Dear Father;

We come before You today seeking Your blessings upon this group which comprises our House of Representatives for the State of Kansas.

For some it is a new experience, while others have served before. For each group I pray wisdom, insight and peace in the midst of this new Session. May their thoughts and actions be pleasing to You and to those whom they have been called to serve.

As they delve into the business set before them, may they find You guiding each decision. Allow every heart to be set upon accomplishing things, that will, in the end make our State a better place to live, work, and raise our families.

Some have left loved ones behind as they seek to fulfill their call to service. For those who are sacrificing a family member to serve our State, would You draw especially close with Your grace and peace, reminding them that to serve is a noble pursuit.

If there are those who, physically are not feeling well today,

I pray you might touch them with Your hand of healing.

Proverbs 10:19 states; "Where there are many words, transgression is unavoidable, but he who restrained his lips is wise."

Today, as we begin this new Session, guide our thoughts and words that we might be found worthy of the place you have called us to serve.

HOUSE CONCURRENT RESOLUTION No. **HCR 5017**—

By Representative Dodson, M.

A PROPOSITION to amend article 9 of the constitution of the state of Kansas by adding a new section thereto; concerning the power of home rule for counties.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 9 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

"§ 6. Counties' power of home rule. (a) Counties are hereby empowered to determine their local affairs and government including the levying of taxes, excises, fees, charges and other exactions, except when and as the levying of any tax, excise, fee, charge or other exaction is limited or prohibited by enactment of the legislature applicable uniformly to all counties of the same class. The legislature may establish not to exceed four classes of counties for the purpose of imposing all such limitations or prohibitions. Counties shall exercise such determination by resolution passed by the governing body with referendums only in such cases as prescribed by the legislature, subject only to enactments of the legislature of statewide concern applicable uniformly to all counties, to other enactments of the legislature applicable uniformly to all counties, to enactments of the legislature applicable uniformly to all counties of the same class limiting or prohibiting the levying of any tax, excise, fee, charge or other exaction and to enactments of the legislature prescribing limits of indebtedness. All enactments relating to counties now in effect or hereafter enacted and as later amended and until repealed shall govern counties, except as counties shall exempt themselves by charter resolutions as herein provided for in subsection (b).

(b) (1) Any county may by charter resolution elect in the manner prescribed in this section that the whole or any part of any enactment of the legislature applying to such county, other than enactments of statewide concern applicable uniformly to all counties, other enactments applicable uniformly to all counties, and enactments prescribing limits of indebtedness, shall not apply to such

county.

(2) A charter resolution is a resolution which exempts a county from the whole or any part of any enactment of the legislature as referred to in this section and which may provide substitute and additional provisions on the same subject. Such charter resolution shall be so titled, shall designate specifically the enactment of the legislature or part thereof made inapplicable to such county by the adoption of such resolution and contain the substitute and additional provisions, if any, and shall require a two-thirds vote of the members-elect of the governing body of such county. Every charter resolution shall be published once each week for two consecutive weeks in the official county newspaper or, if there is none, in a newspaper of general circulation in the county.

(3) No charter resolution shall take effect until 60 days after its final publication. If, within 60 days of its final publication, a petition signed by a number of electors of the county equal to not less than 10% of the number of electors who voted at the last preceding regular county election shall be filed in the office of the clerk of such county demanding that such resolution be submitted to a vote of the electors, it shall not take effect until submitted to a referendum and approved by a majority of the electors voting thereon. An election, if called, shall be called within 30 days and held within 90 days after the filing of the petition. The governing body shall pass a resolution calling the election and fixing the date, which resolution shall be published once each week for three consecutive weeks in the official county newspaper or, if there is none, in a newspaper of general circulation in the county, and the election shall be conducted as elections for officers and by the officers handling such elections. The proposition shall be: "Shall charter resolution No. _____, entitled (title of resolution) take effect?" The governing body may submit any charter resolution to a referendum without petition by the same publication of the charter resolution, and the same publication of the resolution calling the election as for resolutions upon petition and such charter resolution shall then become effective when approved by a majority of the electors voting thereon. Each charter resolution becoming effective shall be recorded by the county clerk in a book maintained for that purpose with a statement of the manner of adoption, and a certified copy shall be filed with the secretary of state, who shall keep an index of the same.

(4) Each charter resolution enacted shall control and prevail over any prior or subsequent act of the governing body of the county, and may be repealed or amended only by charter resolution or by enactments of the legislature applicable to all counties.

(c) Powers and authority granted to counties pursuant to this section shall be liberally construed for the purpose of giving to counties the largest measure of self-government.

(d) This amendment shall be effective on and after July 1, 2025."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would provide a constitutional basis for county home rule, which is currently enshrined only in statutory law. Counties could pass home rule resolutions to legislate locally on matters not

covered by state law. A county could enact a charter resolution to exempt itself from non-uniform state laws that apply to the county and provide substitute or additional provisions to that law. The legislature could preempt counties from exercising home rule powers by enacting state laws that apply uniformly to all counties, or, when the legislature levies a county tax, excise, fee, charge or other exaction, when such levy applies uniformly to all counties of the same class, as defined by statute.

"A vote for this proposition would empower counties to determine their local affairs and government with a constitutional grant of power that could only be preempted by enactments of the legislature that apply uniformly to all counties.

"A vote against this proposition would retain the current statutory authority of counties to determine their local affairs and government, but such authority could continue to be removed or restricted by enactments of the legislature, regardless of uniformity."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2024, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case the proposed amendment shall be submitted to the electors of the state at the special election.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote NO on **HR 6030**. The murder, rape, and hostage-taking committed by HAMAS on Oct 7, 2023 are war crimes. I condemn them. This resolution does not acknowledge the devastation facing Palestinian civilians. Thousands, including children, have died in Israeli airstrikes. Thousands more are injured or displaced. Humanitarian groups warn of catastrophe as supplies run out. HAMAS's crimes do not justify further war crimes. A political solution to ensure the safety and dignity of Israelis and Palestinians is the only way forward. The first step must be a permanent ceasefire, with return of hostages and commitment to rebuild Gaza. I therefore vote NO on **HR 6030**. – JOHN CARMICHAEL

MR. SPEAKER: I vote No on **HR 6030**. There are many parts of this resolution I do support. I unequivocally support Israel's right to exist and to self-determination. I condemn all the acts of terror and violence perpetrated by Hamas and antisemitism everywhere. But we must also acknowledge and mourn the suffering and deaths of Palestinian civilians. I am a proponent of peace and of a negotiated political solution that protects the human rights and political self-determination of both peoples. I would resolve for an immediate ceasefire, the return of all hostages, and the opening of borders to humanitarian aid. – LINDSAY VAUGHN

MR. SPEAKER: I vote NO on the Israel Resolution **HR 6030**. The murder, rape and hostage-taking committed by Hamas on October 7 are war crimes. I condemn them. This resolution doesn't acknowledge the devastation facing Palestinian civilians. Thousands, including children, have died in Israeli airstrikes. Thousands more are injured or displaced. Humanitarian groups warn of catastrophe as supplies run out. Hamas's crimes don't justify further war crimes. A political solution to ensure the safety and dignity of Israelis and Palestinians is the only way forward. The first step must be a permanent ceasefire, with return of hostages and commitment to rebuild Gaza. – DENNIS "BOOG" HIGHBERGER, ALLISON HOUGLAND, SYDNEY CARLIN, ANGELA MARTINEZ, SILAS MILLER, FORD CARR, BARBARA BALLARD, MIKE AMYX.

MR. SPEAKER: My yes vote on **HR 6030** today reflects the portions of this resolution in which I am in agreement, but I am casting this vote for less than perfect measures. I must point out that I find it astonishing that this resolution makes no mention of the suffering and deaths of the innocent Palestinian civilians including thousands of children, or the urgent and critical need to find a negotiated and just solution that protects the human rights of all people. - NIKKI McDONALD, TOBIAS SCHLINGENSIEPEN, KIRK HASKINS, VIC MILLER

MR. SPEAKER: I vote yes on **HR 6030** because although I have concerns about parts of this resolution and the manner in which it was forced to the floor today. I feel the majority of my district supports: condemning terrorism, calling for the release of hostages, rejecting antisemitism, and supporting the right of a US ally to exist. On a personal level, I am horrified by the devastating loss of life and call for a permanent ceasefire so that the slaughter of innocent civilians in Palestine and Israel will come to an end. – LINDA FEATHERSTON

MR. SPEAKER: Nobody should deny the fact that Hamas is a terrorist organization, and it committed the most horrific war crimes against the people of Israel. Israel has a right to defend itself. However, this resolution does not address the ongoing conflict and didn't go far enough in condemning antisemitism in our country. I vote no on **HR 6030** - SUSAN RUIZ

MR. SPEAKER: I vote yes on this resolution, **HR 6030**. I'm disappointed that this resolution is so limited. Antisemitism did not begin with Hamas and while we condemn their terrorism today, we also need to condemn all attacks against innocent civilians whether they reside in Israel or Gaza, or here at home. This conflict is undoubtedly complex, but one thing is clear: any death from war is a tragedy. An immediate ceasefire is the only way forward to protect the lives of both Israelis and Palestinians, and we must protect our Jewish community and all historically marginalized groups from violence based on hate or religious bigotry. – HEATHER MEYER, VALDENIA WINN, LYNN MELTON
