EXPLANATORY NOTES

Material added to an existing section of the statute is printed in italic type. Material deleted from an existing section of the statute is printed in canceled type.

In bills which contain entirely new sections together with amendments to existing sections, the new sections are noted with the word "new" at the beginning of such sections.

An enrolled bill which is new in its entirety is noted with an asterisk (*) by the bill number and is printed in its original form.

Approval and publication dates are included.

Chapter numbers are assigned chronologically, based on the date the bill is signed by the governor. The bill index, subject index and list of statutes repealed or amended will assist you in locating bills of interest.

NOTICE

The price for the Session Laws is set by administrative regulation in accordance with state law. Additional copies of this publication may be obtained from:
