

STATE OF KANSAS

SENATE CHAMBER

MR. PRESIDENT:

I move to amend **SB 484**, on page 1, in line 19, by striking all after "(b)"; in line 20, by striking all before the period and inserting "(1) On or before August 1, 2022, the Kansas state high school athletics association shall adopt policies and procedures for participation of student athletes in an athletic team or sport that is not of such student athlete's biological sex or that is not coed or mixed. Such policies and procedures shall be based on the most recent studies of multi-year hormonal treatment and shall establish procedures for the testing of testosterone levels of such student athletes.

(2) Any student athlete enrolled in a secondary school who wants to participate in an athletic team or sport that is not of such student athlete's biological sex or that is not coed or mixed shall demonstrate that such student athlete's testosterone levels are less than 10 nmol/L prior to the start of such student athlete's participation in such team or sport. Evidence that such student athlete's testosterone levels are in compliance with this section shall be submitted by such student athlete on a regular basis during such student athlete's participation in such team or sport at such times as required by policies and procedures adopted under paragraph (1). Testosterone levels shall not exceed the upper limit of normal reference range for such student athlete's age"
