RE: Testimony in Support of City Utility Low-Interest Program

As a Denison resident, gas customer and City Councilman, I am concerned with the ridiculous gas bill that I am facing. We need your help to support the city utility low-interest program legislation. This legislation is necessary to save the City of Denison and the gas customers. We are desperate for outside help. This is truly a disaster for this small town. We will not survive another disaster of this magnitude.

Thank you in advance for supporting the city utility low-interest program legislation.
