I am writing in support of HB2020, to establish a veterans' home in northeast Kansas. Please share my message of support with the members of the Committee on Veterans and Military Affairs before the hearing on Thursday, February 18, 2021. My name is: My address is: A little about me:

My name is Carol Blaney and I am married(42yrs) to an Army veteran of 21 years active duty and he continued to serve our military for another 22 . I consider myself a veteran as well because I stood by my husband throughout his military career and during a wartime command in Desert Storm (deployed from Germany) as a head point military wife in the Support Group. I continue to advocate for soldiers /veterans and veterans that I run into at the homeless shelter in Leavenworth! We own a farm in Leavenworth County and if this comes to fruition of a home for our dearly beloved veterans who have kept their oath, put themselves between me and bullets, kept my life carefree and free from oppression , I would be willing to support where we can! I'm sure many other people would do the same and step up! We can not let our veterans down ... they did not stop fighting for us!!!! It's our turn to step up!!!! Thank you for hearing me!
