(a) (1) During the state of disaster emergency related to the COVID-19 health emergency described in K.S.A. 2021 Supp. 48-924b, and amendments thereto, only the governing body of a community college, as established pursuant to K.S.A. 71-201, and amendments thereto, or the governing body of a technical college, as established pursuant to K.S.A. 74-32,452, and amendments thereto, shall have the authority to take any action, issue any order or adopt any policy made or taken in response to such disaster emergency that affects the operation of the community college or technical college governed by such governing body, including, but not limited to, any action, order or policy that:

- (A) Closes or has the effect of closing any community college or technical college;
- (B) authorizes or requires any form of attendance at any community college or technical college; or
- (C) mandates any action by any students or employees of a community college or technical college while on college property.

(2) During any such disaster emergency, the state board of regents, the governor, the department of health and environment, a local health officer, a city health officer, the Kansas association of community college trustees, the Kansas technical college association or any other state or local unit of government may provide guidance, consultation or other assistance to the governing body of a community college or technical college, but shall not take any action related to such disaster emergency that affects the operation of any such college.

(b) Any meeting of a governing body of a community college or technical college discussing an action, order or policy described in this section, including any hearing by such governing body under subsection (c), shall be open to the public in accordance with the open meetings act, K.S.A. 75-4317 et seq., and amendments thereto, and may be conducted by electronic audio-visual communication when necessary to secure the health and safety of the public, the governing body and employees.

(c) (1) An employee or a student aggrieved by an action taken, order issued or policy adopted by the governing body of a community college or technical college pursuant to subsection (a)(1), or an action of any employee of such college violating any such action, order or policy, may request a hearing by such governing body to contest such action, order or policy. Any such request shall not stay or enjoin such action, order or policy.

(2) Upon receipt of a request under paragraph (1), the governing body shall conduct a hearing within 72 hours of receiving such request for the purposes of reviewing, amending or revoking such action, order or policy. The governing body shall issue a decision within seven days after the hearing is conducted.

(3) The governing body may adopt emergency rules of procedure to facilitate the efficient adjudication of any hearing requested under this subsection, including, but not limited to, rules for consolidation of similar hearings.

(d) (1) An employee or a student aggrieved by a decision of the governing body under subsection (c)(2) may file a civil action in the district court of the county in which such party resides or in the district court of Shawnee county, Kansas, within 30 days after such decision is issued by the governing body. Notwithstanding any order issued pursuant to K.S.A. 2021 Supp. 20-172(a), and amendments thereto, the court shall conduct a hearing within 72 hours after receipt of a petition in any such action. The court shall grant the request for relief

unless the court finds the action taken, order issued or policy adopted by the governing body is narrowly tailored to respond to the state of disaster emergency and uses the least restrictive means to achieve such purpose. The court shall issue an order on such petition within seven days after the hearing is conducted. If the court does not issue an order on such petition within seven days, the relief requested in the petition shall be granted.

(2) Relief under this section shall not include a stay or injunction concerning the contested action taken, order issued or policy adopted by the governing body that applies beyond the county in which the petition was filed.

(3) The supreme court may adopt emergency rules of procedure to facilitate the efficient adjudication of any hearing requested under this subsection, including, but not limited to, rules for consolidation of similar hearings.
