AN ACT concerning utilities; relating to the state corporation commission.

Be it enacted by the Legislature of the State of Kansas:

Section 1. The state corporation commission shall initiate and complete a proceeding on or before April 1, 2015, to study the integrated marketplace program. The proceeding shall focus primarily on the day-ahead market implemented by the southwest power pool on March 1, 2014, and such market's impact on Kansas rates and ratepayers. The commission shall prepare and present a report detailing the findings of the proceeding to the senate committee on utilities and the house committee on energy and environment annually for five years beginning on or before January 30, 2016.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
