(b) For any repayment requirement under this section, the person shall repay an amount totaling the entire amount to be repaid under all such agreements for which such obligations are not satisfied, including all amounts of interest at the rate prescribed. The repayment shall be made in not more than 10 equal annual installment payments.

(c) All installment payments under this section shall commence six months after the date of the action or circumstance that causes the failure of the person to satisfy the obligations of such agreements, as determined by the university of Kansas school of medicine based upon the circumstances of each individual case.
