**HCR 5003** urges Congress to propose the Regulation Freedom Amendment to the *U.S. Constitution*. The proposed language of the Regulation Freedom Amendment would be as follows:

Whenever one quarter of the members of the United States House of Representatives or the United States Senate transmits to the President their written declaration of opposition to a proposed federal regulation, it shall require a majority vote of the House of Representatives and the Senate to adopt that regulation.

The concurrent resolution specifies the Kansas Secretary of State must send an enrolled copy of the resolution to each member of the Kansas congressional delegation and work with Kansas' legislative leaders to send a copy to the legislative leaders in other states, including the speaker of the house and the president of the senate of every state legislature in the United States.
