(a) A certification requirement, and enforcement procedure, for officers, directors, key employees and persons directly or indirectly owning a 0.5% or more interest in a lottery gaming facility manager or racetrack gaming facility manager. Such certification requirement shall include compliance with such security, fitness and background investigations and standards as the executive director of the Kansas racing and gaming commission deems necessary to determine whether such person's reputation, habits or associations pose a threat to the public interest of the state or to the reputation of or effective regulation and control of the lottery gaming facility or racetrack gaming facility. In the case of a publicly traded company subject to the jurisdiction of the United States securities and exchange commission, such certification requirements shall include such security, fitness and background investigations and standards, for officers, directors, key gaming employees and persons directly or indirectly owning a 5% or more interest in such entity, and shall specify that such publicly traded company annually provide a list of all identifiable shareholders. Any person convicted of any felony, a crime involving gambling or a crime of moral turpitude prior to applying for a certificate hereunder or at any time thereafter shall be deemed unfit. The Kansas racing and gaming commission shall conduct the security, fitness
and background checks required pursuant to this subsection. Certification pursuant to this subsection shall not be assignable or transferable;

(b) a certification requirement, and enforcement procedure, for those persons, including electronic gaming machine manufacturers, technology providers and computer system providers, who propose to contract with a lottery gaming facility manager, a racetrack gaming facility manager or the state for the provision of goods or services related to a lottery gaming facility or racetrack gaming facility, including management services. Such certification requirements shall include compliance with such security, fitness and background investigations and standards of officers, directors, key gaming employees and persons directly or indirectly owning a 0.5% 5% or more interest in such entity as the executive director of the Kansas racing and gaming commission deems necessary to determine whether such person's reputation, habits and associations pose a threat to the public interest of the state or to the reputation of or effective regulation and control of the lottery gaming facility or racetrack gaming facility. In the case of a publicly traded company subject to the jurisdiction of the United States securities and exchange commission, or equivalent foreign securities law, such certification requirements include such security, fitness and background investigations and standards, for officers, directors, key gaming employees and persons directly or indirectly owning a 5% or more interest in such entity, and shall specify that such publicly traded company annually provide a list of all identifiable shareholders. In the case of institutional investors in a publicly traded company, the certification requirement shall provide a procedure for issuance of waivers of the background investigation requirement by the executive director of the Kansas racing and gaming commission. Any person convicted of any felony, a crime involving gambling or a crime of moral turpitude prior to applying for a certificate hereunder or at any time thereafter shall be deemed unfit. If the executive director of the racing and gaming commission determines the certification standards of another state are comprehensive, thorough and provide similar adequate safeguards, the executive director may certify an applicant already certified in such state without the necessity of a full application and background check. The Kansas racing and gaming commission shall conduct the security, fitness and background checks required pursuant to this subsection. Certification pursuant to this subsection shall not be assignable or transferable;

(5) (4) as provided by subsection (e).
(c) Moneys credited to the Kansas greyhound breeding development
fund shall be used only for the benefit of greyhounds.
(d) There is hereby created in the state treasury the greyhound

greyhound-related tourism. Expenditures from such fund shall be made in
accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of commerce or a person designated by the secretary.

(e) If live greyhound racing ceases at a racetrack facility for a period of 60 continuous days or the commission finds that live greyhound racing is likely to cease at a racetrack facility for a period of 60 continuous days, any undisbursed moneys that would otherwise be expended pursuant to subsection (b)(3) shall be expended in accordance with the following:

(1) The commission shall compile a roster of Kansas-whelped greyhounds in each licensed kennel on the day of racing at the racetrack facility prior to the day of cessation of racing (the "census date"), except that any Kansas-whelped greyhound that has not been in residence in the kennel and on the kennel's active list for five of the 14 days immediately preceding the census date shall not be included in the roster.

(2) The undisbursed moneys shall be divided equally among the qualified Kansas-whelped greyhounds identified pursuant to the census described in subsection (e)(1).

(3) The funds awarded to each qualified Kansas-whelped greyhound shall be divided equally between the licensed owner of the Kansas-whelped greyhound and the licensed kennel owner in whose kennel the Kansas-whelped greyhound was resident. If such a greyhound or kennel has multiple owners, the owner's share and kennel owner's share shall be prorated in accordance with the ownership percentages of each part owner of such greyhound or kennel, as appears in the commission's multiple ownership or kennel registration records.

(4) Payments to Kansas-whelped greyhound owners and kennel owners pursuant to this subsection shall be made directly from the Kansas greyhound breeding development fund to such greyhound owners and kennel owners.

Sec. 14. K.S.A. 74-8836 is hereby amended to read as follows: 74-8836. (a) Any organization licensee that conducts at least 150 days of live racing during a calendar year, or is in compliance with the provisions of K.S.A. 2012 Supp. 74-8746, and amendments thereto, or a fair association that conducts fewer than 22 40 days of live racing during a calendar year may apply to the commission for a simulcasting license to display simulcast horse or greyhound races and to conduct intertrack parimutuel wagering thereon. If the organization licensee conducts races at a racetrack facility that is owned by a facility owner licensee, both licensees shall join in the application. A simulcasting license granted to a fair association that conducts fewer than 22 days of live racing shall restrict the fair association's display of simulcast races to a number of days, including days on which it conducts live races, equal to not more than twice the...
number of days on which it conducts live races.

(b) (1) A simulcasting license granted to an organization licensee other than a fair association shall authorize the display of simulcast races at the racetrack facility where the live races are conducted so long as: (A) The licensee conducts at least eight live races per day and an average of 10 live races per day per week; or (B) the licensee is in compliance with the provisions of K.S.A. 2012 Supp. 74-8746, and amendments thereto. If a simulcasting license the licensee is not in compliance with the provisions of K.S.A. 2012 Supp. 74-8746, and amendments thereto, and if the licensee conducts live horse races on a day when simulcast races are displayed by the licensee and the licensee conducts fewer than an average of 10 live horse races per day per week, not less than 80% of the races on which wagers are taken by the licensee during such week shall be live races conducted by the licensee unless approved by the recognized horsemen's group or upon a finding by the commission that the organization licensee was unable to do so for reasonable cause. If a simulcasting license the licensee is not in compliance with the provisions of K.S.A. 2012 Supp. 74-8746, and amendments thereto, and if the licensee conducts live greyhound races on a day when simulcast races are displayed by the licensee and the licensee schedules fewer than 13 live greyhound races during a performance on such day, not less than 80% of the races on which wagers are taken by the licensee during such performance shall be live races conducted by the licensee.

(2) A simulcasting license granted to a fair association shall authorize the display of simulcast races at the racetrack facility where the races are conducted only if live races are scheduled for two or more days of the same calendar week, except that the licensee may conduct simulcast races in the week immediately before and immediately after a live meeting if the total number of days on which simulcast races are displayed does not exceed the total authorized in subsection (a). In no case shall the live meet-or-simulcast races allowed under this subsection exceed 10 consecutive weeks. For purposes of this subsection, a calendar week shall be measured from Monday through the following Sunday.

(3) Notwithstanding the provisions of subsection (a), (b)(1) or (b)(2), a fair association may apply to the commission for not more than five additional days of simulcasting of special events. In addition, the commission may authorize a fair association to display additional simulcast races but, if such fair association is less than 100 miles from an organization licensee that is not a fair association, it also shall secure written consent from that organization licensee.

(4) Notwithstanding the provisions of subsection (b)(1), if an emergency causes the cancellation of all or any live races scheduled for a day or performance by a simulcasting licensee, the commission or the-
commission’s designee may authorize the licensee to display any simulcast races previously scheduled for such day or performance.

(5) Notwithstanding the provisions of subsection (b)(1), the commission may authorize the licensee to display simulcast special racing events as designated by the commission.

(c) The application for a simulcasting license shall be filed with the commission at a time and place prescribed by rules and regulations of the commission. The application shall be in a form and include such information as the commission prescribes.

(d) To qualify for a simulcasting license the applicant shall:

(2) submit with the application a written approval of the proposed simulcasting schedule signed by: (A) The recognized horsemen's group for the track, if the applicant is licensed to conduct only horse races; (B) the recognized greyhound owners' group, if the applicant is licensed to conduct only greyhound races and only greyhound races are to be simulcast; (C) both the recognized greyhound owners' group and a recognized horsemen's group, if the applicant is licensed to conduct only greyhound races and horse races are to be simulcast; (D) the recognized greyhound owners' group, if the applicant is licensed to conduct both greyhound and horse races, only greyhound races are to be simulcast and races are to be simulcast only while the applicant is conducting live greyhound races; (E) the recognized horsemen's group for the track, if the applicant is licensed to conduct both greyhound and horse races, only horse races are to be simulcast and races are to be simulcast only while the applicant is conducting live horse races; or (F) both the recognized greyhound owners' group and the recognized horsemen's group for the track, if the applicant is licensed to conduct both greyhound races and horse races and horse races are to be simulcast while the applicant is conducting live greyhound races or greyhound races are to be simulcast while the applicant is conducting live horse races; and

(3) submit, in accordance with rules and regulations of the commission and before the simulcasting of a race, a written copy of each contract or agreement which the applicant proposes to enter into with regard to such race, and any proposed modification of any such contract or agreement.

(e) The term of a simulcasting license shall be one year.

(f) A simulcasting licensee may apply to the commission or its designee for changes in the licensee's approved simulcasting schedule if such changes are approved by the respective recognized greyhound owners' group or recognized horsemen's group needed throughout the term of the license. Application shall be made upon forms furnished by the
commission and shall contain such information as the commission
presents.

(g) Except as provided by subsection (j), the takeout for simulcast
horse and greyhound races shall be the same as it is for the live horse and
greyhound races conducted during the current or next live race meeting at
the racetrack facility where the simulcast races are displayed. For
simulcast races the tax imposed on amounts wagered shall be as provided
by K.S.A. 74-8823, and amendments thereto. Of the balance of the takeout
remaining after deduction of taxes, an amount equal to a percentage, to be
determined by the commission, of the gross sum wagered on simulcast
races shall be used for purses, as follows:

(1) For greyhound races conducted by the licensee, if the simulcast
race is a greyhound race and the licensee conducts only live greyhound
races;

(2) for horse races conducted by the licensee, if the simulcast race is a
horse race and the licensee conducts only live horse races;

(3) for horse races and greyhound races, as determined by both the
recognized horsemen's group and the recognized greyhound owners'

conduct or is not currently conducting live greyhound races; or

(4) for horse races and greyhound races, as determined by both the
recognized horsemen's group and the recognized greyhound owners'
group, if the simulcast is a horse race and the licensee does not conduct or
is not currently conducting live horse races. That portion of simulcast
purse money determined to be used for horse purses shall be apportioned
by the commission to the various horse race meetings held in any calendar
year based upon the number of live horse race dates comprising such horse
race meetings in the preceding calendar year.

(h) Except as provided by subsection (j):

(1) If a simulcasting licensee has a license to conduct live horse races
and the licensee displays a simulcast horse race: (A) All breakage proceeds
shall be remitted by the licensee to the commission not later than the 15th
day of the month following the race from which the breakage is derived
and the commission shall remit any such proceeds received to the state
treasurer in accordance with the provisions of K.S.A. 75-4215, and
amendments thereto. Upon receipt of each such remittance, the state
treasurer shall deposit the entire amount in the state treasury to the credit
of the Kansas horse breeding development fund created by K.S.A. 74-
8829, and amendments thereto; and (B) all unclaimed ticket proceeds shall
be remitted by the licensee to the commission on the 61st day after the end
of the calendar year and the commission shall remit any such proceeds
received to the state treasurer in accordance with the provisions of K.S.A.
75-4215, and amendments thereto. Upon receipt of each such remittance,
the state treasurer shall deposit the entire amount in the state treasury to
the credit of the Kansas horse breeding development fund created by
K.S.A. 74-8829, and amendments thereto.
(2) If a simulcasting licensee has a license to conduct live greyhound
races and the licensee displays a simulcast greyhound race, breakage and

provided by K.S.A. 74-8821 and 74-8822, and amendments thereto, for
breakage and unclaimed winning ticket proceeds from live greyhound
races.
(3) If a simulcasting licensee has a license to conduct live racing of
only horses and the licensee displays a simulcast greyhound race,
unclaimed winning ticket proceeds shall be distributed in the manner
provided by K.S.A. 74-8822, and amendments thereto, for unclaimed
winning ticket proceeds from live greyhound races. Breakage for such

later than the 15th day of the month following the race from which the
breakage is derived and the commission shall remit any such proceeds
received to the state treasurer in accordance with the provisions of K.S.A.
75-4215, and amendments thereto. Upon receipt of each such remittance,
the state treasurer shall deposit the entire amount in the state treasury to
the credit of the Kansas horse breeding development fund created by
K.S.A. 74-8829, and amendments thereto; and (B) all unclaimed ticket
proceeds shall be remitted by the licensee to the commission on the 61st
day after the end of the calendar year and the commission shall remit any

the state treasury to the credit of the Kansas horse breeding development
fund created by K.S.A. 74-8829, and amendments thereto.
(i) The commission may approve a request by two or more
simulcasting licensees to combine wagering pools within the state of
Kansas pursuant to rules and regulations adopted by the commission.
(j) (1) The commission may authorize any simulcasting licensee to
participate in an interstate combined wagering pool with one or more other
racing jurisdictions.
(2) If a licensee participates in an interstate pool, the licensee may
adopt the takeout of the host jurisdiction or facility. The amount and
manner of paying purses from the takeout in an interstate pool shall be as
provided by subsection (g).
(3) The tax imposed on amounts wagered in an interstate pool shall be as provided by K.S.A. 74-8823, and amendments thereto. Parimutuel taxes may not be imposed on any amounts wagered in an interstate combined wagering pool other than amounts wagered within this jurisdiction.

(4) Breakage for interstate combined wagering pools shall be calculated in accordance with the statutes and rules and regulations of the host jurisdiction and shall be allocated among the participating jurisdictions in a manner agreed to among the jurisdictions. Breakage allocated to this jurisdiction shall be distributed as provided by subsection (h).

(6) The participation by a simulcasting licensee in a combined interstate wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located.

(k) If the organization licensee, facility owner licensee if any and the recognized horsemen's group or recognized greyhound owners' group are unable to agree concerning a simulcasting application, the matter may be submitted to the commission for determination at the written request of any party in accordance with rules and regulations of the commission.

(l) This section shall be part of and supplemental to the Kansas parimutuel racing act.
