The Honorable Renee Erickson, Chairperson  
Senate Committee on Commerce  
300 SW 10th Avenue, Room 546-S  
Topeka, Kansas 66612

Dear Senator Erickson:

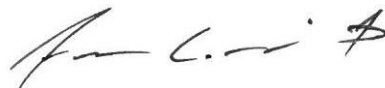

**SUBJECT:** Fiscal Note for SB 114 by Senate Committee on Commerce

In accordance with KSA 75-3715a, the following fiscal note concerning SB 114 is respectfully submitted to your committee.

SB 114 would amend KSA 65-3402 to add new terms and revise existing terms related to advanced recycling and advanced recycling facilities. The bill would specify that “solid waste” does not include post-use polymers and recovered feedstocks that are converted at an advanced recycling facility or held at such a facility prior to conversion through an advanced recycling process. In addition, advanced recycling would not be included in solid waste management systems and advanced recycling facilities would not be included in solid waste processing facilities.

According to the Department of Health and Environment, enactment of SB 114 would not have a fiscal effect on agency operations.

Sincerely,

Adam Proffitt  
Director of the Budget
