BILL NUMBER: HB 2803 Gun Rights Preservation Act

PROPONENT, OPPONENT, or NEUTRAL: Opponent

ORAL or WRITTEN ONLY TESTIMONY: Written Only

Dear Chair & members of the committee,

I am writing to voice my opposition to bill HB 2803.

I am a lifelong Kansas resident with a large extended family who are also lifelong residents. The youngest of which are 2 of my grandchildren. It is my hope that Kansas will be a safe environment for them to grow into adulthood. That is why I am writing today.

Succinctly put, I see no value in this bill. It appears to chip away at gun regulations which could jeopardize the safety of all Kansas citizens. Furthermore, it appears to be unconstitutional and a senseless waste of resources that could be put to better use for the common good of all Kansans.

In closing, I respectfully request that you vote no on bill HB 2803.

Sincerely,

Janelle Stamm
