Sec. 4. (a) The Kansas children's cabinet shall establish the Kansas reads to succeed program.

(b) (1) A qualifying organization may apply to the Kansas children's cabinet for a grant of state moneys from the Kansas reads to succeed program for the purpose of: (A) Developing research-based interventions

(3) Each qualifying organization which is awarded a grant shall

other information as the Kansas children's cabinet may request.

qualifying organization. If such qualifying organization includes a school
district, upon receipt of a grant of state moneys from the Kansas reads to
succeed program, the amount of such grant may be deposited in the
general fund of a school district. Moneys deposited in the general fund of a
school district under this subsection shall be considered reimbursements
for the purpose of the school district finance and quality performance act.

board, shall prepare a longitudinal analysis report of pupil assessment data.
Such report shall track those pupils who received services from qualifying
organizations which have been awarded state moneys from the Kansas

the legislature of each year, the Kansas children's cabinet shall submit the
longitudinal analysis report of pupil assessment data to the committee on
education of the house of representatives, the committee on education of
the senate, the committee on appropriations of the house of
representatives, the committee on ways and means of the senate and the
governor.

(e) The Kansas children's cabinet shall annually publish a list of all

Such school districts shall receive an award in an amount equal to $10,000 for each such elementary school. Such awards shall be paid at such times as established by the Kansas children's cabinet. Upon receipt of such award, in accordance with this section, the amount of the award shall be deposited in the general fund of a school district. Moneys deposited in the general fund of a school district under this subsection shall be considered reimbursements for the purpose of the school district finance and quality performance act.

(c) Commencing in school year 2013-2014 and each school year thereafter, the commissioner of education shall identify the top 100 public elementary schools within the state of Kansas which demonstrate improvement in grade four student reading proficiency.

(d) The Kansas children's cabinet and the state board, jointly, may adopt such rules and regulations necessary to implement and carry out the provisions of this section.
