SENATE RESOLUTION No. 1833—

A RESOLUTION recognizing that Lyme disease is significantly underdiagnosed in the United States and supporting further Lyme disease research.

WHEREAS, Lyme disease is the most commonly reported tick-transmitted disease in the United States, yet the Centers for Disease Control and Prevention acknowledge that the number of cases reported annually represents only about one-tenth of the true number of cases. Approximately 30,000 cases of Lyme disease are reported to the CDC by state health departments each year. However, other studies of the disease suggest that the number of people actually diagnosed with Lyme disease each year is around 300,000, leaving approximately 270,000 cases unreported; and

WHEREAS, Lyme disease is most common among boys aged five to 19, with this age group being affected at three times the average rate of all other age groups. Around 25% of all reported cases of Lyme disease are children; and

WHEREAS, Lyme disease is undiagnosed in many Americans due to the lack of an accurate screening test, no standard presentation, a lack of reliable tick and tick-borne disease studies and many other reasons; and

WHEREAS, The screening test recommended by the CDC fails to detect 50% or more of Lyme disease cases, and strain variations complicate the testing; and

WHEREAS, Lyme disease can present in a variety of ways. One common sign of Lyme disease is the presentation of a red bull's-eye rash on the skin near the tick bite mark. However, only approximately 30% of Lyme disease patients present with this symptom. Lyme disease is known as "The New Great Imitator," because it can be misdiagnosed as fibromyalgia, multiple sclerosis, Parkinson's disease, chronic fatigue syndrome, Lou Gehrig's disease, cardiac problems, Alzheimer's disease, attention deficit disorder, vision and hearing problems and other conditions, including psychiatric disorders; and

WHEREAS, Lyme disease can affect almost any part of the body and produces a wide range of symptoms, including skin lesions, meningitis, progressive muscular and joint pain, mood changes and behavioral problems. If left untreated, Lyme disease can become an incurable and lifelong debilitating illness characterized by neurological disorders, emotional and mental disorders, serious pain syndromes in the bone and muscles, fatal heart disease and respiratory failure; and

WHEREAS, May is Lyme Disease Awareness Month. The ticks that transmit Lyme disease to humans are most active during May through July: Now, therefore,

*Be it resolved by the Senate of the State of Kansas:* That we recognize that Lyme disease is significantly underdiagnosed in the United States and we support further research of the disease, its symptoms and its treatment; and

*Be it further resolved:* That the Secretary of the Senate shall send an enrolled copy of this resolution to each member of the Kansas Congressional Delegation; the Chair and Ranking Member of the United States Senate Committee on Health, Education, Labor and Pensions; the Chair, Vice Chair and Ranking Member of the United States House Energy Subcommittee on Health; the Chair, Vice Chair and Ranking Member of the United States House Appropriations Subcommittee on Labor, Health and Human Services, Education and Related Agencies; and the Chair, Vice Chair and Ranking Member of the United States House Ways and Means Subcommittee on Health.

### CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2568** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 27 through 33;

On page 7, by striking all in lines 2 through 5;

On page 8, following line 8, by inserting:

"(d) If both parents are parties to the action, the court shall enter such orders regarding custody, residency and parenting time as the court considers to be in the best interest of the child.

If the parties have an agreed parenting plan, it shall be presumed the agreed parenting plan is in the best interest of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the best interest of the child. If the parties are not in agreement on a parenting plan, each party shall submit a proposed parenting plan to the court for consideration at such time before the final hearing as may be directed by the court.

(e) If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care, as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2013 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or another person or agency if the court finds by written order that: (1) (A) The child is likely to sustain harm if not immediately removed from the home; (B) allowing the child to remain in the home is contrary to the welfare of the child; or (C) immediate placement of the child is in the best interest of the child; and (2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2013 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this subsection shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2013 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2013 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. If a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section. If the same judge presides over both proceedings, the notice is not required. Any order pursuant to the revised Kansas code for care of children shall take precedence over any similar order under this section.";

amendments, as follows:

On page 4, by striking line 43;

On page 5, by striking all in lines 1 through 23 and inserting the following:

"Section 1. K.S.A. 2013 Supp. 8-255 is hereby amended to read as follows: 8-255.

(a) The division is authorized to restrict, suspend or revoke a person's driving privileges upon a showing by its records or other sufficient evidence the person:

(1) Has been convicted with such frequency of serious offenses against traffic regulations governing the movement of vehicles as to indicate a disrespect for traffic laws and a disregard for the safety of other persons on the highways;

(2) has been convicted of three or more moving traffic violations committed on separate occasions within a 12-month period;

(3) is incompetent to drive a motor vehicle;

(4) has been convicted of a moving traffic violation, committed at a time when the person's driving privileges were restricted, suspended or revoked; or

(5) is a member of the armed forces of the United States stationed at a military installation located in the state of Kansas, and the authorities of the military establishment certify that such person's on-base driving privileges have been suspended, by action of the proper military authorities, for violating the rules and regulations of the military installation governing the movement of vehicular traffic or for any other reason relating to the person's inability to exercise ordinary and reasonable control in the operation of a motor vehicle.

(b) (1) The division shall:

(A) Suspend a person's driving privileges:

(i) When required by K.S.A. 8-262, 8-1014 or 41-727, and amendments thereto;

(ii) upon a person's second conviction of theft, as defined in subsection (a)(5) of K.S.A. 2013 Supp. 21-5801, and amendments thereto, for six months; and

(iii) upon a person's third or subsequent conviction of theft, as defined in subsection (a)(5) of K.S.A. 2013 Supp. 21-5801, and amendments thereto, for one year;

(B) disqualify a person's privilege to drive commercial motor vehicles when required by K.S.A. 8-2, 142, and amendments thereto; and

(C) restrict a person's driving privileges when required by K.S.A. 2013 Supp. 39-7, 155, and amendments thereto.

(2) As used in this subsection, "conviction" means a final conviction without regard to whether the sentence was suspended or probation granted after such conviction. Forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction. "Conviction" includes being convicted of a violation of K.S.A. 21-3765, prior to its repeal, or subsection (a)(5) of K.S.A. 2013 Supp. 21-5801, and amendments thereto.

(c) When the action by the division restricting, suspending, revoking or disqualifying a person's driving privileges is based upon a report of a conviction or convictions from a convicting court, the person may not request a hearing but, within 30 days after notice of restriction, suspension, revocation or disqualification is mailed, may submit a written request for administrative review and provide evidence to the division to show the person whose driving privileges have been restricted, suspended, revoked or disqualified by the division was not convicted of the offense upon which the restriction, suspension, revocation or disqualification is based. Within 30 days of its receipt of the request for administrative review, the division shall notify the person

whether the restriction, suspension, revocation or disqualification has been affirmed or set aside. The request for administrative review shall not stay any action taken by the division.

(d) Upon restricting, suspending, revoking or disqualifying the driving privileges of any person as authorized by this act, the division shall immediately notify the person in writing. Except as provided by K.S.A. 8-1002 and 8-2,145, and amendments thereto, and subsections (c) and (g), if the person makes a written request for hearing within 30 days after such notice of restriction, suspension or revocation is mailed, the division shall afford the person an opportunity for a hearing as early as practical not sooner than five days nor more than 30 days after such request is mailed. If the division has not revoked or suspended the person's driving privileges or vehicle registration prior to the hearing, the hearing may be held within not to exceed 45 days. Except as provided by K.S.A. 8-1002 and 8-2,145, and amendments thereto, the hearing shall be held in the person's county of residence or a county adjacent thereto, unless the division and the person agree that the hearing may be held in some other county. Upon the hearing, the director or the director's duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require an examination or reexamination of the person. When the action proposed or taken by the division is authorized but not required, the division, upon the hearing, shall either rescind or affirm its order of restriction, suspension or revocation or, good cause appearing therefor, extend the restriction or suspension of the person's driving privileges, modify the terms of the restriction or suspension or revoke the person's driving privileges. When the action proposed or taken by the division is required, the division, upon the hearing, shall either affirm its order of restriction, suspension, revocation or disqualification, or, good cause appearing therefor, dismiss the administrative action. If the person fails to request a hearing within the time prescribed or if, after a hearing, the order of restriction, suspension, revocation or disqualification is upheld, the person shall surrender to the division, upon proper demand, any driver's license in the person's possession.

(e) In case of failure on the part of any person to comply with any subpoena issued on behalf of the division or the refusal of any witness to testify to any matters regarding which the witness may be lawfully interrogated, the district court of any county, on application of the division, may compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued from the court or a refusal to testify in the court. Each witness who appears before the director or the director's duly authorized agent by order or subpoena, other than an officer or employee of the state or of a political subdivision of the state, shall receive for the witness' attendance the fees and mileage provided for witnesses in civil cases in courts of record, which shall be audited and paid upon the presentation of proper vouchers sworn to by the witness.

(f) The division, in the interest of traffic and safety, may establish or contract with a private individual, corporation, partnership or association for the services of driver improvement clinics throughout the state and, upon reviewing the driving record of a person whose driving privileges are subject to suspension under subsection (a)(2), may permit the person to retain such person's driving privileges by attending a driver improvement clinic. Any person other than a person issued a commercial driver's license under K.S.A. 8-2,125 et seq., and amendments thereto, desiring to attend a

driver improvement clinic shall make application to the division and such application shall be accompanied by the required fee. The secretary of revenue shall adopt rules and regulations prescribing a driver's improvement clinic fee which shall not exceed \$500 and such rules and regulations deemed necessary for carrying out the provisions of this section, including the development of standards and criteria to be utilized by such driver improvement clinics. Amounts received under this subsection shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the same in the state treasury as prescribed by subsection (f) of K.S.A. 8-267, and amendments thereto.

(g) When the action by the division restricting a person's driving privileges is based upon certification by the secretary of social and rehabilitation services for children and families pursuant to K.S.A. 2013 Supp. 39-7,155, and amendments thereto, the person may not request a hearing but, within 30 days after notice of restriction is mailed, may submit a written request for administrative review and provide evidence to the division to show the person whose driving privileges have been restricted by the division is not the person certified by the secretary of social and rehabilitation services for children and families, did not receive timely notice of the proposed restriction from the secretary of social and rehabilitation services for children and families or has been decertified by the secretary of social and rehabilitation services for children and families. Within 30 days of its receipt of the request for administrative review, the division shall notify the person whether the restriction has been affirmed or set aside. The request for administrative review shall not stay any action taken by the division.

(h) Any person whose driving privileges have been suspended under subsection (b) (1)(A)(ii) or (b)(1)(A)(iii), shall pay a reinstatement fee in the amount of \$100 to the division. The division shall remit all revenues received from such fees, at least monthly, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, for deposit in the state treasury and credit to the state highway fund.

(3) In addition, for any conviction pursuant to subsection (b)(1)(C), (b)(1)(D) or (b)(1)(E), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2013 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. (d) If a person is charged with a violation of this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court; or

(10) impose any appropriate combination of subsections (b)(1) through (b)(9).

In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2013 Supp. 21-6602, and amendments thereto.

In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole or conditional release.

The court in committing a defendant to the custody of the secretary of corrections shall fix a maximum term of confinement within the limits provided by law. In those cases where the law does not fix a maximum term of confinement for the crime for which the defendant was convicted, the court shall fix the maximum term of such confinement. In all cases where the defendant is committed to the custody of the secretary of corrections, the court shall fix the minimum term within the limits provided by law.

(c) Whenever any juvenile felon, as defined in K.S.A. 38-16,112, prior to its repeal, has been found guilty of a class A or B felony, the court shall commit the defendant to the custody of the secretary of corrections and may impose the fine applicable to the offense.

(d) (1) Except when an appeal is taken and determined adversely to the defendant as provided in subsection (d)(2), at any time within 120 days after a sentence is imposed, after probation or assignment to a community correctional services program has been revoked, the court may modify such sentence, revocation of probation or assignment to a community correctional services program by directing that a less severe

penalty be imposed in lieu of that originally adjudged within statutory limits and shall modify such sentence if recommended by the Topeka correctional facility unless the court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the inmate will not be served by such modification.

(2) If an appeal is taken and determined adversely to the defendant, such sentence may be modified within 120 days after the receipt by the clerk of the district court of the mandate from the supreme court or court of appeals.

(e) The court shall modify the sentence at any time before the expiration thereof when such modification is recommended by the secretary of corrections unless the court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the inmate will not be served by such modification. The court shall have the power to impose a less severe penalty upon the inmate, including the power to reduce the minimum below the statutory limit on the minimum term prescribed for the crime of which the inmate has been convicted. The recommendation of the secretary of corrections, the hearing on the recommendation and the order of modification shall be made in open court. Notice of the recommendation of modification of sentence and the time and place of the hearing thereon shall be given by the inmate, or by the inmate's legal counsel, at least 21 days prior to the hearing to the county or district attorney of the county where the inmate was convicted. After receipt of such notice and at least 14 days prior to the hearing, the county or district attorney shall give notice of the recommendation of modification of sentence and the time and place of the hearing thereon to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's next of kin if the next of kin's address is known to the county or district attorney. Proof of service of each notice required to be given by this subsection shall be filed with the court.

(f) After such defendant has been assigned to a conservation camp but prior to the end of 180 days, the chief administrator of such camp shall file a performance report and recommendations with the court. The court shall enter an order based on such report and recommendations modifying the sentence, if appropriate, by sentencing the defendant to any of the authorized dispositions provided in subsection (b), except to reassign such person to a conservation camp as provided in subsection (b)(6).

(g) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(h) An application for or acceptance of probation, suspended sentence or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(i) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(j) The provisions of this section shall apply to crimes committed before July 1, 1993.

Sec. 23. K.S.A. 2013 Supp. 21-6708 is hereby amended to read as follows: 21-

6708. The presumptive sentence for a person who has never before been convicted of a felony, but has now been convicted of a class D or E felony or convicted of an attempt to commit a class D felony shall be probation, unless the conviction is of a crime or of an attempt to commit a crime specified in article 34, 35 or 36 of chapter 21 of Kansas Statutes Annotated, prior to their repeal, or in the uniform controlled substances act or the person convicted is a juvenile offender in the custody of the department of social and rehabilitation services Kansas department for children and families. In determining whether to impose the presumptive sentence, the court shall consider any prior record of the person's having been convicted or having been adjudicated to have committed, while a juvenile, an offense which would constitute a felony if committed by an adult. If the presumptive sentence provided by this section is not imposed, the provisions of section 278, and amendments thereto, shall apply. The provisions of this section shall not apply to crimes committed on or after July 1, 1993.

Sec. 24. K.S.A. 2013 Supp. 22-2410, as amended by section 24 of 2014 Senate Substitute for House Bill No. 2338, is hereby amended to read as follows: 22-2410. (a) Any person who has been arrested in this state may petition the district court for the expungement of such arrest record.

(b) When a petition for expungement is filed, the court shall set a date for hearing on such petition and shall cause notice of such hearing to be given to the prosecuting attorney and the arresting law enforcement agency. When a petition for expungement is filed, the official court file shall be separated from the other records of the court, and shall be disclosed only to a judge of the court and members of the staff of the court designated by a judge of the district court, the prosecuting attorney, the arresting law enforcement agency, or any other person when authorized by a court order, subject to any conditions imposed by the order. Except as otherwise provided by law, a petition for expungement shall be accompanied by a docket fee in the amount of \$176. Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed \$19 per docket fee, to fund the costs of non-judicial personnel. The petition shall state:

- (1) The petitioner's full name;
- (2) the full name of the petitioner at the time of arrest, if different than the petitioner's current name;
- (3) the petitioner's sex, race and date of birth;
- (4) the crime for which the petitioner was arrested;

No surcharge or fee shall be imposed to any person filing a petition pursuant to this section, who was arrested as a result of being a victim of identity theft under K.S.A. 21-4018, prior to its repeal, or subsection (a) of K.S.A. 2013 Supp. 21-6107, and amendments thereto, or who has had criminal charges dismissed because a court has found that there was no probable cause for the arrest, the petitioner was found not guilty in court proceedings or the charges have been dismissed. Any person who may have relevant information about the petitioner may testify at the hearing. The court may inquire into the background of the petitioner.

(c) At the hearing on a petition for expungement, the court shall order the arrest record and subsequent court proceedings, if any, expunged upon finding: (1) The arrest occurred because of mistaken identity;

(2) a court has found that there was no probable cause for the arrest;

(3) the petitioner was found not guilty in court proceedings; or

(4) the expungement would be in the best interests of justice and: (A) Charges have been dismissed; or (B) no charges have been or are likely to be filed.

(d) When the court has ordered expungement of an arrest record and subsequent court proceedings, if any, the order shall state the information required to be stated in the petition and shall state the grounds for expungement under subsection (c). The clerk of the court shall send a certified copy of the order to the Kansas bureau of investigation which shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency which may have a record of the arrest. If an order of expungement is entered, the petitioner shall be treated as not having been arrested.

(e) If the ground for expungement is as provided in subsection (c)(4), the court shall determine whether, in the interests of public welfare, the records should be available for any of the following purposes: (1) In any application for employment as a detective with a private detective agency, as defined in K.S.A. 75-7b01, and amendments thereto; as security personnel with a private patrol operator, as defined by K.S.A. 75-7b01, and amendments thereto; or with an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the department of social and rehabilitation Kansas department for aging and disability services;

(2) in any application for admission, or for an order of reinstatement, to the practice of law in this state;

(3) to aid in determining the petitioner's qualifications for employment with the Kansas lottery or for work in sensitive areas within the Kansas lottery as deemed appropriate by the executive director of the Kansas lottery;

(4) to aid in determining the petitioner's qualifications for executive director of the Kansas racing commission, for employment with the commission or for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission, or to aid in determining qualifications for licensure or renewal of licensure by the commission;

(5) in any application for a commercial driver's license under K.S.A. 8-2,125 through 8-2,142, and amendments thereto;

(6) to aid in determining the petitioner's qualifications to be an employee of the state gaming agency;

(7) to aid in determining the petitioner's qualifications to be an employee of a tribal gaming commission or to hold a license issued pursuant to a tribal-state gaming compact; or

(8) in any other circumstances which the court deems appropriate.

(f) The court shall make all expunged records and related information in such court's possession, created prior to, on and after July 1, 2011, available to the Kansas bureau of investigation for the purposes of:

(1) Completing a person's criminal history record information within the central repository in accordance with K.S.A. 22-4701 et seq., and amendments thereto; or

(2) providing information or documentation to the federal bureau of investigation, in connection with the national instant criminal background check system, to determine

a person's qualification to possess a firearm.

(g) Subject to any disclosures required under subsection (e), in any application for employment, license or other civil right or privilege, or any appearance as a witness, a person whose arrest records have been expunged as provided in this section may state that such person has never been arrested.

(h) Whenever a petitioner's arrest records have been expunged as provided in this section, the custodian of the records of arrest, incarceration due to arrest or court proceedings related to the arrest, shall not disclose the arrest or any information related to the arrest, except as directed by the order of expungement or when requested by the person whose arrest record was expunged.

(i) The docket fee collected at the time the petition for expungement is filed shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

The provisions of this section shall not apply if a person in the custody of a county or city law enforcement agency, a county department of corrections or the Kansas highway patrol is covered under a current individual or group accident and health insurance policy, medical service plan contract, hospital service corporation contract, hospital and medical service corporation contract, fraternal benefit society or health maintenance organization contract.

(b) Nothing in this section shall prevent a county or city law enforcement agency, a county department of corrections, the Kansas highway patrol or such agencies authorized vendors from entering into agreements with health care providers for the provision of health care services at terms, conditions and amounts which are different than the medicaid rate.

(c) It shall be the responsibility of the custodial county or city law enforcement agency, county department of corrections or the Kansas highway patrol or such agencies' agents, to determine, under agreement with the secretary of health and environment, the amount payable for the services provided and to communicate that determination along with the remittance advice and payment for the services provided.

(d) Nothing in this section shall be construed to create a duty on the part of a health care provider to render health care services to a person in the custody of a county or city law enforcement agency, a county department of corrections or the Kansas highway patrol.

The secretary of social and rehabilitation services for children and families may adopt rules and regulations establishing procedures for birthing hospitals under the program.

(c) Subject to appropriations, the secretary of social and rehabilitation services for children and families is authorized to establish in this state a physicians' office-based program for voluntary acknowledgment of paternity pursuant to K.S.A. 65-2409a, and amendments thereto, for newborn children of unwed mothers. The secretary shall provide information and instructions to physicians' offices for the program and may adopt rules and regulations establishing procedures for physicians' offices under the program.

(d) The secretary of health and environment shall provide services for the voluntary acknowledgment of paternity, in appropriate circumstances, through the office of the state registrar. The secretary of health and environment may adopt rules and regulations to carry out the requirements of this section.

Sec. 31. K.S.A. 2013 Supp. 23-2204 is hereby amended to read as follows: 23-2204. (a) The state registrar of vital statistics, in conjunction with the secretary of social and rehabilitation services for children and families, shall review and, as needed, revise acknowledgment of paternity forms for use under K.S.A. 2013 Supp. 23-2223 and K.S.A. 65-2409a, and amendments thereto. The acknowledgment of paternity forms shall include or have attached a written description pursuant to subsection (b) of the rights and responsibilities of acknowledging paternity.

(b) A written description of the rights and responsibilities of acknowledging paternity shall state the following:

(1) An acknowledgment of paternity creates a permanent father and child relationship which can only be ended by court order. A person who wants to revoke the acknowledgment of paternity must file the request with the court before the child is one year old, unless the person was under age 18 when the acknowledgment of paternity was signed. A person under age 18 when the acknowledgment was signed has until one year after his or her 18<sup>th</sup> birthday to file a request, but if the child is more than one year old then, the judge will first consider the child's best interests.

The person will have to show that the acknowledgment was based on fraud, duress (threat) or an important mistake of fact, unless the request is filed within 60 days of signing the acknowledgment or before any court hearing about the child, whichever is earlier;

(2) both the father and the mother are responsible for the care and support of the child. If necessary, this duty may be enforced through legal action such as a child support order, an order to pay birth or other medical expenses of the child or an order to repay government assistance payments for the child's care. A parent's willful failure to support the parent's child is a crime;

(3) both the father and the mother have rights of custody and parenting time with the child unless a court order changes their rights. Custody, residency and parenting time may be spelled out in a court order and enforced;

(4) both the father and the mother have the right to consent to medical treatment for the child unless a court order changes those rights;

(5) the child may inherit from the father and the father's family or from the mother and the mother's family. The child may receive public benefits, including, but not

limited to, social security or private benefits, including, but not limited to, insurance or workers compensation because of the father-child or mother-child relationship;

(6) the father or the mother may be entitled to claim the child as a dependent for tax or other purposes. The father or the mother may inherit from the child or the child's descendants; and

(7) each parent has the right to sign or not sign an acknowledgment of paternity. Each parent has the right to talk with an attorney before signing an acknowledgment of paternity. Each parent has the right to be represented by an attorney in any legal action involving paternity or their rights or duties as a parent. Usually each person is responsible for hiring the person's own attorney.

(c) Any duty to disclose rights or responsibilities related to signing an acknowledgment of paternity shall have been met by furnishing the written disclosures of subsection (b). Any duty to disclose orally the rights or responsibilities related to signing an acknowledgment of paternity may be met by means of an audio recording of the disclosures of subsection (b).

(d) An acknowledgment of paternity completed without the written disclosures of subsection (b) is not invalid solely for that reason and may create a presumption of paternity pursuant to K.S.A. 2013 Supp. 23-2208, and amendments thereto. Nothing in K.S.A. 2013 Supp. 23-2202 through 23-2204, and amendments thereto, shall decrease the validity, force or effect of an acknowledgment of paternity executed in this state prior to the effective date of this act.

(e) Upon request, the state registrar of vital statistics shall provide a certified copy of the acknowledgment of paternity to an office providing IV-D program services.

Sec. 32. K.S.A. 2013 Supp. 23-2209 is hereby amended to read as follows: 23-2209. (a) A child or any person on behalf of such a child, may bring an action:

(1) At any time to determine the existence of a father and child relationship presumed under K.S.A. 2013 Supp. 23-2208, and amendments thereto; or

(2) at any time until three years after the child reaches the age of majority to determine the existence of a father and child relationship which is not presumed under K.S.A. 2013 Supp. 23-2208, and amendments thereto.

(b) When authorized under K.S.A. 39-755 or 39-756, and amendments thereto, the secretary of social and rehabilitation services for children and families may bring an action at any time during a child's minority to determine the existence of the father and child relationship.

(c) This section does not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to the probate of estates or determination of heirship.

(d) Any agreement between an alleged or presumed father and the mother or child does not bar an action under this section.

(e) Except as otherwise provided in this subsection, if an acknowledgment of paternity pursuant to K.S.A. 2013 Supp. 23-2204, and amendments thereto, has been completed the man named as the father, the mother or the child may bring an action to revoke the acknowledgment of paternity at any time until one year after the child's date of birth. The legal responsibilities, including any child support obligation, of any signatory arising from the acknowledgment of paternity shall not be suspended during the action, except for good cause shown. If the person bringing the action was a minor at the time the acknowledgment of paternity was completed, the action to revoke the

acknowledgment of paternity may be brought at any time until one year after that person attains age 18, unless the court finds that the child is more than one year of age and that revocation of the acknowledgment of paternity is not in the child's best interest.

The person requesting revocation must show, and shall have the burden of proving, that the acknowledgment of paternity was based upon fraud, duress or material mistake of fact unless the action to revoke the acknowledgment of paternity is filed before the earlier of 60 days after completion of the acknowledgment of paternity or the date of a proceeding relating to the child in which the signatory is a party, including, but not limited to, a proceeding to establish a support order.

If a court of this state has assumed jurisdiction over the matter of the child's paternity or the duty of a man to support the child, that court shall have exclusive jurisdiction to determine whether an acknowledgment of paternity may be revoked under this subsection.

If an acknowledgment of paternity has been revoked under this subsection, it shall not give rise to a presumption of paternity pursuant to K.S.A. 2013 Supp. 23-2208, and amendments thereto. Nothing in this subsection shall prevent a court from admitting a revoked acknowledgment of paternity into evidence for any other purpose.

If there has been an assignment of the child's support rights pursuant to K.S.A. 39-709, and amendments thereto, the secretary of social and rehabilitation services for children and families shall be a necessary party to any action under this subsection.

Sec. 33. K.S.A. 2013 Supp. 23-2212 is hereby amended to read as follows: 23-2212. (a) Whenever the paternity of a child is in issue in any action or judicial proceeding in which the child, mother and alleged father are parties, the court, upon its own motion or upon motion of any party to the action or proceeding, shall order the mother, child and alleged father to submit to genetic tests. If an action is filed by the secretary of social and rehabilitation services for children and families under K.S.A. 39-755 or 39-756, and amendments thereto, the court shall order genetic tests on the motion of the secretary of social and rehabilitation services for children and families or any party to the action if paternity of the child is in issue. If any party refuses to submit to the tests, the court may resolve the question of paternity against the party or enforce its order if the rights of others and the interests of justice so require. The tests shall be made by experts qualified as genetic examiners who shall be appointed by the court.

(b) Parties to an action may agree to conduct genetic tests prior to or during the pendency of an action for support of a child. The verified written report of the experts shall be admitted into evidence as provided in subsection (c) unless the court finds that paternity of the child is not in issue.

(c) The verified written report of the experts shall be considered to be stipulated to by all parties unless written notice of intent to challenge the validity of the report is given to all parties not more than 20 days after receipt of a copy of the report but in no event less than 10 days before any hearing at which the genetic test results may be introduced into evidence. If such notice is given, the experts shall be called by the court as witnesses to testify as to their findings and shall be subject to cross-examination by the parties. Any party may demand that other experts, qualified as genetic examiners, perform independent tests under order of the court, the results of which may be offered in evidence. The number and qualification of the other experts shall be determined by the court. If no challenge is made, the genetic test results shall be admissible as evidence of paternity without the need for foundation testimony or other proof of

authenticity or accuracy.

Sec. 34. K.S.A. 2013 Supp. 23-2213 is hereby amended to read as follows: 23-2213. (a) Evidence relating to paternity may include any of the following:

(1) Evidence of sexual intercourse between the mother and alleged father at any possible time of conception.

(2) An expert's opinion concerning the statistical probability of the alleged father's paternity based upon the duration of the mother's pregnancy.

(3) Genetic test results of the statistical probability of the alleged father's paternity.

(4) Medical or anthropological evidence relating to the alleged father's paternity of the child based on tests performed by experts. The court may, and upon request of a party shall, require the child, the mother and the alleged father to submit to appropriate tests.

(5) Testimony, records and notes of a physician concerning the medical circumstances of the pregnancy and the condition and characteristics of the child upon birth. Such testimony, records and notes are not privileged.

(6) Any other evidence relevant to the issue of paternity of the child, including but not limited to voluntary acknowledgment of paternity made in accordance with K.S.A. 2013 Supp. 23-2204, and amendments thereto.

(b) Testimony relating to sexual access to the mother by a man at a time other than the probable time of the conception of the child is inadmissible in evidence.

(c) For any child whose weight at birth is equal to or greater than five pounds 12 ounces, or 2,608.2 grams, it shall be presumed that the child was conceived between 300 and 230 days prior to the date of the child's birth. A presumption under this section may be rebutted by clear and convincing evidence.

(d) Evidence consisting of the results of any genetic test that is of a type generally acknowledged as reliable by accreditation bodies designated by the secretary of social and rehabilitation services for children and families shall not be inadmissible solely on the basis of being performed by a laboratory approved by such an accreditation body.

(e) Evidence of expenses incurred for pregnancy, childbirth and genetic tests may be admitted as evidence without requiring third-party foundation testimony and shall constitute prima facie evidence of amounts incurred for such goods and services.

Sec. 35. K.S.A. 2013 Supp. 23-2219 is hereby amended to read as follows: 23-2219. (a) If the petitioner is not represented by counsel, the petitioner in an action to determine paternity may apply for services from: (1) The court trustee of the judicial district in which the action is brought, if the office of court trustee has been established in the county; or (2) the department of social and rehabilitation services Kansas department for children and families or its contractor, if the action is brought pursuant to part D of title IV of the federal social security act (42 U.S.C. § 651 et seq.), as amended. At the request of a petitioner in an action to determine paternity, the county or district attorney of the county in which the action is brought shall proceed on the petitioner's behalf if the petitioner is not represented by counsel, the action is not brought pursuant to part D of title IV of the federal social security act (42 U.S.C. § 651 et seq.), as amended, and there is no court trustee in the county.

(b) The court shall appoint a guardian ad litem to represent the minor child if the court finds that the interests of the child and the interests of the petitioner differ. In any other case, the court may appoint such a guardian ad litem.

(c) The court shall appoint counsel for any other party to the action who is

financially unable to obtain counsel.

(d) If a party is financially unable to pay the costs of a transcript, the court shall furnish on request a transcript for purposes of appeal.

Sec. 39. K.S.A. 2013 Supp. 23-3114 is hereby amended to read as follows: 23-3114. (a) Whether or not a medical child support order has previously been entered, the court shall address the medical needs of the child, and if necessary, enter a medical child support order. Subject to any requirements in child support guidelines adopted by the supreme court pursuant to K.S.A. 20-165, and amendments thereto, the medical child support order may require either parent or both parents to furnish coverage under any health benefit plan as provided in this section, allocate between the parents responsibility for deductibles and copayments, allocate between the parents responsibility for medical costs not covered by any health benefit plan, include costs of coverage under a health benefit plan in the calculation of a current child support order, require cash medical support as an adjustment to a current support order, and make any other provision that justice may require. Before requiring either parent to provide

coverage under any health benefit plan, the court shall consider whether the benefits of the plan are accessible to the child and the cost of coverage, including deductibles and copayments, in relation to the overall financial circumstances. In no event shall the court consider as a factor the availability of medical assistance to any person. Nothing in this section shall prevent the court from prospectively ordering a parent to provide coverage under any health benefit plan which may become available to the parent.

(b) Except for good cause shown, if more than one health benefit plan is available for and accessible to a child, the court shall give preference to the plan: (1) Designated by court order or agreement of the parties, or, if none, then (2) in which the child already has benefits, or, if none, then (3) with terms closest to those designated by court order or agreement of the parties, or, if none, then (4) in which the parent or members of the parent's household have benefits, or, if none, then (5) in which the child will receive the greatest benefits.

(c) When a medical child support order has been entered, the obligor shall be deemed to have granted by operation of law a limited power of attorney to submit claims to a health benefit plan on the child's behalf and to endorse and negotiate any check or other negotiable instrument issued in full or partial payment of the child's claim. Except as otherwise provided in this subsection, the limited power of attorney shall be held by the obligee. If the child is receiving medical assistance from the secretary of social and rehabilitation for aging and disability services or the department of health and environment, the secretary of social and rehabilitation services for children and families shall be deemed the sole holder of the limited power of attorney with respect to payments subject to the secretary's claim for reimbursement. Upon termination of medical assistance in this state for the child, the secretary of social and rehabilitation services for children and families shall retain the limited power of attorney with respect to medical assistance already provided until the claim of the secretary for reimbursement is satisfied. If the child is receiving medical assistance under Title XIX of the federal social security act in another state or jurisdiction, the agency or official responsible for administering the Title XIX program in that state or jurisdiction shall be deemed the sole holder of the limited power of attorney with respect to payments subject to the claim of that agency or official for reimbursement. Upon termination of medical assistance in that state or jurisdiction for the child the agency or official administering the Title XIX program shall retain the limited power of attorney with respect to medical assistance already provided until the claim of that agency or official for reimbursement is satisfied.

(d) In any case in which a participating parent is required by a court or administrative order to provide health coverage for a child, the participating parent is eligible for family health coverage, and the child is otherwise eligible for family health coverage, without regard to any enrollment season restrictions the employer, sponsor or other administrator of a health benefit plan: (1) Shall permit the participating parent to enroll the child for coverage; or (2) if the participating parent is enrolled but has not applied for coverage for the child, shall permit the holder of a limited power of attorney pursuant to subsection (c) to enroll the child. A child enrolled under this subsection shall be treated, with regard to any preexisting condition, as though enrollment occurred during the normal open enrollment period.

(e) When a child has been enrolled for coverage pursuant to subsection (d), the employer, sponsor or other administrator of a health benefit plan shall not disenroll or

eliminate coverage of the child unless the employer, sponsor or administrator is provided: (1) Satisfactory written evidence that the court or administrative order requiring the parent to provide health coverage is no longer in effect for the child and either the participating parent has requested a change or discontinuance of the child's coverage, or the child is otherwise ineligible for continued coverage; or (2) satisfactory written evidence, signed by all holders of a limited power of attorney pursuant to subsection (c), that the child is or will be enrolled in comparable health coverage through another insurer or health benefit plan which will take effect no later than the effective date of the disenrollment. An employer may also disenroll or eliminate coverage for the child if the employer has eliminated family health coverage for all of its employees.

(f) The provisions of this section and the income withholding act and amendments thereto shall apply to all orders for support, including all medical child support orders, entered in this state regardless of the date the order was entered.

Sec. 40. K.S.A. 2013 Supp. 23-3121 is hereby amended to read as follows: 23-3121. (a) As used in this section, "consumer reporting agency" means any person which, for monetary fees or dues or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties and which uses any means or facility of interstate commerce for the purpose of preparing or furnishing consumer reports.

(b) The secretary of social and rehabilitation services for children and families shall develop procedures for making information concerning support arrearages owed or assigned to the secretary or owed to any person who has applied for services pursuant to K.S.A. 39-756, and amendments thereto, available to consumer reporting agencies upon their request. The procedures shall provide for the information to be made available to such agencies in any case in which the support arrearage is \$1,000 or more unless the secretary determines that providing the information is not appropriate in a particular case. The procedures may additionally provide for the information to be available to such agencies if the amount of the support arrearage is less than \$1,000.

(c) The secretary may charge a consumer reporting agency requesting support arrearage information a fee not to exceed the actual cost to the secretary in providing such information.

(d) Prior to providing any information concerning an obligor's arrearage to a consumer reporting agency, the secretary shall provide advance notice to the obligor who owes support by first-class mail to the obligor's last known address, concerning the proposed release of information to a consumer reporting agency and of the methods available for contesting the accuracy of the information as provided for in K.S.A. 50-710, and amendments thereto.

Sec. 41. K.S.A. 2013 Supp. 23-3210 is hereby amended to read as follows: 23-3210. The investigation and report may be made by court services officers or any consenting person or agency employed by the court for that purpose. The court may use the department of social and rehabilitation services Kansas department for children and families to make the investigation and report if no

other source is available for that purpose. The costs for making the investigation and report may be assessed as court costs in the case as provided in article 20 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto.

(b) *Consultation.* In preparing the report concerning a child, the investigator may consult any person who may have information about the child and the potential legal custodial arrangements. Upon order of the court, the investigator may refer the child to other professionals for diagnosis. The investigator may consult with and obtain information from medical, psychiatric or other expert persons who have served the child in the past. If the requirements of subsection (c) are fulfilled, the investigator's report may be received in evidence at the hearing.

(c) *Use of report and investigator's testimony.* The court shall make the investigator's report available prior to the hearing to counsel or to any party not represented by counsel. Upon motion of either party, the report may be made available to a party represented by counsel, unless the court finds that such distribution would be harmful to either party, the child or other witnesses. Any party to the proceeding may call the investigator and any person whom the investigator has consulted for cross-examination. In consideration of the mental health or best interests of the child, the court may approve a stipulation that the interview records not be divulged to the parties.

(b) If the court determines that reasonable efforts to maintain the family unit and prevent unnecessary removal of a juvenile were not made, the court shall determine whether such reasonable efforts were unnecessary because:

(1) A court of competent jurisdiction has determined that the parent has subjected the juvenile to aggravated circumstances;

(2) a court of competent jurisdiction has determined that the parent has been

convicted of a murder of another child of the parent; voluntary manslaughter of another child of the parent; aiding or abetting, attempting, conspiring or soliciting to commit such a murder or such a voluntary manslaughter; or a felony assault that results in serious bodily injury to the juvenile or another child of the parent;

(3) the parental rights of the parent with respect to a sibling have been terminated involuntarily; or

(4) an emergency exists requiring protection of the juvenile and efforts to maintain the family unit and prevent unnecessary removal of the juvenile from the home were not possible.

(c) Nothing in this section shall be construed to prohibit the court from issuing a warrant or entering an order authorizing or requiring removal of the juvenile from the home if the juvenile presents a risk to public safety.

(d) When the juvenile has been in foster care and has been placed at home or allowed a trial home visit for a period of six months or more and is again removed from the home, the court shall again make a determination pursuant to subsections (a) and (b).

Sec. 70. K.S.A. 2013 Supp. 38-2350 is hereby amended to read as follows: 38-2350. (a) If, after proceedings as required by K.S.A. 2013 Supp. 38-2349, and amendments thereto, it is determined that a juvenile who has been found incompetent is not a mentally ill person subject to involuntary commitment for care and treatment as defined in subsection (f) of K.S.A. 59-2946, and amendments thereto, the juvenile shall remain in the institution where committed pursuant to K.S.A. 2013 Supp. 38-2348, and amendments thereto. The secretary of social and rehabilitation services for children and families shall promptly notify the court in which the proceedings are pending and the commissioner of the result of the proceedings. The court shall then proceed pursuant to subsection (c).

(b) If a juvenile has been found to be a mentally ill person and committed to a state psychiatric hospital for evaluation and treatment pursuant to K.S.A. 2013 Supp. 38-2349, and amendments thereto, but thereafter is to be discharged because such juvenile is not a mentally ill person subject to involuntary commitment for care and treatment as defined in subsection (f) of K.S.A. 59-2946, and amendments thereto, the treatment facility shall promptly notify the court in which the proceedings are pending that the juvenile is to be discharged. The court shall then proceed pursuant to subsection (c).

(c) Unless the court finds pursuant to subsection (c) of K.S.A. 2013 Supp. 38-2348, and amendments thereto, that the proceedings shall be resumed, within seven days after receiving notice pursuant to subsection (a) or (b), the court shall order the juvenile to be discharged from commitment and shall dismiss the charges without prejudice. The period of limitation for the prosecution for the crime charged shall not continue to run until the juvenile has been determined to have attained competency pursuant to subsection (e) of K.S.A. 2013 Supp. 38-2348, and amendments thereto.

Sec. 71. K.S.A. 2013 Supp. 38-2356 is hereby amended to read as follows: 38-2356. (a) If the court finds that the evidence fails to prove an offense charged or a lesser included offense as defined in subsection (b) of K.S.A. 2013 Supp. 21-5109, and amendments thereto, the court shall enter an order dismissing the charge.

(b) If the court finds that the juvenile committed the offense charged or a lesser included offense as defined in subsection (b) of K.S.A. 2013 Supp. 21-5109, and amendments thereto, the court shall adjudicate the juvenile to be a juvenile offender and

may issue a sentence as authorized by this code.

(c) If the court finds that the juvenile committed the acts constituting the offense charged or a lesser included offense as defined in subsection (b) of K.S.A. 2013 Supp. 21-5109, and amendments thereto, but is not responsible because of mental disease or defect, the juvenile shall not be adjudicated as a juvenile offender and shall be committed to the custody of the secretary of social and rehabilitation for aging and disability services and placed in a state hospital. The juvenile's continued commitment shall be subject to annual review in the manner provided by K.S.A. 22-3428a, and amendments thereto, for review of commitment of a defendant suffering from mental disease or defect, and the juvenile may be discharged or conditionally released pursuant to that section. The juvenile also may be discharged or conditionally released in the same manner and subject to the same procedures as provided by K.S.A. 22-3428, and amendments thereto, for discharge of or granting conditional release to a defendant found suffering from mental disease or defect. If the juvenile violates any conditions of an order of conditional release, the juvenile shall be subject to contempt proceedings and returned to custody as provided by K.S.A. 22-3428b, and amendments thereto.

(d) A copy of the court's order shall be sent to the school district in which the juvenile offender is enrolled or will be enrolled.

Sec. 72. K.S.A. 2013 Supp. 38-2361 is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 2013 Supp. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 2013 Supp. 38-2367, and amendments thereto, or violation of a condition of sentence pursuant to K.S.A. 2013 Supp. 38-2368, and amendments thereto, and subject to subsection (a) of K.S.A. 2013 Supp. 38-2365, and amendments thereto, the court may impose one or more of the following sentencing alternatives. In the event that any sentencing alternative chosen constitutes an order authorizing or requiring removal of the juvenile from the juvenile's home and such findings either have not previously been made or the findings are not or may no longer be current, the court shall make determinations as required by K.S.A. 2013 Supp. 38-2334 and 38-2335, and amendments thereto.

(1) Place the juvenile on probation through court services or community corrections for a fixed period, subject to terms and conditions the court deems appropriate consistent with juvenile justice programs in the community.

(2) Order the juvenile to participate in a community based program available in such judicial district subject to the terms and conditions the court deems appropriate. This alternative shall not be ordered with the alternative in paragraph (12) and when ordered with the alternative in paragraph (10) shall constitute a recommendation. Requirements pertaining to child support may apply if custody is vested with other than a parent.

(3) Place the juvenile in the custody of a parent (3) or other suitable person, subject to terms and conditions consistent with juvenile justice programs in the community. This alternative shall not be ordered with the alternative in paragraph (10) or (12). Requirements pertaining to child support may apply if custody is vested with other than a parent.

(4) Order the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug evaluation pursuant to subsection (b).

(5) Suspend or restrict the juvenile's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (c).

- (6) Order the juvenile to perform charitable or community service work.
- (7) Order the juvenile to make appropriate reparation or restitution pursuant to subsection (d).
- (8) Order the juvenile to pay a fine not exceeding \$1,000 pursuant to subsection (e).
- (9) Place the juvenile under a house arrest program administered by the court pursuant to K.S.A. 2013 Supp. 21-6609, and amendments thereto.
- (10) Place the juvenile in the custody of the commissioner as provided in K.S.A. 2013 Supp. 38-2365, and amendments thereto. This alternative shall not be ordered with the alternative in paragraph (3) or (12). Except for a mandatory drug and alcohol evaluation, when this alternative is ordered with alternatives in paragraphs (2), (4) and (9), such orders shall constitute a recommendation by the court. Requirements pertaining to child support shall apply under this alternative.
- (11) Commit the juvenile to a sanctions house for a period no longer than 28 days subject to the provisions of subsection (f).
- (12) Commit the juvenile directly to the custody of the commissioner for a period of confinement in a juvenile correctional facility and a period of aftercare pursuant to K.S.A. 2013 Supp. 38-2369, and amendments thereto. The provisions of K.S.A. 2013 Supp. 38-2365, and amendments thereto, shall not apply to juveniles committed pursuant to this provision, provided however, that 21 days prior to the juvenile's release from a juvenile correctional facility, the commissioner or designee shall notify the court of the juvenile's anticipated release date. The court shall set and hold a permanency hearing pursuant to K.S.A. 2013 Supp. 38-2365, and amendments thereto, within seven days after the juvenile's release. This alternative may be ordered with the alternative in paragraph (7). Requirements pertaining to child support shall apply under this alternative.
  - (b) If the court orders the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug and alcohol evaluation pursuant to subsection (a) (4), the following provisions apply:
    - (1) The court may order the juvenile offender to participate in counseling or mediation sessions or a program of education, including placement in an alternative educational program approved by a local school board. The costs of any counseling or mediation may be assessed as expenses in the case. No mental health center shall charge a fee for court-ordered counseling greater than what the center would have charged the person receiving the counseling if the person had requested counseling on the person's own initiative. No mediator shall charge a fee for court-ordered mediation greater than what the mediator would have charged the person participating in the mediation if the person had requested mediation on the person's own initiative. Mediation may include the victim but shall not be mandatory for the victim; and
    - (2) if the juvenile has been adjudicated to be a juvenile by reason of a violation of a statute that makes such a requirement, the court shall order and, if adjudicated for any other offense, the court may order the juvenile to submit to and complete a drug and alcohol evaluation by a community-based drug and alcohol safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. The court may waive the mandatory evaluation if the court finds that the juvenile completed a drug and alcohol evaluation, approved by the community-based alcohol and drug safety action program, within 12 months before sentencing. If the evaluation occurred more than 12 months

before sentencing, the court shall order the juvenile to resubmit to and complete the evaluation and program as provided herein. If the court finds that the juvenile and those legally liable for the juvenile's support are indigent, the court may waive the fee. In no event shall the fee be assessed against the commissioner or the juvenile justice authority nor shall the fee be assessed against the secretary of the department for children and families or the Kansas department for children and families if the juvenile is in the secretary's care, custody and control.

(c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

(1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and

(2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a nonresident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of issuance. The court shall furnish to any juvenile offender whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the juvenile offender may apply to the division for the return of the license

previously surrendered by the juvenile offender. In the event the license has expired, the juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions.

(d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):

(1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and

(2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.

(e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:

(1) The amount of the fine may not exceed \$1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to pay. Payment of a fine may be required in a lump sum or installments;

(2) in determining whether to impose a fine and the amount to be imposed, the court shall consider that imposition of a fine is most appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

(3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.

(f) If the court commits the juvenile to a sanctions house pursuant to subsection (a)(11), the following provisions shall apply:

(1) The court may order commitment for up to 28 days for the same offense or violation of sentencing condition. The court shall review the commitment every seven days and, may shorten the initial commitment or, if the initial term is less than 28 days, may extend the commitment;

(2) if, in the sentencing order, the court orders a sanctions house placement for a

verifiable probation violation and such probation violation occurs, the juvenile may immediately be taken to a sanctions house and detained for no more than 48 hours, excluding Saturdays, Sundays, holidays, and days on which the office of the clerk of the court is not accessible, prior to court review of the placement. The court and all parties shall be notified of the sanctions house placement; and

(3) a juvenile over 18 years of age and less than 23 years of age at sentencing shall be committed to a county jail, in lieu of a sanctions house, under the same time restrictions imposed by paragraph (1), but shall not be committed to or confined in a juvenile detention facility.

(g) Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

(h) In addition to the requirements of K.S.A. 2013 Supp. 38-2373, and amendments thereto, if a person is under 18 years of age and convicted of a felony or adjudicated as a juvenile offender for an offense if committed by an adult would constitute the commission of a felony, the court shall forward a signed copy of the journal entry to the commissioner within 30 days of final disposition.

(i) Except as further provided, if a juvenile has been adjudged to be a juvenile offender for an offense that if committed by an adult would constitute the commission of: (1) Aggravated human trafficking, as defined in subsection (b) of K.S.A. 2013 Supp. 21-5426, and amendments thereto, if the victim is less than 14 years of age; (2) rape, as defined in subsection (a)(3) of K.S.A. 2013 Supp. 21-5503, and amendments thereto; (3) aggravated indecent liberties with a child, as defined in subsection (b)(3) of K.S.A. 2013 Supp. 21-5506, and amendments thereto; (4) aggravated criminal sodomy, as defined in subsection (b)(1) or (b)(2) of K.S.A. 2013 Supp. 21-5504, and amendments thereto; (5) commercial sexual exploitation of a child, as defined in K.S.A. 2013 Supp. 21-6422, and amendments thereto, if the victim is less than 14 years of age; (6) sexual exploitation of a child, as defined in subsection (a)(1) or (a)(4) of K.S.A. 2013 Supp. 21-5510, and amendments thereto, if the victim is less than 14 years of age; or (7) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 2013 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of an offense defined in parts (1) through (6); the court shall issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends. If only one attendance center exists, for which the victim and juvenile are eligible to attend, in the school district where the victim and the juvenile reside, the court shall hear testimony and take evidence from the victim, the juvenile, their families and a representative of the school district as to why the juvenile should or should not be allowed to remain at the attendance center attended by the victim. After such hearing, the court may issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends.

(j) The sentencing hearing shall be open to the public as provided in K.S.A. 2013 Supp. 38-2353, and amendments thereto.

Sec. 73. K.S.A. 39-110 is hereby amended to read as follows: 39-110. (f) If a timely request for fair hearing pursuant to K.S.A. 75-3306, and amendments thereto, is made, certification by the secretary of social and rehabilitation services for children and families shall be stayed pending resolution of the fair hearing.

(6) not to be subject to such procedures as psychosurgery, electroshock therapy, experimental medication, aversion therapy or hazardous treatment procedures without the written consent of the patient or the written consent of a parent or legal guardian, if such patient is a minor or has a legal guardian provided that the guardian has obtained authority to consent to such from the court which has venue over the guardianship following a hearing held for that purpose;

Each treatment facility shall adopt regulations governing the conduct of all patients being treated in such treatment facility, which regulations shall be consistent with the provisions of this section. A statement explaining the reasons for any restriction of a patient's rights shall be immediately entered on such patient's medical record and copies of such statement shall be made available to the patient or to the parent, or legal guardian if such patient is a minor or has a legal guardian, and to the patient's attorney. In addition, notice of any restriction of a patient's rights shall be communicated to the patient in a timely fashion.

Other costs and fees shall be allowed and paid as are allowed by law for similar services in other cases. The costs shall be taxed to the estate of the patient, to those bound by law to support such patient or to the county of the residence of the patient as the court having jurisdiction shall direct, except that if a proposed patient is found not to be a mentally ill person subject to involuntary commitment under this act, the costs shall not be assessed against such patient's estate but may at the discretion of the court be assessed against the petitioner or may be paid from the general fund of the county of the residence of the proposed patient. Any

district court receiving a statement of costs from another district court shall forthwith approve the same for payment out of the general fund of its county except that it may refuse to approve the same for payment only on the ground that the patient is not a resident of that county. In such case it shall transmit the statement of costs to the secretary of social and rehabilitation for aging and disability services who shall determine the question of residence and certify the secretary's findings to each district court. Whenever a district court has sent a statement of costs to the district court of another county and such costs have not been paid within 90 days after the statement was sent, the district court that sent the statement may transmit such statement of costs to the secretary for determination and certification as provided above. If the claim for costs is not paid within 30 days after such certification, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county. The findings made by the secretary of social and rehabilitation for aging and disability services as to the residence of the patient shall be applicable only to the assessment of costs. Any county of residence which pays from its general fund court costs to the district court of another county may recover the same in any court of competent jurisdiction from the estate of the patient or from those bound by law to support such patient, unless the court shall find that the proceedings in which such costs were incurred were instituted without probable cause and not in good faith.

(1) "Patient" means any individual:

(A) Who is receiving services for mental illness and who is admitted, detained, committed, transferred or placed in the custody of the secretary of social and rehabilitation for aging and disability services under the authority of K.S.A. 22-3219, 22-3302, 22-3303, 22-3428a, 22-3429, 22-3430, 59-29a05, 75-5209 and 76-1306, and amendments thereto.

(B) In the custody of the secretary of social and rehabilitation for aging and disability services after being found a sexually violent predator pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, including any sexually violent predator placed on transitional release.

(2) "Restraints" means the application of any devices, other than human force alone, to any part of the body of the patient for the purpose of preventing the patient from causing injury to self or others.

(3) "Seclusion" means the placement of a patient, alone, in a room, where the patient's freedom to leave is restricted and where the patient is not under continuous observation.

(b) Each patient shall have the following rights:

(1) Upon admission or commitment, be informed orally and in writing of the patient's rights under this section. Copies of this section shall be posted conspicuously in each patient area, and shall be available to the patient's guardian and immediate family.

(2) The right to refuse to perform labor which is of financial benefit to the facility in which the patient is receiving treatment or service. Privileges or release from the facility may not be conditioned upon the performance of any labor which is regulated by this subsection. Tasks of a personal housekeeping nature are not considered compensable labor. Patients may voluntarily engage in therapeutic labor which is of financial benefit to the facility if such labor is compensated in accordance with a plan approved by the department and if:

(A) The specific labor is an integrated part of the patient's treatment plan approved as a therapeutic activity by the professional staff member responsible for supervising the patient's treatment;

(B) the labor is supervised by a staff member who is qualified to oversee the therapeutic aspects of the activity;

(C) the patient has given written informed consent to engage in such labor and has been informed that such consent may be withdrawn at any time; and

(D) the labor involved is evaluated for its appropriateness by the staff of the facility at least once every 120 days.

(3) A right to receive prompt and adequate treatment, rehabilitation and educational services appropriate for such patient's condition, within the limits of available state and federal funds.

(4) Have the right to be informed of such patient's treatment and care and to participate in the planning of such treatment and care.

(5) Have the following rights, under the following procedures, to refuse medication and treatment:

(A) Have the right to refuse all medication and treatment except as ordered by a court or in a situation in which the medication or treatment is necessary to prevent serious physical harm to the patient or to others. Except when medication or medical treatment has been ordered by the court or is necessary to prevent serious physical harm to others as evidenced by a recent overt act, attempt or threat to do such harm, a patient may refuse medications and medical treatment if the patient is a member of a recognized religious organization and the religious tenets of such organization prohibit such medications and treatment.

(B) Medication may not be used as punishment, for the convenience of staff, as a substitute for a treatment program, or in quantities that interfere with a patient's treatment program.

(C) Patients will have the right to have explained the nature of all medications prescribed, the reason for the prescription and the most common side effects and, if requested, the nature of any other treatments ordered.

(6) Except as provided in paragraph (2), have a right to be free from physical restraint and seclusion.

(A) Restraints or seclusion shall not be applied to a patient unless it is determined by the superintendent of the treatment facility or a physician or licensed psychologist to be necessary to prevent immediate substantial bodily injury to the patient or others and that other alternative methods to prevent such injury are not sufficient to accomplish this purpose. Restraint or seclusion shall never be used as a punishment or for the convenience of staff. The extent of the restraint or seclusion applied to the patient shall be the least restrictive measure necessary to prevent such injury to the patient or others, and the use of restraint or seclusion in a treatment facility shall not exceed three hours without medical reevaluation. When restraints or seclusion are applied, there shall be monitoring of the patient's condition at a frequency determined by the treating physician or licensed psychologist, which shall be no less than once per each 15 minutes. The superintendent of the treatment facility or a physician or licensed psychologist shall sign a statement explaining the treatment necessity for the use of any restraint or seclusion and shall make such statement a part of the permanent treatment record of the patient.

(B) The provisions of clause (A) shall not prevent:

(i) The use of seclusion as part of a treatment methodology that calls for time out when the patient is refusing to participate in a treatment or has become disruptive of a treatment process.

(ii) Patients may be restrained for security reasons during transport to or from the patient's building, including transport to another treatment facility. Any patient committed or transferred to a hospital or other health care facility for medical care may be isolated for security reasons within locked facilities in the hospital.

(iii) Patients may be locked or restricted in such patient's room during the night shift, if such patient resides in a unit in which each room is equipped with a toilet and sink or if the patients who do not have toilets in the rooms shall be given an opportunity to use a toilet at least once every hour, or more frequently if medically indicated.

(iv) Patients may be locked in such patient's room for a period of time no longer than one hour during each change of shift by staff to permit staff review of patient needs.

(v) Patients may also be locked in such patient's room on a unit-wide or facility-

wide basis as an emergency measure as needed for security purposes to deal with an escape or attempted escape, the discovery of a dangerous weapon in the unit or facility or the receipt of reliable information that a dangerous weapon is in the unit or facility, or to prevent or control a riot or the taking of a hostage. A unit-wide or facility-wide emergency isolation order may only be authorized by the superintendent of the facility where the order is applicable or the superintendent's designee. A unit-wide or facility-wide emergency isolation order shall be approved within one hour after it is authorized by the superintendent or the superintendent's designee. An emergency order for unit-wide or facility-wide isolation may only be in effect for the period of time needed to preserve order while dealing with the situation and may not be used as a substitute for adequate staffing. During a period of unit-wide or facility-wide isolation, the status of each patient shall be reviewed every 30 minutes to ensure the safety and comfort of the patient, and each patient who is locked in a room without a toilet shall be given an opportunity to use a toilet at least once every hour, or more frequently if medically indicated. The facility shall have a written policy covering the use of isolation that ensures that the dignity of the individual is protected, that the safety of the individual is secured, and that there is regular, frequent monitoring by trained staff to care for bodily needs as may be required.

(vi) Individual patients who are referred by the court or correctional facilities for criminal evaluations may be placed in administrative confinement for security reasons and to maintain proper institutional management when treatment cannot be addressed through routine psychiatric methods. Administrative confinement of individuals shall be limited to only patients that demonstrate or threaten substantial injury to other patients or staff and when there are no clinical interventions available that will be effective to maintain a safe and therapeutic environment for both patients and staff. Administrative confinement shall not be used for any patient who is actively psychotic or likely to be psychologically harmed. The status of each patient shall be reviewed every 15 minutes to ensure the safety and comfort of the patient. The patient shall be afforded all patient rights including being offered a minimum of one hour of supervised opportunity for personal hygiene, exercise and to meet other personal needs.

(7) The right not to be subject to such procedures as psychosurgery, electroshock therapy, experimental medication, aversion therapy or hazardous treatment procedures without the written consent of the patient or the written consent of a parent or legal guardian, if such patient is a minor or has a legal guardian provided that the guardian has obtained authority to consent to such from the court which has venue over the guardianship following a hearing held for that purpose.

(8) The right to individual religious worship within the facility if the patient desires such an opportunity. The provisions for worship shall be available to all patients on a nondiscriminatory basis. No individual may be coerced into engaging in any religious activities.

(9) A right to a humane psychological and physical environment within the hospital facilities. All facilities shall be designed to afford patients with comfort and safety, to promote dignity and ensure privacy. Facilities shall also be designed to make a positive contribution to the effective attainment of the treatment goals of the hospital.

(10) The right to confidentiality of all treatment records, and as permitted by other applicable state or federal laws, have the right to inspect and to receive a copy of such records.

(11) Except as otherwise provided, have a right to not be filmed or taped, unless the patient signs an informed and voluntary consent that specifically authorizes a named individual or group to film or tape the patient for a particular purpose or project during a specified time period. The patient may specify in such consent periods during which, or situations in which, the patient may not be filmed or taped. If a patient is legally incompetent, such consent shall be granted on behalf of the patient by the patient's guardian. A patient may be filmed or taped for security purposes without the patient's consent.

(12) The right to be informed in writing upon or at a reasonable time after admission, of any liability that the patient or any of the patient's relatives may have for the cost of the patient's care and treatment and of the right to receive information about charges for care and treatment services.

(13) The right to be treated with respect and recognition of the patient's dignity and individuality by all employees of the treatment facility.

(14) Patients have an unrestricted right to send sealed mail and receive sealed mail to or from legal counsel, the courts, the secretary of social and rehabilitation for aging and disability services, the superintendent of the treatment facility, the agency designated as the developmental disabilities protection and advocacy agency pursuant to P.L. 94-103, as amended, private physicians and licensed psychologists, and have reasonable access to letter-writing materials.

(15) The right as specified under clause (A) to send and receive sealed mail, subject to the limitations specified under clause (B):

(A) A patient shall also have a right to send sealed mail and receive sealed mail to or from other persons, subject to physical examination in the patient's presence if there is reason to believe that such communication contains contraband materials or objects that threaten the security of patients or staff. The officers and staff of a facility may not read any mail covered by this clause.

(B) The above rights to send and receive sealed and confidential mail are subject to the following limitations:

(i) An officer or employee of the facility at which the patient is placed may delay delivery of the mail to the patient for a reasonable period of time to verify whether the person named as the sender actually sent the mail; may open the mail and inspect it for contraband outside the presence of the patient; or may, if the officer or staff member cannot determine whether the mail contains contraband, return the mail to the sender along with notice of the facility mail policy.

(ii) The superintendent of the facility or the superintendent's designee may, in accordance with the standards and the procedure under subsection (c) for denying a right for cause, authorize a member of the facility treatment staff to read the mail, if the superintendent or the superintendent's designee has reason to believe that the mail could pose a threat to security at the facility or seriously interfere with the treatment, rights, or safety of the patient or others.

(iii) Residents may be restricted in receiving in the mail items deemed to be pornographic, offensive or which is deemed to jeopardize their individual treatment or that of others.

(16) Reasonable access to a telephone to make and receive telephone calls within reasonable limits.

(17) Be permitted to use and wear such patient's own clothing and personal

possessions, including toilet articles, or be furnished with an adequate allowance of clothes if none are available. Provision shall be made to launder the patient's clothing.

(18) Be provided a reasonable amount of individual secure storage space for private use.

(19) Reasonable protection of privacy in such matters as toileting and bathing.

(20) Be permitted to see a reasonable number of visitors who do not pose a threat to the security or therapeutic climate of other patients or the facility.

(21) The right to present grievances under the procedures established by each facility on the patient's own behalf or that of others to the staff or superintendent of the treatment facility without justifiable fear of reprisal and to communicate, subject to paragraph (14), with public officials or with any other person without justifiable fear of reprisal.

(22) The right to spend such patient's money as such patient chooses, except to the extent that authority over the money is held by another, including the parent of a minor, a court-appointed guardian of the patient's estate or a representative payee. A treatment facility may, as a part of its security procedures, use a patient trust account in lieu of currency that is held by a patient and may establish reasonable policies governing patient account transactions.

(c) A patient's rights guaranteed under subsections (b)(15) to (b)(21) may be denied for cause after review by the superintendent of the facility or the superintendent's designee, and may be denied when medically or therapeutically contraindicated as documented by the patient's physician or licensed psychologist in the patient's treatment record. The individual shall be informed in writing of the grounds for withdrawal of the right and shall have the opportunity for a review of the withdrawal of the right in an informal hearing before the superintendent of the facility or the superintendent's designee. There shall be documentation of the grounds for withdrawal of rights in the patient's treatment record. After an informal hearing is held, a patient or such patient's representative may petition for review of the denial of any right under this subsection through the use of the grievance procedure provided in subsection (d).

(d) The department of social and rehabilitation secretary for aging and disability services shall establish procedures to assure protection of patients' rights guaranteed under this section.

(e) No person may intentionally retaliate or discriminate against any patient or employee for contacting or providing information to any state official or to an employee of any state protection and advocacy agency, or for initiating, participating in, or testifying in a grievance procedure or in an action for any remedy authorized under this section.

(f) This section shall be a part of and supplemental to article 29a of chapter 59 of the Kansas Statutes Annotated, and amendments thereto.

(1) An order fixing the time and place of the trial upon the petition. Such hearing, in the court's discretion, may be conducted in a courtroom, a treatment facility or at some other suitable place. The time fixed in the order shall in no event be earlier than seven days or later than 14 days after the date of the filing of the petition. If a demand for a trial by jury is later filed by the proposed patient, the court may continue the trial and fix a new time and place of the trial at a time that may exceed beyond the 14 days but shall be fixed within a reasonable time not exceeding 30 days from the date of the filing of the demand.

(2) An order that the proposed patient appear at the time and place of the hearing and providing that the proposed patient's presence will be required at the hearing unless the attorney for the proposed patient shall make a request that the proposed patient's presence be waived and the court finds that the proposed patient's presence at the hearing would be injurious to the proposed patient's welfare. The order shall further provide that notwithstanding the foregoing provision, if the proposed patient requests in writing to the court or to such person's attorney that the proposed patient wishes to be present at the hearing, the proposed patient's presence cannot be waived.

(3) An order appointing an attorney to represent the proposed patient at all stages of the proceedings and until all orders resulting from such proceedings are terminated. The court shall give preference, in the appointment of this attorney, to any attorney who has represented the proposed patient in other matters if the court has knowledge of that prior representation. The proposed patient shall have the right to engage an attorney of the proposed patient's own choice and, in such event, the attorney appointed by the court shall be relieved of all duties by the court.

(4) An order that the proposed patient shall appear at a time and place that is in the best interests of the patient where the proposed patient will have the opportunity to consult with the proposed patient's court-appointed attorney, which time shall be at least five days prior to the date set for the trial under K.S.A. 59-29b65, and amendments thereto.

For these purposes, the trials required by K.S.A. 59-29b65 and K.S.A. 59-3067, and amendments thereto, may be consolidated.

(8) If the petitioner shall not have named a proposed treatment facility to which the proposed patient may be sent as provided for subsection (b)(8) of K.S.A. 59-29b57, and amendments thereto, but instead stated that the secretary of social and rehabilitation for aging and disability services has been notified and requested to determine which treatment facility the proposed patient should be sent to, then the court shall issue an order requiring the secretary, or the secretary's designee, to make that determination and to notify the court of the name and address of that treatment facility by such time as the court shall specify in the court's order.

(b) Nothing in this section shall prevent the court from granting an order of continuance, for good cause shown, to any party for no longer than seven days, except that such limitation does not apply to a request for an order of continuance made by the proposed patient or to a request made by any party if the proposed patient is absent such that further proceedings can not be held until the proposed patient has been located. The court also, upon the request of any party, may advance the date of the hearing if necessary and in the best interests of all concerned.

Sec. 219. K.S.A. 59-29b63 is hereby amended to read as follows: 59-29b63. (a) Notice as required by subsection (a)(6) of K.S.A. 59-29b60, and amendments thereto, shall be given to the proposed patient named in the petition, the proposed patient's legal guardian if there is one, the attorney appointed to represent the proposed patient, the proposed patient's spouse or nearest relative and to such other persons as the court directs.

(b) The notice shall state:

(2) the date, time and place of the trial;

(3) the name of the attorney appointed to represent the proposed patient and the time and place where the proposed patient shall have the opportunity to consult with this attorney;

(4) that the proposed patient has a right to a jury trial if a written demand for such is filed with the court at least four days prior to the time set for trial; and

(5) that if the proposed patient demands a jury trial, the trial date may have to be continued by the court for a reasonable time in order to empanel a jury, but that this continuance shall not exceed 30 days from the date of the filing of the demand.

(c) The court may order any of the following persons to serve the notice upon the proposed patient:

(1) The physician or psychologist currently administering to the proposed patient, if the physician or psychologist consents to doing so;

(2) the head of the treatment facility where the proposed patient is being detained or the designee thereof;

(3) the local health officer or such officer's designee;  
(4) the secretary of social and rehabilitation for aging and disability services or the secretary's designee if the proposed patient is being treated at a state psychiatric hospital pursuant to any provision of K.S.A. 59-2945 et seq., and amendments thereto;

(5) any law enforcement officer; or

(6) the attorney of the proposed patient.

(d) The notice shall be served personally on the proposed patient as soon as possible, but not less than six days prior to the date of the trial, and immediate return thereof shall be made to the court by the person serving notice. Unless otherwise ordered by the court, notice shall be served on the proposed patient by a nonuniformed person.

(e) Notice to all other persons may be made by mail or in such other manner as directed by the court.

Sec. 220. K.S.A. 2013 Supp. 59-29b66 is hereby amended to read as follows: 59-29b66. (a) Upon the completion of the trial, if the court or jury finds by clear and convincing evidence that the proposed patient is a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act, the court shall order treatment for such person for a specified period of time not to exceed three months from the date of the trial at a treatment facility. Whenever an involuntary patient is ordered to receive treatment, the clerk of the district court shall send a copy of the order to the Kansas bureau of investigation within five days after receipt of the order. The Kansas bureau of investigation shall immediately enter the order into the national criminal information center and other appropriate databases. An order for treatment in a treatment facility shall be conditioned upon the consent of the head of that treatment facility to accepting the patient. In the event no appropriate treatment facility has agreed to provide treatment for the patient, then the secretary of social and rehabilitation for aging and disability services shall be given responsibility for providing or securing treatment for the patient.

(b) A copy of the order for treatment shall be provided to the head of the treatment facility.

(c) When the court orders treatment, it shall retain jurisdiction to modify, change or terminate such order, unless venue has been changed pursuant to K.S.A. 59-29b71, and amendments thereto, and then the receiving court shall have continuing jurisdiction.

(d) If the court finds from the evidence that the proposed patient has not been shown to be a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act, the court shall release the person and terminate the proceedings.

Sec. 221. K.S.A. 59-29b78 is hereby amended to read as follows: 59-29b78. (a) Every patient being treated in any treatment facility, in addition to all other rights preserved by the provisions of this act, shall have the following rights:

(1) To wear the patient's own clothes, keep and use the patient's own personal possessions including toilet articles and keep and be allowed to spend the patient's own money;

(2) to communicate by all reasonable means with a reasonable number of persons at reasonable hours of the day and night, including both to make and receive confidential telephone calls, and by letter, both to mail and receive unopened correspondence, except that if the head of the treatment facility should deny a patient's right to mail or to

receive unopened correspondence under the provisions of subsection (b), such correspondence shall be opened and examined in the presence of the patient;

(3) to conjugal visits if facilities are available for such visits;

(4) to receive visitors in reasonable numbers and at reasonable times each day;

(5) to refuse involuntary labor other than the housekeeping of the patient's own bedroom and bathroom, provided that nothing herein shall be construed so as to prohibit a patient from performing labor as a part of a therapeutic program to which the patient has given their written consent and for which the patient receives reasonable compensation;

(6) not to be subject to such procedures as psychosurgery, electroshock therapy, experimental medication, aversion therapy or hazardous treatment procedures without the written consent of the patient or the written consent of a parent or legal guardian, if such patient is a minor or has a legal guardian provided that the guardian has obtained authority to consent to such from the court which has venue over the guardianship following a hearing held for that purpose;

(7) to have explained, the nature of all medications prescribed, the reason for the prescription and the most common side effects and, if requested, the nature of any other treatments ordered;

(8) to communicate by letter with the secretary of social and rehabilitation for aging and disability services, the head of the treatment facility and any court, attorney, physician, psychologist or minister of religion, including a Christian Science practitioner. All such communications shall be forwarded at once to the addressee without examination and communications from such persons shall be delivered to the patient without examination;

(9) to contact or consult privately with the patient's physician or psychologist, minister of religion, including a Christian Science practitioner, legal guardian or attorney at any time and if the patient is a minor, their parent;

(10) to be visited by the patient's physician, psychologist, minister of religion, including a Christian Science practitioner, legal guardian or attorney at any time and if the patient is a minor, their parent;

(11) to be informed orally and in writing of their rights under this section upon admission to a treatment facility; and

(12) to be treated humanely consistent with generally accepted ethics and practices.

(b) The head of the treatment facility may, for good cause only, restrict a patient's rights under this section, except that the rights enumerated in subsections (a)(5) through (a)(12), and the right to mail any correspondence which does not violate postal regulations, shall not be restricted by the head of the treatment facility under any circumstances. Each treatment facility shall adopt regulations governing the conduct of all patients being treated in such treatment facility, which regulations shall be consistent with the provisions of this section. A statement explaining the reasons for any restriction of a patient's rights shall be immediately entered on such patient's medical record and copies of such statement shall be made available to the patient or to the parent, or legal guardian if such patient is a minor or has a legal guardian, and to the patient's attorney. In addition, notice of any restriction of a patient's rights shall be communicated to the patient in a timely fashion.

(c) Any person willfully depriving any patient of the rights protected by this section, except for the restriction of such rights in accordance with the provisions of

subsection (b) or in accordance with a properly obtained court order, shall be guilty of a class C misdemeanor.

Sec. 222. K.S.A. 59-29b81 is hereby amended to read as follows: 59-29b81. In each proceeding the court shall allow and order paid to any individual or treatment facility as part of the costs thereof a reasonable fee and expenses for any professional services ordered performed by the court pursuant to this act, and including the fee of counsel for the patient when counsel is appointed by the court and the costs of the county or district attorney incurred in cases involving change of venue. Other costs and fees shall be allowed and paid as are allowed by law for similar services in other cases. The costs shall be taxed to the estate of the patient, to those bound by law to support such patient or to the county of the residence of the patient as the court having jurisdiction shall direct, except that if a proposed patient is found not to be a person with an alcohol or substance abuse problem subject to involuntary commitment under this act, the costs shall not be assessed against such patient's estate but may at the discretion of the court be assessed against the petitioner or may be paid from the general fund of the county of the residence of the proposed patient. Any district court receiving a statement of costs from another district court shall forthwith approve the same for payment out of the general fund of its county except that it may refuse to approve the same for payment only on the ground that the patient is not a resident of that county. In such case it shall transmit the statement of costs to the secretary of social and rehabilitation for aging and disability services who shall determine the question of residence and certify the secretary's findings to each district court. Whenever a district court has sent a statement of costs to the district court of another county and such costs have not been paid within 90 days after the statement was sent, the district court that sent the statement may transmit such statement of costs to the secretary for determination and certification as provided in this section. If the claim for costs is not paid within 30 days after such certification, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county. The findings made by the secretary of social and rehabilitation for aging and disability services as to the residence of the patient shall be applicable only to the assessment of costs. Any county of residence which pays from its general fund court costs to the district court of another county may recover the same in any court of competent jurisdiction from the estate of the patient or from those bound by law to support such patient, unless the court shall find that the proceedings in which such costs were incurred were instituted without probable cause and not in good faith.

Sec. 223. K.S.A. 59-3065 is hereby amended to read as follows: 59-3065. (a) Upon the filing of a petition as provided for in K.S.A. 59-3058, 59-3059, 59-3060, 59-3061 or 59-3062, and amendments thereto, or at any time thereafter until the trial provided for in K.S.A. 59-3067, and amendments thereto, the court may enter any of the following:

The court shall give preference, in the appointment of the attorney, to any attorney who has represented the minor in other matters if the court has knowledge of that prior representation, or to an attorney whom the minor, if 14 years of age or older, has requested. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order. Thereafter, an attorney may be appointed by the court if requested, in writing, by the guardian, conservator or minor, if 14 years of age or older, or upon the court's own motion.

(4) A notice in the manner provided for in K.S.A. 59-3066, and amendments thereto.

(d) Upon the filing of a petition as provided for in K.S.A. 59-3061, and amendments thereto, alleging that the proposed ward or proposed conservatee is a person who has been previously adjudged as impaired in another state, the court may

issue any of the following:

(1) An order appointing an attorney to represent the proposed ward or proposed conservatee. In making this appointment, the court shall consider the appointment of any attorney who has represented the proposed ward or proposed conservatee in other matters if the court has knowledge of that prior representation. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order. Thereafter, an attorney may be appointed at any time if requested, in writing, by the ward, conservatee, guardian or conservator, or upon the court's own motion.

(2) An order requiring that the proposed ward or proposed conservatee appear at the time and place of the trial set pursuant to subsection (d) of K.S.A. 59-3063, and amendments thereto. (e) Upon the filing of a petition as provided for in K.S.A. 59-3062, and amendments thereto, alleging that the proposed conservatee is a person in need of an ancillary conservator and requesting the appointment of an ancillary conservator in Kansas, the court may issue any of the following:

(1) An order appointing an attorney to represent the proposed conservatee. In making this appointment, the court shall consider the appointment of any attorney who has represented the proposed conservatee in other matters if the court has knowledge of that prior representation. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order. Thereafter, an attorney may be appointed at any time if requested, in writing, by the conservatee or conservator, or upon the court's own motion.

(2) A notice in the manner provided for in K.S.A. 59-3066, and amendments thereto.

Sec. 224. K.S.A. 59-3067 is hereby amended to read as follows: 59-3067. (a) The trial upon a petition filed pursuant to K.S.A. 59-3058, 59-3059, 59-3060, 59-3061 or 59-3062, and amendments thereto, shall be held at the time and place specified in the court's order entered pursuant to K.S.A. 59-3063, and amendments thereto, unless an order of advancement, continuance or change of place has been issued pursuant to K.S.A. 59-3065, and amendments thereto, and may be consolidated with the trial provided for in the care and treatment act for mentally ill persons, K.S.A. 59-2945 et

seq., and amendments thereto, or the care and treatment act for persons with an alcohol or substance abuse problem, K.S.A. 59-29b45, and amendments thereto, if the petition also incorporates the allegations required by, and is filed in compliance with, the provisions of either of those acts.

(b) If the petition alleges that the proposed ward or proposed conservatee is an adult with an impairment in need of a guardian or conservator, or both, the trial may be held to a jury if, at least four days prior to the date of the trial, a written demand for jury trial is filed with the court by the proposed ward or proposed conservatee. In all other cases, the trial shall be held to the court.

(c) The jury, if one is demanded, shall consist of six persons and shall be selected as provided by law. Notwithstanding any provision of K.S.A. 43-166, and amendments thereto, to the contrary, a panel of prospective jurors may be assembled by the clerk upon less than 20 days notice in this circumstance. From this panel, 12 qualified jurors who have been passed for cause shall be empaneled. Prior service as a juror in any other court shall not exempt, for that reason alone, any person from jury service hereunder. From the panel so obtained, the proposed ward or proposed conservatee, or the attorney for the proposed ward or proposed conservatee, shall strike one name; then the petitioner, or the petitioner's attorney, shall strike one name; and so on alternatively until each has stricken three names so as to reach the jury of six persons. During this process, if either party neglects or refuses to aid in striking the names, the court shall strike a name on behalf of such party.

(d) The petitioner and the proposed ward or proposed conservatee shall each be afforded an opportunity to appear at the trial, to testify and to present and cross-examine witnesses. If the trial has been consolidated with a trial being held pursuant to either the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem persons not necessary for the conduct of the proceedings may be excluded as provided for in those acts. The trial shall be conducted in as informal a manner as may be consistent with orderly procedure. The court shall have the authority to receive all relevant and material evidence which may be offered, including the testimony or written report, findings or recommendations of any professional or other person who has examined or evaluated the proposed ward or proposed conservatee and the testimony and written findings and recommendations of the secretary of social and rehabilitation services for children and families or any other person appointed by the court to conduct an investigation pursuant to K.S.A. 59-3065, and amendments thereto. Such evidence shall not be privileged for the purpose of this trial.

(e) Upon completion of the trial:

(1) If the court finds by clear and convincing evidence that the proposed ward or proposed conservatee is an adult with an impairment in need of a guardian or a conservator, or both, or a minor in need of a guardian or a conservator, or both, or a minor with an impairment in need of a guardian or a conservator, or both, or a person who has been previously adjudged as impaired in another state, the court, pursuant to K.S.A. 59-3068, and amendments thereto, shall appoint a qualified and suitable individual or corporation as the guardian or conservator, or both, and shall specify what duties, responsibilities, powers and authorities as provided for in K.S.A. 59-3075, 59-3076, 59-3077, 59-3078 or 59-3079, and amendments thereto, the guardian or conservator shall have. If the court appoints co-guardians or co-conservators, or both,

the court shall specify whether such co-guardians or co-conservators, or both, shall have the authority to act independently, to act only in concert, or under what circumstances or with regard to what matter they may act independently and when they may act only in concert.

(2) If a jury has been demanded in the case of an adult and the jury finds by clear and convincing evidence that the proposed ward or proposed conservatee is unable to meet essential needs for physical health, safety or welfare, or is unable to manage such person's estate, then the court shall determine if the proposed ward or proposed conservatee is in need of a guardian or a conservator, or both, and if so, the court, pursuant to K.S.A. 59-3068, and amendments thereto, shall appoint a qualified and suitable individual or corporation as the guardian or conservator, or both, and shall specify what duties, responsibilities, powers and authorities as provided for in K.S.A. 59-3075, 59-3076, 59-3077, 59-3078 or 59-3079, and amendments thereto, the guardian or conservator shall have. If the court appoints co-guardians or co-conservators, or both, the court shall specify whether such co-guardians or co-conservators, or both, shall have the authority to act independently or whether they shall be required to act only in concert.

(3) If the court finds by clear and convincing evidence that the proposed conservatee is a person in need of an ancillary conservator, the court, pursuant to K.S.A. 59-3068, and amendments thereto, shall appoint a qualified and suitable individual or corporation as the ancillary conservator, and shall specify what duties, responsibilities, powers and authorities as provided for in K.S.A. 59-3078 or 59-3079, and amendments thereto, the ancillary conservator shall have. If the court appoints co-ancillary conservators, the court shall specify whether such co-ancillary conservators shall have the authority to act independently or whether they shall be required to act only in concert.

(f) If the court does not find by clear and convincing evidence that the proposed ward or proposed conservatee is an adult with an impairment in need of a guardian or a conservator, or both, or a minor in need of a guardian or a conservator, or both, or a minor with an impairment in need of a guardian or a conservator, or both, or a person who has been previously adjudged as impaired in another state, or a person in need of an ancillary conservator, or does not find that the proposed ward or proposed conservatee is in need of a guardian or a conservator, even though the jury has determined that the proposed ward or proposed conservatee is unable to meet essential needs for physical health, safety or welfare, or is unable to manage such person's estate, because other appropriate alternatives exist and are sufficient to meet those needs of the proposed ward or proposed conservatee, then the court shall deny the requested appointments.

Sec. 225. K.S.A. 2013 Supp. 59-3069 is hereby amended to read as follows: 59-3069. (a) When the court appoints an individual or a corporation as a guardian, the court shall require that the individual or a representative on behalf of the corporation file with the court an oath or affirmation as required by K.S.A. 59-1702, and amendments thereto.

(b) When the court appoints an individual or a corporation as a conservator, except as provided for in subsections (c), (d) or (e), or in K.S.A. 59-3055, and amendments thereto, the court shall require that the individual or a representative on behalf of the corporation file with the court a bond in the amount of 125% of the combined value of

the tangible and intangible personal property in the conservatee's estate and the total of any annual income from any source which the conservator may be expected to receive on behalf of the conservatee, minus any reasonably expected expenses, conditioned upon the faithful discharge of all the duties of the conservator's trust according to law, and with sufficient sureties as the court may determine necessary or appropriate.

(c) When the court appoints an individual or a corporation as a conservator pursuant to a request for a voluntary conservatorship as provided for in K.S.A. 59-3056, and amendments thereto, and the person for whom the voluntary conservatorship is established has requested that the individual or corporation appointed not be required to file a bond, the court may waive the filing of a bond; provided that the court may later require the filing of a bond if circumstances so require.

(d) If, at the time of the appointment of a conservator, there is no property in the possession of the conservatee requiring a conservatorship, but the court finds that there is likely to be such at some point in time, the court may waive the filing of a bond and order that the conservator shall immediately file a report with the court upon either the conservator coming into possession of any property of the conservatee, or if the conservatee becomes entitled to receive any property which the conservator believes should be placed within the conservatorship. Upon the filing of such a report, the court, following any hearing the court may determine appropriate, may require the conservator to file a bond as provided for herein.

(e) If the conservator appointed is the individual or corporation suggested by a testator or settlor as provided for in K.S.A. 59-3054, and amendments thereto, and the testator or settlor has provided by will or trust that no bond should be required of such conservator, the court may waive the filing of a bond; provided that the court may later require the filing of a bond if circumstances so require.

(f) If the conservator is a bank having trust authority or a trust company organized and having its principal place of business within the state of Kansas, the court may waive the filing of a bond.

(g) If the conservator appointed is under contract with the Kansas guardianship program, the department of social and rehabilitation services Kansas department for children and families shall act as surety on the bond. The court shall order that a certified copy of the order appointing a conservator who is under contract with the Kansas guardianship program be sent to the director of the Kansas guardianship program.

(h) If the individual appointed as guardian or conservator, or both, resides outside of Kansas, the court shall require that person, and in the case of a corporation being appointed as guardian or conservator, or both, the court shall require a representative of the corporation, to appoint, in writing, a resident agent pursuant to K.S.A. 59-1706, and amendments thereto.

(i) Upon the filing of the required oath or bond, and appointment and consent of a resident agent, the court shall issue letters of guardianship to the guardian or letters of conservatorship to the conservator, or both. The court may order that a certified copy of these letters be sent to such persons or agencies as the court specifies.

(j) Every individual appointed as guardian or conservator on or after January 1, 2009, shall file with the court evidence of completion of a basic instructional program concerning the duties and responsibilities of a guardian or conservator prior to the issuance of letters of guardianship or conservatorship. The court shall have the authority

to require any guardian or conservator appointed prior to January 1, 2009, to complete the basic instructional program and provide evidence thereof to the court. The materials comprising the basic instructional program shall be prepared by the judicial council.

Sec. 226. K.S.A. 59-3070 is hereby amended to read as follows: 59-3070. (a) Any corporation organized under the Kansas general corporation code may act as guardian for an individual found to be in need of a guardian under the act for obtaining a guardian or conservator, or both, if the corporation has been certified by the secretary of social and rehabilitation services for children and families as a suitable agency to perform the duties of a guardian.

(b) The secretary of social and rehabilitation services for children and families shall establish criteria for determining whether a corporation should be certified as a suitable agency to perform the duties of a guardian. The criteria shall be designed for the protection of the ward and shall include, but not be limited to, the following:

(1) Whether the corporation is capable of performing the duties of a guardian;

(2) whether the staff of the corporation is accessible and available to wards and to other persons concerned about their well-being and is adequate in number to properly perform the duties and responsibilities of a guardian;

(3) whether the corporation is a stable organization which is likely to continue in existence for some time; and

(4) whether the corporation will agree to submit such reports and answer such questions as the secretary may require in monitoring corporate guardianships.

(c) Application for certification under this section shall be made to the secretary of social and rehabilitation services for children and families in such manner as the secretary may direct. The secretary of social and rehabilitation services for children and families may suspend or revoke certification of a corporation under this section, after notice and hearing, upon a finding that such corporation has failed to comply with the criteria established by rules and regulations under subsection (b). Such corporation shall not be appointed as a guardian during the period of time the certificate is suspended or revoked.

(d) No corporation shall be eligible for appointment as provided for in K.S.A. 59-3068, and amendments thereto, as the guardian of any person if such corporation provides care, treatment or housing to that person or is the owner, part owner or operator of any adult care home, lodging establishment or institution utilized for the care, treatment or housing of that person.

(e) The secretary of social and rehabilitation services for children and families may adopt rules and regulations necessary to administer the provisions of this section.

Sec. 227. K.S.A. 59-3080 is hereby amended to read as follows: 59-3080. (a) At any time the conservator, or the guardian if the guardian has been granted the authority to exercise control or authority over the ward's estate pursuant to subsection (e)(8) of K.S.A. 59-3075, and amendments thereto, may file a verified petition requesting that the court grant authority to the conservator or guardian to establish an irrevocable trust which will enable the conservatee or ward to qualify for benefits from any federal, state or local government program, or which will accelerate the conservatee's or ward's qualification for such benefits.

(b) The petition shall include:

(1) The conservator's or guardian's name and address, and if the conservator is the petitioner and is both the conservator and the guardian, a statement of that fact, or if the

guardian is the petitioner, a statement that the court has previously granted to the guardian the authority to exercise control or authority over the ward's estate;

(2) the conservatee's or ward's name, age, date of birth, address of permanent residence, and present address or whereabouts, if different from the conservatee's or ward's permanent residence;

(3) the name and address of the conservatee's court appointed guardian, if a guardian has been appointed by the court and is different from the conservator;

If no such names and addresses are known to the petitioner, but the petitioner has reason to believe such persons exist, then the petition shall state that fact and that the petitioner has made diligent inquiry to learn those names and addresses;

(5) a statement of whether the secretary of social and rehabilitation services for children and families has an interest in the matter by virtue of the purpose of the trust being to enable the conservatee or ward to qualify for benefits from any program administered by the secretary;

(6) the names and addresses of other persons, if any, whom the petitioner knows to have an interest in the matter, or a statement that the petitioner knows of no other persons having an interest in the matter;

(8) the factual basis upon which the petitioner alleges the need for such a trust;

(9) the names and addresses of witnesses by whom the truth of this petition may be proved; and

(10) a request that the court find that the conservator or guardian should be granted such authority, and that the court grant to the conservator or guardian the authority to establish such a trust.

(c) The petition shall be accompanied by a draft of the instrument by which the trust is proposed to be established.

(d) Upon the filing of such a petition, the court shall issue an order fixing the date, time and place of a hearing upon the petition, which hearing may be held forthwith and without further notice if those persons named within the petition pursuant to the requirements of subsections (b)(4), (b)(5) and (b)(6), as applicable, have entered their appearances, waived notice and agreed to the court's granting to the conservator or guardian the authority to establish the proposed trust. Otherwise, the court shall require the petitioner to give notice of this hearing to such persons and in such manner as the court may direct, including therewith a copy of the proposed trust instrument. This notice shall advise such persons that if they have any objections to this authority being granted to the conservator or guardian, that they must file their written objections with the court prior to the scheduled hearing or that they must appear at the hearing to present those objections. The court may appoint an attorney to represent the conservatee or ward in this matter similarly as provided for in subsection (a)(3) of K.S.A. 59-3063, and amendments thereto, and in such event, the court shall require the petitioner to also give this notice to that attorney.

(e) At the conclusion of the hearing, if the court finds by a preponderance of the

evidence that:

(1) The establishment of such a trust will enable the conservatee or ward to qualify for benefits from any federal, state or local government program, or will accelerate the qualification of the conservatee or ward for such benefits;

(2) the conservatee or ward will be the sole beneficiary of such trust;

(3) the term of the trust will not extend beyond the lifetime of the conservatee or ward;

(4) the provisions of the trust will provide for the distribution of the trust estate for the benefit of the conservatee or ward for special needs not satisfied from governmental benefits and that such distributions made for special needs not satisfied from governmental benefits will only be made in similar manner and under similar circumstances as the conservatee's or ward's estate would otherwise have been distributed by the conservator or guardian for the benefit of the conservatee or ward had the trust not been established;

(5) if the provisions of the trust will grant discretion to the trustee to terminate the trust during the lifetime of the conservatee or ward, that such provisions shall preclude the exercise thereof if such termination of the trust will disqualify the conservatee or ward from being eligible for any governmental benefits; and

(6) the provisions of the trust will provide that, upon termination of the trust, the remaining trust estate will first be expended to reimburse the governmental entities for the benefits which have been provided to the conservatee or ward, if such reimbursement was ever required as a condition for the conservatee's or ward's qualification for such benefits, and then any remaining balance shall be paid over and assigned as follows:

(A) To the conservator, if the termination occurs during the lifetime of the conservatee and the conservatorship remains open, or to the guardian, if the termination occurs during the lifetime of the ward and the guardianship remains open, or to the conservatee or ward, in the event the conservatorship or guardianship has been terminated and the conservatee or ward has been restored to capacity; or

(a) Subject to procedures or limitations prescribed by the governor, any person who is not an employee and who becomes a state officer may elect to not become a member of the system. The election to not become a member of the system must be

filed within 90 days of assuming the position of state officer. Such election shall be irrevocable. If such election is not filed by such state officer, such state officer shall be a member of the system.

(b) Any such state officer who is a member of the Kansas public employees retirement system, on or after the effective date of this act, may elect to not be a member by filing an election with the office of the retirement system. The election to not become a member of the system must be filed within 90 days of assuming the position of state officer. If such election is not filed by such state officer, such state officer shall be a member of the system.

(c) Subject to limitations prescribed by the board, the state agency employing any employee who has filed an election as provided under subsection (a) or (b) and who has entered into an employee participation agreement, as provided in K.S.A. 2013 Supp. 74-49b10, and amendments thereto, for deferred compensation pursuant to the Kansas public employees deferred compensation plan shall contribute to such plan on such employee's behalf an amount equal to 8% of the employee's salary, as such salary has been approved pursuant to K.S.A. 75-2935b, and amendments thereto, or as otherwise prescribed by law. With regard to a state officer who is a member of the legislature who has retired pursuant to the Kansas public employees retirement system and who files an election as provided in this section, employee's salary means per diem compensation as provided by law as a member of the legislature.

(d) As used in this section and K.S.A. 74-4927k, and amendments thereto, "state officer" means the secretary of administration, secretary on aging for aging and disability services, secretary of commerce, secretary of corrections, secretary of health and environment, secretary of labor, secretary of revenue, secretary of social and rehabilitation services for children and families, secretary of transportation, secretary of wildlife, parks and tourism, superintendent of the Kansas highway patrol, secretary of agriculture, executive director of the Kansas lottery, executive director of the Kansas racing commission, president of the Kansas development finance authority, state fire marshal, state librarian, securities commissioner, adjutant general, judges and chief hearing officer of the state court of tax appeals, members of the state corporation commission, any unclassified employee on the staff of officers of both houses of the legislature, any unclassified employee appointed to the governor's or lieutenant governor's staff, any person employed by the legislative branch of the state of Kansas, other than any such person receiving service credited under the Kansas public employees retirement system or any other retirement system of the state of Kansas therefor, who elected to be covered by the provisions of this section as provided in subsection (e) of K.S.A. 46-1302, and amendments thereto, or who is first employed on or after July 1, 1996, by the legislative branch of the state of Kansas and any member of the legislature who has retired pursuant to the Kansas public employees retirement system.

(e) The provisions of this section shall not apply to any state officer who has elected to remain eligible for assistance by the state board of regents as provided in subsection (a) of K.S.A. 74-4925, and amendments thereto.

Sec. 301. K.S.A. 2013 Supp. 74-4927 is hereby amended to read as follows: 74-4927. (1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as

established by the board, except that for any member who is disabled prior to the effective date of this act, the annual disability benefit amount shall be an amount equal to  $66\frac{2}{3}\%$  of the member's annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) For deaths occurring prior to January 1, 1987, the right to receive such death benefit shall cease upon the member's attainment of age 70 or date of retirement whichever first occurs. The right to receive such long-term disability benefit shall cease (i) for a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member's retirement, whichever first occurs, and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member's retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under subsection (3) of K.S.A. 74-4916, and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration which include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount which a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member's employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member's monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, "maximum monthly compensation" means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, "workers compensation benefits" means the total award of disability benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of

eligibility for benefits by reason of leaves of absence, military service or other interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary of social and rehabilitation services for children and families and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.

(2) (A) In the event that a member becomes eligible for a long-term disability benefit under the plan authorized by this section such member shall be given participating service credit for the entire period of such disability. Such member's final average salary shall be computed in accordance with subsection (17) of K.S.A. 74-4902, and amendments thereto, except that the years of participating service used in such computation shall be the years of salaried participating service.

(B) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding retirement, such member's final average salary shall be adjusted upon retirement by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's final average salary shall be adjusted upon retirement by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's final average salary shall be adjusted upon retirement by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of retirement, for each year of disability after July 1, 1998.

(C) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding death, such member's current annual rate shall be adjusted by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's current annual rate shall be adjusted upon death by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's current annual rate shall be adjusted upon death by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of death, for each year of disability after July 1, 1998.

(3) (A) To carry out the legislative intent to provide, within the funds made available therefor, the broadest possible coverage for members who are in active employment or involuntarily absent from such active employment, the plan of death and long-term disability benefits shall be subject to adjustment from time to time by the board within the limitations of this section. The plan may include terms and provisions which are consistent with the terms and provisions of group life and long-term disability policies usually issued to those employers who employ a large number of employees.

The board shall have the authority to establish and adjust from time to time the procedures for financing and administering the plan of death and long-term disability benefits authorized by this section. Either the insured death benefit or the insured disability benefit or both such benefits may be financed directly by the system or by one or more insurance companies authorized and licensed to transact group life and group accident and health insurance in this state.

(B) The board may contract with one or more insurance companies, which are authorized and licensed to transact group life and group accident and health insurance in Kansas, to underwrite or to administer or to both underwrite and administer either the insured death benefit or the long-term disability benefit or both such benefits. (d) This section shall be part of and supplemental to the healing arts act.

Sec. 60. K.S.A. 65-2001 is hereby amended to read as follows: 65-2001. As used in the podiatry act, unless the context otherwise requires:

(a) "Board" means the state board of healing arts.

(b) "Podiatrist" means one practicing podiatry.

(c) "Podiatry" means the diagnosis and medical and surgical treatment of all illnesses of the human foot, including the ankle and tendons which insert into the foot as well as the foot, subject to subsection (d) of K.S.A. 65-2002, and amendments thereto.

Sec. 61. K.S.A. 65-2002 is hereby amended to read as follows: 65-2002. (a) It shall be unlawful for any person to profess to be a podiatrist, to practice or assume the duties incidental to podiatry, to advertise or hold oneself out to the public as a podiatrist, or to use any sign or advertisement with the word or words podiatrist, foot specialist, foot correctionist, foot expert, practapedist or chiropodist, or any other term or terms indicating that such person is a podiatrist or that such person practices or holds oneself out as practicing podiatry or foot correction in any manner, without first obtaining from the board a license authorizing the practice of podiatry in this state, except as hereinafter provided.

(b) A licensed podiatrist shall be authorized to prescribe such drugs or medicine, and to perform such surgery on the human foot ~~or toes~~, ankle and tendons that insert into the foot, including amputation of the toes or part of the foot, as may be necessary to the proper practice of podiatry, but no podiatrist shall amputate the human foot or administer any anesthetic other than local.

(c) This act shall not prohibit the recommendation, advertising, fitting or sale of corrective shoes, arch supports, or similar mechanical appliances, or foot remedies by manufacturers, wholesalers or retail dealers.

(d) No podiatrist shall perform surgery on the ankle unless such person has completed a three-year post-doctoral surgical residency program in reconstructive

rearfoot/ankle surgery and is either board certified or board qualified progressing to board certification in reconstructive rearfoot/ankle surgery by a nationally recognized certifying organization acceptable to the board. Surgical treatment of the ankle by a podiatrist shall be performed only in a medical care facility, as defined in K.S.A. 65-425, and amendments thereto.

(e) Not later than 90 days after the effective date of this act, the board shall appoint a five-member committee to be known as the podiatry interdisciplinary advisory committee. Such committee shall advise and make recommendations to the board on matters relating to licensure of podiatrists to perform surgery on the ankle pursuant to subsection (d). The podiatry interdisciplinary advisory committee shall consist of five members:

Members appointed to such committee shall serve at the pleasure of the board without compensation. All expenses of the committee shall be paid by the board. The provisions of this subsection shall expire on July 1, 2018.

Sec. 62. K.S.A. 65-2004 is hereby amended to read as follows: 65-2004. (a) Except as provided in subsection (b) of K.S.A. 65-2003, and amendments thereto, each applicant for a license to practice podiatry shall be examined by the board in the following subjects: Anatomy, bacteriology, chemistry, dermatology, histology, pathology, physiology, pharmacology and medicine, diagnosis, therapeutics, and clinical podiatry and surgery, limited in their scope to the treatment of the human foot, including the ankle and tendons which insert into the foot as well as the foot. (b) Each applicant before taking the examination shall pay to the board the examination fee established pursuant to K.S.A. 65-2012, and amendments thereto. Any applicant failing the examination may have a reexamination in accordance with criteria established by rules and regulations of the board, which criteria may limit the number of times an applicant may retake the examination.

Sec. 63. K.S.A. 2013 Supp. 65-2005 is hereby amended to read as follows: 65-2005. (a) A licensee shall be designated a licensed podiatrist and shall not use any title or abbreviations without the designation licensed podiatrist, practice limited to the human foot, including the ankle and tendons which insert into the foot as well as the foot, and shall not mislead the public as to such licensee's limited professional qualifications to treat human ailments. Whenever a registered podiatrist, or words of like effect, is referred to or designated by any statute, contract or other document, such reference or designation shall be deemed to refer to or designate a licensed podiatrist.

(b) The license of each licensed podiatrist shall expire on the date established by rules and regulations of the board which may provide renewal throughout the year on a continuing basis. In each case in which a license is renewed for a period of time of less than one year, the board may prorate the amount of the fee established under K.S.A. 65-2012, and amendments thereto. The request for renewal shall be on a form provided by the board and shall be accompanied by the renewal fee established under K.S.A. 65-2012, and amendments thereto, which shall be paid not later than the expiration date of the license. At least 30 days before the expiration of a licensee's license, the board shall notify the licensee of the expiration by mail addressed to the licensee's last mailing address as noted upon the office records. If a licensee fails to pay the renewal fee by the date of expiration, the licensee shall be given a second notice that the licensee's license has expired and the license may be renewed only if the renewal fee and the late renewal fee are received by the board within the thirty-day period following the date of expiration and that, if both fees are not received within the thirty-day period, such licensee's license shall be canceled by operation of law and without further proceedings for failure to renew and shall be reissued only after the licensee has been reinstated under subsection (c).

(c) Any licensee who allows the licensee's license to be canceled by failing to renew may be reinstated upon recommendation of the board and upon payment of the renewal fee and the reinstatement fee established pursuant to K.S.A. 65-2012, and amendments thereto, and upon submitting evidence of satisfactory completion of the applicable reeducation and continuing education requirements established by the board. The board shall adopt rules and regulations establishing appropriate reeducation and continuing education requirements for reinstatement of persons whose licenses have been canceled for failure to renew.

(d) The board, prior to renewal of a license, shall require the licensee, if in the active practice of podiatry within Kansas, to submit to the board evidence satisfactory to the board that the licensee is maintaining a policy of professional liability insurance as required by K.S.A. 40-3402, and amendments thereto, and has paid the annual premium surcharge as required by K.S.A. 40-3404, and amendments thereto.

(e) The board may issue a temporary permit to practice podiatry in this state to any person making application for a license to practice podiatry who meets the required qualifications for a license and who pays to the board the temporary permit fee established pursuant to K.S.A. 65-2012, and amendments thereto. A temporary permit shall authorize the permittee to practice within the limits of the permit until the license is issued or denied to the permittee by the board.

(f) The board may issue a postgraduate permit to practice podiatry to any person engaged in a full-time, approved postgraduate study program; has made application for such postgraduate permit upon a form provided by the board; meets all the qualifications for a license, except the examination required under K.S.A. 65-2004, and amendments thereto; and has paid the fee established pursuant to K.S.A. 65-2012, and amendments thereto. The postgraduate permit shall authorize the person receiving the permit to practice podiatry in the postgraduate study program, but shall not authorize practice outside of the postgraduate study program. The postgraduate permit shall be canceled if the permittee ceases to be engaged in the postgraduate study program.

(g) The board may issue, upon payment to the board of the temporary license fee established pursuant to K.S.A. 65-2012, and amendments thereto, a temporary license

to a practitioner of another state or country who is appearing as a clinician at meetings, seminars or training programs approved by the board, if the practitioner holds a current license, registration or certificate as a podiatrist from another state or country and the sole purpose of such appearance is for promoting professional education.

(h) There is hereby created a designation of exempt license. The board is authorized to issue an exempt license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an exempt license established under K.S.A. 65-2012, and amendments thereto. The board may issue an exempt license only to a person who has previously been issued a license to practice podiatry within Kansas, who is no longer regularly engaged in such practice and who does not hold oneself out to the public as being professionally engaged in such practice. An exempt license shall entitle the holder to all privileges attendant to the practice of podiatry. Each exempt license may be renewed annually subject to the other provisions of this section and other sections of the podiatry act. Each exempt licensee shall be subject to all provisions of the podiatry act, except as otherwise provided. The holder of an exempt license shall not be required to submit evidence of satisfactory completion of a program of continuing education required under the podiatry act. Each exempt licensee may apply for a license to regularly engage in the practice of podiatry upon filing a written application with the board and submitting evidence of satisfactory completion of the applicable and continuing education requirements established by the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established under K.S.A. 65-2012, and amendments thereto. The board shall adopt rules and regulations establishing appropriate and continuing education requirements for exempt licensees to become licensed to regularly practice podiatry within Kansas.

(i) There is hereby created a designation of inactive license. The board is authorized to issue an inactive license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an inactive license established pursuant to K.S.A. 65-2012, and amendments thereto. The board may issue an inactive license only to a person who meets all the requirements for a license to practice podiatry in Kansas, who is not regularly engaged in the practice of podiatry in Kansas, who does not hold oneself out to the public as being professionally engaged in such practice and who meets the definition of inactive health care provider as defined in K.S.A. 40-3401, and amendments thereto. An inactive license shall not entitle the holder to practice podiatry in this state. Each inactive license may be renewed subject to the provisions of this section. Each inactive licensee shall be subject to all provisions of the podiatry act, except as otherwise provided in this subsection. The holder of an inactive license shall not be required to submit evidence of satisfactory completion of a program of continuing education required by K.S.A. 65-2010, and amendments thereto. Each inactive licensee may apply for a license to regularly engage in the practice of podiatry upon filing a written application with the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established pursuant to K.S.A. 65-2012, and amendments thereto. For those licensees whose license has been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for inactive licensees to become licensed to regularly practice podiatry within Kansas. Any licensee whose license has been inactive for more than two years and who has not been in the active practice of podiatry

or engaged in a formal education program since the licensee has been inactive may be required to complete such additional testing, training or education as the board may deem necessary to establish the licensee's present ability to practice with reasonable skill and safety.

(j) There is hereby created a designation of federally active license. The board is authorized to issue a federally active license to any licensee who makes written application for such license on a form provided by the board and remits the same fee required for a license established under K.S.A. 65-2012, and amendments thereto. The board may issue a federally active license only to a person who meets all the requirements for a license to practice podiatry in Kansas and who practices podiatry solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies or who, in addition to such employment or assignment, provides professional services as a charitable health care provider as defined under K.S.A. 75-6102, and amendments thereto. The provisions of subsections (b) and (c) of this section relating to expiration, renewal and reinstatement of a license and K.S.A. 65-2010, and amendments thereto, relating to continuing education shall be applicable to a federally active license issued under this subsection. A person who practices under a federally active license shall not be deemed to be rendering professional service as a health care provider in this state for purposes of K.S.A. 40-3402, and amendments thereto.

(k) Each license or permit granted under this act shall be conspicuously displayed at the office or other place of practice of the licensee or permittee.

(l) A person whose license has been revoked may apply for reinstatement of the license after the expiration of three years from the effective date of the revocation. Application for reinstatement shall be on a form provided by the board and shall be accompanied by a reinstatement of a revoked license fee established by the board under K.S.A. 65-2012, and amendments thereto. The burden of proof by clear and convincing evidence shall be on the applicant to show sufficient rehabilitation to justify reinstatement of the license. If the board determines a license should not be reinstated, the person shall not be eligible to reapply for reinstatement for three years from the effective date of the denial. All proceedings conducted on an application for reinstatement shall be in accordance with the provisions of the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act. The board, on its own motion, may stay the effectiveness of an order of revocation of license.
