fund, may be used for the purpose of reducing the tax
levies of such city upon the taxable tangible property located within the county levying
such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county
treasurer of the revenue collected in such county from the state retailers' sales tax for the
preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a
countywide retailers' sales tax shall provide such information deemed necessary by the
secretary of revenue to apportion and remit revenue to the counties and cities pursuant
to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide
retailers' sales tax shall not apply to any revenues received pursuant to a county or
countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and
amendments thereto. All such revenue collected under K.S.A. 74-8929, and
amendments thereto, shall be deposited into the redevelopment bond fund established
Sec. 31. K.S.A. 2021 Supp. 74-50,223 is hereby amended to read as follows: 74-50,223. (a) Any county that has been designated a rural opportunity zone pursuant to K.S.A. 74-50,222, and amendments thereto, may participate in the program provided in this section by authorizing such participation by the county commission of such county through a duly enacted written resolution. Such county shall provide a certified copy of such resolution to the secretary of commerce on or before January 1, 2012, for calendar year 2012, or on or before January 1 for each calendar year thereafter, in which a county chooses to participate. Such resolution shall obligate the county to participate in the program provided by this section for a period of five years, and shall be irrevocable. Such resolution shall specify the maximum amount of outstanding student loan balance for each resident individual to be repaid as provided in subsection (b), except the maximum amount of such balance shall be $15,000.

(b) If a county submits a resolution as provided in subsection (a), under the program provided in this section, subject to subsection (d), the state of Kansas and such county which chooses to participate as provided in subsection (a), shall agree to pay in equal shares the outstanding student loan balance of any resident individual who qualifies to have such individual's student loans repaid under the provisions of subsection (c) over a five-year period, except that the maximum amount of such balance shall be $15,000. The amount of such repayment shall be equal to 20% of the outstanding student loan balance of the individual in a year over the five-year repayment period. The state of Kansas is not obligated to pay the student loan balance of any resident individual who qualifies pursuant to subsection (c) prior to the county submitting a resolution to the secretary pursuant to subsection (a). Each such county shall certify to the secretary that such county has made the payment required by this subsection.

(c) A resident individual shall be entitled to have such individual's outstanding student loan balance paid for attendance at an institution of higher education where such resident individual earned an associate, bachelor or post-graduate degree under the provisions of this section when such resident individual establishes domicile in a county designated as a rural opportunity zone which participates in the program as provided in subsection (a), on and after the date in which such county commenced such participation, and prior to July 1, 2023. Such resident individual may enroll in this program in a form and manner prescribed by the secretary. Subject to subsection (d), once enrolled such resident individual shall be entitled to full participation in the program for five years, except that if the resident individual relocates outside the rural opportunity zone for which the resident individual first qualified, such resident individual forfeits such individual's eligibility to participate, and obligations under this section of the state and the county terminate. No resident individual shall enroll and be eligible to participate in this program after June 30, 2023.

(d) The provisions of this act shall be subject to appropriation acts. Nothing in this act guarantees a resident individual a right to the benefits provided in this section. The county may continue to participate even if the state does not participate.

(e) The secretary shall adopt rules and regulations necessary to administer the provisions of this section.

(f) On January 1, 2012, and annually thereafter until January 1, 2024, the
secretary of commerce shall report to the senate committee on assessment and taxation and the house of representatives committee on taxation as to how many residents applied for the rural opportunity zone tax credit.

Sec. 32. K.S.A. 2021 Supp. 79-201x is hereby amended to read as follows: 79-201x. (a) For taxable years 2021 and year 2022, and all taxable years thereafter, the following described property, to the extent herein specified, shall be and is hereby exempt from the property tax levied pursuant to the provisions of K.S.A. 72-5142, and amendments thereto: Property used for residential purposes to the extent of $20,000 of its appraised valuation.

(b) For taxable year 2023, and all taxable years thereafter, the dollar amount of the extent of appraised valuation that is exempt pursuant to subsection (a) shall be adjusted to reflect the average percentage change in statewide residential valuation of all residential real property for the preceding 10 years. Such average percentage change shall not be less than zero. The director of property valuation shall calculate the average percentage change for purposes of this annual adjustment and calculate the dollar amount of the extent of appraised valuation that is exempt pursuant to this section each year.

Sec. 33. K.S.A. 79-224 is hereby amended to read as follows: 79-224. (a) It is the purpose of this section to promote, stimulate, foster and encourage new investments in telecommunications machinery and equipment and railroad machinery and equipment in the state of Kansas, to recognize the dramatic changes within the telecommunications industry, to contribute to the economic recovery of the state, to enhance business opportunities in the state, to encourage the location of new businesses and industries in the state as well as the retention and expansion of existing businesses and industries and to promote the economic stability of the state by maintaining and providing employment opportunities, thereby contributing to the general welfare of the citizens of the state, by exempting from property taxation certain newly purchased or leased telecommunications machinery and equipment and railroad machinery and equipment, including all such machinery and equipment transferred into this state for the purpose of expanding an existing business or for the creation of a new business.

(b) The following described property, to the extent specified by this section, shall be and is hereby exempt from all property or ad valorem taxes levied under the laws of the state of Kansas:

Sec. 34. K.S.A. 79-1476 is hereby amended to read as follows: 79-1476. The director of property valuation is hereby directed and empowered to administer and supervise a statewide program of reappraisal of all real property located within the state. Except as otherwise authorized by K.S.A. 19-428, and amendments thereto, each county shall comprise a separate appraisal district under such program, and the county appraiser shall have the duty of reappraising all of the real property in the county pursuant to guidelines and timetables prescribed by the director of property valuation and of updating the same on an annual basis. In the case of multi-county appraisal districts, the district appraiser shall have the duty of reappraising all of the real property in each of the counties comprising the district pursuant to such guidelines and timetables and of updating the same on an annual basis. Commencing in 2000, every parcel of real property shall be actually viewed and inspected by the county or district appraiser once every six years.

Compilation of data for the initial preparation or updating of inventories for each parcel of real property and entry thereof into the state computer system as provided for in K.S.A. 79-1477, and amendments thereto, shall be completed not later than January 1, 1989. Whenever the director determines that reappraisal of all real property within a county is complete, notification thereof shall be given to the governor and to the state board of tax appeals.

Valuations shall be established for each parcel of real property at its fair market value in money in accordance with the provisions of K.S.A. 79-503a, and amendments thereto.

In addition thereto, valuations shall be established for each parcel of land devoted to agricultural use upon the basis of the agricultural income or productivity attributable to the inherent capabilities of such land in its current usage under a degree of management reflecting median production levels in the manner hereinafter provided. A classification system for all land devoted to agricultural use shall be adopted by the director of property valuation using criteria established by the United States department of agriculture—soil natural resources conservation service. For all taxable years commencing after December 31, 1989, all land devoted to agricultural use which is subject to the federal conservation reserve program shall be classified as cultivated dry land for the purpose of valuation for property tax purposes pursuant to this section.
except that for all taxable years commencing after December 31, 2022, all land devoted to agricultural use that is subject to the federal grassland conservation reserve program (CRP grasslands) shall be classified as grassland for the purpose of valuation for property tax purposes pursuant to this section. For all taxable years commencing after December 31, 1999, all land devoted to agricultural use which is subject to the federal wetlands reserve program shall be classified as native grassland for the purpose of valuation for property tax purposes pursuant to this section. Productivity of land devoted to agricultural use shall be determined for all land classes within each county or homogeneous region based on an average of the eight calendar years immediately preceding the calendar year which immediately precedes the year of valuation, at a degree of management reflecting median production levels. The director of property valuation shall determine median production levels based on information available from state and federal crop and livestock reporting services, the soil natural resources conservation service, and any other sources of data that the director considers appropriate.

The share of net income from land in the various land classes within each county or homogeneous region which is normally received by the landlord shall be used as the basis for determining agricultural income for all land devoted to agricultural use except pasture or rangeland. The net income normally received by the landlord from such land shall be determined by deducting expenses normally incurred by the landlord from the share of the gross income normally received by the landlord. The net rental income normally received by the landlord from pasture or rangeland within each county or homogeneous region shall be used as the basis for determining agricultural income from such land. The net rental income from pasture and rangeland which is normally received by the landlord shall be determined by deducting expenses normally incurred from the gross income normally received by the landlord. Commodity prices, crop yields and pasture and rangeland rental rates and expenses shall be based on an average of the eight calendar years immediately preceding the calendar year which immediately precedes the year of valuation. Net income for every land class within each county or homogeneous region shall be capitalized at a rate determined to be the sum of the contract rate of interest on new federal land bank loans in Kansas on July 1 of each year averaged over a five-year period which includes the five years immediately preceding the calendar year which immediately precedes the year of valuation, plus a percentage not less than 0.75% nor more than 2.75%, as determined by the director of property valuation, except that the capitalization rate calculated for property tax year 2003, and all such years thereafter, shall not be less than 11% nor more than 12%.

Based on the foregoing procedures, the director of property valuation shall make an annual determination of the value of land within each of the various classes of land devoted to agricultural use within each county or homogeneous region and furnish the same to the several county appraisers who shall classify such land according to its current usage and apply the value applicable to such class of land according to the valuation schedules prepared and adopted by the director of property valuation under the provisions of this section.

It is the intent of the legislature that appraisal judgment and appraisal standards be followed and incorporated throughout the process of data collection and analysis and establishment of values pursuant to this section.

For the purpose of the foregoing provisions of this section, the phrase "land devoted
to agricultural use” shall mean and include land, regardless of whether it is located in the unincorporated area of the county or within the corporate limits of a city, which is devoted to the production of plants, animals or horticultural products, including, but not limited to: Forages; grains and feed crops; dairy animals and dairy products; poultry and poultry products; beef cattle, sheep, swine and horses; bees and apiary products; trees and forest products; fruits, nuts and berries; vegetables; and nursery, floral, ornamental and greenhouse products. "Land devoted to agricultural use" shall include land established as a controlled shooting area pursuant to K.S.A. 32-943, and amendments thereto, which shall be deemed to be land devoted to agricultural use. "Land devoted to agricultural use" shall include land that is utilized by zoos that hold a valid class C exhibitor license issued by the United States department of agriculture. "Land devoted to agricultural use" shall include land otherwise devoted to the production of plants, animals or horticultural products that is incidentally used for agritourism activity. For purposes of this section, "agritourism activity" means any activity that allows members of the general public, for recreational, entertainment or educational purposes, to view or enjoy rural activities, including, but not limited to, farming activities, ranching activities or historic, cultural or natural attractions. An activity may be an "agritourism activity" whether or not the participant pays to participate in the activity. An activity is not an "agritourism activity" if the participant is paid to participate in the activity. If a parcel has land devoted to agricultural purposes and land used for suburban residential acreages, rural home sites or farm home sites, the county appraiser shall determine the amount of the parcel used for agricultural purposes and value and assess it accordingly as land devoted to agricultural purposes. The county appraiser shall then determine the amount of the remaining land used for such other purposes and value and assess that land according to its use.

The term "expenses" shall mean those expenses typically incurred in producing the plants, animals and horticultural products described above, including management fees, production costs, maintenance and depreciation of fences, irrigation wells, irrigation laterals and real estate taxes, but the term shall not include those expenses incurred in providing temporary or permanent buildings used in the production of such plants, animals and horticultural products.

The provisions of this act shall not be construed to conflict with any other provisions of law relating to the appraisal of tangible property for taxation purposes including the equalization processes of the county and state board of tax appeals.

Sec. 35. K.S.A. 79-1613 is hereby amended to read as follows: 79-1613. (a) As used in this section:

(1) "Destroyed or substantially destroyed" means damage of any origin sustained by a homestead or building or improvement as the direct result of: (A) An earthquake, flood, tornado, fire or storm; or (B) an event or occurrence which the governor of the state of Kansas has declared a disaster, whereby the cost of restoring the structure damaged as a result of subparagraph (A) or (B) to its before-damaged condition would equal or exceed 50% of the market value of the structure before the damage occurred.

(2) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is
situated. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(b) The owner of any building or improvement listed and assessed for property taxation purposes as real property or any homestead listed and assessed for property taxation purposes which was destroyed or substantially destroyed due to an earthquake, flood, tornado, fire, storm, or other event or occurrence which the governor of the state of Kansas has declared a disaster may make application to the board of county commissioners of the county in which such property is located for the abatement of property taxes levied upon such homestead or building or improvement or for a credit against property taxes payable by such owner, as permitted by this section.

(1) If such homestead or building or improvement has been so destroyed or substantially destroyed after January 1 of a particular year but prior to August 15 of such year, the owner of such homestead or building or improvement may make application to the board of county commissioners for the abatement of property taxes levied upon such homestead or building or improvement, or if such property taxes have been paid or partially paid, may make application for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

(2) If such homestead or building or improvement has been so destroyed or substantially destroyed on or after August 15 of a particular year but prior to January 1 of the next succeeding year, the owner of such homestead or building or improvement may make application to the board of county commissioners for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

(c) An application for relief as permitted by subsection (b) may be made for abatement of property taxes assessed but not yet paid, or for a grant of a credit for assessed property taxes paid or for both, as the case may be, and may be made on or before December 20 of the year next succeeding the year for which such taxes have been assessed.

(d) Upon receipt of any such application, subject to budgetary restraints of the county or taxing subdivision arising from the event or occurrence declared a disaster by the governor, the board of county commissioners shall inquire into and make findings regarding, among other things, whether the property is a homestead, as defined in subsection (a), whether the property is a building or improvement, whether the homestead or the building or improvement was destroyed or substantially destroyed, as defined in subsection (a) and the assessed valuation thereof. If it is determined that an owner of such homestead or building or improvement is entitled to an abatement of all or any portion of the property taxes levied against such homestead or building or improvement or is entitled to a credit against property taxes payable by such owner in any or all of the next succeeding three years, the board may issue an order so providing.

(e) The county clerk and county treasurer shall in each case of abatement or credit correct their records in accordance therewith and the county clerk shall notify the governing body of any taxing district affected thereby.
(f) The provisions of this section shall be applicable to all taxable years commencing after December 31, 2011, and all taxable years thereafter.

(g) Notwithstanding any provision of subsection (c) to the contrary, an application for relief as permitted by subsection (b) may be made for abatement of property taxes assessed but not yet paid, or for a grant of a credit for assessed property taxes paid, or for both, as the case may be, and may be made on or before December 20, 2022, for taxable years 2019 and 2020.

Sec. 36. K.S.A. 79-2930 is hereby amended to read as follows: 79-2930.

(a) Two copies of the budget certificate giving the amount of ad valorem tax to be levied and the total amount of the adopted budget of expenditures by fund, along with itemized budget forms for each and every fund and proof of publication of the notice of budget hearing containing the budget summary shall be presented to the county clerk within the time prescribed by K.S.A. 79-1801, and amendments thereto. Beginning in 2009, all such budget information shall be filed electronically with the county clerk. Where action has been taken under any statute to increase the amount of tax to be levied authorized by law, a statement showing the increased amount or tax levy rate voted, or a copy of the charter resolution or ordinance making the change, shall be attached to the budget each year the change is in effect.

(b) The county clerk shall make any reductions to the ad valorem tax to be levied, compute the tax levy rates based on the final equalized assessed valuation, and enter such on the budget certificate before attesting the budget, except that with regard to levies made under K.S.A. 75-2551, and amendments thereto, such levies shall be based upon the certified preliminary abstract of property values submitted to the director of property valuation pursuant to K.S.A. 79-1604, and amendments thereto. Beginning in 2022, on or before December 31 each year, a copy of all budgets for taxing subdivisions of the county, properly attested, shall be filed with the director of accounts and reports, along with a copy of the tax levy rate summary required of the county treasurer by K.S.A. 79-2002, and amendments thereto. Beginning in 2009, all such budget information shall be filed electronically with the director of accounts and reports.

(c) Each fund of the adopted budget certified to the county clerk in no event shall exceed the amount of ad valorem tax to be levied and the proposed expenditures of such fund in the proposed budget as originally published. The governing body of each taxing subdivision shall not certify an amount of ad valorem taxes to be levied that is in excess of any tax levy rate or amount limitations or any aggregate tax levy limitations. The governing bodies, in fixing the amount may take into consideration and make allowance for the taxes which may not be paid, such allowance, however, shall not exceed by more than 5% the percentage of delinquency for the preceding tax year.

Sec. 37. K.S.A. 2021 Supp. 79-2988 is hereby amended to read as follows: 79-2988.

(a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall
publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice: (A) On the website of the governing body, if the governing body maintains a website; and
(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:
(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;
(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;
(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;
(D) the percentage by which the proposed tax rate exceeds the revenue neutral rate;
(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;
(F) the appraised value and assessed value of the taxpayer's property for the current year;
(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;
(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (F) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and
(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall
provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c)(1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this subsection paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school
district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

(c)(1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision’s revenue neutral rate.

(e)(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2021 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The provisions of this section shall take effect and be in force from and after January 1, 2021.

(i) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. (a) "Income" means the sum of adjusted gross income under the Kansas income tax act effective for tax year 2013 and thereafter without regard to any modifications
pursuant to K.S.A. 79-32,117(b)(xx) through (xxiii) and (c)(xx), and amendments thereto, maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including but not limited to, all payments received under the railroad retirement act, except disability payments, payments received under the federal social security act, except that for determination of what constitutes income such amount shall not exceed 50% of any such social security payments and shall not include any social security payments to a claimant who prior to attaining full retirement age had been receiving disability payments under the federal social security act in an amount not to exceed the amount of such disability payments or 50% of any such social security payments, whichever is greater, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of "loss of time" insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not include veterans disability pensions. Income does not include disability payments received under the federal social security act.

(b) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as husband and wife who together occupy a homestead.

(c) "Household income" means all income received by all persons of a household in a calendar year while members of such household.

(d) "Homestead" means the dwelling, or any part thereof, owned and occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (1) For purposes of a claim under K.S.A. 79-4508, and amendments thereto: (A) A person having a disability; (2) (B) a person who is 55 years of age or older; (3) (C) a disabled veteran; (4) (D) the surviving spouse of active duty military personnel who died in the line of duty; or (5) (E) a person other than a person included under (1), (2), (3) or (4) subparagraph (A), (B), (C) or (D) having one or more dependent children under 18 years of age residing at the person's homestead during the calendar year immediately preceding the year in which a claim is filed under this act; or (2) for purposes of a claim under section 17, and amendments thereto: (A) A person who is 65 years of age or older; or (B) a disabled veteran. The surviving spouse of a disabled veteran who was receiving benefits pursuant to subsection (e)(3) of this section at the time of the veterans' death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them
as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of $20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than
20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $20/200 or less.

(i) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% or greater permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.

c) The claimant may elect not to record the amount claimed on the claim. The claim allowable to persons making this election shall be computed by the department which shall notify the claimant by mail of the amount of the allowable claim.

d) In the case of all tax years commencing after December 31, 2004, the upper limit threshold amount prescribed in this section, shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

Sec. 48. K.S.A. 79-4509 is hereby amended to read as follows: 79-4509. (a) In the event property taxes accrued exceeds $700 for a household in any one year, the amount thereof shall, for purposes of this act, be deemed to have been $700.
