

STATE OF KANSAS

HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **HCR 5014**, on page 1, in line 20, after the period by inserting "Within ten days after passage, every revocation or suspension provided for by this section shall be signed by the presiding officers and presented to the governor. If the governor approves a revocation or suspension, the governor shall sign it. If the governor does not approve a revocation or suspension, the governor shall veto it by returning the revocation or suspension, with a veto message of the objections to the house or origin of the revocation or suspension. Whenever a veto message is so received, the message shall be entered in the journal and in not more than thirty calendar days (excluding the day received), the house of origin shall reconsider the revocation or suspension. If two-thirds of the members then elected (or appointed) and qualified shall vote to approve the revocation or suspension, it shall be sent, with the veto message, to the other house, which shall in not more than thirty calendar days (excluding the day received) also reconsider the revocation or suspension, and if approved by two-thirds of the members then elected (or appointed) and qualified, the revocation or suspension shall become effective, notwithstanding the governor's veto.

If any revocation or suspension shall not be returned within ten calendar days (excluding the day presented) after it shall have been presented to the governor, it shall become effective in like manner as if it had been signed by the governor."
