

SESSION OF 2022

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2677

As Recommended by House Committee on
Federal and State Affairs

Brief*

HB 2677 would amend provisions of the Kansas Personal and Family Protection Act (Act) concerning the carrying of a concealed handgun by an off-duty law enforcement officer (officer).

Current law allows an officer to carry a concealed handgun in any building where an on-duty officer could carry such weapon, regardless of whether the building has restricted the carrying of concealed handguns pursuant to the Act and provided the officer otherwise complies with conditions listed in the Act.

The bill would specify that in buildings where an officer may carry a concealed handgun, no person of authority for the building shall require, request, or record personal information of the officer.

The bill would provide that personal information includes but is not limited to the officer's:

- Email address;
- Home phone number; or
- Home address.

The bill would also specify that the officer could not be required to wear anything identifying the officer's status as a law enforcement officer, or as being armed.
