"Sec. 12. Section 1 of 2021 Senate Bill No. 13 is hereby amended to read as follows:
Section 1. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice: (A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July ~~15~~ 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021,

the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(E) the appraised value and assessed value of the taxpayer's property for the current year;

(F) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(G) the difference between the estimates of tax based on the proposed tax rate and the

revenue neutral rate on the taxpayer's property described in subparagraph (F) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(H) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August ~~10~~ 20 and not later than September ~~10~~ 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section.

(c) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate. The provisions of this subsection shall not be construed as prohibiting any other remedies available under the law.

(d) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before ~~September 20~~ October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(e) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(f) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to section 7, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(g) The provisions of this section shall take effect and be in force from and after January 1, 2021.

Sec. 13. K.S.A. 79-1801, as amended by section 3 of 2021 Senate Bill No. 13, is hereby amended to read as follows: 79-1801. (a) Except as provided by subsection (b), each year the governing body of any city, the trustees of any township, the board of education of any school district and the governing bodies of all other taxing subdivisions shall certify, on or before August 25, to the proper county clerk the amount of ad valorem tax to be levied. Thereupon, the county clerk shall place the tax upon the tax roll of the county, in the manner prescribed by law, and the tax shall be collected by the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

(b) Prior to January 1, 2021, if the governing body of a city or county must conduct an election for an increase in property tax to fund any appropriation or budget under K.S.A. 2020 Supp. 25-433a, and amendments thereto, the governing body of the city or county shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied. On and after January 1, 2021, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under section 1, and amendments thereto, the governing body of the taxing subdivision shall certify, on or before ~~September 20~~ October 1, to the proper county clerk the amount of ad valorem tax to be levied.";
