EXPLANATION OF VOTE

Mr. Vice President: I voted “AYE” on House Substitute for Substitute for Senate Bill 267. This budget bill will do much for Kansans: investments in education, our highway fund, the state water plan and state employee salaries. It increases the funding for many of our social services; we could have done even more if we had expanded Medicaid. This budget also includes funding to reduce the state sales tax on groceries. I am pleased to have voted for the budget, but incredibly disappointed that the Senate adjourned without passing the conference committee report on House Bill 2106. Reducing that tax could help so many Kansans, especially those with children and with low incomes. What are we thinking?—Marci Francisco

reading the English language and is unable to apply for or mark or transmit an advance

(e) The county election officer shall allow a person to assist a voter who has an illness or physical disability or who is not proficient in reading the English language in applying for or marking an application or advance voting ballot, or to sign for a voter who has a disability preventing the voter from signing an application or advance voting ballot form, provided a written statement is signed by the person who renders assistance to the voter who has an illness or physical disability or who is not proficient in reading the English language and such statement is submitted to the county election officer with the application or ballot. The statement shall be on a form prescribed by the secretary of state and shall contain a statement from the person providing assistance that the person has not exercised undue influence on the voting decision of the voter who has an illness or physical disability or who is not proficient in reading the English language and that the person providing assistance has completed the application, marked the ballot, or signed the application or ballot form as instructed by the voter.

(4) A violation of this subsection is a class C misdemeanor.

(h) Subject to the provisions of subsection (b), no county election officer shall accept an advance voting ballot transmitted by mail unless the county election officer verifies that the signature of the person on the advance voting ballot envelope matches the signature on file in the county voter registration records, except that verification of the voter's signature shall not be required if a voter has a disability preventing the voter
from signing the ballot or preventing the voter from having a signature consistent with such voter's registration form. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person on the advance voting ballot envelope does not match the signature on file in the county voter registration records, the ballot shall not be counted.

EXPLANATION OF VOTE

Mr. President: Like last week on SB 484 and last year, I voted to “PASS” for the ban on transgender women in women’s sports. Only now, mean-spiritedly compelled by a Call of the Senate, must I again split my 50/50 deliberation to vote one way or another on this divisive measure. Accordingly, by a hair’s breadth, I vote “NO” on SB 160. Our Great State of Kansas can ill afford the stigma which is conferred on jurisdictions that are deemed discriminatory, insensitive and politically incorrect. Further, I predict that the future will judge those who have instituted such bans (when the federal government nullifies them) as Neanderthalistic and absolutely regressive in thought. Though I always have believed and fought for equality and inclusion for all people, at my heart I am an avowed feminist. Despite ingrained courtesies accorded women (like holding the
Mr. President: "Amid all of the drama at this year’s Academy Awards, the public missed an important and impactful message by Jessica Chastain, who won Best Actress that night for her portrayal of Tammy Faye Bakker. In her speech, she amplified Tammy’s “radical acts of love” and her compassion, which she sees as “a guiding principle that leads us forward, and connects us all in the desire that we want to be accepted for who we are.” In my public service, I have always tried to lead with compassion, which is why I cannot vote for this cruel bill that will have no impact on advancing women’s rights but will absolutely tell the most vulnerable among us that they do not belong in our state. All Kansas kids deserve to inherit a state that has been advanced with an intention of radical love, and we are failing them by approving legislation that seeks to divide us and promote judgment and hate.”—DINAH SYKES

Senators Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on SB 160.

The Good Rewards Of Unity
Ecclesiastes 4:9, Romans 12:3-6a

Lord, God of Heaven and Earth, recognizing our need for unity, You told us in Ecclesiastes 4:9 that two are better than one because they have a good reward for their labor. Lord, our desire is to prayerfully experience the promise of the good rewards as we labor here together.

After being away for a season, You have returned us to the labors that prayerfully will bring those rewards. You created us with a fundamental need for synergism, where the sum of what we accomplish united together as a team surpasses the sum of what we achieve working individually.

So move us Lord, as You warned us in Romans 12:3, to not think more highly of ourselves than we ought but to realize that no matter what our individual positions might be You’ve created us to need each other. And when You have finished with us, when we and the people we serve are enjoying the fruit of our labors, we’ll know it was by Your Divine hand.

I come to You this morning, in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

(3) The judicial council shall develop a petition form for use under this section.

Any person who may have relevant information about the offender may testify at the hearing.

(5) The county or district attorney shall notify any victim of the offense requiring registration who is alive and whose address is known or, if the victim is deceased, the victim's family if the family's address is known. The victim or victim's family shall not be compelled to testify or provide any discovery to the offender.

(6) The county or district attorney shall have access to all applicable records, including records that are otherwise confidential or privileged.

(2) Any risk assessment ordered under this subsection shall be performed by a professional agreed upon by the parties or a professional approved by the court. Such risk assessment shall be performed at the offender's expense.

(f) The court shall order relief from registration requirements if the offender shows by clear and convincing evidence that:

(1) The offender has not been convicted or adjudicated of a felony, other than a felony violation or aggravated felony violation of K.S.A. 22-4903, and amendments thereto, within the five years immediately preceding the filing of the petition, and no proceedings involving any such felony are presently pending or being instituted against

Within 14 days of any order, the court shall notify the Kansas bureau of investigation and any local law enforcement agency that registers the offender that the offender has been granted relief from registration requirements. The Kansas bureau of investigation shall remove such offender from any internet website maintained pursuant to K.S.A. 22-4909, and amendments thereto.  
(i) An offender may combine a petition for relief under this section with a petition for expungement under K.S.A. 2021 Supp. 21-6614, and amendments thereto, if the offense requiring registration is otherwise eligible for expungement.  
Sec. 5. K.S.A. 2021 Supp. 21-6614, 22-4902, 22-4906 and 22-4908 are hereby repealed.

(j) "qualified allocation plan" means the qualified allocation plan adopted by the KHRC pursuant to section 42(m) of the federal internal revenue code;
(k) "qualified development" means a "qualified low-income housing project," as that term is defined in section 42 of the federal internal revenue code that is located in Kansas and is determined by the KHRC to be eligible for a federal tax credit whether or not a federal tax credit is allocated with respect to such qualified development; and
(l) "qualified taxpayer" means an individual, a person, firm, corporation, or other entity that owns an interest, direct or indirect, in a qualified development and is subject to the taxes imposed by the Kansas income tax act, the privilege taxes imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium taxes imposed pursuant to K.S.A. 40-252, and amendments thereto.

New Sec. 3. (a) For all taxable years commencing after December 31, 2022, there shall be allowed a credit against the income tax liability imposed pursuant to the Kansas
income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, for each qualified development for each year of the credit period, in an amount equal to the federal tax credit allocated or allowed by the KHRC to such qualified development, except that there shall be no reduction in the credit allowable in the first year of the credit period due to the calculation in section 42(f)(2) of the federal internal revenue code.

(b) The KHRC shall issue an allocation certificate to an owner of a qualified development to which a credit has been allocated. The KHRC shall issue an allocation certificate to the qualified development simultaneously with issuance of federal form 8609 with respect to the federal tax credits.

(d) If an owner of a qualified development receiving an allocation of a credit is a pass-through entity, the owner may allocate the credit among its partners or members in any manner agreed to by such persons regardless of whether: (1) Any such person is allocated or allowed any portion of any federal tax credit with respect to the qualified project; (2) the allocation of the credit under the terms of the agreement has substantial economic effect within the meaning of section 704(b) of the federal internal revenue code; or (3) any such person is deemed a partner for federal income tax purposes, if the partner or member would be considered a partner or member under applicable state law governing such entity and has been admitted as a partner or member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments to such tax return, with respect to the year of the credit. In the case of multiple tiers of pass-through entities, the credit may be so allocated through any number of pass-through entities in any manner agreed by the owners of such pass-through entities, none of which shall be considered a transfer. Any pass-through entity allocating a credit to its partners or members shall attach a pass-through certification to its tax return annually. Each partner or member shall be allowed to claim or further allocate such amount subject to any restrictions set forth in this act.

(e) An owner of a qualified development to which a credit has been allocated and each qualified taxpayer to which such owner has allocated a portion of such credit, if any, shall file with their state income, privilege or premium tax return a copy of the allocation certificate issued by the KHRC with respect to such qualified development and a copy of any pass-through certification, as prescribed by the director.

(g) The allocated credit amount may be taken against the income, privilege or premium taxes imposed for each taxable year of the credit period. Any amount of credit that exceeds the income, privilege or premium tax liability of a qualified taxpayer for a
taxable year may be carried forward as a credit against subsequent years' tax liability up to 11 tax years following the tax year in which the allocation was made and shall be applied first to the earliest years possible. Any amount of the credit that is not used shall not be refunded to the taxpayer.

(h) Unless otherwise provided in this act or the context or law requires otherwise, the KHRC shall determine eligibility for a credit and allocate credits in accordance with the standards and requirements set forth in section 42 of the federal internal revenue code. Any combination of federal tax credits and credits allowed pursuant to this act shall be the least amount necessary to ensure the financial feasibility of a qualified development.

New Sec. 4. If, under section 42 of the federal internal revenue code, a portion of any federal tax credit taken on a qualified development is required to be recaptured or is otherwise disallowed during the credit period, the qualified taxpayer that claimed the credit pursuant to this act with respect to such qualified development shall also be required to recapture a portion of any credits authorized by this act. The percentage of credits subject to recapture shall be equal to the percentage of federal tax credits subject to recapture or otherwise disallowed during such period. Any credits recaptured or disallowed shall increase the tax liability of the qualified taxpayer who claimed the credits and shall be included on the tax return of the qualified taxpayer submitted for the taxable year in which the recapture or disallowance event is identified.

(k) "qualified investor" means an investor that has made a cash investment in a qualified housing project and is eligible for a tax credit under this act. A "qualified investor" includes a natural person, a business or a bank or other financial institution or association and the project builder or developer; and

New Sec. 9. (a) There is hereby established the Kansas housing investor tax credit program within the Kansas housing resources corporation, to be administered by the director of housing. The purpose of tax credits issued under the Kansas housing investor tax credit program is to facilitate investment in suitable housing that will support the growth of communities that lack adequate housing by attracting new employees, residents and families and will support the development and expansion of businesses that are job and wealth creating enterprises.

(b) To achieve this purpose and to optimize the use of the limited resources of the state, the director is authorized to issue tax credits for qualified housing projects to qualified investors who make cash investments in such qualified housing projects and to project builders and developers. Such tax credits shall be issued for those qualified housing projects that, as determined by the director, are most likely to provide the greatest economic benefit to and best meet the needs of the community lacking adequate housing where the project is located. In issuing tax credits, the director shall give priority to Kansas investors.

(c) To be designated as a qualified housing project, the project builder or developer shall apply to the director. Such application shall be in a form and substance as required by the director and shall include:

8. such additional information as the director may require.

(d) In determining whether to designate a project as a qualified housing project, the director shall consider whether the project:

1. Has the support of the community and the governing body of the city or county where such project is located;
2. will enhance the ability of the community that lacks adequate housing to attract new businesses or expand existing business by providing suitable housing directly for employees or make such housing significantly more available, or will meet other
significant housing needs of the community making the community attractive to new or expanding businesses or their employees, as determined by the director;

(3) has the financial support, management, planning and market to be successful;

(4) has an analysis or survey of the housing needs of the community provided by the project builder or developer or the governing body of the city or county where the project is located that, in the director's judgment, supports proceeding with the proposed project for the purposes of this act;

(5) has met all other requirements of this act to the satisfaction of the director; and

(6) has met such other requirements of the director as adopted in rules and regulations.

(e) If the director approves the application, the director shall enter into an agreement with the project builder or developer for the project prior to issuing any tax credits for the project. The agreement shall set forth the amount of tax credits to be issued for the project, the requirements for a cash investment and the issuance of tax credits. If the project builder or developer has been approved by the director for tax credits for the project builder's or developer's cash investment in the project, the agreement shall set forth the amount of credits so approved and the amount of credits remaining for issuance to other qualified investors. Such agreement shall require, as a condition of the issuance of tax credits, binding commitments by the project builder or developer to the corporation for:

(1) The reporting of progress and financial data, including investor information. The project builder or developer shall have the obligation to notify the director in a timely manner of any changes in the qualifications of the project or in the eligibility of investors to claim a tax credit;

(2) the right of access to the project and to the financial records of the project builder or developer;

(3) the provision of information for purposes of the economic development incentive program information database pursuant to K.S.A. 2021 Supp. 74-50,226, and amendments thereto;

(4) the repayment requirements upon loss of designation pursuant to section 11, and amendments thereto; and

(5) any additional terms and conditions required by the director.

(f) To be eligible to receive tax credits, a qualified investor shall make a cash investment in the project in accordance with the agreement required by subsection (e). Each project builder or developer of a designated qualified housing project shall promptly report to the corporation the following information at the time such information becomes known to the builder or developer:

(i) The state of Kansas shall not be held liable for any damages to any qualified investor that makes an investment in a qualified housing project.

(j) The director shall provide information regarding qualified housing projects and qualified investors to the secretary of revenue.

(k) The director shall adopt rules and regulations as necessary to implement the provisions of this act.

New Sec. 10. (2) To claim such tax credit, the qualified investor or project builder or developer shall provide all information or documentation in the form and manner required by the secretary of revenue. If the amount of the credit exceeds the taxpayer's tax liability in any one taxable year, the remaining portion of the credit may be carried forward in the succeeding taxable years until the total amount of the credit is used, except that no credit may be claimed after four taxable years next succeeding the taxable year that such credit was issued, and any remaining credit shall be forfeited.

(b) (1) Tax credits may be issued by the director for a qualified housing project as follows:

(2) A qualified housing project shall be limited to a total of 40 such residential units per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by section 9, and amendments thereto. Project builders or developers may apply to the director each year for tax credits for additional units or phases of a project. Qualified
investors may be issued tax credits for cash investments in multiple qualified housing projects. Project builders or developers may apply and be approved for multiple qualified housing projects in the same tax year.

(4) The aggregate amount of tax credits that may be issued under this section shall not exceed $13,000,000 each tax year, except that if the director issues an aggregate amount of tax credits in one tax year that is less than $13,000,000, then the director may carry forward the difference and issue such amount of tax credits in the immediately succeeding tax year in addition to the statutory amount that may be issued under this section. Of the aggregate amount of tax credits issued in one tax year, the director shall allocate:

(A) Not less than $2,500,000 in tax credits for qualified housing projects located in counties with a population of not more than 8,000;

d) Any qualified investor without a current tax liability at the time of the investment in a qualified housing project that does not reasonably believe such investor will owe any such tax for the current taxable year and who receives a tax credit pursuant to this section shall be deemed to acquire an interest in the nature of a transferable credit limited to the amount of the credit issued to the qualified investor by the director. This interest may be transferred to any person whether or not such person is then a qualified investor and be claimed by the transferee as a credit against the transferee’s Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred. The credit may be carried forward as permitted by subsection (a). No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. Only the full amount of the tax credit for any one qualified housing project investment may be transferred and may only be transferred one time. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. (b) At the end of such 120-day period, if the project is still not in substantial compliance, the director shall send a notice of loss of designation to the project builder or developer, the secretary of revenue and all known qualified investors in the project. Loss of designation of a qualified housing project shall preclude the issuance of any additional tax credits with respect to the project, and the director shall not approve any subsequent application for such project as a qualified housing project. Upon loss of the designation as a qualified housing project, the project builder or developer shall repay any tax credits such taxpayer has claimed. (c) Qualified investors other than the project builder or developer who have lawfully made a cash investment in a qualified housing project approved by the director shall not have tax credits disallowed solely due to the project losing its designation as a qualified housing project under this act.

New Sec. 12. (a) On or before January 31, 2023, and on or before January 31 of each year thereafter, the director shall transmit a report annually to the governor, the standing committee on commerce of the senate and the standing committee on commerce, labor and economic development of the house of representatives. (b) Any bank, savings and loan association or savings bank shall pay taxes on 50% of the interest earned on loans to qualified taxpayers used for qualified expenditures for the restoration and preservation of a qualified historic structure.

(d) As used in this section, unless the context clearly indicates otherwise:

(1) "Qualified expenditures" means the costs and expenses incurred by a qualified taxpayer in the restoration and preservation of a qualified historic structure pursuant to a qualified rehabilitation plan which are defined as a qualified rehabilitation expenditure by section 47(c)(2) of the federal internal revenue code;

(2) "Qualified historic structure" means any building, whether or not income producing, which is defined as a certified historic structure by section 47(c)(3) of the federal internal revenue code, is individually listed on the register of Kansas historic places, or is located and contributes to a district listed on the register of Kansas historic places;

(3) "Qualified rehabilitation plan" means a project which is approved by the cultural resources division of the state historical society, or by a local government certified by the division to so approve, as being consistent with the standards for rehabilitation and guidelines for rehabilitation of historic buildings as adopted by the federal secretary of interior and in effect on the effective date of this act. The society shall adopt rules and regulations providing application and approval procedures necessary to effectively and efficiently provide compliance with this act, and may collect fees in order to defray its approval costs in accordance with rules and regulations adopted therefor; and

(4) "Qualified taxpayer" means the owner of the qualified historic structure or any other person who may qualify for the federal rehabilitation credit allowed by section 47 of the federal internal revenue code.

If the taxpayer is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability company, the credit provided by this section shall be claimed by the shareholders of such corporation, the partners of such partnership or the members of such limited liability company in the same manner as such shareholders, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability company, or as the corporation, partnership or limited liability company mutually agree as provided in the bylaws or other executed agreement. Credits granted to a partnership, a limited liability company taxed as a partnership or other multiple owners of property shall be passed through to the partners, members or owners respectively pro rata or pursuant to an executed agreement among the partners, members or owners documenting any alternate distribution method.

(e) Any person, hereinafter designated the assignor, may sell, assign, convey or otherwise transfer tax credits allowed and earned pursuant to subsection (a). The taxpayer acquiring credits, hereinafter designated the assignee, may use the amount of the acquired credits to offset up to 100% of its such assignee's income, privilege or premiums tax liability for either the taxable year in which the qualified rehabilitation plan was first placed into service or the taxable year in which such acquisition was
made. Unused credit amounts claimed by the assignee may be carried forward for up to five years, except that all such amounts shall be claimed within 10 years following the tax year in which the qualified rehabilitation plan was first placed into service. The assignor shall enter into a written agreement with the assignee establishing the terms and conditions of the agreement and shall perfect such transfer by notifying the cultural resources division of the state historical society in writing within 90 calendar days following the effective date of the transfer and shall provide any information as may be required by such division to administer and carry out the provisions of this section. The amount received by the assignor of such tax credit shall be taxable as income of the assignor, and the excess of the value of such credit over the amount paid by the assignee for such credit shall be taxable as income of the assignee.

(f) The executive director of the state historical society may adopt rules and regulations as necessary for the efficient and effective administration of the provisions of this section.

SPECIAL REMARKS

I want to extend my personal congratulations to the 2021-2022 University of Kansas men’s basketball team for their outstanding season and for winning the NCAA Division I Men’s Basketball Championship. Earlier in the season, the team were Big 12 Regular Season Co-Champions, tying with Baylor for the best conference record, and won the Big 12 Championship tournament in Kansas City, defeating Texas Tech. This is Head Coach Bill Self’s 2nd NCAA tournament win – and my second time to honor a KU men’s basketball team in the Senate…I was here to honor the 2008 Champions. I’m proud to be the Senator who represents the 2nd District that includes Allen Field House, but also one who graduated from, taught, and worked at KU and who lives in the house at 11th and Ohio built by E.H.S. Bailey. Bailey, a chemistry professor suggested to colleagues on a train ride back to Lawrence in 1886 that the University needed a rousing yell; they settled on “Rah, Rah, Jayhawk, Go KU”. When “Rock Chalk” replaced “Rah Rah” a few years later, Professor Bailey gave the geology department credit for the change. Thanks to the coaches and players for coming to Topeka to let us help continue your championship celebration; April 25, 2022 is KU Men’s Basketball National Championship Victory Day. And thanks for all the opportunities you have given us this year to together yell out: ROCK CHALK, JAYHAWK GO KU!—MARCI FRANCISCO

Invocation by Reverend Cecil T. Washington:

Confidence In Prayer
Psalm 91:2, 1 John 5:14-15

Heavenly Father, this is our time for prayer and not because it’s just after 10 o’clock. Lord, our need for prayer is not determined by a calendar or a clock. It is determined by You guiding us to pray, the examples of prayers that have been answered and the situations we face today, some of which produce attitudes of gratitude. And then some that are disturbing.

But the comforting thing is to know that come rain or shine Your love and compassion rule the day. When we humble ourselves and come to You in prayer, You have promised to hear us. And You’ve given us a reliable witness to Your faithfulness.

David, who fathered Solomon, the wisest man to ever live, gave us personal confirmation of Your faithfulness. Lord, he used five personal pronouns in verse 2 of Psalm 91. He said, “I will say of the Lord, He is my refuge and my fortress, my God, in Him will I trust.”

Lord, another witness to Your faithfulness and the reliability of prayer comes from the Apostle John. He said in 1 John 5:14-15, “This is the confidence we have in approaching God, that if we ask anything according to His will He hears us. And if we know that He hears us, whatever we ask, we know that we have what we asked of Him.”

Lord, please add us, each of us, to Your ever-growing list of witnesses to the expediency of prayer. I’m asking this in the Name of Christ Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

CONSIDERATION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

In compliance with Senate Rule 11, the Senate considered the motion of Senator Holland to withdraw SCR 1624 from committee. The motion failed.

On roll call, the vote was: Yeas 10; Nays 24; Present and Passing 4; Absent or Not Voting 2.

Present and Passing: Alley, Baumgardner, Steffen, Straub.

Absent or Not Voting: Doll, Ware.

EXPLANATION OF VOTE

Mr. Vice President: I vote “Aye” on SCR 1624 – Make Ministers Mandated Reporters of Child Abuse and Neglect. There have been several lawsuits and prosecutions concerning Roman Catholic clergy sexually abusing children across the U.S. Just as concerning have been the actions of bishops to purposefully not report these crimes and instead reassign accused priests to other parishes. The Kansas Bureau of Investigation has been investigating reports of sexual abuse by clergy at the four Catholic dioceses of Kansas since February 2019. For far, far too long the Kansas Legislature has looked the other way while pedophile priests, pastors and other religious leaders of faith have sexually assaulted Kansas children. SCR 1624 is a much-needed tool for Kansas law enforcement agencies to start bringing these criminals masquerading as trustworthy religious authorities to justice.—Tom Holland

Senators Francisco and Pittman request the record to show they concur with the "Explanation of Vote" offered by Senator Holland on SCR 1624.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 58, An ACT concerning education; relating to schools and school districts; establishing the parents' bill of rights.

REGARDING VETO OF SENATE BILL 58

Throughout the pandemic, parents had to step up and do the impossible. Go to work. Take care of their children. Teach, tutor and facilitate their children’s learning. When it comes to their children’s education, parents can and should play a vital role. We know that parental engagement in their child’s education greatly impacts the outcome.
This bill, however, is about politics, not parents. Over one hundred Kansas parents testified against this bill. It would create more division in our schools and would be costly. Money that should be spent in the classroom would end up being spent in the courtroom.

That's unacceptable, especially after our efforts to bring Democrats and Republicans together to fully fund our schools for the last four years.

I look forward to working with the Legislature in a bipartisan fashion on a bill that gives parents a seat at the table without harming school funding or exacerbating the issues facing our teachers.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 58.

LAURA KELLY

ACTIONS ON VETO MESSAGE

A motion by Senator Baumgardner on SB 58, AN ACT concerning education; relating to schools and school districts; establishing the parents' bill of rights, be passed notwithstanding the Governor's veto.

On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: Ware.

A two thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion passed and the veto was overridden.

EXPLANATION OF VOTE

Mr. Vice President: I vote to sustain the Governor's veto on the so called "Parents Bill of Rights." This bill creates division in our schools, in a time where we are emerging from a pandemic. It puts even more workload on overworked educators, when we are facing a teacher workforce shortage. This bill incentivizes book bans at a time when kids have almost unlimited access to content on the internet, limiting critical thinking activities and has empty processes and transparency already in existence. This "Bill of Rights" is reactionary, where I think we should be visionary. For example, I want to make sure my kids are safe; that they don't live with fear from bullies in the form of students, administrators or other parents; that kids get individualized education to achieve personal success; that teachers don't have 30+ kids in a class; that kids with special needs have teachers that can help them. I want a parent bill-of-rights that shows that Kansas values teachers for the professional educators they are. I want curriculum that excites our kids for whatever path they choose, that aids in basic skills development, that help them avoid a lifetime of debt, that aids critical thinking skills in an age of disinformation and that allows kids to be kids, yet still helps these same kids
prepare for the difficult realities of what it takes for each kid, for my kids, to be successful. That's what I would support in a real Parents Bill of Rights.—JEFF PITTMAN

Senators Francisco, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Pittman on SB 58.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 160, An ACT concerning education; relating to student athletes; enacting the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations.

REGARDING VETO OF SENATE BILL 160

Both Republican and Democratic Governors have joined me in vetoing similar divisive bills for the same reasons: it's harmful to students and their families and it’s bad for business.

We all want a fair and safe place for our kids to play and compete. However, this bill didn't come from the experts at our schools, our athletes, or the Kansas State High School Activities Association. It came from politicians trying to score political points.

This bill would also undoubtedly harm our ability to attract and retain businesses. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation than strategic, pro-growth lawmaking.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 160.

ACTIONS ON VETO MESSAGE

A motion by Senator Erickson on SB 160, An ACT concerning education; relating to student athletes; enacting the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations, be passed notwithstanding the Governor's veto.

On roll call, the vote was: Yeas 28; Nays 10; Present and Passing 1; Absent or Not Voting 1.

Present and Passing: Haley.
Absent or Not Voting: Ware.

A two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion passed and the veto was overridden.
EXPLANATION OF VOTE

Mr. Vice President: My concern with this most recent version of this bill is the inclusion of elementary students – in particular Kindergarten through 5th graders – who should not have any place in this bill. I support Fairness in Women’s Sport. I started the first Girls Wrestling Team at Washburn Rural that have won 6A State Championships twice, but this bill goes too far. Kindergarteners are not women. There are no physical advantages of males at the elementary level and I am sad that this bill includes our youngest students. I voted to try to amend those youngsters out of the bill unsuccessfully. I have also offered to try to work with others to eliminate the focus on our youngest students. Until that happens….I must vote NO to sustain the Governor’s veto.—BRENDA DIETRICH

Mr. Vice President: I vote to sustain Governor Kelly’s veto of SB 160 – the Kansas Public School Childrens’ Genitalia Inspection Act. This bill shreds personal privacy and healthcare privacy rights for Kansas families whose children attend Kansas public schools. KSHAA already has policies to address this issue. The Kansas Legislature is better than this.—TOM HOLLAND

Mr. Vice President: I vote aye on SB 160 and would like to explain my vote. Last year, I voted no on the Fairness in Women’s Sports Act because there were many flaws in the bill. Unfortunately, those flaws still exist. For example, I am disappointed that the bill includes K-5 children. It is completely unnecessary. However, that doesn’t change the fact that Kansas does not have firm rules in place to appropriately address this issue and the NCAA and KSHSAA are behind in developing rules. For these reasons, I vote Yea.—CARYLYN MCGINN

Senator Doll requests the record to show he concurs with the "Explanation of Vote" offered by Senator McGinn on SB 160.

Mr. Vice President: As a father of two girls, I absolutely understand parents who are concerned about this issue. However, competitive high school and college sports already have regulations with KSSHA and NCAA to deal with trans athletes and we should observe and evaluate their leadership as they grapple with this complex issue where we need to have rules that keep women's sports competitive and fair, especially at these competitive levels. SB 160 merely divides our voters. This bill unfairly targets elementary kids all the way down to kindergarten and originally contained genital checking which goes too far for me. It targets a trans population in broad strokes, a population that is at a higher risk of suicide. I believe it does have economic risks for Kansas with regard to factoring against us in the NCAA, FIFA and other tournaments, as well as opening our schools' liability to lawsuits. This bill on transgender athletes was a solution in search of a problem, where here in Kansas only .000047% of athletes identify as trans. I vote today to sustain the governor's veto as we should be looking at solutions that work with and for our young citizens who are trans, not just out and out bans.—JEFF PITTMAN

Senator Pittney requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pittman on SB 160.

Mr. Vice President: The purpose of the Fairness in Women’s Sports Act is found in its title – it’s to preserve fundamental fairness in women’s sports, protections which have
existed for 50 years and are now being undermined. While it is unfortunate and perhaps shocking we even have to pass such a bill, it has become necessary so that the incredible gains women have made on the field, on the court, in the pool, or in other athletic competitions are not lost. It is to ensure that the thrill of victory and the competitive spirit of athletics is not destroyed due to a radical ideology that refuses to acknowledge biological reality. Unable to argue these basic facts, some are resorting to gross and inaccurate hyperbole that fans the flames of division rather than calmly, civilly, and rationally debating what is a sensitive yet important topic. Thankfully, today, the Kansas Senate stood for rationality, truth, fairness, and most importantly, women and girls throughout Kansas. I vote Yes.—Ty Masterson

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 161, AN ACT concerning personal package delivery devices; definitions; operating requirements and restrictions; exemption from motor vehicle requirements; limitation of local regulation; requiring entities to submit annual fees and certification forms to the division of vehicles; amending K.S.A. 2021 Supp. 8-126 and repealing the existing section.

REGARDING VETO OF SENATE BILL 161

I support advancements in technology to enhance our transportation network and delivery services. However, Senate Bill 161 allows delivery service businesses to operate large robotic delivery devices on sidewalks with few safety precautions. These precautions are particularly important in residential areas.

This bill does not clarify who is responsible for enforcing rules and regulations related to personal delivery devices other than requiring an annual fee and a certification form with minimal information. The provisions around minimum liability are also ambiguous and unclear in their application.

The Legislature must address these safety concerns before this bill becomes law. I’m ready to work with lawmakers on legislation that allows us to take advantage of technological advances while ensuring the safety of all Kansans.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 161.

ACTIONS ON VETO MESSAGE

The Governor's objection to SB 161 having been read, the time arrived for reconsideration of SB 161.

There was no motion to reconsider. The Chair ruled the bill had been reconsidered and the veto sustained.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 199, AN ACT concerning insurance; relating to health insurance; providing for short-term, limited-duration health plans; amending K.S.A. 40-2,193 and repealing the existing section.
REGARDING VETO OF SENATE BILL 199

After reviewing this bill, I still have concerns about how it will hurt Kansas families. The plans provided under this bill do not cover pre-existing conditions and do not provide consumer protections. As a result, one medical emergency could cause a Kansas family to spiral into bankruptcy.

We already know that the solution to provide health care access for all Kansans, to bring thousands of jobs to our state, to save small businesses money, to protect our rural hospitals, and inject millions into our economy is expanding Medicaid.

I encourage the Legislature to work with me to improve Kansans' access to affordable healthcare and join the 38 other states in expanding Medicaid.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 199.

ACTIONS ON VETO MESSAGE

A motion by Senator Gossage on SB 199, AN ACT concerning insurance; relating to health insurance; providing for short-term, limited-duration health plans; amending K.S.A. 40-2,193 and repealing the existing section, be passed not withstanding the Governor's veto.

On roll call, the vote was: Yeas 28; Nays 9; Present and Passing 2; Absent or Not Voting 1.

Nays: Corson, Doll, Haley, Hawk, Holland, Holscher, Pettey, Pittman, Sykes.
Present and Passing: Faust-Goudeau, Francisco.
Absent or Not Voting: Ware.

A two thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion passed and the veto was overridden.

EXPLANATION OF VOTE

Mr. Vice President: Even if the underlying short-term insurance serves as a stop-gap measure for some of our Kansas citizens, I stand today against extending these limited policies from one year to three years, standing beside others who oppose this legislation including the American Heart Association, Kansas Chapter of American Academy of Pediatrics, National Multiple Sclerosis Society, American Cancer Society, American Heart Association, American Lung Association, Arthritis Foundation, National Marrow Donor Program, Leukemia and Lymphoma Society, National Alliance on Mental Illness and others. We owe it to our citizens to build better programs and policy that increase the health outcomes of our citizens; this bill does not seem to do that and I vote today to sustain the Governor's veto.—JEFF PITTMAN
MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **H Sub Sub SB 267, An Act** making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, June 30, 2024, June 30, 2025, June 30, 2026, and June 30, 2027, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; authorizing and directing payment of certain claims against the state; amending K.S.A. 2021 Supp. 2-223, 12-1775a, 12-5256, 65-180, 74-50,107, 74-99b34, 75-2263, 75-6707, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171 and 79-4804 and repealing the existing sections.

REGARDING HOUSE SUBSTITUTE SUBSTITUTE SENATE BILL 267

I want to thank the Legislature for their work and bi-partisan collaboration to pass **House Substitute for Substitute for Senate Bill 267** – a budget that allows us to continue to improve core services while investing in our future and setting the stage for additional economic growth.

This budget completes a promise I made to close the Bank of KDOT, it restores and renews the state’s commitment to higher education, it fully funds the state water plan, it provides historic funding for the most vulnerable and those who care for them, and it invests in our law enforcement and public safety officers.

Enhancements for workforce and economic development will allow Kansas to continue our record-breaking success in attracting and retaining businesses. The historic investment in moderate income housing will ensure that we have quality housing to recruit and retain families throughout the state.

Funding for state employee pay increases, updated equipment and resources, and facility upgrades will benefit the public and make a down payment toward appropriately rewarding Kansans who dedicate their lives to public service.

Finally, this budget preserves the funding necessary to eliminate the state food sales tax on groceries, benefitting all Kansans, while making a $500 million deposit in the state’s Budget Stabilization Fund – by far the largest Rainy Day Fund investment in state history.

With all that this budget does accomplish, it could do more to ensure that all communities in the state have the access to healthcare that Kansans deserve and that prospective new residents expect. Given how new business growth requires a healthy workforce, I will continue to urge the Legislature to make the commonsense decision to expand Medicaid and return Kansas’ federal tax dollars to our communities.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return **House Substitute for Substitute for Senate Bill 267** with my signature approving the bill, except for the items enumerated below.

**Kansas Public Employees Retirement System—Exclusive Opportunity for Legislators**

Section 43(d) has been vetoed in its entirety.

Legislators must make an irrevocable decision when they begin public service to either join or decline enrollment in the Kansas Public Employees Retirement System (KPERS). The policy in Section 43(d) would create an exclusive opportunity for
legislators to reverse the irrevocable decision that they consciously made when they elected not to join (KPERS). Other public employees including teachers, public safety officers, and nurses are not allowed this special election under law. Further, this provision likely would not be approved by the Internal Revenue Service if reviewed.

**State Board of Regents—Special Line Item for Single Program**

The portion of Section 109(a) that reads as follows has been line-item vetoed:

Benedictine college engineering program ...................................................$200,000

Under the State Board of Regents budget, $200,000 is appropriated for a college engineering program at Benedictine College. This budget includes many enhancements for higher education, including significant increases in funding for grant programs for public and private postsecondary institutions. One of these appropriations is a $10,000,000 grant program in Section 29(f) that is reserved exclusively for the state’s private and independent colleges. Benedictine College should apply for public funding for the college engineering program through this specifically designated appropriation for similar programs.

**ACTIONS ON VETO MESSAGE**

The Governors objection to line items in H Sub for Sub SB 267 having been read, the time arrived for reconsideration of the line item vetoes in H Sub for Sub SB 267.

There was no motion to reconsider. The Chair ruled the line items had been reconsidered and the veto sustained.

**MESSAGE FROM THE GOVERNOR**

The following message with the Governor's objection to H Sub for Sub SB 286, AN ACT concerning public health; relating to the governmental response to the COVID-19 pandemic in Kansas; crimes, punishment and criminal procedure; crimes against the public peace; creating the crime of interference with the conduct of a hospital; increasing the criminal penalty for battery of a healthcare provider; extending the expanded use of telemedicine and expiring such provisions; extending the suspension of certain requirements related to medical care facilities and expiring such provisions; modifying the COVID-19 response and reopening for business liability protection act; extending immunity from civil liability for certain healthcare providers, certain persons conducting business in this state and covered facilities for COVID-19 claims until January 20, 2023; amending K.S.A. 2021 Supp. 21-5413, 48-963, 48-964, 60-5503, 60-5504, 60-5508 and 65-468 and repealing the existing sections.

**REGARDING VETO OF HOUSE SUB FOR SUB SENATE BILL 286**

This bill includes valuable provisions that I support, such as expanding telemedicine and criminal penalties for violence against health care workers in hospital settings.

During the pandemic, I worked with hospitals, frontline care workers, and stakeholders on a narrowly tailored compromise to protect our doctors and nurses responding to COVID-19 while ensuring Kansas patients still had appropriate protections. This was important for those working around the clock, caring for our loved ones during the height of the pandemic.
However, a last-minute provision was inserted into this bill which gutted our original carefully crafted compromise and indiscriminately broadened protections for health care providers, substantially reducing protections for Kansas patients.

I will work with the Legislature in a bipartisan fashion on a bill that returns the liability provisions to the original compromise language and include the provisions for telemedicine and enhanced criminal penalties for violence against health care workers in hospital settings so that both Kansas patients and our hard-working healthcare providers are protected.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto H Sub Sub Senate Bill 286.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to SB 493, AN ACT concerning cities and counties; prohibiting the regulation of plastic and other containers designed for the consumption, transportation or protection of merchandise, food or beverages.

REGARDING VETO OF SENATE BILL 493

The disposal and regulation of solid waste is traditionally a public policy issue that Kansans decide at the local level with input from local businesses, waste management providers, and private citizens. As this bill advanced through the process, no evidence was provided demonstrating why the Legislature had a compelling public interest to repeal city and county local control and home rule over these matters.

This issue is a local decision, and it should be left to local governments based on what’s best for their constituents, stakeholders, and businesses in their community.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 493.

ACTIONS ON VETO MESSAGE

A motion by Senator Erickson on SB 493, AN ACT concerning cities and counties; prohibiting the regulation of plastic and other containers designed for the consumption, transportation or protection of merchandise, food or beverages, be passed not withstanding the Governor's veto.

On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: Ware.

A two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion passed and the veto was overridden.

EXPLANATION OF VOTE

Mr. Vice President: We once again look to put in place another ban across our state, as I'm sure we will soon ban many other things telling our citizens, cities and counties how the have to live their lives and run their communities. Corporate special interests have stepped into the discussion and we are now per-empted and stripped away the rights of localities, such as Prairie Village, Wichita, Lawrence, and every other community, where they have officials voted in to govern as they see fit to meet the needs and values of their community. Today I vote to sustain the governor's veto and opt for local control.—Jeff Pittman

For Good And Faithful Servants
Luke 19:17

Lord, the issues we address in these halls are essential for making progress in our state and communities. Wisdom is looking at life and all of life’s concerns through Your eyes. So, Lord, we need Your perspective in everything; Your insights as we study, Your understanding as we debate and Your wisdom as things are finalized.

As we move closer to completing this session and the work in these halls is done, I pray that the wrap-up will warrant the same response from You that was given by the ruler in the parable of Luke 19:17. When the servant in that passage completed the work he had been given, when he had carried out with careful diligence the things he was responsible for, these are the words he heard, “Good and faithful servant, you’ve shown that you can be trusted with a small amount of responsibility. As a result, you will be elevated, advanced and given ten cities to rule over in eternity.”

Lord, You have made it clear that if we faithfully represent You and Your authority here we’ll be greatly rewarded in the hereafter.

Lord, to Your glory and honor and to the good of Your people, I offer this prayer in the Name of Jesus. Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

On motion of Senator Alley, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with Vice President Wilborn in the chair.

EXPLANATION OF VOTE

Mr. President: After working to reduce sales tax on food in this legislature for years, I'm excited to finally take this step. After imposing fiscally responsible policies in the last few years, I do believe we are in a position to make this effective in July 2022 AND eliminate the entire state portion of food sales tax to zero immediately. While it represents a compromise amongst stakeholders across parties, across chambers, across legislative branches, indeed across Kansas; this is still a great move forward that specifically gives long due relief to our more economically challenged citizens with this version of an axe to the food sales tax. I vote “Aye.”

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 313 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, by striking all in lines 8 through 29; following line 29, by inserting:

"New Section 1. As used in sections 1 through 10, and amendments thereto, unless the context otherwise requires:

(a) "ADS-equipped vehicle" means a motor vehicle equipped with an automated
driving system.

(b) "Automated driving system" means the hardware and software collectively capable of performing the entire dynamic driving task on a sustained basis, regardless of whether the system is limited to a specific operational design domain, if any.

(c) "Conventional human driver" means a natural person who manually controls the in-vehicle accelerating, braking, steering and transmission gear selection input devices in order to operate a motor vehicle.

(d) "Driverless-capable vehicle" means an ADS-equipped vehicle capable of performing the entire dynamic driving task within the automated driving system's operational design domain, if any, including, but not limited to, achievement of a minimal risk condition without intervention or supervision by a conventional human driver.

(e) (1) "Dynamic driving task" means all real-time operational and tactical functions required to operate a motor vehicle on a highway in traffic within an automated driving system's specific operational design domain, if any.

(2) "Dynamic driving task" does not include any strategic function such as trip scheduling or the selection of destinations and waypoints.

(f) "Minimal risk condition" means a reasonably safe state to which an automated driving system brings an ADS-equipped vehicle upon experiencing a performance-relevant failure of the system that renders the system unable to perform the entire dynamic driving task, including, but not limited to, removing the vehicle to the nearest shoulder if the vehicle is capable of doing so, bringing the vehicle to a complete stop and activating the vehicle's emergency signal lamps.

(g) "On-demand driverless-capable vehicle network" means a transportation network company as defined in K.S.A. 8-2702, and amendments thereto, that uses a software application or other digital means to dispatch driverless-capable vehicles for the purposes of transporting persons or goods, including, but not limited to, transportation for hire and public transportation.

(h) "Operational design domain" means a set of operating conditions under which a given automated driving system feature is specifically designed to function. "Operational design domain" includes, but is not limited to, environmental, geographical and time-of-day restrictions or the requisite presence or absence of certain traffic or roadway characteristics.

(i) "Transportation for hire" means all transportation of property or passengers made available by a person for compensation.

New Sec. 2. (a) A driverless-capable vehicle may operate on the public highways of this state without a conventional human driver with the automated driving system engaged if the vehicle meets all of the following conditions:

(1) The vehicle is capable of achieving a minimal risk condition if a malfunction of the automated driving system occurs that renders the system unable to perform the entire dynamic driving task within the system's intended operational design domain, if any;

(2) while in driverless operation, the vehicle is capable of operating in compliance with the applicable traffic and motor vehicle safety laws and regulations of this state that govern the performance of the dynamic driving task;

(3) when required by federal law, the vehicle bears the required manufacturer's certification label indicating that at the time of manufacture the vehicle has been
certified to be in compliance with all applicable federal motor vehicle safety standards, including any reference to any exception granted by the national highway traffic safety administration; and

(4) the driverless-capable vehicle cannot exceed 34,000 pounds on tandem axles. The provisions of this paragraph shall expire and have no effect on and after July 1, 2025; and

(5) a conventional human driver shall be required to be physically present in every driverless-capable vehicle placed into service in Kansas for the 12 consecutive months from the date that such entity places a driverless-capable vehicle into service in this state. The provisions of this paragraph shall not apply to a person who operates a:

(A) Vehicle that is not designed, intended or marketed for human occupancy; or

(B) dedicated driverless-capable vehicle that lacks manual controls for operation by a conventional human driver.

(b) Prior to operating a driverless-capable vehicle on the public roads of this state without a conventional human driver, the owner of such driverless-capable vehicle shall submit a law enforcement interaction plan to the Kansas highway patrol that describes:

(1) How to communicate with a fleet support specialist who is available during the times the vehicle is in operation, and on which side of the vehicle contact information of the fleet support specialist is readily visible;

(2) information regarding safety considerations for first responders in dealing with a driverless-capable vehicle as the result of collision or fire;

(3) how to recognize whether the driverless-capable vehicle is in autonomous mode; and

(4) any additional information the manufacturer or owner deems necessary regarding hazardous conditions or public safety risks associated with the operation of the driverless-capable vehicle.

(c) (1) The operation of an ADS-equipped vehicle capable of performing the entire dynamic driving task within the automated driving system's operational design domain on the public highways of this state while a conventional human driver is present and expected to respond to a request to intervene, shall be lawful. During such operation, the conventional human driver shall possess a valid driver's license pursuant to K.S.A. 8-234b, and amendments thereto, and shall be subject to the required insurance, self-insurance or other financial security required pursuant to K.S.A. 40-3104, and amendments thereto. The conventional human driver shall operate the ADS-equipped vehicle according to the manufacturer's requirements and specifications and shall regain manual control of the vehicle when prompted by the automated driving system.

(2) An automated driving system, while engaged, shall be designed to operate within the system's operational design domain in compliance with the applicable traffic and motor vehicle safety laws and regulations of this state that govern the performance of the dynamic driving task.

(d) Except as provided in this section, the motor vehicle laws of this state shall not be construed to require a conventional human driver to operate a driverless-capable vehicle that is being operated by an automated driving system. The automated driving system, while engaged, shall be deemed to fulfill any physical acts required of a conventional human driver to perform the dynamic driving task.

(e) Sections 1 through 10, and amendments thereto, shall not be construed to modify the responsibilities of a conventional human driver that operates a system-
equipped vehicle when the automated driving system is not engaged.

New Sec. 3. Before an ADS-equipped vehicle is allowed to operate on the public highways of this state, the owner shall obtain insurance, self-insurance or other financial security coverage for the vehicle. An ADS-equipped vehicle shall not operate on the highways of this state unless insurance, self-insurance or other financial security coverage is in effect for the vehicle and unless proof of coverage is carried in the vehicle pursuant K.S.A. 40-3104, and amendments thereto.

New Sec. 4. In the event of an accident that would otherwise be subject to K.S.A. 8-1602 through 8-1606 and 8-1609, and amendments thereto, such provisions shall not apply to a driverless-capable vehicle operating without a conventional human driver if the vehicle remains at the scene or in the immediate vicinity of the accident until law enforcement arrives or vehicle registration and insurance information is provided to the parties affected by the accident, and either:

(a) The vehicle owner, or a person acting on behalf of the vehicle owner, promptly contacts the applicable law enforcement agency to report the accident; or

(b) for a vehicle that has the capability of promptly alerting a law enforcement agency or emergency services, the vehicle alerts a law enforcement agency or emergency services to the accident.

New Sec. 5. A person may operate an on-demand driverless-capable vehicle network, with the exception that any provision of K.S.A. 8-2701 et seq., and amendments thereto, that only applies to a conventional human driver would not apply to the operation of a driverless-capable vehicle with the automated driving system engaged on an on-demand driverless-capable vehicle network. An on-demand driverless-capable vehicle network may be used to facilitate the transportation of persons or goods, including, but not limited to, transportation for hire and public transportation. An on-demand driverless-capable vehicle network may connect passengers to driverless-capable vehicles either exclusively or as part of a digital network that also connects passengers to conventional human drivers who provide transportation services, pursuant to K.S.A. 8-2701 et seq., and amendments thereto, or any other applicable laws, in vehicles that are not driverless-capable vehicles.

New Sec. 6. (a) (1) Automated driving systems and ADS-equipped vehicles shall be governed by:

(A) Sections 1 through 10, and amendments thereto; and

(B) all applicable traffic and motor vehicle safety laws.

(2) Automated driving systems and ADS-equipped vehicles shall be regulated exclusively by the Kansas highway patrol. Violations of state and local traffic laws are enforceable as if the vehicle has a licensed human driver on board.

(3) The superintendent of the highway patrol may adopt such rules and regulations necessary to carry out the provisions of sections 1 through 10, and amendments thereto.

(b) A political subdivision of the state shall not impose requirements, including, but not limited to, performance standards specific to the operation of ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks that are in addition to the requirements set forth pursuant to sections 1 through 10, and amendments thereto. A political subdivision of the state shall not impose a tax on ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks if such tax relates specifically to the operation of ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks.
New Sec. 7. (a) A driverless-capable vehicle shall be properly registered in accordance with K.S.A. 8-127, and amendments thereto. If a driverless-capable vehicle is registered in this state, the vehicle shall be identified on the registration as a fully autonomous vehicle.

(b) A driverless-capable vehicle shall be properly titled in accordance with K.S.A. 8-135, and amendments thereto. If a driverless-capable vehicle is titled in this state, the vehicle shall be identified on the title as a driverless-capable vehicle.

New Sec. 8. A driverless-capable vehicle that is also a commercial motor vehicle pursuant to K.S.A. 8-143m, and amendments thereto, may operate pursuant to state laws governing the operation of commercial motor vehicles, except that:

(a) Any provision that reasonably only applies to a conventional human driver does not apply to such a vehicle operating with the automated driving system engaged; and

(b) such a vehicle shall not carry hazardous materials as defined in K.S.A. 48-904, and amendments thereto. The provisions of this subsection do not apply to transporting articles and substances prepared in accordance with 49 C.F.R. § 172.315 or that otherwise do not require placarding pursuant to the federal hazardous materials regulations provided in 49 C.F.R. parts 100 through 110. The provision of this subsection shall expire on January 1, 2025.

New Sec. 9. The uniform act regulating traffic on highways, to the extent practicable, shall be interpreted and applied for the use of a driverless-capable vehicle. Such provisions shall not require any additional provisions, including, but not limited to, operation by a conventional human driver seated in the vehicle.

New Sec. 10. A driverless-capable vehicle that is designed to be operated exclusively by the automated driving system for all trips is not subject to motor vehicle equipment laws or regulations of this state that:

1. Support motor vehicle operation by a conventional human driver seated in the vehicle, including, but not limited to, mirrors, windshields and windshield wipers; and
2. are not relevant for an automated driving system.

New Sec. 11. (a) There is created the autonomous vehicle advisory committee that will include the following members:

SB 313.

Voting 0.

Peck, Petey, Pittman, Pyle, Steffen, Straub, Sykes, Tyson, Ware.
The Conference Committee Report was adopted.

EXPLANATION OF VOTE
Mr. President: The safety of the public has always been my primary goal when I
consider bills that come before me. SB 313, the autonomous vehicle bill, is a bill which
does not meet my standard for public safety. The original bill was narrowly targeted to
commercial trucks with a specific function on a specific route from a distribution center
to a retail outlet. The bill was expanded to include fairly large driverless trucks on any
road as well as passenger vehicles in a transportation network company. An amendment
approved on the Senate floor, which gave some important legislative oversight on
companies legally allowed to transport passengers without a driver present, was
stripped out of the bill in the Conference Committee as was a 24-month protection period for passenger vehicles. The expansion of the bill means that, within twelve months, we will not be able to guarantee a reasonable number of driverless vehicles on the road. The assumption that a future legislature could fix what I see as blatant omissions in this bill before a serious accident takes place is not likely within the time limits of this bill. I do not believe the technology is sufficient to ensure my safety, that of my family, or that of other drivers on the road when a car is fully self-driving. For these reasons I agreed to disagree on the initial conference committee report. I cannot in good conscience support a bill that does not adequately evaluate the safety factors that driverless vehicles bring to our roads. I vote “no” on SB 313.—TOM HAWK

Senators Faust-Goudeau and Francisco request the record to show they concur with the “Explanation of Vote” offered by Senator Hawk on SB 313.

Mr. President: CCR SB 313 is a jobs killer. I vote NO on CCR SB 313. —Tom HOLLAND

CONSIDERATION OF ORIGINAL MOTIONS

Pursuant to Senate Rule 11, the Senate considered the motion of Senator Holland to withdraw SB 342 from the Committee on Assessment and Taxation. The motion failed.

On roll call, the vote was: Yeas 14; Nays 23; Present and Passing 2; Absent or Not Voting 1.

Present and Passing: Steffen, Straub.

Absent or Not Voting: Warren.

EXPLANATION OF VOTE

Mr. President: I vote “AYE” on the motion to move SB 342 out of committee. The Senate, in unanimously adopting HB 2106, has gone on record saying the rate of tax on the sale of food and food ingredients should be reduced to 0% by January 1, 2025. The revenue reports make it clear that this could happen July 1st of this year. I vote in favor of this procedural motion necessary to establish a path to make that possible.—MARCI FRANCISCO

Senator Haley requests the record to show that he concurs with the Explanation of Vote offered by Senator Francisco on SB 342.

The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

The Significance Of You And Me!
Psalm 139:14

Lord, You are our creator and sustainer. King David, the Psalm writer, realizing the complexity of our design in Psalm 139:14 wrote these words to You. “I praise You because I am fearfully and wonderfully made. Marvelous are Your works, oh Lord. And I know that full well.”

Lord, someone decided that every year this day, April 28, would be “Biological Clock Day,” that we should have a special day to think about and honor the fact that we’re not just an accidental blob of tissue, that no one is, that everyone of us is a precious, irreplaceable treasure.

Therefore Lord, You would have us look at each other regardless of our differences as precious, irreplaceable treasures. Help each of us to function in accord with the clock that You have given us. Sleeping when it’s time to sleep, working when it’s time to work, resting when it’s time to rest so that the portions of our bodies, physically, mentally and spiritually can be working in harmony with the things You’ve called us to do in life. Then every time we look in the mirror, just like the Psalm writer, we can say, “Lord, You sure are right! I am fearfully and wonderfully made! Marvelous are Your works Oh Lord! But then, to safeguard us from conceit help us to look for and see the qualities You have given other precious irreplaceable treasures.”

Lord, I pray this to Your glory and honor in the Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

MESSAGE FROM THE GOVERNOR

“Every Kansan feels the price of the pandemic-induced inflation at the pumps and at the grocery store. The cost of food alone is one of the most significant contributors to inflation overall.

With the rising costs of these necessities, we should be helping people afford the basics. This bill would unnecessarily burden nearly 30,000 hard-working Kansans, including people caring for their families and impacting those with children.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto S Sub for House Bill 2448.”

LAURA KELLY, Governor
APRIL 15, 2022

A motion was made that, notwithstanding the Governor’s objections to House Bill 2448, the bill be passed. By a vote of 86 Yeas and 36 Nays, the motion having received the required two-thirds majority of the elected members of the House of Representatives, voting in the affirmative to approve the bill, House Bill 2448 did pass.

EXPLANATION OF VOTE

Mr. Vice President: When this bill first came up for a vote in early March, this body had not yet passed legislation that provided tax relief for every single Kansan. We've done good work to address the needs of large groups of Kansans through property tax relief and policies that promote access to housing. But until yesterday, we had not considered legislation that touches every single person who consumes calories, that is to say every single Kansan. And yesterday, we let partisan politics get in the way of delivering that broad relief in the most common sense, comprehensive way possible. KPERS will be 80% funded by next year, even with no extra payments, and reported savings for the State General Fund will decrease if the assumed rate of return is lowered this year because of legislation like this. Our significant budget surplus has put us in an enviable position, and we have a responsibility to our constituents to be good stewards of these funds. Given our financial standing and the established stability of our KPERS fund, I believe it would be far more beneficial to Kansans in my district if we did not hastily drain our funds and instead increased SPED funding, provided a $250 rebate for tax filers, and delivered a full elimination of the state sales tax on food July 1st. —DINAH SYKES

ACTIONS ON VETO MESSAGE

A motion by Senator Gossage on HB 2448, AN ACT concerning public assistance; requiring able-bodied adults without dependents to complete an employment and training program in order to receive food assistance; amending K.S.A. 39-709 and repealing the existing section, be passed not withstanding the Governor's veto.

On roll call, the vote was: Yeas 29; Nays 11; Present and Passing 0; Absent or Not Voting 0.

Nays: Corson, Faust-Goudeau, Francisco, Haley, Hawk, Holland, Holscher, Petey, Pittman, Sykes, Ware.

A two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion passed and the veto was overridden.

EXPLANATION OF VOTE

Mr. President: I vote NO on this attempt to override the Governor’s veto of S Sub HB 2448. This bill is about further limiting access to a very clear, simple need every human has: the ability to access food and to eat. Who among us has not had, at some point in time, the challenge of keeping adequate food on our table and keeping a roof over our head? It concerns me that we here in the greatest nation on the planet – and perhaps one of its’ greatest states – cannot, for only a temporary period of time, bridge the gap of food insecurity and assist our neighbors, our brothers and our sisters, in keeping food on their tables without also adding requirements for training programs whether or not the programs are appropriate or helpful. It concerns me that, in an ongoing fashion, we, as supposedly public servants, don’t say that we will look out for those all around us who, but for the grace of a merciful God, could be any of us.—DAVID HALEY

Senators Corson, Faust-Goudeau, Francisco, Holland, Holscher, Petey, Pittman and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Haley on S Sub HB 2448.

d) No interjurisdictional disaster agency or any official thereof may declare a local disaster emergency, unless expressly authorized by the agreement pursuant to which the agency functions. However, an interjurisdictional disaster agency shall provide aid and services in accordance with the agreement pursuant to which it functions in the case of a state of local disaster emergency declared under subsection (a).

If the court does not issue an order on such petition within seven days, the relief requested in the petition shall be granted.

(2) Relief under this section shall not include a stay or injunction concerning the contested action that applies beyond the county in which the action was taken.

(b) (1) Except as provided in paragraph (2), any order issued by the local health officer, including orders issued as a result of an executive order of the governor, may be reviewed, amended or revoked by the board of county commissioners of the county affected by such order at a meeting of the board. Any order reviewed or amended by the board shall include an expiration date set by the board and may be amended or revoked at an earlier date by a majority vote of the board.

(2) If a local health officer determines it is necessary to issue an order mandating the wearing of face masks; limiting the size of gatherings of individuals, curtailing the operation of business, controlling the movement of the population of the county or limiting religious gatherings, the local health officer shall propose such an order to the board of county commissioners. At the next regularly scheduled meeting of the board or at a special meeting of the board, the board shall review such proposed order and may take any action related to the proposed order the board determines is necessary. The court shall grant the request for relief unless the court finds such order is narrowly tailored to the purpose stated in the order and uses the least restrictive means to achieve such purpose. The court shall issue an order on such petition within seven days, without unnecessary delay, after the hearing is conducted. If the court does not issue an order on such petition within seven days, the relief requested in the petition shall be granted.

EXPLANATION OF VOTE

Mr. President: While I support portions of CCR SB 34 – I have worries about the bill due to questions from our agricultural community and Ag Secretary who is now dealing with Avian Influenza in the state. I also have concerns of removing local control which we granted in earlier sessions to deal with Government overreach during the pandemic. This bill deals with any contagious disease and not just Covid and deserves local decisions and not a state mandate.—ELAINE BOWERS

Senator Kerschen requests the record to show he concurs with the “Explanation of Vote” offered by Senator Bowers on SB 34.

The Conference Committee Report was adopted.

**EXPLANATION OF VOTE**

Mr. President: Kansans are already betting on sports, but many do it through illegal platforms that take money out of our state or they drive to other states from districts like mine on the border to do destination sports betting. Sports betting is not for everyone; some like games like texas hold em, some like slot machines, some like craps, this is just one other avenue for avid players and it is time for us to legalize sports betting in Kansas. I particularly like the ability of local VFW and American Legion halls to enter into marketing agreements to raise extra funds with sports betting. I'm excited to vote yes on **H Sub Sub SB 84**. And I will add that even with Hollywood Casino and the Speedway in my senate district 5, we still have enough space and infrastructure for a new professional football stadium.—**JEFF PITTMAN**

Invocation by Reverend Cecil T. Washington:  

“No Day Set To Resume Busyness”  
2 Corinthians 5:10; 3:13  

Heavenly Father, as we look back, thanks for the time You have given us here, although we’ll be leaving shortly. The Latin term sine-die means we’re leaving with no specific date to be called together again. And Lord, that reminds me of how things of the present tend to parallel things of the future, how issues of time unfold in eternity, how the sine-die of today mirrors the one of the future.  
Lord, You have established a final sine-die for all of us, a time when each one of us will individually leave here. But we haven’t been told the day or the hour we’ll be gathered together again. Yet, Your Word is clear! In 2 Cor. 5:10, You say we must all appear before the judgment seat of Christ so that each of us may receive what is due us for the things done while in the body, whether good or bad.  
And in 1 Corinthians 3:13-14, You said the work we do on this side will be shown for what it is. Because its quality will be revealed on the other side. And finally Lord, by faith, let the good of the Christ be counted toward the good of Your people.  
I conclude this prayer as we conclude this session, in the precious Name of Jesus, Amen  

The Pledge of Allegiance was led by President Masterson.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to HB 2136 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

By striking all on pages 2 through 14;
On page 15, by striking all in lines 1 through 23; following line 23, by inserting:

"New Section 1. The provisions of sections 1 through 13, and amendments thereto, shall be known and may be cited as the COVID-19 retail storefront property tax relief act. The purpose of this act shall be to provide refunds to certain businesses impacted by COVID-19 related shutdowns and restrictions during tax years 2020 and 2021 based on a portion of property taxes accrued on retail storefront property.

New Sec. 2. As used in this act:
(a) "Act" means the COVID-19 retail storefront property tax relief act.
(b) (1) "Claimant" means a for-profit business, regardless of legal structure, who has filed a claim under the provisions of this act and who:
(A) Conducts a majority of its retail sales through customers' physical, on-site presence at a retail storefront property;"
(B) was in operation on or prior to July 1, 2019, and filed a 2019 tax return;
(C) had at least $10,000 in annual revenues, including gross sales and receipts, in 2019;
(D) received less gross revenue in 2020 or 2021, as applicable, compared to 2019;
(E) was in active operations as of March 1, 2020; and
(F) has not received more than a total of $150,000 in prior COVID-19-related local, state or federal funding or any combination thereof.

(2) "Claimant" shall not include:
(A) Grocery stores and pharmacies;
(B) hardware stores and home improvement businesses;
(C) retail liquor stores;
(D) manufacturers and food processors;
(E) schools, such as pre-kindergarten, kindergarten through grade 12, post-secondary, higher education, technical education and training;
(F) hospitals and healthcare providers, including, but not limited to, physicians, surgeons, psychologists and psychoanalysts, but not including personal services providers such as massage therapists and chiropractors;
(G) property management and real estate services, including owners or operators of short-term rental properties;
(H) professional services, including, but not limited to, accounting, insurance, legal, financial services and firms, information technology, engineering and architecture;
(I) agriculture and aquaculture producers, including farms, ranches and fisheries, but not including their retail storefronts used to conduct retail sales to customers;
(J) hosts or operators of a vacation or short-term rental unit;
(K) passive businesses, investment companies and investors who file a schedule E on their individual tax returns;
(L) financial businesses primarily engaged in the business of lending, such as banks, finance companies and factoring companies;
(M) cable companies, telephone companies, utilities and other similar businesses; and
(N) energy production, generation and distribution companies.

(3) When a retail storefront is occupied by two or more businesses and more than one of the businesses is able to qualify as a claimant, the businesses may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(c) "Gross rent" means the rental paid at arm's length solely for the right of occupancy of a retail storefront paid to a landlord, as expressly set out in the rental agreement, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm's length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purpose of the claim.

(d) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's retail storefront in 2020 or 2021, as applicable, by the state of Kansas and the political and
taxing subdivisions of the state. When a retail storefront is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a part of claimant's business, "property taxes accrued" is that part of property taxes levied on the retail storefront that reflects the ownership percentage of the claimant's business. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant owns its retail storefront part of a calendar year, "property taxes accrued" means only taxes levied on the retail storefront when both owned and occupied as a retail storefront by the claimant's business at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the business as its retail storefront in the year. When a business owns and occupies two or more different retail storefronts in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the business as its retail storefront during the year. Whenever a retail storefront is an integral part of a larger unit such as a multi-purpose or multi-retail storefront building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the retail storefront is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the retail storefront is a part.

(e) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2020 or 2021, as applicable, by a claimant solely for the right of occupancy of a retail storefront on which ad valorem property taxes were levied in full for that year. When a claimant occupies two or more different retail storefronts in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the claimant while occupied by the claimant as its retail storefront during the year.

(f) "Retail storefront" means the real property in this state, whether owned or rented, that is occupied by the claimant's business and where the claimant conducts retail sales through customers' physical, on-site presence. "Retail storefront" may consist of a part of a multi-purpose or multi-retail storefront building. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

New Sec. 3. (a) For tax years 2020 and 2021, a claimant shall be eligible for a claim for refund under this act if the claimant's eligible business operated at the retail storefront was operationally shut down or restricted by a COVID-19-related order or action imposed by the state, a local unit of government or a local health officer, including, but not limited to, by an executive order issued by the governor pursuant to K.S.A. 48-925, and amendments thereto, or any action taken by a local unit of government related to a state of disaster emergency declared pursuant to K.S.A. 48-924, and amendments thereto, or a state of local disaster emergency declared pursuant to K.S.A. 48-932, and amendments thereto.

(b) The amount of refund under this act shall be equal to 33% of the COVID-19 qualifying sum. The COVID-19 qualifying sum shall be the sum of the COVID-19 ordered shutdown days gross rebate amount calculated pursuant to subsection (c) and the COVID-19 ordered restricted operations days gross rebate amount calculated pursuant to subsection (d).

(c) The COVID-19 ordered shutdown days gross rebate amount shall be the amount
of the claimant's property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

(d) The information required to be furnished under subsection (b) or (c) shall be in addition to that required under subsection (a).

New Sec. 9. (a) The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant in the year that the claim relates.

(b) If there are delinquent property taxes for tax year 2020 or 2021 on a retail storefront owned by the claimant, the refund shall be paid to the county treasurer of the county in which such retail storefront is located and applied to such delinquent property taxes.

The claimant in such case and any person who assisted in the preparation or filing of such excessive claim or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. as income taxes are assessed.

New Sec. 12. A claim shall be disallowed if the director of taxation finds that the claimant received title to such claimant’s retail storefront primarily for the purpose of receiving benefits under this act.

(ccc) "900 service" means an inbound toll telecommunications service purchased by a subscriber that allows the subscriber's customers to call in to the subscriber's prerecorded announcement or live service. 900 service does not include the charge for collection services provided by the seller of the telecommunications services to the subscriber, or service or product sold by the subscriber to the subscriber's customer. The service is typically marketed under the name 900 service, and any subsequent numbers designated by the federal communications commission.

(ddd) "Value-added non-voice data service" means a service that otherwise meets the definition of telecommunications services in which computer processing applications are used to act on the form, content, code or protocol of the information or data primarily for a purpose other than transmission, conveyance or routing.

(eee) "International" means a telecommunications service that originates or terminates in the United States and terminates or originates outside the United States, respectively. United States includes the District of Columbia or a U.S. territory or possession.

(hhh) "Cereal malt beverage" shall have the same meaning as such term is defined in K.S.A. 41-2701, and amendments thereto, except that for the purposes of the Kansas retailers sales tax act and for no other purpose, such term shall include beer containing not more than 6% alcohol by volume when such beer is sold by a retailer licensed under the Kansas cereal malt beverage act.

(iii) "Nonprofit integrated community care organization" means an entity that is:
(1) Exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986;

(2) certified to participate in the medicare program as a hospice under 42 C.F.R. § 418 et seq. and focused on providing care to the aging and indigent population at home and through inpatient care, adult daycare or assisted living facilities and related facilities and services across multiple counties; and

Sec. 18. K.S.A. 79-3607 is hereby amended to read as follows: 79-3607. (a) Retailers shall make returns to the director at the times prescribed by this section in the manner prescribed by the director, including electronic filing, upon forms or format prescribed by the director stating: (1) The name and address of the retailer; (2) the total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made; (3) the total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made; (4) deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales; (5) receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made; (6) receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under paragraph (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules and regulations as the secretary of revenue may prescribe.

(b) (1) When the total tax for which any retailer is liable under this act, does not exceed the sum of $400 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed $4,000 in any calendar year, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. When the total tax liability exceeds $4,000 in any calendar year, the retailer shall file a return for each month on or
before the 25th day of the following month. When the total tax liability exceeds $40,000 in any calendar year, the retailer shall be required to pay the sales tax liability for the first 15 days of each month to the director on or before the 25th day of that month. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs computed at the rate applicable in the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. The provisions of this paragraph shall expire on December 31, 2023.

(2) On and after January 1, 2024, the retailer shall file:

(A) An annual return on or before January 25 of the following year when the total tax for which any retailer is liable under this act does not exceed the sum of $1,000 in any calendar year;

(B) returns quarterly on or before the 25th day of the month following the end of each calendar quarter when the total tax liability does not exceed $5,000 in any calendar year; or

(C) a return for each month on or before the 25th day of the following month when the total tax liability exceeds $5,000 in any calendar year.

(3) Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b)(c) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows:

(1) Upon registration, the director shall provide to the seller the returns required;

(2) seller shall file a return anytime within one year of the month of initial registration, and future returns are required on an annual basis in succeeding years; and

(3) in addition to the returns required in subsection (b)(2)(c)(2), sellers are required to submit returns in the month following any month in which they have accumulated state and local sales tax funds for this state in the amount of $1,600 or more.

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in lines 2 through 13; in line 14, by striking all before the period and inserting "taxation; relating to property tax; establishing the COVID-19 retail storefront property tax relief act to provide partial refunds to certain businesses impacted by COVID-19-related shutdowns and restrictions; relating to sales and compensating use tax; increasing thresholds for timing of returns and payments; discontinuing the first 15 days of the month remittance requirements for certain retailers; providing countywide retailers' sales tax authority for Atchison county; delaying implementation of exclusion of separately stated delivery charges from sales or selling price; amending K.S.A. 79-3607 and K.S.A. 2021 Supp. 12-187, as amended by section 28 of 2021 House Bill No. 2239, 12-189, as amended by section 29 of 2021 House Bill No. 2239, 12-192, as amended by section 30 of 2021 House Bill No. 2239, and 79-3602, as amended by section 44 of 2021 House Bill No. 2239, and repealing the existing sections; also repealing K.S.A. 79-3607, as amended by section 3 of chapter 83 of the 2021 Session Laws of Kansas";

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Alley, Steffen and Thompson introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1734 –

A RESOLUTION disapproving the proposed amendments to the international health regulations of the World Health Organization offered by President Biden's administration.

WHEREAS, In March 2020, the World Health Organization (WHO) encouraged democratic nations to impose lockdowns, mandates, vaccine passports and digital "health" surveillance among other measures; and

WHEREAS, The WHO has openly stated that such measures like digital vaccine passports can be used for purposes other than healthcare, such as employment,
university education and international travel regulation; and

WHEREAS, On January 18, 2022, the administration of President Joe Biden proposed extensive amendments to the International Health Regulations of the WHO without any official statement or press conference; and

WHEREAS, If approved, such amendments would allow the WHO to unilaterally declare an international health emergency in a member nation, and such declaration could then be used to justify economic and financial actions against the targeted nation by other countries aligned with WHO that wish to harm or control the targeted nation; and

WHEREAS, The proposed amendments would reduce the time period for a nation to withdraw its approval of the amendments from 18 months to 6 months; and

WHEREAS, The proposed amendments were not made public until April 12, 2022; and

WHEREAS, During the week of May 22, 2022, the World Health Assembly is meeting to vote on the proposed amendments: Now, therefore,

Be it resolved by the Senate of the State of Kansas:

That the amendments to the International Health Regulations of the WHO offered by the Biden administration are strongly disapproved as they will ultimately hand over the United States' national sovereignty and authority to the WHO and place our democratic nation in the control of an unelected international organization that is wholly unaccountable to the people of this country; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to United States President Joe Biden, the World Health Organization, the Governor and the Secretary of the Department of Health and Environment.

On emergency motion of Senator Thompson SR 1734 was adopted by voice vote.

EXPLANATION OF VOTE

Mr. President: I personally know 6 persons who have taken their lives. They have been friends, co-workers, extended family members and classmates. I understand the impact suicide can have on everyone left behind. As such, I am very sensitive to the need to address suicide prevention. However, this bill goes far beyond that goal, and creates a massive new layer of bureaucracy that is costly and unnecessary. In addition, there were no hearings on this bill in the Senate, so we did not have a chance to weigh in with amendments that would have improved the bill and allow my fellow Senators the chance to fully understand what they were being asked to vote on. Federal grant
money has already been sent to counties to entice the to establish an infrastructure for the 988 hotline in advance of approval by the legislature. So, it already sets the stage for the state to be on the hook for more costs than the fiscal note indicated as the Federal grant money is set to expire this summer. This bill is a monstrosity that should have been pared significantly. Therefore, I vote "NO."—Mike Thompson

MESSAGES FROM THE HOUSE

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of HB 2252, AN ACT concerning elections; prohibiting the modification of election laws by agreement except as approved by the legislature; amending K.S.A. 25-125 and repealing the existing section, which was received on May 13, 2022 and read on May 23, 2022.

“Elected officials must be able to perform their job duties effectively and efficiently. By prohibiting executive branch officers, including the Governor, Secretary of State, and Attorney General, from entering into agreements regarding the enforcement of election law, this bill prevents the executive branch from fulfilling its constitutional duties. House Bill 2252 represents an overreach by the legislative branch that defies the separation of powers – a principle fundamental to a working democracy. If passed, it would also lead to costly litigation at the expense of Kansas taxpayers.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2252.”

Dated: May 13, 2022

A motion was made that HB 2252 be passed notwithstanding the Governor’s veto. By vote of 84 Yeas and 37 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of HB 2387, AN ACT concerning the executive branch; relating to actions by state agencies and the governor; prohibiting the issuance of a request for proposal or entering into a new contract for the administration and provision of benefits under the medical assistance program; relating to the Kansas emergency management act; removing the authority of the governor to prohibit attending or conducting certain religious services and worship services; amending K.S.A. 2021 Supp. 48-925 and repealing the existing section., which was received on May 13, 2022 and read on May 23, 2022

“Having a transparent, competitive bidding process is key to ensuring that our state contracts provide the most value to Kansas taxpayers while using the latest technology and best practices. This is not only good for the State of Kansas, but also for our current MCOs and the people they serve.

The language included in HB 2387 regarding the current MCO contracts is a product of closed-door dealings to push legislation that did not have a single proponent. There is little question that this effort is fraught with legal issues and jeopardizes our Medicaid program. HB 2387 prohibits the state Medicaid agency from pursuing the state’s independent procurement process and, by doing so, functionally provides the current MCOs with a no-bid, multi-billion-dollar contract.
We must favor transparency and fair competition over attempts to re-insert corruption into the state contracting process.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto HB 2387."

A motion was made that HB 2387 be passed notwithstanding the Governor's veto. By vote of 84 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing a line item veto message from the Governor, together with the enrolled copy of HB 2510, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, and June 30, 2024, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2021 Supp. 76-1959 and repealing the existing section., received on May 16, 2022 and read on May 23, 2022.

House Bill 2510 represents additional progress toward fulfilling many of the priorities that I set forth in January and that have been made possible only through our bipartisan work together over the past four years. Building on House Substitute for Substitute for Senate Bill 267, this bill provides additional investments in higher education, economic development, mental health, senior services, and veterans while leaving sufficient funding to provide over $1 billion in tax relief to Kansans through the legislation that I have signed to cut property taxes and axe the state’s sales tax on groceries.

Some of the key investments in this legislation include improved access to mental healthcare, increased funding for senior nutrition, expanded training opportunities to prevent child abuse, and measures that build on our successful work to reduce the number of children who enter the foster care system. This bill includes additional investments in our regional universities and community and technical colleges, which are critical to our efforts to expand our workforce in the state of Kansas. And this budget ensures that all state employees will receive a pay increase of at least 5% this year in recognition of their service to the state.

Finally, due to our strong economic growth and unprecedented ending balances, this budget will allow us to pay off over $1 billion in debt over the next year.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Bill 2510 with my signature, except for the item enumerated below.

State Board of Regents—Proviso Allowing Universities to Raise Tuition

Section 36(b) has been vetoed in its entirety.

In my initial budget, I recommended $45.7 million in operating grant funding to higher education with the understanding that universities would freeze tuition. In addition to that, I allocated $23.9 million in funding for salaries. While the original operating grant funding has been reduced to an increase of $37.5 million in the final passed budget, overall, higher education in the state of Kansas is set to receive $1
billion this fiscal year. This is a historic investment that I am proud to support by approving the additional higher education funding included in HB 2510.

As a result of this significant infusion of new funding, I believe that the Regents institutions will be able to continue to hold tuition flat, making college more affordable for Kansans of all backgrounds. This is especially important if we, as a state, are going to provide the workforce needed to fully actualize the benefits and opportunities of our recent economic growth.

Two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion prevailed and the bill passed.
Mr. President: I am surprised there was no mention of the thousands of Kansans that are on the wait-list during our veto override debate of CCR 2387. These are Kansans that are still waiting to receive services. Those of us that have served on our various interim and regular session meetings know that parents and individuals on the wait-list have not been contacted in at least four years to verify what the specific service needs still exist for wait-listed Kansans. I vote ‘yes’ – in part – because it will allow the leadership in KDADs and DCF to identify the real needs of wait-listed Kansans during the time that the RFP process is delayed.—Molly Baumgardner

Mr President: HB 2387 has a piece I could support with regard to symbolically clarifying one of our constitutional rights to religion, especially if it was a little more thoughtful. However the very questionable aspect of this bill is the restriction of the state contracts renegotiations for our Medicaid providers. By arbitrarily limiting the current administration ability in what has been a standard cycle of renegotiations to this point and with an administration that has four years of learnings, this bill functionally provides the current MCO’s with effectively an extra year-long no-bid, multi-billion-dollar contract by restricting the ability to ask for other bids. HB 2387 unnecessarily opens the contract process to partisan politics before a major gubernatorial election, giving at a minimum the appearance of potential corruption, major conflicts of interest and especially with the billions of dollars at stake, especially given the closed door dealings of how this legislation came to us today through a less than transparent process. I vote "NO."—Jeff Pittman

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pittman on HB 2387.

Mr. President: We heard from people all across Kansas who were concerned about the loss of their First Amendment rights due to government overreach and the imposition of COVID-19 mandates. We must stand against any further government overreach and restrictions on First Amendment rights, particularly the free exercise of religion. I vote Yes. —Kellie Warren

ORIGINAL MOTION

Senator Tyson moved that subsection 4(k) of the Joint Rules of the Senate and House of Representatives be suspended for the purpose of considering the following bills: S Sub HB 2597. On roll call the motion was adopted.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to HB 2597 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed as Senate Substitute for House Bill No. 2597, as follows:

On page 1, by striking all in lines 17 through 36;
By striking all on pages 2 through 9;
On page 10, by striking all in lines 1 through 17; following line 17, by inserting:
"New Section 1. The provisions of sections 1 through 13, and amendments thereto,
shall be known and may be cited as the COVID-19 retail storefront property tax relief act. The purpose of this act shall be to provide refunds to certain businesses impacted by COVID-19 related shutdowns and restrictions during tax years 2020 and 2021 based on a portion of property taxes accrued on retail storefront property.

New Sec. 2. As used in this act:
(a) "Act" means the COVID-19 retail storefront property tax relief act.
(b) (1) "Claimant" means a for-profit business, regardless of legal structure, who has filed a claim under the provisions of this act and who:
(A) Conducts a majority of its retail sales through customers' physical, on-site presence at a retail storefront property;
(B) was in operation on or prior to July 1, 2019, and filed a 2019 tax return;
(C) had at least $10,000 in annual revenues, including gross sales and receipts, in 2019;
(D) received less gross revenue in 2020 or 2021, as applicable, compared to 2019;
(E) was in active operations as of March 1, 2020; and
(F) has not received more than a total of $150,000 in prior COVID-19-related local, state or federal funding or any combination thereof.

(2) "Claimant" shall not include:
(A) Grocery stores and pharmacies;
(B) hardware stores and home improvement businesses;
(C) retail liquor stores;
(D) manufacturers and food processors;
(E) schools, such as pre-kindergarten, kindergarten through grade 12, post-secondary, higher education, technical education and training;
(F) hospitals and healthcare providers, including, but not limited to, physicians, surgeons, psychologists and psychoanalysts, but not including personal services providers such as massage therapists and chiropractors;
(G) property management and real estate services, including owners or operators of short-term rental properties;
(H) professional services, including, but not limited to, accounting, insurance, legal, financial services and firms, information technology, engineering and architecture;
(I) agriculture and aquaculture producers, including farms, ranches and fisheries, but not including their retail storefronts used to conduct retail sales to customers;
(J) hosts or operators of a vacation or short-term rental unit;
(K) passive businesses, investment companies and investors who file a schedule E on their individual tax returns;
(L) financial businesses primarily engaged in the business of lending, such as banks, finance companies and factoring companies;
(M) cable companies, telephone companies, utilities and other similar businesses; and
(N) energy production, generation and distribution companies.
(3) When a retail storefront is occupied by two or more businesses and more than one of the businesses is able to qualify as a claimant, the businesses may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.
(c) "Gross rent" means the rental paid at arm's length solely for the right of
occupancy of a retail storefront paid to a landlord, as expressly set out in the rental agreement, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm's length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purpose of the claim.

(d) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's retail storefront in 2020 or 2021, as applicable, by the state of Kansas and the political and taxing subdivisions of the state. When a retail storefront is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a part of claimant's business, "property taxes accrued" is that part of property taxes levied on the retail storefront that reflects the ownership percentage of the claimant's business. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant owns its retail storefront part of a calendar year, "property taxes accrued" means only taxes levied on the retail storefront when both owned and occupied as a retail storefront by the claimant's business at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the business as its retail storefront in the year. When a business owns and occupies two or more different retail storefronts in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the business as its retail storefront during the year. Whenever a retail storefront is an integral part of a larger unit such as a multi-purpose or multi-retail storefront building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the retail storefront is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the retail storefront is a part.

(e) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2020 or 2021, as applicable, by a claimant solely for the right of occupancy of a retail storefront on which ad valorem property taxes were levied in full for that year. When a claimant occupies two or more different retail storefronts in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the claimant while occupied by the claimant as its retail storefront during the year.

(f) "Retail storefront" means the real property in this state, whether owned or rented, that is occupied by the claimant's business and where the claimant conducts retail sales through customers' physical, on-site presence. "Retail storefront" may consist of a part of a multi-purpose or multi-retail storefront building. " Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

New Sec. 3. (2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been
deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

determine the market value of any consideration, other than money, received in
connection with the sale of any tangible personal property in the course of the business
and shall include such value in the return. Such value shall be subject to review and
revision by the director as hereinafter provided. Refunds made by the retailer during the

rules and regulations as the secretary of revenue may prescribe.

(b) (1) When the total tax for which any retailer is liable under this act, does not

or before January 25 of the following year. When the total tax liability does not exceed

first 15 days of each month to the director on or before the 25th day of that month. Any
such payment shall accompany the return filed for the preceding month. A retailer will
be considered to have complied with the requirements to pay the first 15 days’ liability
for any month if, on or before the 25th day of that month, the retailer paid 90% of the
liability for that fifteen-day period, or 50% of such retailer's liability in the immediate
preceding calendar year for the same month as the month in which the fifteen-day
period occurs computed at the rate applicable in the month in which the fifteen-day
period occurs, and, in either case, paid any underpayment with the payment required on
or before the 25th day of the following month. Such retailers shall pay their sales tax
liabilities for the remainder of each such month at the time of filing the return for such
month. The provisions of this paragraph shall expire on December 31, 2023.

(2) On and after January 1, 2024, the retailer shall file:

each calendar quarter when the total tax liability does not exceed $5,000 in any calendar
year; or

(C) a return for each month on or before the 25th day of the following month when
the total tax liability exceeds $5,000 in any calendar year.

(3) Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b)(c) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows:

(1) Upon registration, the director shall provide to the seller the returns required;
